

AUSTRALIAN ROWING
CHAMPIONSHIPS

PROGRAM

5 – 11 MARCH 2007

Nagambie Lakes, Victoria

Australian Government
Australian Sports Commission

WINNING PARTNERSHIP

The Australian Sports Commission proudly supports Rowing Australia

The Australian Sports Commission is the Australian Government agency that develops, manages and invests in sport at all levels in Australia. Rowing Australia has worked closely with the Australian Sports Commission to develop rowing from community participation to high-level performance.

Rowing Australia is one of many national sporting organisations that has formed a winning partnership with the Australian Sports Commission to develop its sport in Australia.

FOREWORD FROM THE PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with great pleasure I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2007 Australian Rowing Championships.

These National Championships follow another very successful year, both on and off the water, and it has been a great pleasure to oversee the success of all areas of Rowing Australia's operation.

Once again, the international 'two-tour' system for our Senior athletes proved a success as the international season rewarded our athletes with an impressive medal tally. The Australian Team performances and results at the Poznan and Munich World Cup regattas (a 13 medal haul) were an exciting indication of things to come from the Eton World Championship campaign.

The World Championships proved to be a highly successful regatta for our athletes, with a total medal tally of seven, including four gold. Of particular note, was the gold medal winning performance from the Women's Double Scull, Elizabeth Keil and Brooke Pratley (coached by Adrian David). Not only was this an exceptional performance, it was also the first time in history an Australian crew has won this event. In another Australian rowing first, after a number of years on the national team, Duncan Free won a gold medal in partnership with Drew Ginn in the Men's Coxless Pair (coached by Chris O'Brien). The outstanding results of the team at the Championships placed Australia as the number one nation in the World in Olympic boat classes.

Looking forward, our prospects only look brighter with increased levels of direct athlete support funding and the return to competition of many experienced senior athletes. We are in an extremely pleasing position as we move towards the second half of the quadrennium and our ultimate goal of the 2008 Beijing Olympic Games.

Off the water RA's systems and structure continues to evolve. By the close of entries for these Championships, ROMS (Rowing Online Management System) will have taken close to 100,000 entries across Australia for numerous state and national regattas since its inception and will be approaching its launch as the national membership management and regatta entry system.

In another significant corporate achievement, in line with the recommendations of the independent governance review conducted in 2006, the RA Council voted to approve a new Constitution which will see RA become a Company Limited by Guarantee before the end of the year.

In 2006, the Australian Sports Commission (ASC) again announced increased funding to Rowing Australia, making rowing the highest funded sport by the ASC. This is not only a reflection of RA's success but also its preparedness to critically assess its performance both on and off the water.

This is the fourth Australian Championships to be staged at Lake Nagambie, Victoria. On behalf of Rowing Australia, I extend our thanks to the President, Mr Andrew Guerin, and staff of Rowing Victoria, and to the Chairman of the Organising Committee, Mr Brian Vear, and his team for their expertise and professionalism in organising what promises to be a highly successful regatta.

I would also like to make particular mention of Mayor, Cr Greg Carlson and the Council of Strathbogie for their continued support of the Nagambie Lakes rowing course.

Finally, I would like to thank the many Boat Race Officials and volunteers for their assistance and organisation during this regatta. Of course I would also like to wish every participant the very best of luck for their upcoming races. I look forward to witnessing some great racing results and continued rivalry created by the Interstate Regatta events.

THE HON. PATRICK McNAMARA
President – Rowing Australia.

MESSAGE FROM ROWING VICTORIA PRESIDENT ANDREW GUERIN

We extend to our rowing colleagues from interstate and overseas our warmest welcome to Nagambie Lakes for the Australian Rowing Championships. We trust that you will have a rewarding and enjoyable time at Nagambie.

Past and current rowers always enjoy attending the national championships to not only witness great racing, but rekindle old friendships. To this end, we have planned to end the regatta on Sunday in time for an informal luncheon on the course for all to enjoy. Whilst not of the character of the old King's Cup picnics, it will provide an opportunity for all get together after the Interstate Championships and before departing home.

Your organizing committee, headed by Brian Vear and heavily supported by Regina Kennedy, Grant Cosgriff, Chris Grummitt and Eric Waller, has prepared the regatta well and we thank them and their team of volunteers for their superb work.

We also acknowledge the good work of Nagambie Rowing Club and the Shire of Strathbogie in setting up the course and Goulburn Murray Water for use of the Lake and maintaining the water levels during these drought conditions.

The extent of co-operation of the Australian rowing community in creating this regatta is high and deserves great praise. It is easy to see that regattas should be run co-operatively by the best people from any state rather than by one State Association. To illustrate this point, I thank the following organizations and people for their work. The ROMS Commission's regatta on-line management system has provided us with an automated entry system which has enabled entries to close less than two weeks prior to the event. Rowing Australia has provided assistance in too many ways to mention. The Tasmanian Rowing Council has assisted with the provision of the starting system, umpires boats and boat drivers. The Photo finish equipment has been sourced from NSW and the timing and regatta management system from Chris Grummitt of Queensland. The President of the Jury for this regatta is Steve Hinchy from Queensland and his team of Rowing Australia boat race officials from throughout Australia. RA Competition Manager Michael Eastaughffe from South Australia has again provided much advice and time in ensuring standards are maintained at the regatta.

Whilst this is not a land mark year, this regatta marks the 43rd National Championships and 118th Interstate men's eight oared championship of Australia. It is 131st year since the first Interstate Men's Eight Championship as this event was not raced for 5 years during WWI, 6 years during WWII, a cancellation in 1931 for the Great Depression and a cancellation for a cyclone in 1989 (although an unofficial race was conducted to compensate in that year). Prior to the first inter-colonial eights championships, there were four oared inter-colonial championships from 1863.

The ingenuity of the rowing community was excellent in those early days in creating such formal competitions because at that time there were no Colonial Rowing Associations. The first to be formed was the Victorian Rowing Association in 1876 and we believe this to be the oldest national or colonial rowing association in the world.

The first women's interstate championship appears to have been at the Federation Regatta on Albert Park Lake in 1901. At that race, Cassie Woolly McRitchie from Victoria defeated Elizabeth Messenger from New South Wales in a sculling race. The women then surpassed the men with the formation of the Australian Women's Rowing Council in 1920, five years before the national men's association in 1925.

With these few words, Rowing Victoria welcomes you this great event and another page in the history books of rowing.

MESSAGE FROM THE VICTORIAN MINISTER FOR SPORT, RECREATION AND YOUTH AFFAIRS

On behalf of the Victorian Government, I would like to welcome all competitors and visitors to the 2007 Australian Rowing Championships.

The Championships return to Nagambie Lakes following the successful 2004 event and have once again attracted many Victorian and Interstate visitors, providing the Goulbourn Region with a slice of Victoria's major events.

The recent development of the Nagambie Lakes Regatta Centre as a national standard rowing course has quickly promoted it as a popular national and international training venue, recreational water sports facility and major events venue.

We are particularly pleased to host this event in the lead up to the 2008 Beijing Olympics and are excited at the prospect of emerging new rowing stars. The Championships provide a pleasing reminder of the depth of talent amongst Australia's renowned Olympic and World Championship rowers.

Nagambie Lakes also offers competitors and visitors the opportunity to experience wonderful local wineries, friendly hospitality and the spectacular scenery of the Strathbogie Ranges and Goulburn region.

Acknowledged as Australia's "Events Capital", Melbourne has something for everyone during March, including the 2007 FINA World Swimming Championships, 2007 Formula 1™ ING Australian Grand Prix, 2007 Superbike World Championships, and the Australian International Airshow at Avalon.

I wish all visitors, competitors and officials an exciting 2007 Australian Rowing Championships and an enjoyable stay in the region.

James Merlino MP
Minister for Sport, Recreation and Youth Affairs

MESSAGE FROM THE AUSTRALIAN SPORTS COMMISSION

The Australian Rowing Championships are an important event on the Australian sporting calendar. I wish to take this opportunity to wish all participants the very best for this important week of competition and congratulate Rowing Australia and Rowing Victoria for the work they have done in organising this years event.

The Australian Government is a strong supporter of Australian sport. The Australian Sports Commission is the government body that develops, manages and invests in sport at all levels in Australia.

The Commission funds and works closely with a range of national sporting organisations, state and local governments, schools and community bodies to ensure sport is well run and accessible so that everyone can participate and enjoy the benefits. It also works with these organisations, and through the Australian Institute of Sport and state and territory institutes and academies, to develop elite sporting excellence.

The Commission also works to uphold the integrity of sport through many innovative programs ranging from the promotion of ethical sporting practices, both on and off the field, through to the enforcement of Australia's commitment to keeping sport free of performance-enhancing drugs.

In 2006/07, the Australian Government, through the Australian Sports Commission, has allocated approximately \$6 million to Rowing Australia for the development of the sport and its continued enhancement at the grass-root and elite levels, including through the Institute rowing program. In addition, \$540,000 will be provided to Australian rowers under the Australian Government Sport Training Grant scheme.

In 2006/07, the Commission increased its support for Rowing Australia by over \$800,000 per annum in recognition of the outstanding progress made by Rowing Australia in developing a high performance system built on achieving sustainable results at major benchmarks events such as the Olympics and World Championships. These funds will be spent on ensuring: Australia's elite rowers have access to enhanced international competition opportunities; athletes receive enhanced support; and the sport continues to identify and develop talented young athletes for the future.

The Australian Institute of Sport Rowing program is now an integral part of the preparation for Australia's leading rowers. The creation of the "Breaking the Drought" program, aimed at putting an Australian rower on the victory dais for the single sculls in London in 2012, has provided a significant boost to the sport and greatly enhanced the Institute program.

As we approach the 2008 Olympics in Beijing, the Australian Sports Commission looks forward to maintaining its strong partnership with Rowing Australia.

Mark A Peters
Chief Executive Officer
Australian Sports Commission

MESSAGE FROM THE MAYOR GREGORY CARSON

On behalf of the residents of the Strathbogie shire, I would like to extend a very warm welcome to all competitors, officials, support teams and spectators attending the 2007 Australian Rowing Championships at the Nagambie Lakes Regatta Centre.

Council is delighted to once again welcome the Championships back to our shire. Since hosting our first Australian Championships in 1998, we have consulted extensively with State and National rowing bodies with a view to improving the facilities at the Nagambie Lakes Regatta Centre. We hope you're pleased with the upgraded facilities.

The Nagambie Lakes Regatta Centre can house all competitors' boating facilities as well as catering to individual needs with merchandising and catering facilities on site. Spectators have wonderful vantage points along the 750m peninsula, including the finish line.

The Nagambie Lakes Region offers visitors a host of attractions including some of the country's leading wineries, in Tahbilk Estate and Mitchelton Wines. Enjoy the peaceful tranquility of the Goulburn River or the breathtaking views from the Strathbogie Ranges. Competitors also have access to over 20km of majestic Goulburn River waterways for training purposes.

I wish you a successful race meeting and a safe journey home. We look forward to seeing you in the Nagambie Lakes area again soon.

Best of luck

Gregory Carlson
Mayor of Strathbogie Shire Council

HISTORY OF THE INTER-STATE AND NATIONAL ROWING CHAMPIONSHIPS

Intercolonial Men's Four Racing

Interstate rowing competition in Australia originated in four-oared gigs, the earliest race being held in 1863 on the Parramatta River in New South Wales over a distance of three miles. Crews from New South Wales and Victoria competed with the crew from New South Wales being the victor in a time of 19 minutes 25 seconds. In this race the crews represented their colonies and each bore the name of its colony. The Victorian crew was made up from the Elswick, Melbourne and Melbourne University Clubs. At this time there were many disputes over the amateur status of crews between the colonies, which prevented true intercolonial races taking place on a regular basis. In particular, Victoria alleged that New South Wales crews included crew members who were watermen or oarsmen who had raced for money prizes. It was not until 1870 when another race was conducted of an intercolonial status. This was at the Balmain Regatta. This race included a Tasmanian crew and was won by Sydney Rowing Club. The next race, in Hobart in 1872, was of particular interest due to the inclusion of crews from three colonies NSW, Victoria and Tasmania. The Parramatta crew which finished second included an oarsman who became Australia's first Prime Minister, Edmund Barton. In 1873 and 1874 intercolonial races were again conducted. In 1874, both the Victorian and New South Wales crews represented their colonies. The next intercolonial four oared race was conducted in 1888 when a New Zealand crew competed, and the last was in 1896.

Intercolonial Men's Eights Championships

In October, 1877, the year in which eight-oared boats may be said to have first come

into general use in many of the rowing centres in Australia, a challenge was sent by the Victorian Rowing Association to the Sydney and Mercantile [now Mosman] Clubs in New South Wales. This was taken up with spirit by the last-named club, and the first eight-oared race took place on the 6th March 1878, over about four miles on the Lower Yarra. The NSW crew contained members from both the Sydney and Mercantile Clubs and Victoria was the victor in this contest. This was the first Intercolonial Men's Eight Championship.

This race has become one of the world's famous rowing championships, and has continued annually to this day, except for the two World Wars, one year in the Great Depression and one year where a cyclone disrupted the event. In those early days where distance was such an issue, it is easy to recognize why this annual event was a great event.

Queensland and Tasmania joined the competition in 1885, followed by Western Australia and South Australia in 1897 and 1899 respectively. The records show that up until 1890, New South Wales and Victoria were the principal contestants, with New South Wales recording its first victory at the second meeting in 1879. Following their re-entry to the competition in 1890, Queensland recorded its first win in 1891, followed by Tasmania in 1906, South Australia in 1913 and Western Australia in 1921 at Launceston. The King's Cup trophy for this event was introduced in 1921.

Intercolonial Men's Sculling Championships

The first intercolonial sculling race was between A Nicholls of Victoria and H Freeman of New South Wales in 1868 when Nicholls won the event. Whilst there was a further race in Melbourne in 1873, the first recognized intercolonial race was held in conjunction with the intercolonial eights race in 1892 at the Brisbane regatta. The race

HISTORY OF THE INTER-STATE AND NATIONAL ROWING CHAMPIONSHIPS

was between M J Slack of Queensland and M Lambert of NSW with Slack taking the title. The contest has been conducted with the eights race ever since.

Interstate Women's Fours Championships

The Interstate Challenge race for women commenced in 1912 when a Brisbane Ladies' Rowing Club four representing Queensland defeated the Albert Park Ladies in Melbourne. A return visit by the Victorian representatives in the following year resulted in a second Queensland victory on the Brisbane River by a mere two feet. Despite women's rowing being active well before this time, the first recognized start to interstate competition in fours was on 15th May 1920 on the Hamilton Reach of the Brisbane River following the resumption of competition after WWI. It saw the introduction of one of the most prestigious perpetual rowing trophies, the United Licensed Victuallers Association of Queensland Trophy for the women's four. This regatta was also significant for women's rowing with the formation of the Australian Women's Amateur Rowing Council, some five years prior to the formation of the men's association.

Development of the Interstate Championships

Central control of rowing in Australia became necessary to arrange and coordinate Australian and International competition and assume responsibility for the now well established annual interstate Championships. Following the interstate Regatta at Brisbane on 15th May 1920 the Australian Women's Amateur Rowing Council was formed. The 1st May 1925 heralded the formation of the Australian Amateur Rowing Council. The two Councils conducted their affairs independently until 1976, when amalgamation of both standardisation into the now renamed Australian Rowing Council secured a continuity of control and of regulations, the benefits of which will ensure the future growth and success of the sport, both here and overseas.

The Second World War again interrupted the Interstate Rowing Championships. There was no men's competition between the years 1940 and 1945, and women's races were curtailed between 1942 and 1948. On resumption, the need for Australian representation at international meetings became more evident, and the addition of test races in other classes of boats became a regular feature at the interstate regattas.

The introduction of additional events to Interstate Championship status has provided annual competition for other classes of competitors, and we commend the foresight of the Rowing Councils in legislating for the inclusion of the Men's Lightweight Four in 1958, the Women's Single Scull in 1963, the Women's Lightweight Four in 1968, the Men's Youth Eight in 1974 and finally the Women's Youth Four in 1988. The addition of Championships for Pairs and Double Sculls in 1953 failed due to lack of interest, and in 1955 the events were withdrawn.

In 1962 the Council made provision for the National Regatta to be conducted bi-annually over 2000 metres to provide small boat competition regularly, thereby facilitating the selection of Australian representative crews for international competition and substantially reducing the need for test races. The first regatta programme comprised National Championship events for four with cox, four without cox, pair with cox, pair without cox, double scull, lightweight eight, lightweight pair with cox, and lightweight single scull. The development of the regatta witnessed the inclusion of additional classes of oarsmen along with schoolboy representatives, and since 1974 has been held annually in conjunction with the Interstate Championships. Resulting from the amalgamation of the National Councils in 1976, the combined National and Interstate Championship regatta now comprises a full programme for both men's and women's sculling and rowing races in all classifications.

NAGAMBIE LAKES REGATTA CENTRE

Background—Rowing in Nagambie

The Goulburn Weir just north of Nagambie was constructed in 1891 and the backup of water behind the weir created Lake Nagambie.

The reservoir behind Goulburn Weir forms part of an extensive water storage and irrigation system administered in Tatura by Goulburn Murray Water.

The Goulburn Weir is an integral part of a complex and widespread irrigation system in the Goulburn River Valley, the water level in Lake Nagambie is constant throughout the year. The full supply level is 124 metres above sea level. The Weir is over 10 kilometres north of the area used for rowing, thereby no river flow or current is generated on or around the rowing course.

Within two years of the creation of Lake Nagambie, rowing was developed as a regular sport and a rowing regatta was held at Nagambie in 1894. The Nagambie Rowing Club was created in 1893 and won its first senior premiership as early as 1919 and gained its first representative in the King's Cup in 1934.

An undoubted highlight for the Club came in 1964 when Nagambie rowers Neil Lodding and Bruce Richardson with coxswain Wayne Gammon were selected to represent Australia in the men's coxed pair at the Tokyo Olympics.

The current Nagambie clubrooms were opened on the 26th December 1980 and the club remains an integral part of the local community and of rowing in Victoria. The Nagambie Rowing Club is proud of its association with the Australian Rowing Championships.

Development of the Rowing Course

Members of the Rowing Club, Goulburn Murray Water and the predecessors to the Shire of Strathbogie accelerated discussion towards the development of a 2000 metre rowing course in 1992-93. In 1994 advice and support was sought and received from representatives of the Victorian Rowing Association and the then Australian Rowing Council.

In July 1995, the Australian Rowing Council allocated the 1998 Australian Rowing Championships and King's Cup Regatta to Lake Nagambie and soon after a joint funding commitment was made by the Department of Sport and Recreation (Vic.) and the Shire of Strathbogie.

Phase One of the construction commenced on the 14th May 1996. It was agreed that the dimensions of the course would be 2150 metres in length, 108 metres in width and with up to 8 lanes for competition and a 'returning' lane. Whilst rowing has been the principal catalyst for the creation of the facility, it now accommodates national standard canoeing.

About 160,000 cubic metres of earth was dug and relocated to reclaimed areas to provide a peninsula upon which is located, on the northern side, competitor and spectator facilities.

In a partnership arrangement between Goulburn Murray Water and the Shire of Strathbogie, former Rowing Australia CEO, David Schier, was seconded to oversee the completion of phase one and all stages of phase two of the development.

NAGAMBIE LAKES REGATTA CENTRE

Construction continues into 1997, allowed for an extension of the peninsula to 900 metres and the creation of a power boat launching area to assist water-skiers access the northern section of the lake when rowing regattas are not held. The foreshore development was also designed to accommodate the particular interests of adaptive rowers.

The completion of phase two works provided the facility with a fully buoyed course, fixed starting installation; provision of all essential services (water, power, waste, telephone, timing, public address, internal roads, irrigation, signage, security fencing), permanent boat shed with competitor amenities and an all encompassing regatta headquarters and judges rooms.

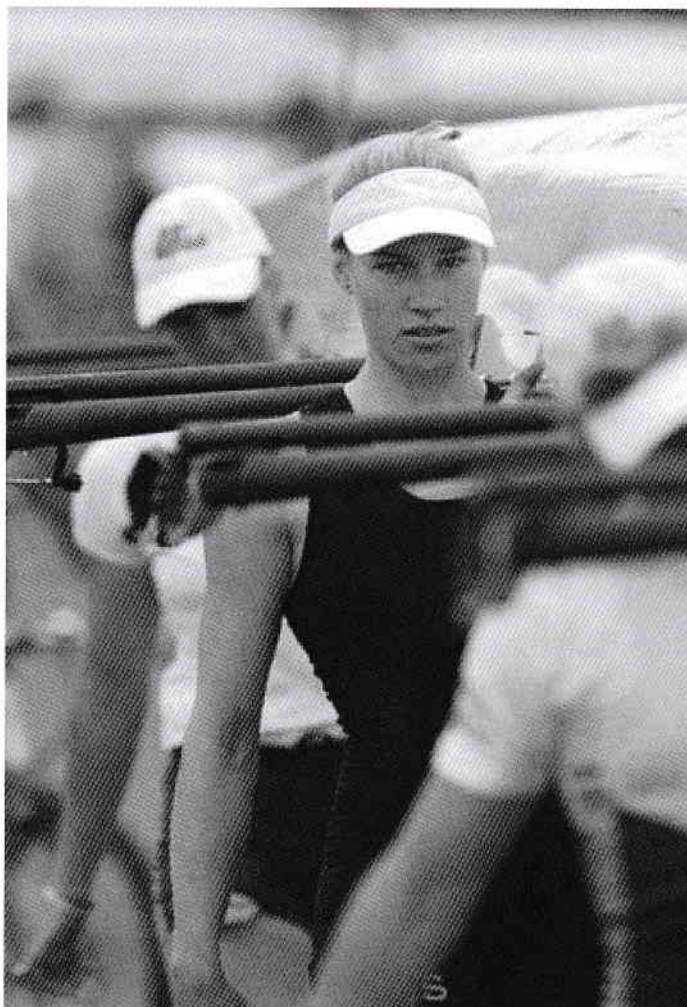

The course was officially opened on the 7th March 1998, by a long time advocate and supporter of the development, the then Deputy Premier of Victoria, Patrick McNamara, M.P.

A week later the Tattersalls Regatta Headquarters was opened. It contains a multi-purpose ground floor room, kiosk, toilets, regatta administration office, course commentators room, an office and a room for judges and photo-finish camera operations.

Since the official opening in 1998, the course and facilities were managed by the Nagambie Lakes Authority. In 2001, the Shire of Strathbogie, with the continued support of Goulburn Murray Water,

assumed the responsibility for the facilities day to day management and have continued to develop and improve the centre's facilities, attracting an impressive array of major rowing and canoeing regatta's.

Despite state-wide drought conditions over the last few years, the Nagambie Lakes Regatta Centre has continued to provide a fully operational facility and a constant water level for training camps and regattas. During 2004 the centre has played host to 10 rowing and canoeing regattas, including State & National Championships, and more than 20 training camps.

NOTICE TO COMPETITORS

Competitors Briefing

A meeting of managers, competitors, coaches, and boat race officials will take place at 3.30pm Sunday 4th March 2007 in the catering marquee. The school briefing will take place at 12.00pm on Friday 9th March at the catering marquee.

Lightweight and Coxswain Weighing

- Scales will be available for check weighing from 8.00am Sunday 4th March 2007.
- Official weighing for lightweights will be conducted according to the Rules of RA. Lightweight rowers shall be weighed in racing uniform by a person duly appointed by the Organizing Committee conducting the regatta not less than one hour and not more than two hours before the starting time appearing in the program for their first race on each day of racing.
- If a rower has races in other events on a day of racing, the weight recorded for the first event may be applied to qualify for subsequent events.
- Rowers may re-weigh after their weigh-in for their first event on a day of racing within the time limits applicable to that event. This weight may also be carried forward for any other races in which the rower competes on that day of racing.
- Coxswains found underweight will be referred to the Jury. Crews could be disqualified if they are found to have competed with an underweight coxswain.
- Official weighing for Coxswains shall be conducted according to the Rules of RA. Coxswains shall be weighed not more than twenty four hours and not less than one hour before the advertised starting time of their first race of that regatta and shall be weighed in racing uniform.
- Coxswains of men's crew will have a minimum weight of 55 kilograms.
- Coxswains of women's, schoolboys, schoolgirls, and all U17 and U19 crews will be a minimum weight of 50 kilograms.

Boat Weighing

- All boats are to be weighed and checked for the appropriate safety equipment prior to their first race.
- Crew/scullers rowing in boats that have not been weighed will be placed last in their race.
- All safety equipment, particularly shoe release, heel ties and bow ball, must be correctly fitted and functioning when boats are presented for weighing or boats will not be weighed. Control Commission will be monitoring all boats that are launching for competition and will not allow any boats on the water that do not comply with the appropriate safety equipment rules.
- Heel tie downs must limit the heel of fitted shoes to be raised no higher than 60mm above the heel of the foot stretcher.
- Official boat weighing will be available from 4th March 8.00am and from one hour prior to the first race of each competition day.
- Crews and Scullers racing in underweight boats will be disqualified.
- All boats shall be weighed with fittings essential to their use and in particular with riggers, stretchers and slides but without oars or sound amplification equipment and loudspeakers.

Minimum Boat Weights:

Boat	1x	2x	2-	4x	4x+	4+	4-	8+
Wt (kg)	14	27	27	52	54	51	50	86

Bow Numbers

- All competing boats are required to display an official bow number (colour coded) on the bow of the boat, representing the allocated lane number for that race.
- Lane numbers will be supplied by the Regatta Officials in the boat shed (see site map) for a deposit of \$10. This must be returned immediately upon return of each boat to the launching area for deposit refund.

NOTICE TO COMPETITORS

Boat Trailers

- Volunteer trailer marshals will be on hand to direct trailers on arrival. Vehicles must be removed from the boat park once the trailer is unhooked.

Ceremonies

- First, second and third placed crews and scullers in the finals are to proceed to the Victory Dais for presentation of trophies and medallions immediately after the race.

Racing Code

- The 2004 Australian Rowing Championships and Interstate Regatta is conducted under the Rules and Racing Code of Rowing Australia Inc.
- Managers, coaches and athletes should make themselves familiar with the rules of racing.

False Start

- If a crew/sculler starts too soon, the starter stops the race by ringing a bell and then waving a red flag or alternatively an intermittent audible sound with flashing lights will be used. In the case of a false start the Starter warns the offending crew(s) / sculler (s).
- A crew causing two false starts shall be excluded from the race.

Equipment Damage

- If a crew while still in the first 100 metres of the race indicates that it has suffered damage to its boat or equipment, the Starter or Umpire stops the race.
- The signal by an Umpire to stop the race shall be by ringing a bell and waving a red flag.

Umpire's Direction

- The Umpire may not steer a crew/sculler unless there is an obstacle in its lane.
- If a crew/sculler is about to impede another by its wash or by leaving its lane, the Umpire raises a white flag and calls the crew/sculler at fault, indicating the required change of direction by lowering the flag to one side.
- If a crew/sculler is about to cause a collision, the Umpire may call its attention by raising the white flag and stop it by giving the command 'STOP'.
- Crews/scullers interfering with their opponents may be excluded from the race.

Finish

- The Judges at the finish shall indicate the crossing of the line by each crew in the race by sounding signal.

Rules

The following reminders/highlights from the rules are essential. For the complete rules, see the link: http://www.rowingaustralia.com.au/docs/rowing_australia_rules_2006_edition.pdf

Notice to Competitors and Coaches

A copy of the Rowing Australia Rules and Laws of Boat Racing is available for viewing at the Regatta Secretary's office.

BOAT TRAFFIC RULES

Procedures for Boat Launching

- Launching area is from the beach directly in front of the boat racks on the southern side of the Furlong Cove
- Proceed west along the line of buoys at Furlong Cove, around the end of the buoys, then towards the start keeping the line of buoys on the rowers' left

Boat Traffic Rules During Competition Periods

- The 'warm up' area, north of the course, is a busy area. Crews must move in an anti-clockwise direction. Traffic traveling towards the start from launch area will follow the line of buoys towards the start and warm-up area; note the 'wreck' which is marked by hazard buoys
- The area adjacent to the starting pontoon in front of Nagambie Rowing Club should not be used for warm-up
- At the completion of races, crews must proceed along the transit lane between lane 1 and the spectator area
- For medal winning crews, the presentations will be directly after the race and the victory dais is in front of the spectator area
- Once crews proceed into the start area they cannot return to the 'warm up' area
- Crew wanting to warm up may proceed to the 'warm up' area as if going to the start and return along the northern side of the course

- Once the previous race has cleared the 100m zone, the crews for the next race can move into their lanes at the direction of the starter
- Crews may practice in their own lane before the start of their race between the start and the 500m mark provided there is adequate time before the start and provided they obtain approval from the starter
- Any competitor arriving at the starting pontoon less than two minutes before the starting time may be awarded a false start
- Crews preparing for a race shall have absolute priority of launching areas over crews proceeding out for a training row

Boat Traffic Rules During Training Periods

- On competition days the course will be closed for training from 1 hour prior to the starting time for the first event
- During training periods the southern side of the course including lanes 5 to 8 will be for traffic moving towards the finish. The northern side of the course including lanes 1 and 2 will be for traffic moving towards the start line or boat rack area. Lane 3 and 4 are no row zones
- All rowing within the lanes on the course will be non-stop for 2000 metres. Crews practicing starts or intending to stop along the length must train off course

BOAT TRAFFIC RULES

- Crews must turn beyond the finish line around the turning buoy
- Crossing the course will only be permitted in the area 100 metres from the starting platform
- Crews training must not 'pace' any race in progress

All these traffic rules and rules of rowing are to protect and ensure the safety of all competitors. Any directions from marshals or safety boats must be obeyed and crews disobeying these directions will be referred to the Umpires' Jury for an appropriate penalty.

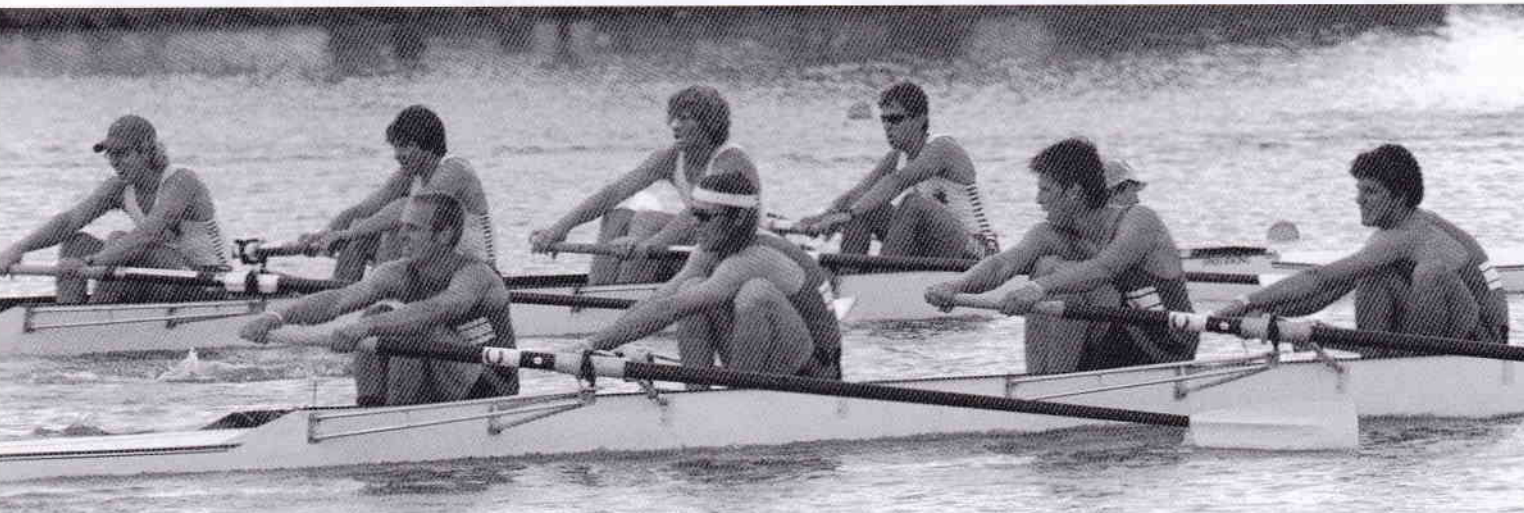

Adaptive Rowing Training

The Organising Committee requests that all team managers, coaches and athletes show understanding, consideration and care for adaptive rowers during training periods.

Adaptive rowers will be easily identified on water due to the specialised rowing craft and will be supervised during their training periods.

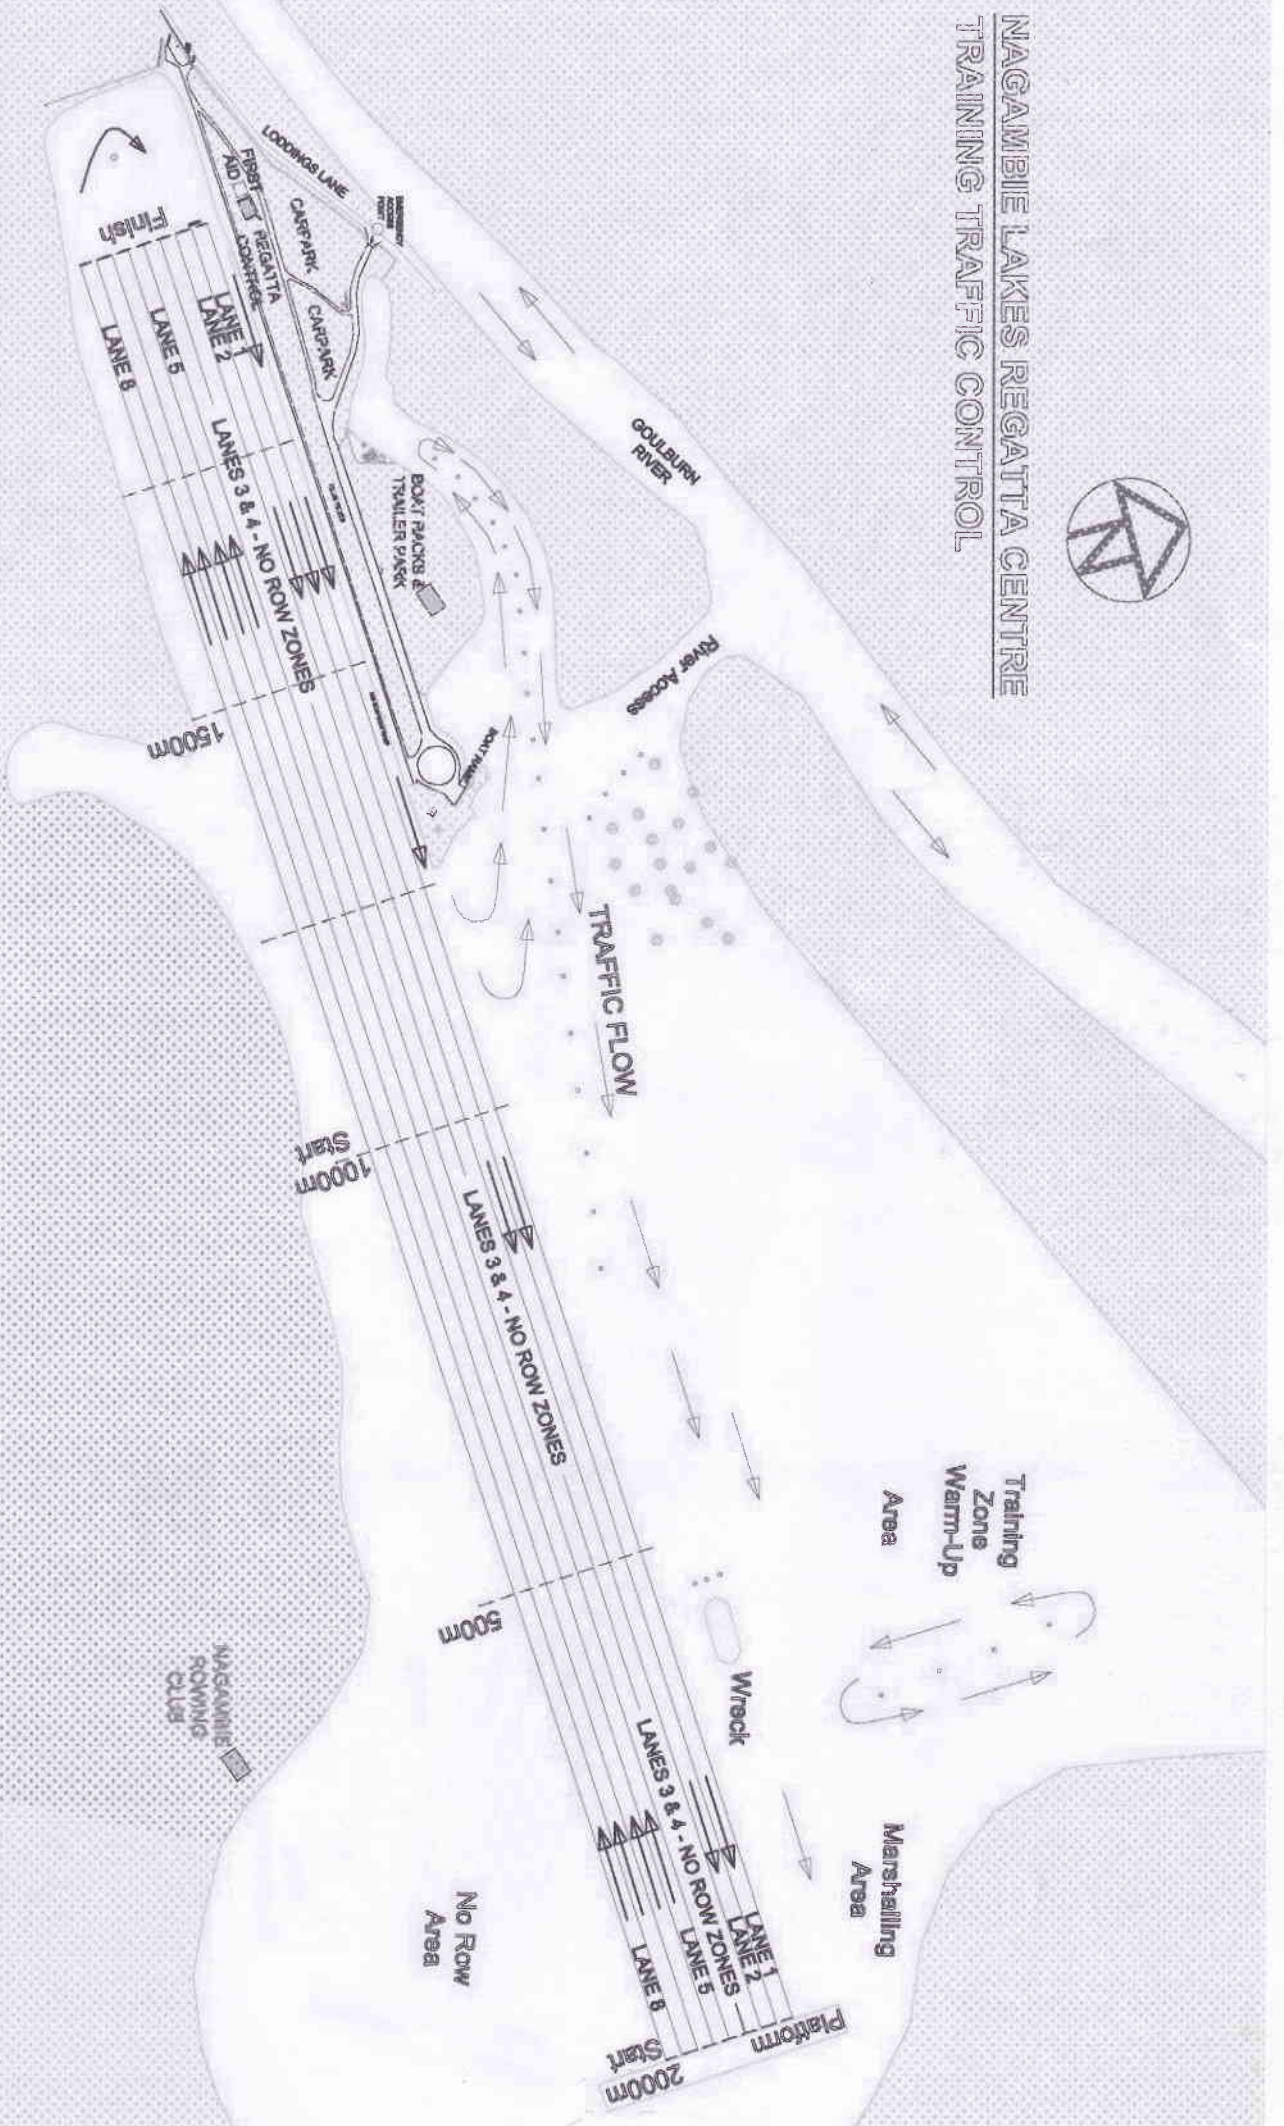

Power Boat Usage

- The course and lake shall be closed to all power boats except official craft
- Rowing training accompanied by a power boat may be undertaken on the Goulburn River upstream of the Scour. The river is entered through the Scour adjacent to the boat launching lagoon

NAGAMBIE LAKES REGATTA CENTRE COMPETITION TRAFFIC CONTROL

THE WAY TO THE FINALS

6 LANE REPECHAGE SYSTEM

1-6 Entries

All crews go directly to Final

7-8 Entries

Two heats, one repechage and no semi-finals.
The winner of each heat goes forward to the final, the remainder go forward to the repechage.
The first four crews in the repechage go forward to the final.

9-12 Entries

Two heats, two repechages and no semi-finals.
The winner of each heat goes forward to the final.

13-15 Entries

Three heats, one repechage and two semi-finals.
The first three crews of each heat go forward to the semi-finals.
The first three crews in each semi-final go forward to the final.

16-18 Entries

3 heats, two repechages, two semi-finals.
The winner of each heat goes forward to the semi-finals, the remainder go forward to the repechages.
The first three crews of each repechage go forward to the semi-finals.
The first three crews of each semi-final go to the final.

19-20 Entries

Four heats, two repechages, two semi-finals.
The winner of each heat goes forward to the semi-finals, the remainder go forward to the repechages.
The first two crews of each repechage go forward to the semi-finals. The first three crews of each semi-final go forward to the final.

21-24 Entries

Four heats, four repechages, two semi-finals.
The winner of each heat goes forward to the semi-finals, the remainder go forward to the repechages.

The first two crews of each repechage go forward to the semi-finals. The first three crews of each semi-final go forward to the final.

25-30 Entries

Six heats, three repechages, three semi-finals.
The first two of each heat goes forward to the semi-finals, the remainder go forward to the repechages.

The first two crews of each repechage go forward to the semi-finals. The first two crews of each semi-final go forward to the final.

31-36 Entries

Six heats, six repechages, three semi-finals.
The winner of each heat goes forward to the semi-finals, the remainder go forward to the repechages.

The first two crews of each repechage go forward to the semi-finals. The first two crews of each semi-final go forward to the final.

37-54 Entries

Nine heats, nine repechages, three semi-finals.
The winner of each heat goes forward to the semi-finals, the remainder go forward to the repechages.

The winner of each repechage goes forward to the semi-finals. The first two crews of each semi-final go forward to the final.

EVENT DESCRIPTION AND ELIGIBILITY CRITERIA

STATUS OF COMPETITORS

OPEN: All rowers shall be eligible to compete in an Open category in the appropriate division.

UNDER 23: rower ceases to be Under 23 on 31 December of the year in which he or she reaches the age of 22 years. After that date the rower is classified as a Senior A.

YOUTH (Under 21): A rower ceases to be a Youth on 31st December of the year in which he/she reaches the age of 20 years. This definition also applies to the coxswains of a Youth crew.

UNDER 19: A rower ceases to be Under 19 on 31st December of the year in which he/she reaches the age of 18 years. This definition also applies to the coxswains of an Under 19 crew.

SCHOOL: A rower who is attending secondary school as a full-time student shall be eligible to compete in the School category. This definition also applies to the coxswains of a School crew.

UNDER 17: A rower ceases to be Under 17 on 31st December of the year in which he/she reaches the age of 16 years. This definition also applies to the coxswains of an Under 17 crew.

LIGHTWEIGHT: Lightweight races are restricted to male rowers weighing 72.5 kilograms or less and female rowers weighing 59 kilograms or less in the case of single sculling races.

The average weight of a men's crew (excluding coxswain) shall not exceed 70 kilograms, with no individual oarsman weighing more than 72.5 kilograms.

The average weight of a women's crew (excluding coxswain) shall not exceed 57

kilograms, with no individual oarswomen weighing more than 59 kilograms.

ADAPTIVE COMPETITORS

Event: AD-M-F1X-1A (Men) and AD-W-F1X-1A (Women)

Description: An adaptive fixed seat single scull raced over 500 metres.

This event to be rowed with pontoons.

To be eligible for the event an athlete must not be able to have use of their legs for the purposes of rowing.

If there are sufficient entries there will be separate divisions for athletes with and without body swing. If insufficient entries for a separate Division the competitor with the body swing would be strapped to prevent body swing and enable fairer competition.

A competitor in event AD-M-F1X-1A or AD-W-F1X-1A is ineligible to compete in events AD-M-S1X-1B, AD-W-S1X-1B, AD-M-C1X-2B, AD-W-C1X-2B, AD-M-C2X-3, AD-W-C2X-3, AD-MG-C4+.

Separate men and women's divisions will be held if there are sufficient entries to make a race.

Event: AD-M-S1X-1B (Men) and AD-W-S1X-1B (Women)

Description: An adaptive sliding seat single scull raced over 500 metres.

EVENT DESCRIPTION AND ELIGIBILITY CRITERIA

This event to be rowed with pontoons unless all competitors are able to row without pontoons.

The event is for a competitor who has the use of their legs, but is unable to compete over 1000 metres.

A competitor in event AD-M-S1X-1B or AD-W-S1X-1B is ineligible to compete in events AD-M-F1X-1A, AD-W-F1X-1A, AD-M-C1X-2B, AD-W-C1X-2B.

Separate men and women's' divisions will be held if there are sufficient entries to make a race.

Event: AD-M-C1X-2B (Men) and AD-W-C1X-2B (Women)

Description: A conventional single scull raced over 1000 metres.

This event to be rowed in a conventional single scull.

A competitor in Event AD-M/F-C1X-2B is ineligible to compete in events AD-M-F1X-1A or AD-W-F1X-1A, AD-M-S1X-1B and AD-W-S1X-1B.

Separate men and women's' divisions will be held if there are sufficient entries to make a race.

Event: AD-M-C2X-3 (Men) and AD-W-C2X-3 (Women)

Description: A conventional double scull raced over 1000 metres.

The athlete with a disability must row in the stroke position.

The athlete in the bow position must be an eligible Masters rower, minimum age 27, who has not competed in state and national regattas at elite level for at least 12 months.

Separate men and women's' divisions will be held if there are sufficient entries to make a race.

Event: AD- MG-C4+

Description: A conventional stern coxed four raced over 1000 meters.

Athletes with use of their legs, trunk and arms (4+LTA in FISA Classifications)

Athlete disability to be one of the following:

Blind: 10% of vision (B3); obligatory use of blind mask according to the International Blind Sports Association (IBSA) classes

Amputee a) one single foot amputation
 b) 3 fingers hand amputee

Neurological impairment: causing loss of ankle flexion and extension

Cerebral palsy: CP8 (Cerebral Palsy International Sport and Recreation Association (CP-ISRA) classes

Intellectual impairment: International Sports Federation for Person with an Intellectual Disability (INAS) criteria

IN FOR THE LONG HAUL

CELEBRATING
40
Years

SYKES RACING

For 40 years, Sykes Racing has partnered champions with responsive development, revolutionary design and excellence in manufacturing. We've shared the vision and lived the dream. Our passion for rowing has kept us always striving for a higher order of performance, pushing to the head of the race. And that's where we plan to stay. Forty years is just the beginning... we're here for the long haul.

Take time at Nationals to help keep Australia at the forefront of rowing science

The AIS is seeking the participation of competitors at the 2007 Nationals in a world-first project involving use of laser scanning technology to produce 3D body images. Various physical dimensions will be measured from the images and an examination will be made of their relationship to regatta results. This will allow unprecedented evaluation of current approaches to talent identification.

The testing procedure takes ~30 minutes (including ~1 minute for the actual scan). It is completely safe. The scan is performed with athletes in tight-fitting clothing, and a computer then creates a 'digital statue' (see picture). All volunteers will receive a CD showing their own 3D image.

Where: The 3D scanner will be set up in a convenient location at the Nagambie Lakes Regatta Centre

When: 4 to 11 March 2007

For the project to succeed, we will need to obtain measurements on all or nearly all competitors in some events. There will be a major focus on sculling events, but athletes from all boat categories and age groups are encouraged to take part.

For further information and registration visit

http://www.ais.org.au/rowing/Anthrop_study.asp or contact:

Julie Hill

Tel: (08) 8234-2495

Mob: 0429 864 520

Email: julie.hill@ausport.gov.au

While advance bookings are preferred, appointments can also be made during the regatta by ringing the above mobile number or visiting the testing area.

TROPHY HISTORY

Carlton & United Breweries Plate Women's Coxless Pair

The women's pair oared championship is raced for the Carlton & United Brewing Plate, which was first presented in 1968. The names of past winners are engraved on the reverse of the trophy.

Ted Bromley Memorial Trophy Men's Coxless Pair

The Ted Bromley Memorial Trophy was first presented in 2006 in honour of the Late Ted Bromley who pioneered men's coxless pair oared racing in Australia. He also did much to promote pair oared rowing in all divisions through the establishment of the E R Bromley Trust. The Trust provides substantial funds to Australian representative pair oared crews. Ted was a fine oarsman who represented Australia in the pair in the 1948 Olympic Games in London.

The Bromley trophy is a bronze statue of Australia's most successful pair oared rower, James Tomkins. James was of course Olympic Champion in the pair at the Athens Games in 2006. Prior to that, James was a World Champion in the coxless pair in both 1999 and 2003.

Herald & Weekly Times Ltd Cup Women's Lightweight Single Scull

This trophy was presented by the Herald & Weekly Times Ltd to the Australian Women's Rowing Council in 1968.

Thomas Keller Memorial Trophy Men's Under 19 Single Scull

Thomas Keller Memorial Trophy was presented by the Tasmanian Rowing Council to Australian Amateur Rowing Council in 1990 for the Men's Championships Junior Scull. The trophy is

presented by the most senior FISA representative at the event.

Tim Hawkins Memorial Trophy Men's Under 19 Double Scull

The Tim Hawkins Memorial Trophy was presented in 2003 by the family of Tim Hawkins in his memory. Tim tragically died at the age of 28 by a terrorist bomb in Bali on 12 October 2002.

Lucerne Cup Men's Lightweight Four

This trophy was presented to Rowing Australia by the first Australian Lightweight Four of:

Str: Campbell Johnston
3: Andrew Michelmore
2: Geoff Rees
Bow: Colin Smith
Cch: Peter Philp

Gold medallists at the first FISA Lightweight Four Championships at Lucerne Switzerland in 1974.

The trophy was first presented in 1975.

Bob Aitken Memorial Trophy Men's Coxless Four

This trophy was first presented in 2006 to recognise Rowing Australia's first life member and inaugural elected President of Rowing Australia.

Bob Aitken had a distinguished and successful rowing career as an oarsman, coach, selector and administrator and made a significant contribution to the sport in all these areas.

TROPHY HISTORY

Herald & Weekly Times Trophy Women's Coxless Four

This trophy was first presented in 1968 for the Women's Junior Four Championship. This was not an Under 19 event, but a non-senior event.

It then became the senior four event championship trophy in 1977.

The women's four was raced as a coxed four until 1987.

Florence Eaton Trophy Women's Eight

This trophy was first presented in 1978 by Florence Eaton, the then President of the Australian Amateur Women's Rowing Council.

The Sydney Cup Schoolgirl Eight

Donated to Rowing Australia by the NSW Government, the Sydney Cup was first presented in 2005 by the NSW Minister for Women, The Hon. Ms Sandra Nori. The trophy was engraved with all previous winners since the event's inclusion in Australian Rowing Championships in 1994.

Barrington Cup Schoolboy Eight

The Barrington Cup was donated by the Tasmanian Rowing Council to the Australian Rowing Council in 1984 to commemorate the first National Championship Regatta at Lake Barrington International rowing course.

The Bob Blake Perpetual Shield Aggregate Points Scored by Adaptive Rowers for Their State

The shield was donated by 'Freedom on the River' the Western Australian disabled rowing group and contested for the first time in 2001.

It is awarded to the State earning the most points overall in the adaptive rowing events at the Australian Rowing Championships.

The shield is named for Bob Blake who has worked for disabled rowing nationally as well as in his home state of Tasmania since 1989. Bob's contribution and commitment to disabled rowing is immense.

Nell Slatter Trophy Interstate Women's Single Scull

Dating back to 1901 at the Great Federation Regatta staged on Albert Park Lake, Cassie Woolly McRitchie representing Victoria and using a skiff loaned to her by the then Governor of Victoria, Lord Brassey, defeated her challenger from Sydney, Elizabeth Messenger, and was presented with a magnificent pearl and ruby bracelet by the Duke of Gloucester. So great was the public interest in the female scullers that police were required to keep the inquisitive spectators at bay.

Cassie McRitchie is justifiably known as the "mother" of Victorian women's rowing. In 1973 at the great age of 96, she passed away and will for all time be remembered as the founder of the first all women's rowing club at Albert Park in 1907.

First introduced in 1963 at Brisbane, the Women's Interstate Single Sculling Championship has continued as an annual event. The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association to be the perpetual trophy for the Championship as a tribute to the then President Nell Slatter.

Presidents Cup Interstate Men's Single Scull

Following the formation of the Australian Amateur Rowing Council in 1925, the first President Mr EC Watchorn, a trustee of the

TROPHY HISTORY

Sweep Consultations, donated the President's Cup as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

First competed for in 1926 and won by the Late A A Baynes of Queensland, some famous Australian Olympians have been the holders of this trophy.

Victoria Cup Interstate Women's Lightweight Quad Scull

The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The victory was recorded by Victoria with a crew stroked by one of Australia's best known oarswomen, Margaret Agnew Mackenzie, whose efforts in negotiating with the Women's Rowing Council, secured lightweight rowing as an annual event on the women's Interstate rowing programme.

The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event.

Lightweight women have recorded many international victories, the first being at the inaugural competition between the United States of America, Canada and Australia at St. Catharines, Canada, in 1979, when Australia was successful in the two events for which crews were entered — Lightweight Four with Cox and Lightweight Pair.

From 1996, the event became coxless. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of a women's lightweight double sculling event.

Penrith Cup Interstate Men's Lightweight Four

The Interstate Lightweight Four Championship

was introduced in 1958 after a long history of lightweight rowing within Australia.

The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted. The strength and depth of Australian lightweights was shown by a gold medal at the 1974 FISA Championships in the fours and the considerable success achieved by Australian lightweights ever since that time. The quality of winning crews of the Penrith Cup is consistently very high.

Bicentenary Cup Interstate Women's Youth Eight

A women's youth event was commenced in 1988 in coxed fours. The event became an eight oared event in 1994 due the continued growth in women's rowing and the need to provide more opportunities for these athletes. The Cup was presented by the New South Wales Rowing Association and has the following words engraved on the Cup: *For competition between Women's Interstate Women's Fours.*

Noel F. Wilkinson Trophy Interstate Men's Youth Eight

Recognising the necessity to introduce a class of rowing in which Australian youth oarsmen could compete, the Australian Rowing Council initiated the Interstate Youth Eight-Oared Championships at an age limit some 18 months older than the internationally accepted junior age limit.

The first Championship was conducted in Victoria in 1974, and in that same year, the Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event.

The Youth Championships, combined with the junior events conducted in other boat classes at the National Championships, fulfils the original purpose of Council and the donor, namely to provide an incentive for young oarsmen to continue in the sport following completion of their secondary school education and a development step to higher classifications.

Queen Elizabeth II Trophy, formerly known as the ULVA Trophy Interstate Women's Eight

The 1920 Interstate Women's Four Championship was won by South Australia represented by a Mannum Rowing Club crew stroked by Dorothy Arnold. The United Licensed Victuallers Association (ULVA) of Queensland presented to the Australian Women's Rowing Council this unique sterling silver trophy. The trophy was crafted by London silversmiths to depict Dorothy Arnold, the petite girl from Mannum who stroked the winning crew. She is holding her oar and dressed in the rowing garb of her time, namely a floppy hat, sailor top and billowing bloomers. The trophy is inscribed with the following words: Interstate Ladies Four-Oared Championship Trophy Presented by Queensland Licensed Victuallers Association E H Ruddle Esq. President 1920.

The trophy is affectionately known to Australian oarswomen as Bertha. However in 1941, on the motion of NSW, the Australian Womens Rowing Council resolved to drop the name Bertha and that it be officially known as the ULVA Trophy. This change occurred only officially with the name Bertha still used by oarswomen.

In 1958, there was a brief discussion at the Australian Womens Rowing Council about the outmoded appearance of the trophy. Fortunately the majority of members disapproved of any alteration to modernise the dress of the model of the trophy.

The Queen Elizabeth II Cup designation was sought and secured by the Brisbane Boys College to commemorate their success in the 1993 Henley Royal Regatta in the Schoolboys Eight race. The Queen originally supported the designation of the Cup for an International Schoolboys Eight Race to be conducted annually in Australia, however the Rowing Australia Board, and Council, considered the best use of this type of 'designation' was to 'match' the Queen's Cup in status with the King's Cup.

In 2003, the trophy became officially known as the Queen Elizabeth II Trophy.

The Kings Cup Interstate Men's Eight

First won in 1919 at the Henley-on-Thames Regatta held on 2nd to 4th July of that year, this handsome trophy, a substitution for the Grand Challenge Cup race for that year, was presented by His Majesty King George V to the successful AIF No 1 crew which, along with seven others, contested the eight-oared race for competition between crews from the armies of the Allies in the 1914 -18 War.

The successful crew comprising Sgt A A Robb, Derwent Rowing Club (Tas), 11 st 10 lb, Bow; Lieut F A House, Derwent Rowing Club (Tas), 11 st 12 lb, 2; Lieut T McGill, Leichhardt Rowing Club (NSW), 12 st 10 lb, 3; Gunner A V Scott, Murray Bridge Rowing Club (SA), 13 st, 4; Lieut H Hauenstein, MM Leichhardt & Balmain Rowing Clubs (NSW), 13 st 9 lb, 5; Major S A Middleton, DSO, Glebe & Sydney Rowing Clubs (NSW), 13 st 6 lb, 6; Gunner G W Nettam, West Australian Rowing Club (WA), 11 st 12 lb, 7; Captain H C Disher, Melbourne University Boat Club (Vic), 11 st 1 lb, Stroke; Sgt A E Smedley, Sydney Rowing Club (NSW), 8 st

TROPHY HISTORY

1 lb, Cox; defeated the AIF No 2 crew in the first heat, Cambridge University in the semi-final and Oxford University in the final by a margin of one length in a time of 7 minutes 7 seconds, the other competitors being Canada, France, New Zealand and United States

The famous trophy was left in the custody of the Australian Military Authorities, and was later handed over to the Australian War Memorial Council and placed in the Australian War Museum.

On 14th May, 1920, at a conference of delegates of the Australian Rowing Associations held in Brisbane, it was decided to ask the Australian War Memorial Council for the Cup as a perpetual trophy for the Australian Eight-Oared Championship. This request was refused, and on 12th October of the same year a further request was made by the Victorian Rowing Association for the Cup with the suggestion that it be kept in the Australian War Museum of the State which won the race each year. This request was also refused.

The second refusal precipitated further action by the Victorian Rowing Association, and a petition to the King prepared by it dated 30th October 1920, and signed by Captain H C Disher, was sent to his Majesty with the request that he make known his wishes with regard to the disposal of the trophy.

A reply dated 13th May 1921 received from the Secretary of State for the Colonies, Mr Winston Churchill, stated that, 'His Majesty commands me to inform you that it is his wish that the Cup should be used as a permanent trophy and be competed for annually in the Interstate Eight-oared Race of Australia'.

The first Interstate Men's Eights Championship raced for the King's Cup was in 1922. However for the record, the sport and the trophy itself have recorded that crews raced for the Cup from 1920.

Rowing Australia Cup Aggregate Points Scored by State in the Interstate Regatta

This trophy was presented to Rowing Australia in 1999 by its then principal sponsor Zurich Financial Services for presentation to the State with the highest points scored from racing in each Interstate Championship.

The cup itself is one of only 500 in the world that were made from the sands collected by Olympians from every Olympic country in the world.

The cup is presented after the last Interstate Championship each year to the Councillor of the winning State.

Breaking the Drought

ROWERS

The Australian Institute of Sport and Rowing Australia are seeking:

- Current schoolboy and schoolgirl rowers leaving school in 2007
- Former schoolboy and schoolgirl rowers who left school in 2007

As you may be aware the Australian Institute of Sport (AIS) in partnership with Rowing Australia and the various State Associations recently launched an exciting initiative to unearth future rowing champions. This initiative called "Breaking the Drought" is complementary to and fully integrated with the existing individual State Development Programs and is aimed at helping Australia to win Olympic and World Championship medals in the heavyweight single sculling events by 2012, overcoming a dearth that has persisted for more than 50 years.

To achieve this, we are asking for nominations for the most talented school leavers and provide them with unprecedented opportunities to become internationally competitive scullers. This includes a two-year residential development scholarship at the AIS (commencing 2008) and a guaranteed opportunity to compete in overseas regattas.

If you are interested in applying:

- You must be at least 195cm (for men) and 175cm (for women) with the genuine potential to become an international champion.
- You must be willing to make a substantial commitment, and be prepared for hard work.

For nomination forms or further information regarding this project come talk to us at our information stall, contact your State Development Officers, Rowing Australia, Andrew Douglas at the AIS via andrew.douglas@ausport.gov.au, or alternately visit our website at http://www.ais.org.au/talent/rowing/breaking_drought.asp
