PRESIDENT'S MESSAGE

Mercantilians,

We have had another successful year on and off the water and this has been the result of a lot of hard work plus the usual great support from many of our members.

The results from the recent World Championships in Bled were very encouraging, but I will leave the detailed on-water reports to others in this report.

A number of management positions have changed and it is a wonderful feature of our club that we have quality replacements for these positions at changeover time. Firstly, our Head Coach Al Isherwood has moved on to become Head of Rowing at Firbank after a very successful few years at the helm. We thank Al very much and wish him every success in his new role in coaching and fatherhood.

Our new Head Coach is an Englishman named Mark Fangen-Hall who has coached at Cambridge University and until recently was the Head Coach at Queen's College in Belfast. Mark will be here later in the year and we met with him in Melbourne recently and were most impressed. A special thanks is needed here to David "Fradge" Fraumano who has been Acting Head Coach in the transition, which he has accomplished with great energy, skill and enthusiasm.

Steve Macek retired as Honorary Secretary after attending to one of the most demanding roles at the club so magnificently. Steve was replaced by Dee Bosler who has taken to the job like a duck to water.

Henry Edgar retired as Club Captain after an energetic term and will now concentrate on his coming marriage and career. Well rowed, Henry! Fleur Chew has been the second female Club Captain in our history and has done an excellent job. Sadly her work and study commitments will take her away from Melbourne next year and we will have a replacement.

Mal Batten has returned like a tornado to Mercs after a number of years abroad and has done wonderful work on the committee including building management, functions and general tasks. It is a delight to have him back.

John Nickson retired after several years of wonderful work bringing our finances under control, which was a huge effort and we extend our grateful thanks to him. Duncan MacKinnon has stepped into the role very energetically and he is particularly keen to find un-financial members and athletes who haven't paid their regatta and accommodation fees. Be warned, he is setting up a torture chamber under the back stairs!

We would be absolutely nowhere without the magnificent help of our volunteer and partly employed coaches who do extraordinary actions on a scrawny budget, including Sandy Mitchell, Tom Abramowski, John Chestney, Simon Harrison and David “Chipper” Colvin. Thank you all and I hope we can enjoy the fruits of your labours for many more successful seasons.

Another wonderful Mercantilian is Jenny Fraumano, who does so much back of shop work for the club administration, helping with functions and running the breakfast on Saturdays for our athletes with her helpers - Jan Tennent, Monica Frawley, Julie Orr, Annie Sharp and Annette Radford.

Thank you to all the members of the Committee who enthusiastically help with the running of Mercantile. A monumental thanks to Jen Matthies who has looked after our hall booking for a numbers of years with great skill. She is stepping down to find some sanity and will be replaced by Susie Phillips.

Finally, a very special thank you to our marvellous group of athletes who strive so hard to achieve the success on the water that makes us all so very proud to be Mercantilians. We have rough water ahead of us ensuring that our financial position is strong as our endowment funds are reduced due to the global financial crisis. Good fiscal management will see us through, but it is more important than ever that you as members play your part by paying your membership on time plus any race fees.

Our lease with the Melbourne City Council is up for renewal in 2014 and the Council have indicated that all the Princes Bridge clubs will have the same lease with the same dates. This is a work in progress, which we will be delighted to complete and we are working with the other clubs to achieve this.

May I wish every Mercantilian and their family a very happy Christmas and holiday season and a super successful 2012 as we race towards the London Olympics.

Go Mercs!

Philippe Batters
President

CAPTAIN'S REPORT

On behalf of Mercantile Rowing Club Committee, I am pleased to submit this Annual Report, being the Club's 131st. This edition ending 30th June 2011.

Rowing Department

Mercantile had a very successful season in 2010-11, culminating in impressive results at the 2011 Australian Rowing Championships, where we finished on top of the medal tally. This is a reflection both on the determination and commitment of the athletes, but also of the enormous dedication of the coaching team who were led by the Head Coach Alistair Isherwood. Mercantile is certainly very fortunate to attract such a high calibre of volunteer coaches and we thank them for their tireless efforts.

In early November last year, the 2010 World Rowing Championships were held in New Zealand at Lake Karapiro, only the third time the event has been staged in the southern hemisphere. Mercantile was well represented at this regatta, both amongst the competitors and the supporters. Mercantilians had success in a number of events with a highlight of the regatta being James Tomkins receiving the Thomas Keller Medal for his outstanding rowing career. Only three Australians have ever won this award and two of them are from Mercantile.

Following their results at this year's Australian Rowing Championships, many Mercantile athletes were invited to attend the selection regatta for the Australian Rowing Team. We had a number of athletes and coaches selected for the national teams, helping to bring home Australia's biggest ever medal haul at a World Rowing Championship. Other athletes took up the challenge of racing at the Henley Royal Regatta in England and the Holland Bekker Regatta in the Netherlands. These regattas are a great way to gain experience in the international rowing scene and we congratulate the athletes on their performances.

Many changes have been underfoot at Mercantile this year, most significantly, the departure of our Head Coach Alistair Isherwood in July. Alongside running an incredibly successful rowing program at Mercantile this year, Al and his wife Katrina joined the 'Mercantile Breeding Program' and produced a potential rower for our 2030 Youth Squad, Oliver Isherwood. Congratulations Al and Katrina! Al has since taken up the position of Director of Rowing at Firbank.

With a smooth transition, David 'Fradge' Fraumano filled the role of Acting Head Coach for the last three months and did an amazing job of ensuring that all athletes and coaches will be ready for the coming season. Fradge, you are an asset to Mercantile and have ensured that this has continued to be a truly exceptional place to train. Thank you!

In the coming months, we look forward to welcoming our new Head Coach, Mark Fangen-Hall, his wife Victoria and son Luc to Mercantile. Mark comes to us with extensive coaching experience, most recently at Queen's University in Belfast.

Nationals

The 2011 National Championships were held at West Lakes in South Australia and Mercantile had a fantastic regatta, bringing home 14 gold medals and demonstrating just why Mercantile is the Mecca of Rowing. We are looking forward to another successful National Championships in 2012 at the new Champion Lakes facility in Western Australia next year.

Equipment & Building

Exciting times are ahead as the Club prepares for renovations of the 39-year-old building. Growing numbers of active athletes has meant that we are struggling to accommodate all the boats that have been purchased. While it is wonderful that we are attracting more people to join the Mecca of Rowing, it has meant that we have seriously had to look at how we can best manage our space. Led by Mal Batten, a building committee has been formed and we now have plans drawn up to expand the current building.

Boats

Mercantile has been able to purchase a number of new boats and ergos this season. It is through membership fees, the generous donations by many of our members, hall hire revenue, along with the funding from Rowing Australia that we are able to purchase these items.

It has been unfortunate that one of our boats has been so badly damaged in a crash this year that it cannot be repaired. We hope that everyone takes extra care when navigating on the river.

Finances

Duncan MacKinnon, our Honorary Treasurer, has done an impressive job of keeping our finances in order. We have recently installed a new security system that requires swipe tag access. This will allow members who are financial to swipe their tag for entry into the club. We hope that this will combat the problem of unpaid membership fees as well the issues with security we have had in the past.

As we still rely heavily on hall hire fees, the hall and bar area need to be kept spotless. It is great to see members taking pride in the presentation of our clubrooms and endeavouring to ensure this space is well maintained.

ET Fitness, run by Eddie Inostroza and Tommy Bertrand, has started offering a personal training service based at Mercantile to both the public and Mercantile

members. This business arrangement has been beneficial to both parties, providing another source of income for Mercantile as well as athletes with access to new equipment and ET Fitness with a prime location to conduct their sessions.

Social

While the club is still struggling to find someone to hold the position of social manager, we have managed to run some successful and enjoyable social functions. The return of Mr Mercantile coincided with the annual Cayzer Cup regatta with Sydney Rowing Club, allowing our Sydney friends to strut their stuff both on and off the water. Lachlan McKinnon managed to keep the title of Mr Mercantile within the club, however Sydney did manage to run off with the women's title. Our Vice Captains, Katrina Blaubaum and Nicola Daniel, did a brilliant job organising this entertaining event.

This year has also seen a revamped Thursday Night Barrel, held on the first Thursday of each month, where Mercantilians from all eras are encouraged to come down for a row and enjoy a BBQ and drink at the bar afterwards. This has proven to be a great way to get to know other members of the club and hear stories of their success (and their antics) while rowing at Mercantile. Don't miss out, please come and join us at the next one.

For those members whose days of serious rowing are bygone but still feel the itch to get out in a boat for a bit of fun, we are now offering a social rowing program. This is just another one of numerous projects that Fradge has put together in his stint as Acting Head Coach. Well done Fradge, we look forward to sharing the Mercantile love!

Finally, I would like to thank all the members of this year's Executive Committee - Steve Macek, Dee Bosler, Jenny Fraumano, Duncan MacKinnon, Philippe Batters and Mal Batten for the extra effort they have put in to make sure everything runs smoothly despite my frequent absences. I will be stepping down from this position at this AGM to continue my studies overseas. I wish the incoming Captain and the new committee every success.

Captain

TROPHIES

All trophy winners will be announced at the Annual General Meeting.

CAPTAIN'S TROPHY

This trophy is awarded annually to the member who has won the most Regatta and Club races during the season on the basis of one point for a win with one additional point for any championship.

MAX BAILEY TROPHY

The Perpetual Shield and Trophy is awarded to the coxswain who has won the most Regatta and Club races during the season on the basis of one point for a win with one additional point for any championship.

DR R. A. COOPER MEMORIAL TROPHY

This trophy is made available by the generosity of the family of the late Dr. R. A. Cooper and is awarded annually to the member who, during the year, has rendered the most outstanding service to the Club.

N. W. CAIRNES TROPHY

This trophy is awarded to the most improved coxswain of the season.

JEFF WYLIE MEMORIAL TROPHY

The Perpetual Shield and Trophy for the most improved lightweight rower is donated by the management and staff of Edward Lumley and Sons Pty Ltd and is awarded annually in memory of the late Jeff Wylie, a former captain of the Club.

LATE F. R. BROWNE TROPHY

The Perpetual Shield and Trophy is donated by the family of the late F. R. Browne for presentation to the most improved oarsman.

LATE H. R. FREDERICO TROPHY

This trophy, made available by the late Honorable Justice H. R. Frederico, is awarded annually to the most improved oarswoman at the Club.

KEITH BILNEY COACHES TROPHY

This trophy was established in the memory Keith Bilney who gave nearly 70 years of service to rowing as a coxswain, sculler, oarsman, administrator but, most of all, as a coach. He gave of his time freely instilling in his charges a love of the sport, a burning desire to win but with a balanced approach to life. This trophy is awarded to the coach that is not necessarily the most successful in terms of race wins, but the one who does the most to teach oarsmen & oarswomen how to row, win races and achieve their potential and in so doing develop the foundations of

the Club and build and maintain the attitudes of sportsmanship, dedication and loyalty.

JAY LOVELESS TROPHY

This trophy was established as a result of a bequest from the estate of the late Jay Loveless. Jay was the mother of Ricky Loveless, who coxed for the Club but was tragically killed in a road accident. Jay remained a supporter of the Club until her passing in late 2006. It was Jay's wish that a trophy be established for the Most Outstanding Oarswoman each season.

MOST OUTSTANDING OARSMAN TROPHY

With the establishment of the Loveless Trophy, the Committee deemed it appropriate to establish a trophy for the Most Outstanding Oarsman.

HEAD COACH'S REPORT

The 2010 / 2011 season will be remembered as one in which Mercantile Rowing Club reflected the spirit and friendship that lies within the club on the water. At both the Victorian State Championships and the Australian Rowing Championships Mercantile was the Premier club dominating the medal tally at both events.

As the Head Coach of the club at this time, I am extremely proud of the outcomes this season that not only established Mercantile as the dominant club for the seasons but for many years to come. The effort of both athletes and coaches was immense with many young athletes taking genuine steps forward that have established them as genuine Senior A candidates for the 2013 national team.

Coaching

As the saying goes, behind every great athlete there are many great support staff. At Mercantile it begins with the Mum's and Dad's that help with breakfast on Saturday mornings; to people such as Michelle Contin who provides massage support; Mark McGrath who provides core stability and flexibility support and without question, Mercantile's greatest asset - our coaches.

The coaches spend as much time at the club as the athletes, sacrificing their time to pursue personal endeavours to guide young people in pursuit of understanding their limits and then creating new boundaries.

Thanks so much to the coaching team that made Mercantile the premier club in the country:

- Alastair Isherwood (Head Coach, Lwt Men and Men's Sculling)
- Tom Abramowski (Women's Development)
- David Fraumano (Men's Lightweight)
- Sandy Mitchell (Women's Junior / NTID)
- David Colvin (Under 23 Women)
- John Leeming (Under 23 Men)
- Simon Harrison (Under 23 Sweep and Youth Men)
- Mark Baxter (Lightweight Women)
- John Chestney (Lightweight Women)
- Anthony Barton (Youth Men)
- David McGrath (NTID, RV Under 18 and Youth Cup)
- Lachlan Becket (NTID, RV Under 18 and Youth Cup)
- Ed Nicolette (Lightweight Women)
- Jared Speirs (Youth Men and Women)
- Annabelle Orr (Youth Women)

2010 World Rowing Championships

The 2010 World Championships were held in New Zealand at Lake Karapiro. It was a great event with huge crowds and plenty of Aussies in attendance. While Australia didn't take out any gold in the Olympic class boats, several Mercantilians took home some hardware from the event reflecting the importance of the club in maintaining Australia's standing as a premier rowing nation.

At the Under 23 World Championships, the club had two athletes in the men's quad and two in the men's lightweight four. While at the Junior World Championships we had a representative in both the male and female quads. Finally at the World University Championships, Lachlan McKinnon rowed at his first International regatta narrowly missing out on the final.

Overall Mercantile had more national team representatives than any other club.

- Tom Bertrand, Nick Baker (Silver LM8+)
- David Crawshay (Bronze M4x)
- Josh Dunkley-Smith (Bronze M8+)
- John Linke (7th M4-)
- Kate Hornsey, Pauline Frasca (Silver W4-)
- Sarah Tait (4th W2-)
- Shane Jackson, Zac Cleaver (8th U23M4x)
- David De Lang, James Wilson (12th U23LM4)
- Alexander Scharp (9th U23M8+)
- Andrew Curnow (8th JM4x)
- Katrina Bateman (8th JW4x)
- Lachlan McKinnon (WUC, 9th M1x)

Youth Cup

The first Regatta of the New Year is the interstate Youth Cup regatta, held at the Sydney International Regatta Centre. Mercantile athletes selected were as follows.

Women:

- Bec Daniher
- Clare Canty
- Steph Radford
- Maddie Kostros
- Bec Daniher
- Jess Morrell
- Bec Hooper
- Stephanie Radford
- Claire Saundry

Men:

- Red Matthews
- Jamie Cahill
- Tim Cleary
- Sean Lake
- Jarrod Gook
- Michael Treppo
- Cam Sherwin
- Jack Ryan
- Darcy Frawley

Mercantile athletes made up the entire men's Victorian rowing team.

Pre Season

As always the NTC time trials kept the athletes busy in pre season. In between the Mercantile athletes would compete against each other in the in house competition. These practice time trials had the desired effect, helping the athletes to master the time trial discipline. Robyn Selby Smith dominated many of these time trials with McKinnon, Cleaver, Jackson and Wilson always up the top. It was also great to see Sean Lake's name near the top, which would indicate what was to come for this young man. The highlight of the time trials was the December time trial with Selby Smith, McKinnon, Jackson and Cleaver, four Mercantile club athletes, making up the top four ahead of the more fancied VIS athletes.

Rowing Camp – Johnsonville

The Mercantile rowing camp was held in Johnsonville for the second time with great success. The athletes competed to take the crown of "Le Tour De Johnson" with some very competitive work being done out of the boat. The cycling activities were further refined to provide greater safety and a more challenging ride for the athletes.

Sean Lake showed he has class in and out of the boat demonstrating his all round prowess taking out the 2011 Tour de Johnson title.

From a selection point of view crews were established to train towards the State and National Championships. As would later be demonstrated the excellent organisation and forward thinking by the coaches would achieve the outcomes we were hoping for come competition time.

State Championships

Mercantile had a stellar state championships, winning five more Gold than any other club and 18 more medals than any other club. This backed up our fantastic performance from 2010, topping those results to show the club was in fantastic shape on the lead into Nationals.

Highlights of the regatta included:

- The victory of Drew Ginn and Josh Dunkley Smith in the men's open pair
- The one-two of Katrina Bateman and Michelle Yann in the U23 Single
- The trifecta of Zac Cleaver, Shane Jackson and Michael Treppo in the men's under 23 single
- The one-two of Sean Lake and James Wilson in the men's lightweight single
- The win by Clare Canty, Brit Steele, Charlotte Sutherland, Hannah Lewis and Annabelle Orr in the women's U21 four, the girls later combined with Jess Jackson, Emma Cook, Alex Thompson and Sophie Sutherland to win the Under 21 eight
- The quadrella of Michelle Yann, Rebekah Hooper, Claire Saundry and Gemma Kenna in the women's A single
- The one two of Lachie McKinnon and Shane Jackson in the men's A grade single scull
- The win by Michael Treppo and Darcy Frawley in the U23 Men's Double Scull
- The win of Claire Saundry and Michelle Yann in the women's A grade double scull
- The win of Andy Kovacs in the B single scull

National Championships

The Australian Rowing Championships this year were held at West Lakes, Adelaide. The course is always very rolly with plenty of wind and bounce of the concrete edges to create difficult conditions for the rowers. This year was no different with some pretty appalling conditions. Luckily our athletes spend quite a lot of time training at the docks, which replicate the water of West Lakes quite well.

As mentioned earlier it was Mercantile's year. Officially we won 15 gold however we missed out on one Gold with the women's open four, which included Sarah Tait, Pauline Frasca and Kate Hornsey being disqualified for having their VIS boat under weight. The final medal count for Mercantile was 23 medals which was a great outcome and reward for all the hard work of many people.

Highlights of the regatta included;

- Clare Canty and Charlotte Sutherland coming 5th in the under 23 women's pair despite being youth age
- Shane Jackson and Zac Cleaver coming 2nd and 3rd in the Under 23 single scull, then going on to win gold in both the Under 23 double and quad rowing with Tim Cleary and Josh Dunkley Smith

- Sean Lake and James Wilson winning the lightweight men's under 23 and open single scull events easily, then going on to win the open lightweight double scull easily also
- The win of David Crawshay in the open men's single scull, he then went on to row with Scott Brennan in the men's open double scull and take victory there too
- The wins of Drew Ginn and Josh Dunkley Smith in both the open men's pair and four
- The win of Emma Cook and Jess Jackson in the women's junior four rowing with Jen Cleary and Addy Dunkley Smith
- The win of Danny Brighthope in the men's under 23 four
- The 4th place of our women's under 23 eight, the only non composite crew in the race (the crew that won had 7 different clubs represented!)

Interstate Regatta

As Noel Donaldson always says, "you grow a third leg when you row for Victoria". As always, the 2011 season saw many Mercantile members grow their third leg as they raced on the Interstate Regatta.

- King's Cup M8+: Josh Dunkley Smith, Drew Ginn, John Linke, Crawshay - 2nd
- Queen's Cup W8+: Maddie Shackell, Katrina Bateman, Robyn Selby Smith, Pauline Frasca - 1st
- Penrith Cup LM4-: James Wilson, Tom Bertrand, Sean lake – 4th
- Victoria Cup LW4x: Ellen McSweeney, Jen Matthies – 4th
- Wilkinson Cup MY8+: Danny Brighthope, Tim Cleary - 1st
- Bicentennial Trophy WY8+: Sophie Sutherland, Charlotte Sutherland, Hannah Lewis, Britt Steele, Clare Canty, Annabelle Orr - 3rd

Australian Team

A good reflection of the effectiveness of the development programs offered by Mercantile Rowing Club is the number of athletes that are given scholarships and/or go on to the final selection trials and make the Australian team.

Selection trial attendees:

Club Athletes

- Katrina Bateman
- James Wilson
- Shane Jackson
- Zac Cleaver
- Lachie McKinnon
- Tim Cleary
- Danny Brighthope

- Chris Bush
- Sean Lake

As an athlete there is no higher honour than going on to represent your country. This achievement reflects not only hundreds of hours in a season of hard work, but consistent attention to detail and cognitive application. Representing Australia reflects talent, but more importantly, it reflects an ability to set a goal and do all that is required to achieve it. The following athletes should be immensely proud;

- David Crawshay (M2x)
- Drew Ginn (M4-)
- Josh Dunkley-Smith (M4-)
- Tom Swann (M8+)
- John Linke (M2-)
- Tom Bertrand (LM8+)
- Nick Baker (LM8+)

SECRETARY REPORT – It’s a girl!

Once again, it has been a busy year at Mercantile – on the water, for the Committee and at the clubhouse. Things are never dull at Mercantile! This season has seen great success on the water and some changes for the Committee.

I would like to begin my report by thanking, many times over, the amazing work of our outgoing Secretary, Mr S. “Magic” Macek. His meticulous records have made my transition into this role easier than expected. I’d also like to thank another former Secretary, Mr B. Webster, for his ongoing advice. We might need to check the record books, but I suspect this is the first time a woman has held the position of Secretary, reflecting the not insignificant role we play at the clubhouse these days!

I’m delighted to have the opportunity, as Secretary, to give back to the club that has given me so much. It’s going on nine years now since I inquired about rowing in Melbourne and I was advised to speak with some guy called “Chipper”. Mercantile has been a second home to me ever since.

Other changes at our clubhouse were our Head Coach, Al Isherwood, stepping down. I’d like to thank Al for his years of service in this role – it has been a very successful time for Mercantile under his wing. Indeed, I’d like to extend my thanks to all coaches at Mercantile – they are the backbone of our club, keeping it ticking along day in and day out. I know a free t-shirt and my sincere thanks does not make up for the many long hours and endless early mornings, though - it is the success and commitment of our athletes that keeps coaches hanging around. Our coaching ranks have grown this season again as Mercantile’s reputation as the best club in Australia draws a crowd.

Despite our successes, there are challenges ahead for Mercantile. High on the Committee’s priority list is our aging boatshed. With the addition to our Committee of Mr. M. Batten, we have been able to make significant advances on our fire safety compliance, critical repairs and installed a new security system. This will make our clubhouse safer and more secure. We are also advancing, though slowly, on lease arrangements with City of Melbourne and development plans to upgrade our boatshed. I would like to thank Mr. M. Batten for the work he has undertaken here.

There is always work to be done to maintain our fleet of boats and boathouse – both as a training facility for our elite athletes, but also as a much needed revenue source via external functions. I’d like to thank Ms. J. Matthies for her work here managing function bookings. I’d also like to use this opportunity to call on all Mercantilians to give back to our club. This can be through financial donations to

our many funds so we can maintain and upgrade our boat fleet and equipment. It can also be through time and service, however. We are in urgent need of help in key areas such as social manager as well as support from the tech-savvy for our new website. So if you can assist, please step forward.

In closing, Mercantile’s appreciation must again be forwarded to the following:

- Sean “Trader Al” Colgan for his outstanding generosity;
- Rowing Australia and Rowing Victoria for their ongoing assistance provided to our young athletes via the National Elite Development Program;
- Chris O’Brien, Bill Tait and the Victorian Institute of Sport for their support of our elite athletes;
- Jim Harvey, for his continuing efforts for Sunday Barrel;
- Richard Wraith and the rest of the Scotch-Mercantile Regatta Committee;
- Roger Wilson for always providing colourful commentary at regattas and seeking to ensure that rowing receives the media coverage it needs;
- Nick Gall and the team at Rowing Victoria;
- Andrew Guerin for his advice as Honorary Solicitor and tireless work as President of Rowing Victoria; and
- Phil Cayzer as both Patron and Namesake of the Cayzer Cup.

Finally, congratulations to all Mercantile athletes this year – I hope 2010 / 11 was a successful season for you and that next season (which is already upon us) brings ever greater success.

I hope to see you on the water or at the clubhouse soon.

Danae (Dee) Bosler
Honorary Secretary

SOCIAL REPORT

The Mercantile social event's calendar this year has provided athletes, coaches, parents and members the opportunity to come together outside of training, with something for everyone to enjoy.

Despite bad weather ruining the fun of our annual Christmas Pudding Eights, nothing was going to break the Christmas spirit at Mercantile in December for the Mercantile Christmas Lunch. A great afternoon was had by all, and many thanks must go to Andrew Kovacs and all involved for organising this lunch.

Celebrating the outstanding achievements of Mercantile's Thomas Keller Medallists, Mike McKay and James Tomkins, The Mercantile Gala Dinner in April was a hugely successful evening. Touted by some as the best Mercantile event to date, we must pass on a big congratulations and thank you to the organising team – Jenny Fraumano, Mal Batten, Jan Tennent and Monica Frawley for making it such a huge success.

This year has also seen the re-introduction of Thursday Night Barrels. The monthly Barrels, on the first Thursday of every month, have been especially successful. With the current generation of Mercantile rowers being able to brush shoulders and share a beer with some of the club's greats, it has been a fantastic opportunity to connect club members. It has been fantastic to see the youngest youth rowers socialising with the most experienced members, enjoying the social aspects of the club once more. We strongly encourage all members to continue to be involved in such a positive way, and continue to boost the spirit surrounding the club.

Of course, the mums have been back in force, feeding our hungry rowers delicious breakfasts on Saturday mornings. The second session wouldn't be anywhere near as bearable without them, so a massive thank you is extended to all mums and dads who have given up their Saturday mornings to keep our athletes (and coaches!) well nourished.

To everyone who has been involved in organising, attending or supporting the events throughout the year, we are most grateful. We are looking forward to another enjoyable year, and are sure that the support at social events will continue to drive the success of our athletes on the water. Social events continue to be great fundraisers for our club so when you pop down to Mercantile for a drink at our bar, you know you are also supporting our athletes and whole club.

We hope to see you at more Mercantile social events next year – Barrels, Christmas Lunch and President’s Lunches – so please join us down at the clubhouse to celebrate all that is Mercantile!

MERCANTILE KAYAK CLUB ANNUAL REPORT

The year was another busy and successful one for the Kayak Club with the main achievement being the injection of youth back into the club. New members, Angus and James Campbell as well as Tom Hedditch and Tim Arnold have given a new energy to the club with their eagerness and enthusiasm along with their desire to train hard and improve.

“The club is on its way back to the old days of greatness.” The enthusiasm of the younger members has rubbed off on some of the older members, who are beginning to regularly train again. It has been great to see upwards of ten boats on the water again on a Saturday morning. We have had a number of members training through the winter to compete as part of the Coolangatta Gold both individually (Justin Quill) and as team members (David Morris, and Hayden Tierney).

This winter was a great winter for those club members who competed in wild water, with Glenn Singleton and Mathew French spending a number of days in the country training and racing on wild water. Many club members competed this year as parts of teams in the first Marysville to Melbourne and the Anaconda Lorne adventure race.

Other notable mentions this year was the marriage of former kayaker and rower Emily Wilmoth to her farmer, Jed MacDonald, in a beautiful wedding in Birragurra in March.

VALE

Vale Joseph Fazio

Mercantilians mourned the loss of Joseph Fazio, an outstanding oarsmen who won State and National titles in addition to his silver medal in the Men's Eight at the 1968 Olympic Games. Joseph's rowing career was almost cut short by a severe accident as a schoolboy, which resulted in him having 4 vertebrae being fused. It is therefore remarkable that he was able to row, let alone win an Olympic silver medal.

He was a well-liked, tough, successful and respected oarsman. Whilst often not of the physical stature of the rowers with whom he raced, he certainly was able to do his share. So much so that he raced in the six seat of his most successful crews; demonstrating his great strength and skill.

His work life was varied, but dominated by his work in the aviation industry. One of his businesses, which is perhaps best known to rowers, was his production of high quality shields. Many a rowing achievement has been recognised with such shields. He died after a long period suffering from dementia being tended to by his wife Di and children, Dean and Kirsty.

He was a great oarsmen with many friends and so sadly missed. The condolences of the Australian rowing community at this time are with the family of Joseph Fazio.

Joseph R Fazio

Sydney Rowing Club (NSW) and Mercantile Rowing Club (VIC)

Began his rowing at St Josephs College, NSW

1965 – NSW Champion Junior Eight

1966 – Riverview Gold Cup winning Sydney crew (stroke)

1966 – NSW Champion Four (stroke)

1967 – Australian Coxed Four (bow) – NZL tour

1968 – NSW Champion Four (bow)

1968 – NSW Champion Eight

1968 – Interstate Men's Eight Championship (six seat) – First

1968 – Olympic Games – Men's Eight (six seat) – Silver

1969 – Interstate Men's Eight Championship (six seat) – Second

1979 – Raced again in Victoria with Mercantile Rowing Club

Vale Tony Cordell

Tony went to Scotch College and then came to Mercantile in the late 1950's and rowed in the senior VIII in the bow seat in the era when Banks were our major opposition.

He did great service coaching junior crews in the late 1960s including the Maiden VIII, which won the Christmas trio at Nagambie, Rutherglen and Yarrawonga plus success on the Yarra. Tony rowed in the famous veterans VIII known as the Cock Robbins in the early 1970s.

He won the Champion Junior IV at the 1957/58 State Championships, repeated in 1958/ 59. He won the 1960 /61 Champion VIII from the bow seat.

Tony was successful coaching the 1966 / 67 Champion lightweight IV. Over his later years he enjoyed his visits to the club and was a delightful fellow.

FINANCE REPORT

I must first acknowledge the sterling service of the previous Treasurer, John Nickson, who significantly improved the club's finances during his tenure.

I am pleased to announce that the improvement in finances has been maintained, and I can report that the club made a profit of \$50,386 last financial year – although to be fair much of this was a change in accounting treatment, therefore the real profit was \$21,000 (compared with 2010's profit of \$4,000).

The club is dependent upon four main sources of income.

Firstly, rental from Brighton Grammar School, Firbank Grammar School and, more recently, Xavier College is very welcome for the certainty and contribution it provides. In order to cement this as an income stream, a sub-committee, led by Malcolm Batten, has been formed to investigate renovating the boatshed and securing long-term tenants. In conjunction with the renovation plans, renewal of the club's lease with the City of Melbourne is being negotiated also.

Secondly, membership fees make a significant contribution to the club's running costs. It must be noted, however, that as of the 312 invoices which were posted in July 2011, as at the date of this report, only 139 (less than half) have been paid. Unfortunately those who make the most use of the club's boats, gymnasium and facilities (such as our panel of dedicated volunteer coaches) do not appreciate the privilege of being a Mercantile member, and consequently their membership fee payments are the ones which require significant follow-up. I find this very disappointing and extremely time-consuming.

Thirdly, grants from Rowing Victoria's Underage Elite Training Centre Programme have assisted in paying our coaches' salaries.

Fourthly, function hire is a strong, but volatile source of income. During the year we have been very fortunate to have Jen Matthies arrange all the bookings for the club, a task which has required considerable work – but with marvellous results for our cashflow.

Finally, we should be very grateful to the Frederico Fund for assisting the club with over \$50,000 of equipment purchases – being four pair/doubles, a IV, new oars and new ergometers. I encourage all members to take advantage of the tax-deductibility of donations made through the Australian Sports Foundation. Last year R. Oliver, P. Selby-Smith and W. Webster, amongst others, all made valuable contributions to this fund.

Aside from the general running costs of the club, maintenance of the boatshed has been an ongoing expense with over \$16,000 being spent on fixing the columns supporting the balcony, repairing the roofing & guttering, performing remedial electrical work and acquiring a new sound system for functions. We hope this will maintain Mercantile's attractiveness as a function venue over the coming years.

As always, Mercantile's finances are a month-to-month affair, with little in reserve to cater for unexpected expenses, reduced venue hire or capital acquisitions such as new boats. I urge all members to maintain their association with the club and assist by attending functions, making donations when able, and offering their personal assistance to ensure that Mercantile remains the premier rowing club in Australia.

Duncan MacKinnon
Honorary Treasurer

R A COOPER FUND

The Cooper Fund again was able to distribute almost all its income to needy Mercantile rowers in Australian teams. The Trustees look forward to being able to similarly use all the income of the fund again this year. Unfortunately, the value of the fund investments fell due to market conditions.

The figures below reflect the 2010 grants. The 2010 Australian team recipients were Shane Jackson; Zac Cleaver; Sean Lake; James Wilson and Katrina Bateman.

Your trustees are David Colvin and Andrew Guerin.

MERCANTILE ROWING CLUB ENDOWMENT FUND

During the year, the share portfolio was restructured to improve our long-term position. This resulted in a loss on sale of shares and the income statement therefore shows a material loss. Our accounting treatment on the sale of investments results in realised losses incurred in both the current and past years. No contribution to the Frederico Fund was therefore made this year.

However on the positive side, we have achieved a significant growth in the value of the fund when the market value of the investments is taken into account despite a difficult financial period. The net assets of the fund are over \$500,000 and we look forward to further growth in the value of our assets and income once the market recovers.

The trustees are David Boykett, Andrew Guerin and Jeff Lawrence.

HUBERT FREDERICO EQUIPMENT FUND

The income statement of the Frederico Fund shows two material items, a drop in donations/contribution from the Endowment Fund and the Club withdrawing funds greater than scheduled for equipment purchases.

The Trustees will work to increase donations in the current financial year and expect that the club will revert back to normal withdrawals in 2011-12. You can help by making a tax-deductible donation to the club to support these noble aims.

Your trustees are Warwick Hutchins, Tim Frederico and Andrew Guerin.

Notes to the Financial Statements
For the Year Ended 30 June 2011

1 Summary of Significant Accounting Policies

(a) Basis of preparation

This financial report is a special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act Victoria. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(b) Property, plant and equipment

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Impairment of non-financial assets

At the end of each reporting period, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

(d) Financial assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

(e) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks,

other short-term highly liquid investments with original maturities of three months or less.

(f) Income tax

No provision for income tax has been raised as the association is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(g) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to the association are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or over the term of the lease.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. The lease is not recognised in the statement of financial position.

(h) Revenue and other income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the association obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(i) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

6 Prior Year Adjustment

During the year the Association made an accounting adjustment to reflect historic transactions on an accruals basis rather than a cash basis. It was not practicable to allocate these transactions to the appropriate accounting period, and the total effect of the adjustment has therefore been accounted for as a Prior Year Adjustment of \$29,386 in the Equity Statement for the year.

**Mercantile Rowing Club Incorporated
Directors' Declaration**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 3 to 11:

1. Presents a true and fair view of the financial position of Mercantile Rowing Club Incorporated as at 30 June 2011 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Mercantile Rowing Club Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

President
Phil Batters

Treasurer
Duncan MacKinnon

Mercantile Rowing Club Incorporated
Independent Audit Report to the members of Mercantile Rowing Club Incorporated

Report on the Financial Report

We have audited the accompanying financial report being a special purpose financial report, of Mercantile Rowing Club Incorporated, which comprises the statement of financial position as at 30 June 2011, the statement of comprehensive income for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' assertion statement

Committee members' Responsibility for the Financial Statements

The committee members of Mercantile Rowing Club Incorporated are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act 1981 and is appropriate to meet the needs of the members. The committee members' responsibility also includes such internal control as they determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

A Prior Year Adjustment of \$29,386 has been accounted for in the Equity Statement for the year ended 30 June 2011. In accordance with AASB 108, the effect of the journal should have been allocated to the year(s) in which the transactions arose, and the comparative figures restated with appropriate disclosures.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Mercantile Rowing Club Incorporated as at 30 June 2011, and its financial performance and its cash flows for the year then ended in accordance with [the financial reporting requirements of the Associations Incorporation Act 1981.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Mercantile Rowing Club Incorporated to meet the requirements of the Associations Incorporation Act 1981. As a result, the financial report may not be suitable for another purpose.
