Zurich Australian Rowing Championships 1999
and **Interstate Regatta** featuring the **King's Cup**

superior performance requires
the choice of an astute partner

sponsor message

An Astute Partnership

It is with great pleasure that we welcome you to the Zurich Australian Rowing Championships 1999.

Since becoming Rowing Australia's principal sponsor in March 1998, our partnership has gone from strength to strength, and both organisations have worked very hard to make this Championship event happen.

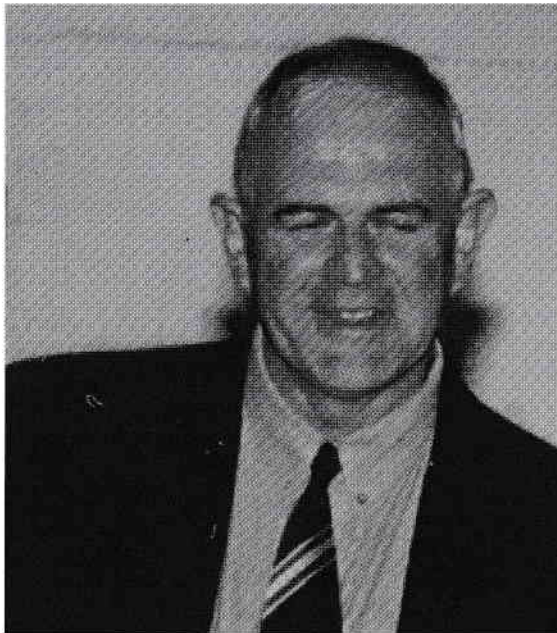

But by far the most important contribution is made by the rowers themselves, who train hard over many years and devote so much time and energy to their sport.

This is why we developed the Zurich Rower of the Year Award, which will be announced at this Championship for the first time. The Award recognises the qualities it takes to be an outstanding rower, and celebrates rowing achievements.

Finally, I would like to thank all the rowing fans who attend this event, thus making it one of the premiere sporting events in Australia.

Malcolm Jones
CEO, Zurich Financial Services
Australia Limited

presidents address

On behalf of the Council and Board of Rowing Australia Inc., I have great pleasure in welcoming you to the Zurich Australian Rowing Championships and Interstate Regatta, and extend our thanks to the Organising Committee from South Australia for providing the excellent facilities for competitors, officials and spectators. It is always good to return to Adelaide where we are assured of great hospitality and a well run regatta.

In an effort to bring about changes to have the Nationals as a club based regatta, the composite rule has been modified. The aim of this is to strengthen the smaller clubs and hopefully encourage them to attract more club members and enter events in their own right rather than see the events dominated by elite crew combinations. In doing this of course we have to be aware of the National Plan for the Olympic aspirants where the head coach, Brian Richardson, has directed some athletes to move to interstate training venues. These athletes can still, and are expected to, compete for their club, but special exclusions will be made to boat specific crew combinations in restricted events.

This is the first National Regatta to be held in conjunction with our principal sponsor, Zurich Australia. I thank Zurich for their support and confidence in the sport of Rowing and welcome all those from Zurich who are able to attend the regatta.

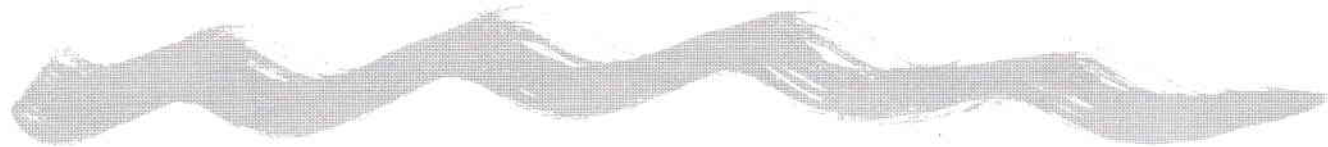

Australia is one of the leading rowing nations in the World and the rowers who made it so are competing here at this regatta. We shall be seeing some world class competition with many world champions and Olympic medallists competing.

I wish you all good racing. May your hours of training bear fruit.

Dr Stephen Hinchy
President Rowing Australia

messages

Message from the President, SA Rowing Association

On behalf of the Organising Committee and the South Australian Rowing Association, I am delighted to welcome participants, family members and friends from interstate and overseas to the 1999 Kings Cup National Regatta here in Adelaide.

We are very pleased to host the 1999 Regatta and I acknowledge and thank all of the people who have worked so hard to ensure the success of this event.

I wish all of the competitors every success, and may the fellowship that accompanies meeting old friends and making new ones, reign supreme.

Don Sarah, AM.
President SA Rowing Association

Message from the Minister for Sport

As Minister for Sport and as an ex-rower, I welcome you all to the 1999 Australian Rowing Championships and King's Cup Regatta here at West Lakes.

Rowing is one of Australia's most successful sports at the international level and we look forward with excitement to seeing our rowers taking on the world at the Sydney Olympics.

I congratulate the organising committee and officials on their hard work in planning and conducting this event and in the true spirit of competition I wish you all every success.

The Hon Jackie Kelly MP,
Minister for Sport and Tourism

Message from the Premier of South Australia

Welcome to South Australia and the 1999 Australian Rowing Championships and King's Cup Regatta.

It has been eight years since West Lakes was host to the Australian Rowing Championships and I am confident spectators will be treated to some world class performances by Australia's finest rowers.

While in South Australia, I would also encourage visitors and competitors to take the opportunity to explore the many diverse attractions our State has to offer.

I wish all competitors and organisers of this 1999 Championship every success.

Hon John Olsen MP
Premier of South Australia

Message from the South Australian Minister for Recreation, Sport and Racing

South Australia is particularly pleased to be hosting the 1999 Australian Rowing Championships and King's Cup Regatta at the A M Ramsay International Rowing Course at West Lakes.

The fine facilities at the course represent many years of cooperation between SA Rowing, the City of

Charles Sturt and the South Australian Government. This Government has been particularly pleased to contribute substantially to the latest additions: the Judges Tower; the Regatta Control Office; and the car park.

Hosting events such as these at top class venues allows spectators the opportunity of witnessing Australia's finest athletes competing for national glory. No doubt with the 2000 Olympics just around the corner these championships will indeed see some spectacular rowing.

To all the officials and competitors, I wish you a successful regatta and hope you enjoy your stay in South Australia.

Hon Iain Evans, MP
Minister for Recreation, Sport and Racing

Message from the Mayor, City of Charles Sturt

On behalf of the City of Charles Sturt, it gives me great pleasure to welcome competitors, officials and spectators to our beautiful West Lakes community for the 1999 Australian Rowing Championships and King's Cup Regatta.

To host Australia's premier rowing events at our world-class West Lakes facility is an exciting opportunity for our City and State.

Our West Lakes course is one of only three FISA accredited courses in the nation and lies in the heart of an exciting neighbourhood. The striking Lakes environment, excellent

shopping facilities and lively community will undoubtedly enhance the spectacle of these events.

Also adding to the thrill will be the knowledge that members of our 2000 Sydney Olympics rowing squad will be competing, offering spectators a chance to glimpse some of our gold medal hopefuls, as well as see our rising stars in action.

The City of Charles Sturt is honoured to support the rowing fraternity at West Lakes and we look forward to continuing this fruitful relationship for many years to come.

I am excited at the prospect of seeing the colour spectacle and sport of rowing in my home town once again. On behalf of Charles Sturt's 102,000 residents, I wish all competitors the best of luck.

John Dyer OAM, JP
Mayor, City of Charles Sturt

history

INTERSTATE AND NATIONAL ROWING CHAMPIONSHIPS OF AUSTRALIA

Interstate rowing competition in Australia originated in four-oared gigs, the first recorded race being held in 1863 on the Parramatta River in New South Wales over a distance of three miles. New South Wales and Victoria were the competing States, the first named being the victor in a time of 19 minutes 25 seconds. A number of contests followed in this class of boat between crews from New South Wales, Victoria and Tasmania, often with more than one Club crew from each State taking part in the competition.

Rowed in Melbourne over a distance of four miles in 1878, the first Interstate eight-oared race contested between New South Wales and Victoria was won by Victoria, and continued as an annual event between them until 1885 when Queensland and Tasmania joined the competition, followed by Western Australia and South Australia in 1897 and 1899 respectively. The records show that, up until 1890, New South Wales and Victoria were the principal contestants, with New South Wales recording its first victory at the second meeting in 1890, Queensland recorded their first win in 1891, followed by Tasmania in 1906, South Australia in 1913 and Western Australia in 1921 at Launceston.

The first men's Interstate Single Sculling Championship won by M.I. Slack representing Queensland, was rowed at Brisbane in 1892 in conjunction with the already established eight-oared race, and since 1895 has been an annual event on the Interstate rowing calendar.

Interstate Challenge race for women commenced in 1912 when a Brisbane Ladies' Rowing Club four, representing Queensland, defeated the Albert Park Ladies in Melbourne. A return visit by the Victorian representatives in the following year resulted in a second Queensland victory on the Brisbane River by a mere two feet.

Competition between the States ceased, due to the First World War 1915 to 1919, and resumption on 15th May 1920 on the Hamilton Reach of the Brisbane River introduced to the Interstate competition our two most prestigious perpetual trophies, namely the Kings Cup for the men's eight-oared championship, and the United Licensed Victuallers Association of Queensland Trophy for the women's four. The history of both these trophies, along with the other more recent perpetual trophies now presented annually to the successful Interstate Championship crews, is contained later in this programme.

Central control of rowing in Australia became necessary to arrange and co-ordinate Australian and International

competition and assume responsibility for the now well established Interstate Championships. Following the Interstate regatta at Brisbane on 15th May 1920, the Australian Women's Amateur Rowing Council was formed. The 1st May 1925 heralded the formation of the Australian Amateur Rowing Council, and thereafter the two councils conducted their affairs independently until 1976, when amalgamation of both into the now renamed Australian Rowing Council secured a continuity of control and standardisation of regulations, the benefits of which will ensure the future growth and success of the sport, both here and overseas.

The Second World War again interrupted the Interstate Rowing Championships, there being no men's competition between the years 1940 and 1945, and the curtailment of women's races between 1942 and 1948. On resumption, the need for Australian representation at International meetings became more evident, and the addition of test races in other classes of boats became a regular feature at the Interstate regattas.

The introduction of additional events to Interstate Championship status has provided annual competition for other classes of competitors, and we commend the foresight of the Rowing Councils in legislating for the inclusion of the Men's Lightweight Four in 1958, the Women's Single Scull in 1963, the Women's Lightweight Four in 1968, the Men's Youth Eight and Women's Youth Four in 1988 and finally the Women's Eight in 1999. The addition of Championships for pairs and double sculls in 1953 failed, due to lack of interest, and in 1955 the events were withdrawn.

In 1962 the Council made provision for the National regatta to be conducted bi-annually over 2000 metres, to provide small boat competition regularly, thereby facilitating the selection of Australian representative crews for International competition and substantially reducing the need for test races. The first regatta programme comprised National Championship events for four with cox, four without cox, pair with cox, pair without cox, double scull, lightweight eight, lightweight pair with cox, and lightweight single scull. The development of the regatta witnessed the inclusion of additional classes of oarsmen along with schoolboy representatives, and since 1974 has been held annually in conjunction with the Interstate Championships. Resulting in amalgamation of the National Councils in 1976, the combined National and Interstate Championship regatta now comprises a full programme for both men's and women's sculling and rowing races in all classifications.

notice to competitors

SECRETARY'S OFFICE

The Regatta Secretary's Office is located on the balcony of the club house adjacent to the Finish.

WEIGH-IN STATION

The Weigh-in Station is located on the North side of the clubhouse.

BOAT WEIGHING

The boat weighing will be situated in the Boat-House.

THE START

The Countdown: The starter shall inform the crews of the time remaining before the start and tell them in which lane each will race.

Late Arrivals: Crews must be at their starting positions at least two (2) minutes before the starting time of their race.

The Starter may warn any crew arriving at its starting position less than two minutes before the starting time.

A warning has the same effect as one given for a false start,

The Starter may exclude a crew arriving after the starting time.

The Starter must inform the Referee of any warning or exclusion.

Breakages: The start is not delayed for broken oars. Fittings or equipment.

Two Minutes to Go: When the starter announces "two minutes" this shall signify to the crews that they are formally under Starter's orders.

The announcement of 'two minutes' shall also be an instruction to the crews to prepare to race and to the Aligner to commence the aligning of boats. The crews must be ready to race within the two minutes period.

Aligning: The Aligner indicates to the Starter that the boats are properly aligned by raising a white flag.

Should correct alignment be lost during the subsequent starting procedure, the Aligner lowers the flag.

Roll Call: When the boats are aligned and the crews are ready to race, the Starter shall make a roll-call by announcing in lane order - the names of each of the crews in the race.

Once the roll-call begins the crews must make sure that their boats are straight. Each crew is responsible for being both straight and ready at the end of the roll-call.

Once the roll-call begins the Starter shall take no further notice of any crew which then indicates that it is not ready or that it is not straight.

The Start: After the last crew has been named in the roll call, the starter shall check that the aligner's flag is still raised and shall then say 'ATTENTION'

The starter shall then raise the red flag.

After a clear pause, the starter shall drop the red flag quickly to one side, simultaneously saying

"GO"

The pause between the raising of the flag and the start command (dropping the red flag and saying 'go') shall be variable.

Starting Procedure Using Coloured Indicator Lights: After the last crew has been named in the roll-call the Starter shall check that the Aligner's flag is still raised and shall then say "Attention". The Starter shall then press a button to change the visible signal from the neutral position to red.

After a clear pause, the Starter shall give the start by pressing a button which shall, at the same moment:

- (a) change the red signal to yellow;
- (b) make an audible signal through the loud-speakers;
- (c) start the timing system for the race. The pause between the red signal and the start command (the yellow signal and the audible signal) shall be variable.

Interruptions: If the starting procedure is interrupted for any reason external to the crews or for a false start, then the starter must begin the procedure again, starting with the roll call.

Quick Start: In exceptional circumstances the starter may decide to dispense with the roll call. If so, the starter must inform the crews that the "quick start" shall be used. Once the normal start has been used the starter shall not change to the quick start for the same race.

For the quick start, instead of the roll call, the starter shall say 'quick start attention'

The starter shall then raise the red flag.

After a clear pause the starter shall give the start by dropping the red flag quickly to one side and simultaneously saying

"GO"

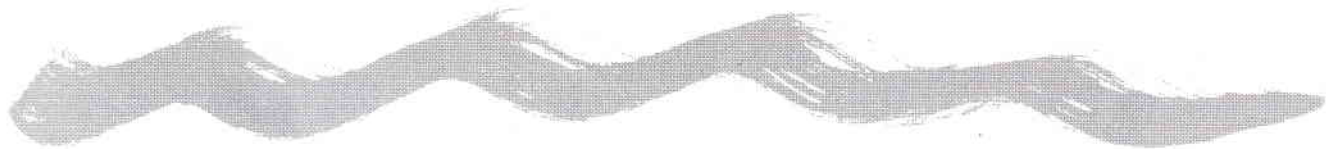

The pause between the raising of the flag and the start command (dropping the red flag and saying 'go') shall be variable.

False Start: Should a crew start too soon, the Aligner shall inform the Starter and Umpire by waving a red flag. The

Starter shall stop the race by ringing a bell and then waving the red flag.

After the race has been stopped the Aligner shall tell the Starter by name (not lane number) which crew or crews started too soon. The decision as to whether one or more crews started too soon is the sole responsibility of the Aligner.

When the crews return to their starting positions, the Starter shall warn the crew or crews at fault. This warning shall hold good until the race has been rowed and shall therefore apply in the case of a postponement or a re-row.

Exclusion: The starter shall exclude from the race a crew causing two false starts or which has received two warnings in the same heat.

Finish: The judges at the finish shall indicate the crossing of a sound signal.

Coxswains: Coxswains shall weigh in not more than 24 hours nor less than 1 hour before their first race in the regatta.

Lightweight Competitors: Lightweight competitors shall weigh in not more than two hours and not less than one hour before their first race on each day of racing.

Competing Boats: The bows of all competing boats shall be fitted with a white ball 4 cm in diameter in soft rubber or similar material unless the bow is so constructed as to afford equivalent protection and visibility.

Lane Numbers: All competing boats shall display on the bow the lane number in which they will race in each event.

Lane numbers will be supplied by the Regatta Officials at the launching area for a deposit of \$10.00 and must be returned immediately upon return of each boat to the launching area for refund of deposit.

Scratchings: Scratchings shall be notified at the Secretary's Office at the earliest possible time, but not less than one hour before their respective event.

Substitutes: Substitutes in any crew shall be notified at the Secretary's Office and shall be made in accordance with regulation 3.10.10.

Equipment Damage: If a crew while in the first' 100 metres of the race indicates that it has suffered damage to its boat or equipment, the Starter or Umpire will stop the race.

Umpire's Directions: The Umpire may not steer a crew unless there is an obstacle in its lane. If a crew is about to impede another by its wash or by leaving its lane the Umpire raises a white flag and calls the crew at fault, indicating the required change of direction by lowering the flag to one side.

If a crew is about to cause a collision, the Umpire may call it's attention by raising the white flag and stop it by giving the command-STOP. Crews interfering with their opponents may be excluded from the race.

Winning Crews: All winning crews and scullers in Final events are to proceed direct to the Victory Dais for the presentation of trophies and medallions immediately after the race concludes. Other competitors are required to proceed in an orderly manner back to the launching area.

Briefing of Competitors: A meeting of coaches, rowers, coxswains, scullers, umpires and the starters shall take place in the catering marquee at 3pm on Monday 8th March.

Briefing of School Competitors: The briefing will be held in the catering marquee at 5.00pm on Thursday 11th March.

boat traffic rules

POWER BOAT USAGE

The course and lake are closed to all power boats except official craft.

TOW PATH

The tow path on both sides of the course is used extensively by local residents and pedestrian traffic. Bicycles must not be used at any time (either training or racing) on the tow path.

Pedestrian traffic is welcome.

BOAT TRAFFIC RULES

Boat launching

- Launching area is from the southern (start) end of the beach adjacent to the boat racks.

- All boats must be launched with bows pointing south.

Boat landing

- Landing area is on the northern (finish) end of the beach adjacent to the boat racks.

TRAINING AND COMPETITION

- Traffic must always proceed in an anti-clock wise direction as shown on the course diagram.

- The course diagram is displayed in the launching area

- Any crew crossing the course must give way to crews on the course

- Traffic rules and rules of rowing are to protect and ensure the safety of all competitors. Directions from marshals and safety boats must be obeyed and crews disobeying those directions will be penalised.

DISROW TRAINING

The organising committee requests that all team managers, coaches and athletes respect the principles of understanding, consideration and care with our disabled rowers during their training periods.

As in the previous five Australian Championships our disrow athletes will participate, continuing our integration programme.

Disrowers will be easily identified on water due to the specialised rowing craft and will be supervised during their training periods.

We ask for your consideration and care when meeting the disrowers both on and off water.

MINIMUM WEIGHTS FOR BOATS

Boats shall be weighed with the fittings essential to their use; in particular with riggers, stretchers and slides but without oars or sound amplification equipment and loudspeakers and any other kind of electronic equipment if used

Type of Boat	1x	2x	2-	2+	4x	4-	4+	8+
Weight in kg	14	27	27	32	52	50	51	96

FOOT STRETCHERS

To avoid accidents arising from capsizing, all boats must be equipped with stretchers or shoes which allow competitors to get clear of the boat without using their hands and with least possible delay.

THICKNESS OF BLADES

Edges of blades must have a minimum thickness throughout as follows:

OARS 5 mm

SCULLS 3 mm

the thickness shall be measured 3 mm from the outer edge of the blade for oars and 2mm for sculls.

BOW BALLS

The bows of all boats shall be fitted with a white ball 4 cm in diameter in soft rubber or similar material unless the bow is so constructed as to afford equivalent protection and visibility.

NOTES ON THE WEIGHING OF BOATS

(1)Electronic Equipment

In order to simplify the weighing of boats FISA does not require wires and certain items of electronic equipment to be removed from the boat during the weighing.

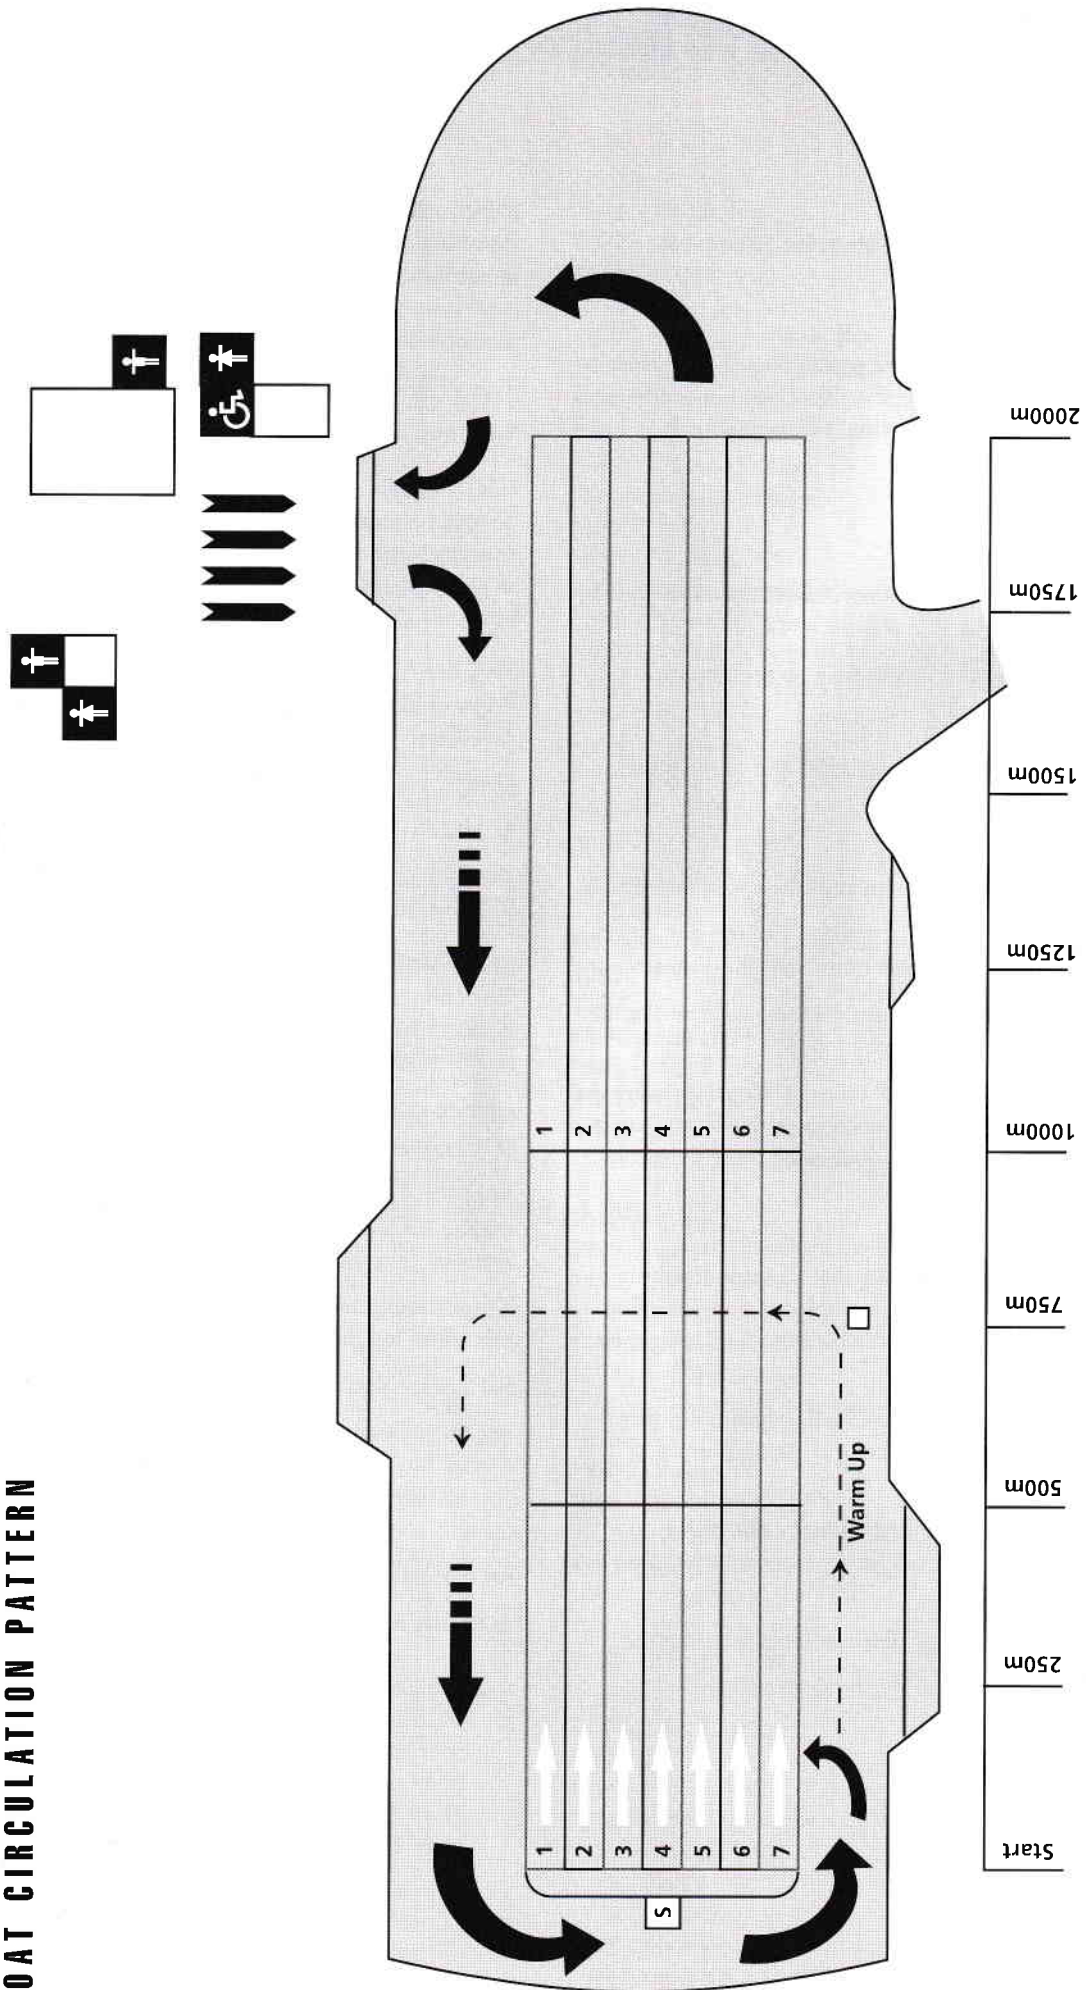

The following weight allowances will be made to the minimum weight:

For one speaker		0.15 kg
For the wiring	-8+	0.60 kg
	-4's	0.40 kg
	-2's	0.20 kg
for one 'stroke coach'		0.10 kg

(wire and magnet)

2 semi-finals. 1st 2 in semi

status of competitors

SENIOR A

All rowers shall be eligible to compete in a Senior A category in the appropriate division.

SENIOR B

A rower ceases to be Senior B on 31st December of the year in which he or she reaches the age of 22 years. After that the rower is classified as a Senior A.

YOUTH

A rower ceases to be Youth on 1st July after reaching the age of 19 years.

The definition also applies to the coxswains of a Youth crew.

JUNIOR

A rower ceases to be a Junior on 31st December of the year in which he or she reaches the age of 18 years. This definition also applies to the coxswains of a Junior crew.

SCHOOL

A rower who is attending secondary school as a full-time student shall be eligible to compete in the School category. This definition also applies to the coxswains of a School crew.

JUNIOR B

A rower ceases to be eligible for Junior B on 31st December of the year in which he or she reaches the age of 16 years. This definition also applies to the coxswains of a Junior B crew.

LIGHTWEIGHT

Lightweight races are restricted to male rowers weighing 72.5 kilograms or less and female rowers weighing 59 kilograms or less in the case of single sculling races, and in all other classes of boat, to male rowers weighing 72.5 kilograms or less and female rowers weighing 59 kilograms or less providing that the average weight of all members of the crew in which such rowers race (excluding the coxswain) does not exceed 70 kilograms in the case of male rowers, and 57 kilograms in the case of female rowers.

history of the Kings Cup

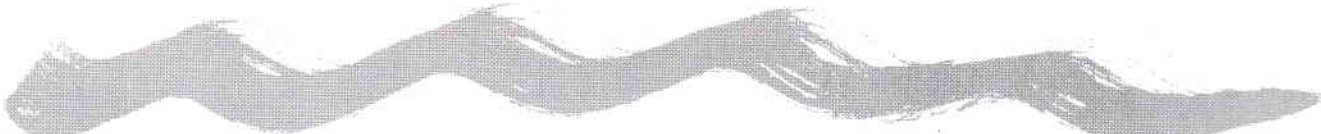

First won in 1919 at the Henley-on-Thames Regatta held on 2nd to 4th July of that year, this handsome trophy, a substitution for the Grand Challenge Cup race for that year, was presented by His Majesty King George V to the successful A.I.F No. 1 crew which, along with seven others, contested the eight-oared race for competition between crews from the armies of the Allies in the 1914-18 War.

The successful crew comprising Sgt. A.A. Robb, Derwent Rowing Club (Tas), 11st 101b, Bow: Lieut. F.A. House, Derwent Rowing Club (Tas), 11st 121b, 2; Lieut. T. McGill, Leichhardt Rowing Club (N.S.W.), 12st 101b, 3; Gunner A.V. Scott, Murray Bridge Rowing Club (S.A.), 13st, 4; Lieut. H. Hauenstien, M.M., Leichhardt & Balmain Rowing Clubs (N.S.W.), 13st 91b, 5; Major S.A. Middleton, D.S.O., Glebe & Sydney Rowing Clubs (N.S.W.), 13st 61b, 6; Gunner G.W. Nettam, West Australian Rowing Club (W.A.), 11st 121b, 7; Captain H.C. Disher, Melbourne University Boat Club (Vic), 11st 111b, Stroke; Sgt A.E. Smedley, Sydney Rowing Club (N.S.W.) Cox, defeated the A.I.F. No. 2 crew in the first heat, Cambridge University in the semi-final and Oxford University in the final by a margin of one length in a time of 7 minutes 7 seconds, the other competitors being Canada, France, New Zealand and United States.

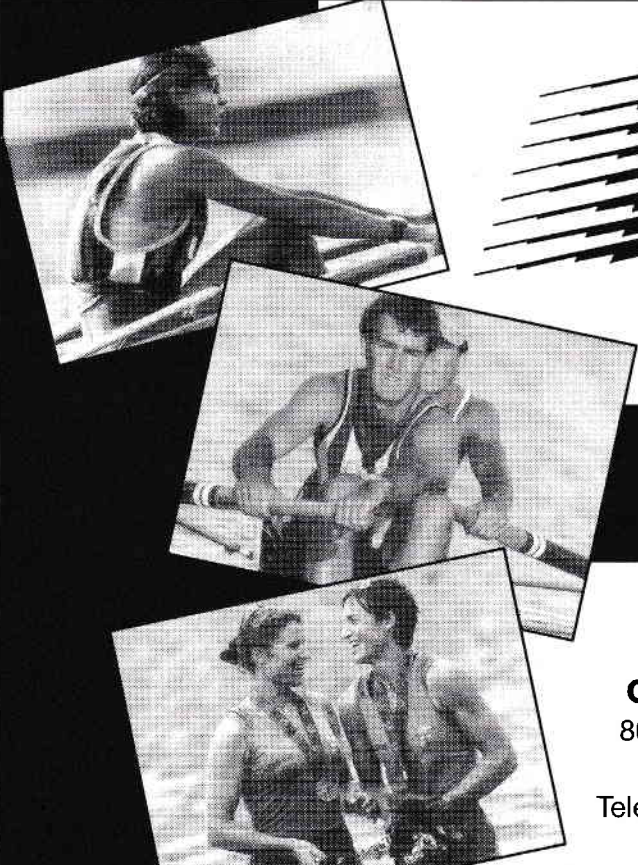

The famous trophy was left in the custody of the Australian Military Authorities, and was later handed over to the Australian War Memorial Council and placed in the Australian War Memorial. On 14th May 1920, at a conference of delegates of the Australian Rowing Association held in Brisbane, it was decided to ask the Australian War Memorial Council for the Cup as a perpetual Trophy for the Australian Eight-oared Championship. This request was refused, and on 12th October of the same year a further request was made by the Victorian Rowing Association for the Cup, with the suggestion that it be kept in the Australian War Museum of the State which won the race each year. This request was also refused. The second refusal precipitated further action by the Victorian Rowing Association, and a petition to the King prepared by it dated 30th October 1920, and signed by Captain H.C. Disher, was sent to His Majesty with the request that he make known his wishes with regard to the disposal of the trophy. A reply dated 13th May 1921, received from the Secretary of State for the Colonies, Mr Winston Churchill, Stated that "His Majesty commands me to inform you that it is his wish that the Cup should be used as a permanent trophy and be competed for annually in the Interstate Eight-oared Race of Australia".

history of the Presidents Cup

Following the formation of the Australian Amateur Rowing Olympic Council in 1925, the first President Mr. E.C. Watchorn, a trustee of the Geo. Adams Estate controlling Tattersall's Sweep Consultations, donated the President's Cup as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

First competed for in 1926 and won by the late A.A. Baynes of Queensland, some famous Australian Olympians have been the

holders of this Trophy. The records of R.H. (Bob) Pearce holder of the Cup on three occasions and Olympic Gold Medallist in 1928 and 1932, his cousin C.A. (Cecil) Pearce, four times holder and M.T. (Mervyn) Wood, holder on eight occasions and Olympic Gold, Silver and Bronze medallist in 1948, 1952 and 1956 respectively and all representing New South Wales are well known.

history of the ULVA Trophy

Presented by the United Licensed Victuallers Association of Queensland to the Australian Women's Rowing Council in 1920, and affectionately known to Australian oarswomen as "Bertha", this handsome sterling silver trophy crafted in London depicts Dorothy Arnold Ekins, the petite girl from Mannum, holding her oar and dressed in the rowing garb of her day....floppy hat, sailor top and billowing bloomers!!!

Dorothy, a lightweight by today's standards, along with three other members of her home Club representing South Australia, won the first Women's Interstate Four-oared Championship from New South Wales and Queensland in a time of 4 minutes 55 seconds.

1964	New South Wales	Sydney (NSW)	4.08.0	1960 - 1964-1000 metres	
				1985 - date-2000 metres	

history of the Penrith Cup

The introduction of the interstate Lightweight Four-oared Championship in 1958 for oarsmen then weighing not more than 140 lbs, and for which the Penrith Cup was presented to the Australian Amateur Rowing Council by the Penrith City Council as the perpetual trophy, laid the foundation for this class of rowing in Australia.

The weight limit for lightweight competitors in Australia has varied from time to time between the states, however, since 1974, the year which heralded the first FISA Lightweight Championship at which Australia recorded a Gold medal victory, the Internationally accepted lightweight limits have been adopted nationally.

RECORD OF THE MEN'S INTERSTATE LIGHTWEIGHT FOUR-OARED CHAMPIONSHIP OF AUSTRALIA (PENRITH CUP)

history of the Noel F. Wilkinson Trophy

Recognising the necessity to introduce a class of rowing in which Australian Youth oarsmen could compete, the Australian Rowing Council initiated the Interstate Youth Eight-oared Championship at an age limit some eighteen months older than the Internationally accepted junior age limit. The first Championship was conducted in Victoria in 1974, and in that same year, the Council accepted the offer by Noel Wilkinson to provide a perpetual trophy for the event.

Junior (age limit) events for other classes of boats forming part of the National Regatta programme now collectively fulfil the purposes originally envisaged by both the Council and the Donor, namely, an incentive to Young oarsmen to continue in the sport subsequent to completion of their secondary education by providing acceptable competition at a National level and foster their development into higher classifications.

RECORD OF THE YOUTH EIGHT-OARED CHAMPIONSHIP OF AUSTRALIA (NOEL F. WILKINSON TROPHY)

YEAR	WON BY	TIME			
1974	Tasmania	6.56.0	1986	Victoria	5.53.87

history of the Victoria Cup

At the first Women's Interstate Lightweight four-oared Championship contested on the Yarra River in Melbourne, a victory was recorded by Victoria with a crew stroked by one of Australia's best known oars women, Margaret Agnew McKenzie, whose efforts in negotiating with the Women's Rowing Council secured lightweight rowing as an annual event on the women's Interstate rowing programme. The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event.

Lightweight women have recorded International victories, the first being at the inaugural competition between the United States of America, Canada and Australia at St. Catherines, Canada, in 1979, when Australia was successful in the two events for which crews were entered - Lightweight Four with Cox and Lightweight Pair with Cox.

history of the Nell Slatter Trophy

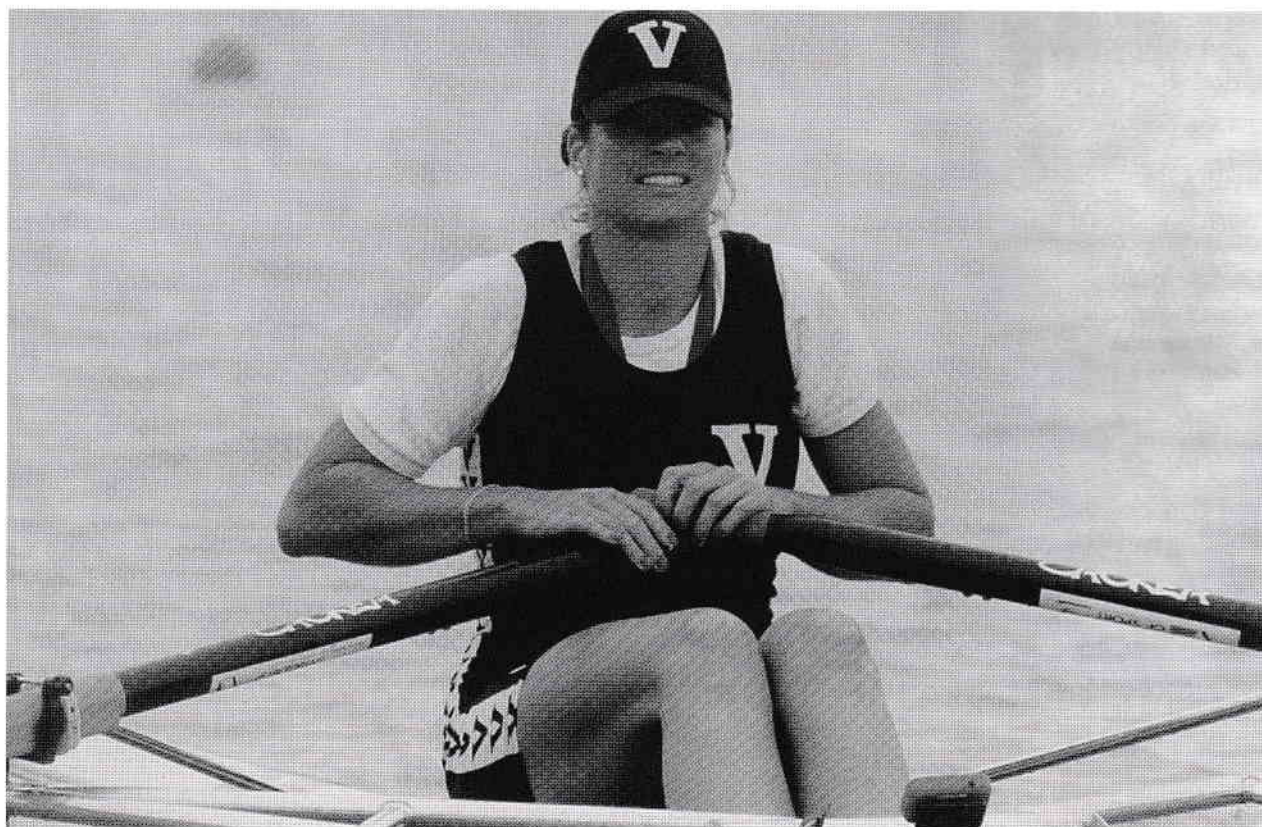

Dating back to 1901 at the great Federation Regatta staged on Albert Park Lake, Cassie Wooly McRitchie representing Victoria and using a skiff loaned to her by the then Governor of Victoria, Lord Brassey, defeated her challenger from Sydney, Elizabeth Messenger, and was presented with a magnificent pearl and ruby bracelet by the Duke of Gloucester. So great was the public interest in the female scullers that police were required to keep the inquisitive spectators at bay. At the great age of 96 she passed away in 1973 and will for all time be remembered as the founder

of the first all women's rowing club at Albert Park in 1907. Cassie McRitchie is justifiably known as the "mother" of Victorian women's rowing.

First introduced in 1963 at Brisbane, the Women's Interstate Single Sculling Championship has continued as an annual event for which the Nell Slatter Trophy, presented by the Queensland Women's Rowing Association as a tribute to the then President, is the perpetual trophy

superior performance requires
the choice of an astute partner

Rowing Australia

Rowing Australia (RA) is the governing body of one of Australia's most successful sports, having won six medals at Atlanta, and having excellent prospects for the Olympic Games in Sydney. Increasing numbers of rowers nationwide, are participating in also one of Australia's fastest growing sports equal participation from both males and females.

Rowing is gaining in popularity within Australia, with an increase in spectators at recent events. Coverage of a special TV documentary of the 1998 World Rowing Championships held in Cologne, Germany (an event at which the Australian team performed very well – winning two gold, one silver and two bronze medals) attracted approximately 250,000 viewers nationwide.

With links to approximately 140 rowing clubs and 140 rowing schools nationwide, and plans for the integration of the sport fully through Australia's private and public school systems, Rowing Australia is well on the way to 'taking the sport to the people'.

Zurich Financial Services Australia Limited

Zurich Financial Services Australia is part of the global Zurich Financial Services Group, which was founded in Switzerland in 1872 and is now ranked as one of the ten largest fund managers in the world with assets under management in excess of A\$620 billion. The group operates in 53 countries, serving more than 30 million customers and employing in excess of 68,000 people. Within Australia, Zurich is represented in every state, employing approximately 1400 people. The company offers a wide range of investment and insurance products.

South Australia Rowing Association

The South Australia Rowing Association (SARA) is the state-based body responsible for the promotion and development of rowing.

South Australia has consistently produced medallists at the Senior A, Senior B (under 23) and World Junior Championships and almost twenty percent of the Australian rowing squad in Atlanta were South Australians.

Recent major events include the hosting of the FISA Master's Rowing Regatta at West Lakes (the first time it has been held in Australia) and the introduction of Pleasure Rowing with a FISA rowing tour of the River Murray.

An Astute Partnership

ZURICH
