

2017
AUSTRALIAN
MASTERS
ROWING CHAMPIONSHIPS
NAGAMBIE LAKES • VICTORIA

Welcome – Rowing Australia President

On behalf of the Board and Council of Rowing Australia it is with the greatest pleasure that I welcome competitors, coaches, supporters and officials to the 2017 Australian Masters Rowing Championships.

This 2017 event sees the Australian Masters Rowing Championships return to Nagambie Lakes, for the first time since 2008, while the event returns to Victoria for the first time since 2012. The popularity of this great regatta continues to grow with many, I'm sure, using the event as an opportunity to prepare for the Australian Masters Games to be held later this year in Tasmania. This is testament to the continued growth and strength of Masters rowing in Australia, which has been a major factor in the ongoing development of the Australian rowing community as a whole. In particular, I thank the Rowing Australia Masters Commission, chaired by Alan Nicoll, for their leadership in continuing to build Masters rowing and their efforts in engaging the Australian Masters community.

On behalf of Rowing Australia, I extend our thanks and congratulations to the 2017 Australian Masters Rowing Championships Organising Committee, led by Rowing Victoria and their CEO Nick Gall and OC Chair Nick Inglis. Particular thanks must go to all boat race officials, boat drivers, time keepers, volunteers and support staff – your contribution to the event is vital and we are grateful for the time that you contribute to our sport. Without you, events such as these would not be possible.

Finally, I would like to wish every participant the very best of luck for their races and an enjoyable time throughout the course of the regatta.

Rob Scott
President
Rowing Australia

Welcome – Minister for Sport, Tourism & Major Events

On behalf of the Victorian Government, welcome to the major events capital, and proud hosts of the 2017 Australian Masters Rowing Championships.

Victoria lives and breathes sport. We're home to some of the biggest events in the world including the Australian Formula One Grand Prix, Rip Curl Pro and Jayco Herald Sun Tour.

We're delighted to stage 2017 Australian Masters Rowing Championships at Nagambie Lakes showcasing world class talent at one of our state's top sporting venues.

The event not only provides the perfect opportunity for everyone to enjoy some great competition but also a range of fun activities in between competition.

The Victorian Government is proud to have provided support to Rowing Victoria Incorporated through the Significant Sporting Events Program to stage this fantastic event.

Events like these are also a great opportunity to showcase our Victorian sports facilities, talent and regions to even more people around the world. Significant events not only build on our reputation as the sporting capital of the world but further our standing as a multicultural, inclusive, and liveable State.

Tournaments like 2017 Australian Masters Rowing Championships showcase the best of everything that Nagambie Lakes can offer and bring the best of sport to our doorstep.

Hosting major and significant events is also great for our tourism economy – providing jobs for Victorians and helping businesses to flourish.

I wish all visitors, competitors and officials a safe and exciting 2017 Australian Masters Rowing Championships and an enjoyable stay here in Victoria.

Hon John Eren MP
Minister for Sport
Tourism and Major Events

Welcome – Rowing Victoria President

On behalf of Rowing Victoria, I welcome you all to Nagambie for the hosting of Australian Masters Rowing Championships 2017.

The Organising Committee and the Shire of Strathbogie have spent a great deal of time providing great off-water facilities for both rowers and spectators. Our volunteers will do their best to enable you to do your job on the water or simply enjoy the racing in this fine Victorian country setting.

The one thing that we cannot manage is the weather. The weather in southern Australia is variable at this time of the year and we will do our best to minimise its implications.

It is my pleasant duty to acknowledge the fine work of our volunteers who have made this regatta possible. In particular: Nick Inglis, our Regatta Chairman, guaranteeing that all requirements have been met and that this regatta will provide a lasting legacy for the sport; Bron Humphrys, our Event Manager, has worked diligently to see all matters in place and in order; Eric Waller (Field of Play Manager), Tony Brown and Mark Dwyer (Boat Park Coordinators), will all ensure that everything on-water works as planned. James Hatherley is attending to matters financial, Caitlin Ripper to volunteers, Nick Gall to off-water activity, James Scott and Chris Grummitt providing IT support and Alice Evans as liaison with Rowing Australia. All have been part of a team that will make this year's Australian Masters' Championships an outstanding recommendation for rowing as a sport for life.

I wish all visiting competitors and supporters a very fruitful and enjoyable time as our guests here in Victoria.

The Hon. Patrick McNamara
President
Rowing Victoria

Welcome – Rowing Australia Masters' Commission

On behalf of the Commission members, I am delighted to welcome all Masters Rowers and their supporters back to Nagambie, after an absence of 9 years, for the 2017 Australian Masters Rowing Championships.

The return to this excellent facility has enabled the Commission to invite Pamela Whiting to make the inaugural presentation of the newly-instigated "John Whiting Memorial Trophy" to the winner of the men's Championship Club Eights, in John's memory and in his home State. As you know, John chaired the reconstituted R.A. Masters Commission from November 2012 until his resignation for health reasons in February 2015, and was instrumental in having the Championship Club Eights added to the programme.

The Commission is charged with providing "leadership for an active inclusive community of Masters Rowers at all levels of participation and competition". Since early 2013 it has overseen the introduction of a revised handicap system for Masters events, the introduction of "Fastest Club" medals at AMRC regattas - an initiative which has recently been considered by FISA Masters for the World Masters Championships - and has implemented a revised Order of Events to take account of the rapidly increasing numbers and ages of Masters rowers. The recent addition of a "K" age category to our programmes is indicative of these changes – "Veterans" have indeed become "Masters"!

This rapidly-changing face of Masters rowing has highlighted the enormous diversity within our ranks of, not only ages, but also levels of integration with new technology, and recognition of this diversity is critical to improving communication within our rowing community. The Commission's participation in Rowing Australia's recently- launched "Digital Strategy/Communication study" will ensure such matters are addressed for the benefit of all.

It remains for me to wish everyone a fun, friendly and successful regatta, and to enjoy the fruits of the extensive planning and work required for such an event.

Alan Nicoll
Chair
Rowing Australia Masters Commission

Welcome – 2017 AMRC Committee

I love a sunburnt crew,
A team of sweeping strokes,
Of ragged half caught crabs,
And rabid coxing folks.
I love their swift endeavour,
and rhythmic push of leg.
It's the terror of the start that -
has me cramped like a powder keg.

It is with some sense of romanticism that I welcome you to the Australian Masters Rowing Championships. Year on year I find myself drawn into this, the highlight of the rowing season. I say highlight because at no other regatta can you be tested so often and so frequently against like-minded competitive individuals. Many of whom have been putting in far more training than you have to their pet event. But yet we race, and hold our colours high.

I am passionate about the sport of rowing, and the sense of accomplishment that is garnered from a well-executed stroke, an immaculate start, or a train wreck of a race plan that somehow worked. What sucked me in was that the effort required and the reward received was not proportionate to skill, age or athletic ability. More than that, the inner glow of pleasure came from improvements, not results.

I feel like I have come full circle as my first experience of rowing at a masters nationals was also at Nagambie; it feels good to be a part of its return to this wonderful course.

I look forward to hearing of the endeavour and blow-by-blow descriptions of the races ahead. Weather that be whilst reclining with a beverage or down at the boat park tightening rigger nuts.

May I also suggest that you thank, smile and send a wave to our very capable volunteers and officials who make it all possible? Having had a chance to watch their skilled ministrations, I can say with confidence that we are very lucky to have such individuals putting their time and effort into our endeavours.

****Apologies to Dorothea Mackellar**

Welcome – Strathbogie Shire

Hello and welcome to the 2017 Australian Masters Rowing Championships.

The Strathbogie Shire Council is delighted to be the venue host for this prestigious event at the Nagambie Lakes Regatta Centre. The Lake is currently in pristine condition, and we have worked hard to ensure that the facility is in top condition to host this and many National and State Regatta's in 2017.

Lake Nagambie is one of Australia's most scenic places to go fishing, water skiing, sailing, rowing, canoeing or simply relaxing on its banks over a picnic and strolling along the boardwalk. There is easy boat access to the adjacent Goulburn River for training and sightseeing. Punt along the Goulburn to visit our iconic wineries of Tahbilk and Mitchelton. Why not make a visit to one of our charming townships, sip a cuppa in the sunshine and enjoy our relaxed country lifestyle and hospitality? Have a chat to the locals - they may tell you a historic tale of Ned Kelly, who with his fellow bushrangers roamed through our countryside. The only problem is, you may never want to go home (...we really need to develop a disclaimer for this...).

This region certainly has a lot to offer and I hope you take full advantage of it.

The Masters is traditionally a chance for competitors from all states and overseas to mix and mingle, so on behalf of Strathbogie Shire Council and the region we represent, we encourage all rowers and spectators to utilise this great area and all it has to offer.

I hope you all have a fantastic week here in one of the most beautiful parts of the heart of Victoria – Nagambie.

Looking forward to meeting you,

Amanda McClaren
Mayor
Strathbogie Shire Council

Boat Trailers & Boat Racking

After unloading boats on the racks directed to in the Boat Park, trailers will be directed to the designated trailer parking area. Vehicles carrying boats will be permitted to enter the boat park to drop their boat off and then must also proceed to the dedicated car park.

Club Tents

If clubs do not wish to congregate in the official giant AMRC vendor marquee, bar and lounge, there is ample room for club tents on a 'first come, first served' basis on the peninsula overlooking the course. Refer to maps.

Competitors Briefing

A meeting of managers, competitors, coaches, and boat race officials will occur in the Boat Park at 3pm Wednesday the 17th and Thursday the 18th in the lunch break at 1:20pm.

Scratchings & Substitutions

Scratchings and substitutions are to be advised to Regatta Administration as early as possible but not less than **2 hours** before the respective event. A \$250 fine may be levied for failure to advise a scratching before racing. Scratchings prior to the regatta should be submitted online via Rowing Manager.

Bow Numbers

All competing boats are required to display an official bow number (colour coded) on the bow of the boat, representing the allocated lane number for that race. They can be collected from the Boat Sheds (see site map) no sooner than 1 hour prior to racing. No deposit will be required. Bow numbers must be returned immediately after racing. An online system will see clubs invoiced for any bow numbers not returned.

Boat Hot Swap

There is a pontoon on the waters' edge at the 500m mark that is designated for quick crew change over for crews racing in tight schedules. Refer to maps.

On-Site Catering

A range of coffee, refreshments, healthy snacks and meals are available for purchase from any one of the caterers listed in the previous pages. There is also an on-site bar in the large AMRC marquee for a wine or two at the end of racing. The bar is open from 12pm daily.

Medical & Emergency

An extensive medical team including Life Saving Victoria, Ambulance Services Australia and an official Regatta Doctor, are on hand from Wednesday through to Sunday. First aid is located at the finish line and the Boat Shed.

Security

Security staff are in attendance from the night of Tuesday the 16th of May. Nevertheless, competitors, coaches and spectators are ultimately responsible for their own belongings. Valuables should not be left unattended and any suspicious behaviour should be reported to event staff immediately.

Warm-ups

Rowing ergometers and Wattbikes (kindly supplied by Nagambie Rowing Club) will be available to competitors for warm-up prior to their racing. These are located in the boat shed.

Equipment repair

Boat builders and equipment providers are on-site at the Boat Park for boat repairs.

Results

Live results and updates are instantly available via the website and the online Mobile App m.ra.rowingmanager.com

Club Point Score

A 'club point score' will be in operation in addition to the medal table, for all events within the Australian Masters Rowing Championships. The points score will be published on the event website following the regatta - points will be awarded on the following basis:

Boat	First	Second	Third
Eight (8+)	24	18	12
Fours (4-/+) / Quad (4x)	16	12	8
Pairs (2-) / Doubles (2x)	12	9	6
Singles (1x)	8	6	4

Competition Rules

The 2017 Australian Masters Championships held over the four days, Thursday 18th May - Sunday 21st May, are conducted under the Rules of Racing and related by-laws of Rowing Australia.

The following reminders/highlights from the rules are essential. For the complete rules, see the link: www.rowingaustralia.com.au. A copy of the Rowing Australia Rules is available for viewing at the Regatta Secretary's office.

Managers, coaches and athletes should make themselves familiar with the rules of racing.

Age Categories

A rower may compete as a Masters rower from the beginning of the calendar year during which he or she reaches the age of 27. Year is defined as from January 1 to December 31. A Masters rower will be placed in the age category corresponding to the age which he or she attains during the current year. Age categories are:

A.	Minimum age:	27 years	G.	Minimum Average age:	65 years
B.	Minimum Average age:	36 years	H.	Minimum Average age:	70 years
C.	Minimum Average age:	43 years	I.	Minimum Average age:	75 years
D.	Minimum Average age:	50 years	J.	Minimum Average age:	80 years
E.	Minimum Average age:	55 years	K.	Minimum Average age:	85 years
F.	Minimum Average age:	60 years			

The average age of a crew (excluding the coxswain) will be calculated by dividing the total number of years of age of the crew by the number of members of the crew rounded down to the nearest whole number.

Combined age category events will be conducted on a handicap basis.

Masters rowers must be in a position to prove their age by production of a copy of their drivers licence or such other proof acceptable to the Organising Committee of the event in which they are to compete.

Each competitor will be responsible for their own health and fitness.

Medals

Medals will be presented for each age category of Men's and Women's Championship events on the following basis.

- | | |
|------------------------|---------------------------------------|
| ▪ Two entries | First place medal only. |
| ▪ Three entries | First and second place medals. |
| ▪ Four or more entries | First, second and third place medals. |

If less than two entries are received for any age category the event could be combined with an adjacent age category. Organising Committees should not normally combine events of more than two age categories unless it is necessary to make a race.

Fastest club medals will be awarded to the fastest "club crew" in the event i.e. non composite.

Presentation Ceremonies

First, second and third placed crews in finals are to proceed to the presentation pontoon adjacent to the finish line for on-water presentations.

Interstate medallists are to immediately proceed to the presentation area, but will be awarded their medals and the event trophy standing on the pontoon.

Mixed and Composite Crews

Mixed crew events may be held for Masters crews in which half of the crew excluding the coxswain, will be women and half will be men. The coxswain may be of either gender.

Composite crews are permitted without reference to State Associations. There are no restrictions to the number of clubs represented in a composite crew.

Alterations to Crews are Permitted Subject to:

Substitutions are to be reported to Regatta Administration in the Boat Park on the official substitution form up until 2 hours prior to the race.

- Should the average age of the changed crew be younger than the original crew entered, the altered crew can be placed in a younger category event if lanes are available and the race has not already been conducted.
- Crews not intending to race must advise Regatta Administration on the official scratching form up to and until 1 hour prior to the start time of the event.

Coxswain Weighing

- Minimum weight for coxswains is: 50 kilograms for women's crews, 55 kilograms for men's crews, 50 kilograms for mixed crews.
- If a coxswain weighs less than the minimum weight for the crew, weights must be carried to make up the difference.
- It is not mandatory for a coxswain to weigh-in before racing and it is the responsibility of the coxswain to be above the minimum weight and check weighing of coxswains will be undertaken.
- Coxswains may be weighed in racing uniform by a person authorized by the Organising Committee conducting the regatta.
- A regatta Organising Committee may require the coxswain of any crew, with the weights carried by that person, to be weighed by an authorized person immediately after their race. If the coxswain does not weigh in at the required weight at such re-weighing, the coxswain's crew will be disqualified.

Officiating

Regatta Officials may conduct safety checks on boats and equipment used by competitors during the regatta. Umpire boats may follow races on the course. However, in most cases they shall only involve themselves in racing where required to do so.

Interstate Races and Champion of Champions

A Champion of Champions event will be conducted for the winners of each single scull category at Midday on Sunday. Only the winners of each sculling category at the regatta are eligible. RA handicaps will be used in this event. Medal presentations will immediately follow this race.

Interstate races for Women's and Men's D4x- and D8+ will be conducted on Saturday afternoon. Medal presentations will immediately following each race.

Progression

When heats are required they must be conducted at the commencement of the half-day session in which the final for that event is placed, subject to clause 17.

Progression arrangements from heats provide for at least two crews to proceed to the next round in any event. Where there is a large number of entries, this may require semi-finals. Should this occur, the updated regatta schedule will show all races.

Notes:			
- The Fairness Commission may alter The Progression at any time. In such cases ample notice will be given to competitors.			
- The Technical Delegate(s) in consultation with the Organising Committee & President of the Jury, will determine the Progression system to apply to each event/category			

Boat Traffic Rules

The following *traffic rules* and *rules of rowing* are to protect and ensure the safety of all competitors. For the safety and convenience of ALL competitors it is essential that these traffic rules are observed during both training and competition.

Any directions from marshals and/or safety boats must be obeyed. Crews disobeying these directions will be referred to the Umpires' Jury for an appropriate penalty. The lake bowl will not be supervised.

Procedures for Boat Launching

- The launching area is from the beach directly in front of the boat racks
- Proceed west along the line of buoys, then towards the start keeping the line of buoys on the rowers' left (refer to traffic maps)

Boat Traffic Rules during Competition Periods

- CREWS MUST FOLLOW THE DIRECTIONS OF THE MARSHALLS AT ALL TIMES
- Crews boating for racing must proceed to the turning buoy (the last buoy in the boating lake), as per training, before proceeding out of the boating lake.
- Crews must then proceed along buoy line towards the start area reporting initially to the Start Marshall located approximately 250m past the start line.
- Crews can then proceed to the warm up zone (see map) to rotate clockwise.
- Crews must report to the Pre-Start Marshall 10 minutes prior to the start of their race.
 - Failure to do this may result in exclusion from the race.
- It is intended that there will be one event at the start, the next event waiting just behind the start to enter the start, and the proceeding event just past the Pre-Start Marshall with the following event being marshalled.
- Any competitor arriving at the starting pontoon less than two minutes before the starting time may be awarded a false start
- Once launched, crews must not wander to other parts of the lake as you may miss reporting to the Start Marshall and your safety can not be guaranteed.

Boat Traffic Rules During Wednesday Training

- On competition days the course will be closed at ALL times for training.
- Training will be permitted from 10:00am until 5:00pm on Wednesday the 17th of May
- Crews leaving the boating area must take notice of embarkation and return areas.
- Crews are to launch their boats facing west, the direction to the Judges Tower.
- Proceed to the turning buoy (the last buoy in the boating lake) before exiting the lake.
- Then proceed to the starting pontoon and use lanes 1 to 6 in proceeding to the finish.
- Lane 7 is a neutral lane and cannot be used by any crew.
- Lane 8 and the outside lane can be used to return to the start area being mindful of crews entering the start area from the boating lake.
- Upon return, be careful in turning into the lake avoiding crews exiting from the lake.

Power Boat Usage

- The course and lake shall be closed to all power boats except official craft
- Rowing training accompanied by a power boat may be undertaken on the Goulburn River upstream of the Scour. The river is entered through the Scour adjacent to the boat launching lagoon.

wine, wetlands & waterways!

At its heart, the township of Nagambie offers a huge range of outdoor activities (both on and off the lake) and is host to regular rowing regattas. We are excited to host the 2017 Australian Masters Rowing Championship on Lake Nagambie. If you're looking for a day trip, there is plenty to see during your stay in the region. Hire a canoe or tinnie and travel along the majestic Goulburn River, with its abundant bird life, native plants & animals.

Take a trip in the river boat between Mitchelton and the historic Tahbilk wineries.

Stay at one of the many accommodation houses, motels, resorts, B&Bs, leisure parks or find a peaceful camping spot. Fish, ski, row, sail, boat and splash?! If you'd rather stay dry, there's a huge range of cellar doors and fabulous gourmet cafes and restaurants to visit. Or perhaps a drive or bike ride through neighbouring Longwood, Avenel and up into the Strathbogie Ranges, fossicking around the antique & produce stores, gem stone & art galleries, museums and markets. Noorilim Estate is a short drive north of Nagambie; explore the gardens and tour the historic mansion. Maybe a picnic at the old Whroo gold fields coupled with a tour of the local historic bridges and Goulburn Weir.

For those seeking a bit more adrenalin, there's skydiving, four wheel driving, dirt bike riding and 'crash and bash' nights at

the Nagambie Speedway. Don't forget the golf course, tennis courts, bowls and croquet clubs too.

If you just want to unwind, well it doesn't get much better than a massage or spa treatment followed by a glass of delicious local wine while watching the sunset over the lake.

Fluidesign was officially founded in 1999 by Canadian Olympian Gord Henry. Since its induction Fluid boats have been winning races every weekend and have quickly become the fastest growing racing shell manufacturer in North America. The philosophy has always been to build the fastest, lightest, and most durable shell in the world. Fluidesign's laminate construction and bow mount rigging were unique at the time of its introduction, but has now been embraced as an industry standard. Fluidesign will continue to push the envelope of engineering and high performance rowing. Fluidesign Australia began importing racing shells in 2013.

Mobile Medal Engraving

You no doubt worked very hard to win that medal so don't let the memories simply fade away, have your medals engraved and preserve the details so that you and your family can reflect on your past achievements in years to come. It can be difficult to find an engraver to do individual medals and with most engravers at shopping centres charging \$25 or more per medal it can also be expensive. Make sure to get your medals done while I am onsite and if that is not practical I can do them later and send them in a trackable satchel for \$8 that holds up to 8 medals.
