Canoe Race

OCTOBER.

Dear Fellow-Member,

Success has again attended the Club's crew in the Novice Fours on Saturday last and here giving the crew our congratulations on their splendid win. We were in the headlines of the "Sun" on Monday morning, and lets keep the Club's name there again in the future.

Our light weight pair were unfortunate to be beaten in their heat, or else we would probably had two victories instead of one. Still, this is a good start for the season, and lets hope it is the forerunner of many more this season.

While on the topic of racing, don't forget that the Club Opening Day of the season will be held on Saturday, 17th Oct. Both rowing and canoe races will be held, and members are advised to watch the Notice Board for list of events. The Singles Challenge Shield races will start on this date, so canoeists should get busy, there will also be a Novice Singles, and Open Pairs races. Entry fee is 1/- blade and all fees MUST be paid before the race. There will be a Fours rowing event, and it is expected that crews from other clubs will be competing.

In regard to all races, members are advised that only financial members can compete in events for trophies. Registration with the Association will only be paid on those members who are financial, and the Canoe Association is going to be very strict this year on all racing matters. So if you want to race, see that you are financial first. Arthur Rouse will take any payments from you and issue you with a receipt.

SATURDAY NIGHT, 3rd October, is just a few nights off now, and this is the date of the next Club Dance to be held at the

Clubhouse, and it is expected that every member will be present and bring along a party of friends. The last dance was a grand show, and this one is to be still better. The charges are to be Gents, 2/- and Ladies 1/-. Lets see a good turn out of members and friends on Saturday night. Soon the weather will not be favorable for dancing, so lets make the best of this one night on Saturday.

The Canoe Association Annual Meeting held recently was well attended by all Clubs, but ours. H. de la Rue was re-elected President, and Ralph Andrew was elected as Commodore. Congratulations Ralph, it is said that you will need them. There is a busy year ahead, and this includes races for Ladies.

The Rowing Association Meeting is to be held on Monday 5th Oct. at the Amateur Sports Club, and all members are invited. Members are reminded that booking for canoe transport to Henley will close soon as only a limited number can be taken.

Members are asked to observe the Rules regarding the use of liquor on the club premises, or action will be necessary by the committee.

What do you think of a member who was kidded into believing that "Snuzzle" was a good canoe for parking. After loading up with clothes and all, he then tipped out, cushions and all.

And another member who practises paper-hanging on his canoe, and can't remove the paper when finished, good design that, Les Northcote Shooting Gallery now open.

F. Allen, Manager.

Live cats as targets, nothing barred, guns, catapults, sticks, stones, etc. all welcome. Members are advised that Club Pennants are available from Arthur Rouse at charge of five shillings.
