The Season of 2022-2023 has been a successful season, with Mercantile being crowned **the Champion Victorian Club for 2023 and the Champion Senior Victorian Club for 2023**. These significant achievements have been as a result of the racing of our High Performance athletes and Clubbies, who sought to ensure Mercantile was represented at local and regional regattas. Thank you to those who participated in these events, enjoyed the racing and camaraderie that went with the racing.

Al Mathews was selected to coach the U23 Women's Coxless Four, achieving a Bronze Medal in the U23 World Championships. Annabelle Eaton was selected to coach the U23 Women's Coxed Four, training out of Princeton, USA. After a short training period the U23 Women's Coxed Four won Gold at the U23 World Championships.

I would like to take the time to thank Sam Fenessey for his work at Mercantile over many years, coaching the U21 Women. Sam has moved to Sydney to coach at Haberfield Rowing Club, we wish him well in his new role in NSW.

We welcomed Zoe Fettig-Winn, from Canada, who will coach the U21 women. Zoe brings with her significant experience as the Assistant Women's Coach at the University of British

Columbia. After a quick hand over, Zoe coaching is in full swing with the U21 women.

### Winter Program

This winter, with the support of the committee, Al Matthews initiated the Winter Training Program for Year 10-12 students, to train with Mercantile for 12 weeks. During this time, athletes were provided with a training program and 3 sessions on the water each week. The program was very successful many young men and women as part of the program.

Whilst there has been a lot of action on the Water, there has been a significant amount of work in the background, administratively.

### Mercantile Committee

There have been a few changes in the committee this year, we welcome Sam Patten as Vice President and the return of Tom Courtney as High Performance Director.

The 2022-2023 Season has been an era for the Committee to consolidate its themes and activities, where we streamlined our work to ensure the ongoing cultural safety of our members, supported our athletes and members and created sub committees stemming from the strategic areas of Mercantile.

I would like to take this time to thank the 2022-2023 committee for their commitment to making Mercantile a strong and vibrant club. We aim to add value to the club and to ensure its longevity.

# Captain's Report

Meghan Hester

The 2024 Paris Olympics are around the corner. It seems only yesterday we were watching the 'hour of power' of Australian Rowing at Tokyo that resulted in two golds and two bronzes in the men's and women's fours and men's and women's quads respectively. What an inspiration it was. Mercantile looks toward our eight representatives on the Australian Rowing Team in admiration as well as for a source of inspiration for the work being done in Melbourne. Watching these eight athletes' journeys, while they seem far away from us at times, reminds us of the strength of character and work ethic required to be the best of the best in Rowing and that they too started out here. The success in the men's and women's eights at the World Cup regattas and World Championships this year in particular has been exciting to see, and we look forward to what next year brings.

Our domestic athlete group have put together another solid season of work and development under the guidance of our coaching team. On behalf of The Club we commend you for your commitment to excellence. Season highlights from the High Performance (HP) squad include the selection of 23 Merca athletes and coaches on the Victorian team this year. Austin Reinehr's selection into the U23 Australian Rowing Team and silver medal performance in the Men's Four. Louisa Bongrain, Sophie Reinehr and Ben Whitmee's representation at the FISU World University Games most recently.

The Australian Rowing Championships took place at Champion Lakes, Western Australia this year. I would like to acknowledge the generous donation of the New Trailer 'Trailer A1' without which our boats may not have made it there. Thank you also to past President Mal Batten and past Captain Billy Webster for their assistance in transport

of the boats and as always to Jenny Fraumano for her coordination of the Nationals efforts. The Club came away with 17 medal performances and a lot of good racing experience to springboard into the next season.

Behind every success there is a team of people involved and so thank you first to our amazing HP volunteer coaches who give of their time so generously; Tim Frederico, Pete Somerville, Jess Hare and Jason Izydorczyk. To quote Tim Freddy (our Kieth Bilney coaches award recipient for 2023) 'it is extra special to be rewarded for something you love doing'. For this we are grateful.

To our employed coaching staff; Alistair Matthews (Bronze U23 World Champs Medallist 2023), Annabelle Eaton (Gold U23 World Champs Medallist 2023), David (Chipper) Colvin and Sam Fenessy. Your leadership and enthusiasm are appreciated more than you know. In particular, to Sam Fenessy, your contribution to U21 Women's Rowing and the friendships and mentorships you have made are lasting and impactful. We wish you all the best for your coaching in Sydney. To Zoe Fettig-Winn, we warmly welcome you to our HP Coaching Team. You have already made good headway with the women in a few short months. We look forward to what the whole team can produce in the season ahead.

A major fundraising effort this year was for the purchase of a Women's Empacher eight which has arrived in the sheds just this month and will be used by our top women for its first race this coming Melbourne Head and Head of the Yarra. Race well! Congratulations to all involved in the fundraising efforts.

Club Rowing is one of the club's five strategic objectives and so is a critical part of The Club's culture and

existence. Proudly, this program has achieved the recruiting aims of 40 grade athletes across the men's and women's programs thanks to the voluntary efforts of Andrew McNeil and Jordan King. The Club athletes contributed a huge portion of the points towards Mercantile winning the Victorian Premiership including some outstanding individual efforts by Samuel Wilson, Jordan King, Alexandra Legge, Cate McNeil and Jenisi Kelderman who all received awards at the Rowing Victoria AGM this year. We also acknowledge the strategy and effort behind the coaching team to bring this operation to life. Well done. Club Rowing looks to lift its medal count yet again this year and we welcome Nick Reish the new Club Women's Lead to help. You have already made impact with a business-like mindset to training and racing, we

like the structure and direction you have brought to this squad.

To the Mercantile committee, thank you for your volunteer time and energy. Thank you especially to Gina for your leadership; 'Help will always be given at Hogwarts (Mercantile) to those who ask for it'. I have always found this true and that with your leadership the club is in good hands, thank you.

Lastly, to our 400+ strong membership, whether you are an alumnus from 10+ years ago, a life member or a school leaver. This Club is a home and a place to hone and to share skills and knowledge in rowing and in life. We have a long and strong history of success in the sport. Let us be proud and let us strive to achieve that success with our values to guide us.

*Excellence, Respect, Friendship, Physical and Mental Health*

GO MERCS!

# 2023 Treasurer's Report

## Duncan MacKinnon

To be frank, when I wrote this report a year ago, I was worried. The club had suffered a material loss and although Mercantile is imbued with a sense of optimism, and a "can do" attitude, I was concerned that our fragile finances would create some issues, and jeopardise our long-term goals.

This year however we're in a much better position, although much of the surplus you will see reported is due to improved returns on our Endowment Fund investments, which continue to be added to by the generosity of members such as **Sean Colgan** and **Andrew Guerin**. Nevertheless the club's standalone underlying cash position has increased by about \$50k, compared with a reduction of about \$42k last year. Part of this increase is due to additional support from Rowing Victoria, who recognised the burden imposed on the club by having two of our coaches, Al & Annabelle, appointed to National Team duties. We appreciate Rowing Victoria's contribution.

School holiday camps were also a welcome additional source of income for us, netting about \$25k, which assisted with our coaching salaries, which are our largest expense. Special mention must go to **Meg Hester**, who has driven this initiative. We also received income from insurance claims, but the downside has been that our premia for the 2023-24 insurance year have increased by about 10%.

With the Nationals in Perth this year, it was difficult to balance a conservative budgeted cost against a reasonable

charge to our travelling athletes. We made a small \$3k loss on the exercise, but from my perspective the most important thing was that all our members and their boats & oars travelled across and back safely - but again some of this was due to the repeated generosity of **Sean Colgan**, who donated the cost of the new trailer to the club.

We didn't spend much on boats this year, buying two single sculls only, but that created some headroom to use the Frederico Fund's annual grant towards boats & equipment to make the club's annual repayment to the Endowment Fund, so we'll be in a reasonable position to renovate the boathouse again before the lease expires in a little over 10 years.

There has also been an unwelcome increase in the debts owed by athletes to the club. Last year we reported about \$2k in outstanding debts, but this year it has increased to \$6k. These are real costs which the club has outlaid on behalf of athletes, and it is important that they be repaid promptly, from the club's cash flow perspective, and to reduce the administrative workload of marking athletes as being ineligible to race within Rowing Manager.

As always I am personally grateful for the support of pragmatic, wiser people on the Committee, and particularly appreciative of those individuals (many of whom are listed inside the front cover of this report) who consistently donate to support the long-term success of the club. We appreciate their contributions.

# Foundation Report

## Andrew Guerin

On behalf of the trustees, **John Harry, Malcolm Batten, Jeff Lawrence, Tim Frederico** and **Andrew Guerin**, the following progress report is provided.

The fifth strategic objective of the Club is to secure the financial future of the Club. This is achieved through the operation of the Foundation.

### Thank You

A great thank you to all our donors and specifically to our cornerstone donors **Sean and Bibi Colgan** through their Colgan Foundation, to Jim Sprigg for the founding donation and Andrew Guerin for his ongoing generosity and also leadership.

### Strategic Plan

The long-term aspiration of the Foundation is to allow Mercantile Rowing Club to be financially viable, forever. The specific objectives are:

- Provision of a suitable boathouse.
- Provision of equipment necessary to support our rower's aspirations.
- Supporting members who pay national team seat fees.
- Supporting our coaching team to ensure full coverage of our needs.
- Supporting our volunteers.

### 2023 Distributions

This year the Foundation made a \$50,000 contribution towards the Club's equipment needs and substantial contributions towards members' seat fees in Australian crews, including those racing at the World University Games. The Foundation aims to provide the Club about 4% of the capital annually.

### Governance

The trustees review and supervise the portfolio throughout the year. The

trustees are pleased with the investment strategy and the work of the investment managers LGT Crestone.

### Structure

The Foundation has outgrown the current structure and the Trustees are working on implementing a new perpetual structure in the coming year. The structure will be placed before members for approval in due course.

### 1880 Circle

It is clear that for the Foundation to achieve its aims, capital of about \$10mil in today's dollars will be required. The only way to achieve this is through some substantial bequests. The 1880 Circle has been created to recognise these generous members, and they will be publicly recognised.

We encourage members to consider the Club in their Estate planning. Please do not hesitate to discuss your situation with any one of the Trustees

To this end we wish to recognize members who have recorded Mercantile as a beneficiary of their estate. We are aware of many Club members who have already undertaken this and in due course we will seek to publicly recognise them.

Whilst any donation is important, we wish to better recognise our donors, the Trustees propose to introduce and publicise our donors.

**Governors** (our cornerstone donors)

**Principals** (those who have donated \$100,000 to the Foundation)

**Members** (those who have donated \$25,000 to the Foundation)

**Contributors** (our other generous donors)

# Trophies and Awards

## **Captain's Trophy**

This is awarded annually to the member who has won the most regatta and Club races during the season on the basis of one point for a win with one additional point for any championship. **Cate McNeil** is this years winner. Congratulations.

## **Max Bailey Trophy**

This trophy for the champion coxswain has been won by **Alexandra Legge**. Again!! Mercantile can't stop you getting in boats and winning gold medals... Congratulations on another superb season.

## **N W Cairnes Trophy**

The N W Cairnes Trophy is awarded to the most improved coxswain of the season. This years winner is **Hayley Verbunt**. We have loved watching your journey over the last number of years and now to be a representative on the Australian Rowing Team. We commend you for your hard work and commitment and celebrate some highlights for the season including Queens Cup win at the Australian Rowing Championships, Gold in the World Cup II and Bronze in both the World Cup III and World Rowing Championships. Both Chipper and Al have high praise for your work as do all your supporters back home. We look forward to the Paris Olympics!

## **Jeff Wylie Memorial Trophy**

The Perpetual Shield and Trophy for the most improved lightweight rower was donated by the management and staff of Edward Lumley and Sons Pty Ltd and is awarded annually in memory of the late Jeff Wylie, a former Captain of the Club.

For the 2022-23 season, the Jeff Wylie Memorial Trophy is awarded to **Benjamin Whitmee**

This year Ben went back to back seasons winning this award, which is impressive. We loved seeing him take out the Penrith Cup this year for Victoria and from there selected to race the lightweight double at the FISU World University Games. Congratulations on your hard work Ben.

## **F R Browne Memorial Trophy**

The Perpetual Shield and Trophy is donated by the family of the Late F R Browne for presentation to the most improved oarsman.

For the 2022/23 season, the F R Browne Memorial Trophy is awarded to **Austin Reinehr** for cracking into the Australian lightweight men's double scull.

## **H R Frederico Memorial Trophy**

This trophy, made available by the Late Honourable Justice H R Frederico, is awarded annually to the most improved oarswoman at the Club.

For the 2022/23 season, the H R Frederico Memorial Trophy is awarded to **Paige Barr**.

## **Keith Bilney Coaches Trophy**

This trophy was established in the memory of Keith Bilney who gave nearly 70 years of service to rowing as a coxswain, sculler, oarsman, administrator but, most of all coach. He gave of his time freely, instilling in his charges a love of the sport, and a burning desire to win, but with a balanced approach to life. The trophy is awarded to the coach that is not necessarily the most successful in terms of race wins, but the one who does the most to teach oarsmen and oarswomen

how to row, win races and achieve their potential, and in so doing develop the foundations of the Club and build and maintain the attitudes of sportsmanship, dedication and loyalty.

For the 2022/23 season, the Keith Bilney Coach's Trophy is awarded to **Tim Frederico**. Tim, you have been the voice of reason and inspiration to your athletes. We hear nothing but praise and gratefulness from your Club men's group and for that we thank you. Season highlights will have to be the silver medal in the club mens four at the National Championships, congratulations.

### **Jay Loveless Trophy**

This trophy was established as a result of a bequest from the estate of the Late Jay Loveless. Jay was the mother of Ricky Loveless, who coxed for the Club. Ricky was tragically killed in a road accident while riding to Mercantile and Jay remained a supporter of the Club until her passing in late 2006. It was Jay's wish that a trophy be established for the Most Outstanding Oarswoman each season.

For the 2022/23 season, the Jay Loveless Trophy is awarded to **Jess Morrison**.

### **Martin Owen Trophy**

With the establishment of the Loveless Trophy, the Committee deemed it appropriate to establish a trophy for the Most Outstanding Oarsman each season.

For the 2022/23 season, the Most Outstanding Oarsman Trophy is awarded jointly to Jack Robertson and Angus Widdicomber

The highlights have got to be your win in the World Cup III, silver medal in World Cup II and bronze in the World Rowing Championships. The club was incredibly proud to see your success and we cannot wait to follow your crew's journey into the Paris Olympics

### **The Icarus - AKA The Jim Sprigg award for endeavour in rowing.**

This trophy (a statue of Icarus), has been made available this year for the first time by the club's current Performance Director Sam Patten. It is named after Icarus, the son of a Greek legend craftsman. The craftsman created wings made of feathers and wax for them to escape from their Island Prison. Despite instructions from his father not to fly too high, Icarus does so, the wax melts and he falls from the sky and drowns from his effort. This award is won by someone who demonstrates their endeavour or 'will to win' despite the odds and despite the actual outcome of their effort.

For the 2022/23 season, the Icarus Trophy is award to Angus Widdicombe.

Sam Patten noted a discussion with you following the Tokyo Olympics and has watched on at your superb leadership within the Mens eight crew. He can see the 'will to win' and the strive for excellence to which you have been awarded this trophy for. Congratulations !

# Boats and Equipment Register

Simon Morrison

The process of creating a structured fleet, boathouse and equipment plan continues to see ongoing tension between growing demands and the reality of our resource constraints.

The aims of the Fleet plan are to:

- Maximise fleet utilisation
- Minimise lifecycle costs
- Optimise the quality and type of boats available to the various active member demographics.

New Equipment includes:

- A new trailer ahead of the arduous trip across the Nullarbor for the 2023 Nationals.
- An Empacher VIII for the women's HP program.
- 2 new Swift Singles for the HP program.
- The Andrew Guerin was refurbished funded directly by the masters who use it.

The only sale was 1 club pair. We have a number of 20+ year old boats that are surplus to requirements but there is no market for.

Despite implementing preventive measures, there remains a significant

level of on-water fleet damage. It is an area of concern and needs consistent attention from our members to maintain the safety and longevity of our assets.

The aims of the Building plan are to:

- Keep the boathouse to a standard that provides members and tenants with a facility that meets their requirements
- Is attractive to potential hirers
- Does not over capitalise in the lead up to the next lease and renovation cycle in 2033

Ongoing upkeep has been the focus of this year with maintenance of the lift, fire systems, lighting, ongoing battles with the local rodent population as well as graffiti and attending to general wear & tear.

Total Facility Management Pty Ltd continue to provide general maintenance including roofing & plumbing. Thanks also to **Seb Jenner** for his management of the multitude of other service providers who need on going access to the boathouse.
