

# 2009 Hydro Tasmania AUSTRALIAN ROWING CHAMPIONSHIPS

& INTERSTATE REGATTA

**ROWING**  
*Australia*

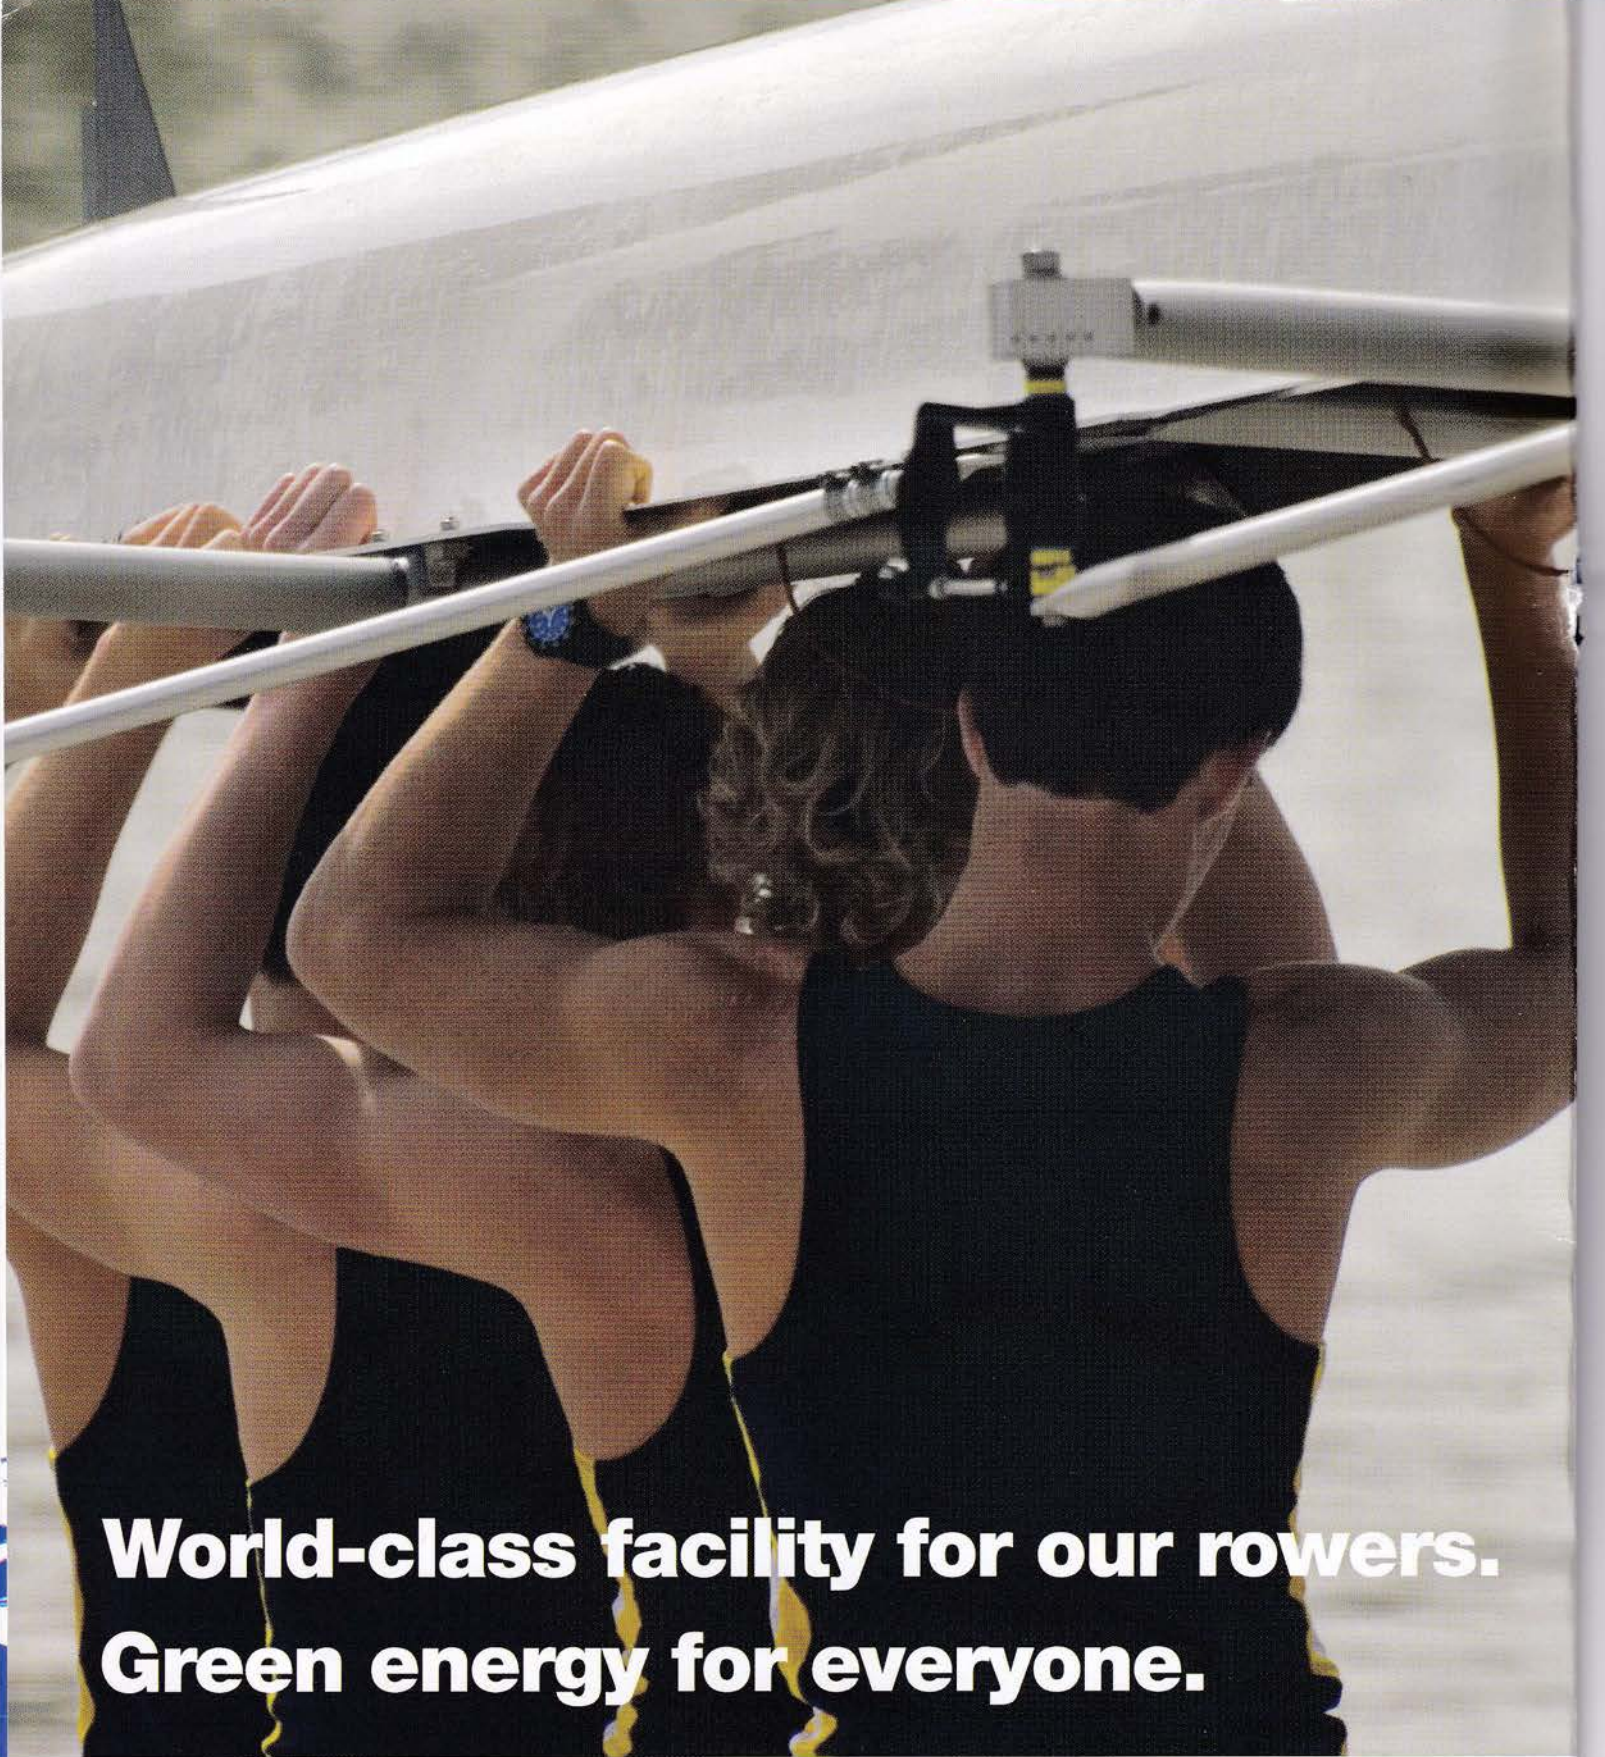

Hydro Tasmania

LAKE BARRINGTON INTERNATIONAL

2 - 8 MARCH 2009

# **World-class facility for our rowers. Green energy for everyone.**

Just beyond the 2000-metre start at Lake Barrington, the water left in a rower's wake tumbles through the turbines of the Devils Gate Power Station.

This lake is part of Hydro Tasmania's Mersey-Forth Power Development. Not only does it provide a valuable facility for the sport at all levels, but the clean, green electricity it generates also powers homes and businesses right across the State.

Hydro Tasmania. A proud supporter of Tasmanian rowing.

Rowing Tasmania would like to sincerely thank all those individuals and clubs from our Tasmanian rowing community who have volunteered their time, expertise and resources to help ensure a successful and memorable regatta.

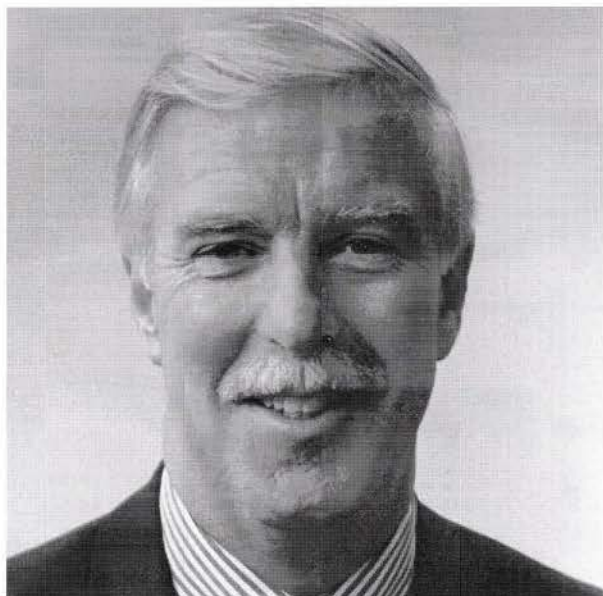

Thanks!

The organising committee

# ROWING AUSTRALIA

## President's Message

On behalf of the Board and Council of Rowing Australia, it is with great pleasure that I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2009 Hydro Tasmania Australian Rowing Championships and Interstate Regatta.

These National Championships follow an outstanding quadrennium for Australian rowing, both on and off the water, and it has been a great pleasure to oversee the success of all areas of Rowing Australia's operation.

The Beijing Olympics were particularly successful for Australian rowing, from becoming the only nation to qualify all 14 boat classes to the memorable image of James Tomkins leading the Australian Team into the Opening Ceremony as the official flagbearer.

On the water the Rowing section of the Australian Olympic Team performed with great distinction to place second behind Great Britain in the medal table. This performance was highlighted by the brilliant results of Drew Ginn and Duncan Free in the Men's Coxless Pair and Scott Brennan and David Crawshaw in the Men's Double Scull in achieving Olympic Gold Medals and by Frances Hegerty, James Marburg, Cameron McKenzie-McHarg and Matt Ryan in the Men's Coxless Four in securing Olympic Silver Medals.

Of particular note also were the outstanding performances of John MacLean and Kathryn Ross in winning Australia's first

ever Paralympic Medal, a silver, in the Mixed Trunk and Arms Double Scull and the Women's Lightweight Quad Scull of Miranda Bennett, Ingrid Fenger, Alice McNamara and Bronwen Watson in defending their World Championship.

The performances of these athletes has ensured their place in the pantheon of Australian rowing heroes with Duncan, Scott and David joining the honour roll of Australia's Olympic Gold Medallists which can be found within this program.

In addition to such exceptional performances, Rowing Australia has continued to achieve considerable success off the water. With the beginning of the new Olympic cycle, Rowing Australia and the AIS have worked together to establish a new High Performance structure, the National Rowing Centre of Excellence, which will provide an exciting new platform for the future of high performance rowing in Australia.

In another significant development RA took a leadership role in the development of the Coalition of Olympic Sports which presented to the Independent Sports Panel Review and had a significant presence at the ASC Sports Excellence Forum and AOC High Performance Plan Review which will all shape the future sporting landscape within Australia.

The Hydro Tasmania 2009 Australian Rowing Championships and Interstate Regatta is set to be yet another exciting event combining some of our most experienced athletes with some of the world's most promising emerging talents who will lead Australian rowing through the next quadrennium where we hope to achieve even greater success. With its beautiful surrounds Lake Barrington could not be a better location to experience this thrilling event.

On behalf of Rowing Australia, I extend our thanks to the President of Rowing Tasmania, Mr Peter Wade and his team for their expertise, professionalism and co-operation in organising what promises to be a highly successful and enjoyable regatta. Additionally, Rowing Tasmania is to be congratulated on securing the sponsorship of Hydro Tasmania for this event. Moreover, I would like to thank the many Boat Race Officials and volunteers for their invaluable assistance and organisation during this event.

Finally, I would like to wish every participant the very best of luck for their races throughout the week. I look forward to witnessing some great racing and enjoying the continued rivalry of the Interstate Regatta.

The Hon. Patrick McNamara  
President – Rowing Australia.

## Premier's Message

Welcome to the 2009 Hydro Tasmania Australian National Rowing Championships and Interstate Rowing Regatta at beautiful Lake Barrington, one of Tasmania's prime sport and recreational facilities.

The Tasmanian Government is thrilled to greet all competitors, families and spectators.

Being an island state, Tasmanians enjoy all water sports and rowing is no exception.

We take considerable community pride in this venue and in the achievements of our rowing champions. Eight Tasmanian rowers and three coaches represented Australia at the 2008 Beijing Olympics, with our own Dr Scott Brennan teaming with David Crawshaw to win gold in the double sculls.

Good luck to all competitors, coaches and officials who will ensure this event will be a wonderful spectacle of Australian sporting excellence. I'd also like to extend best wishes to the visitors, families and spectators whose support is invaluable to helping our champions excel.

Whether competing or watching from the sidelines, I hope you take the opportunity to enjoy Tasmania's natural beauty, our quality food and beverages and our friendly and relaxed lifestyle.

We are delighted to have you here and hope to welcome you back again soon.

David Bartlett  
Premier of Tasmania

# ORGANISING COMMITTEE

## Chairman's Message

Once again it is Rowing Tasmania's pleasure to welcome you all to Lake Barrington. Since the rowing course was established in 1984, this is the eighth time Tasmania has been privileged to host the nationals at this wonderful venue. Set on a magnificent sheltered lake, amongst pristine forests we believe our International Rowing course is one of the fairest and most picturesque venues in the world. We are privileged to welcome athletes, coaches, officials, sponsors, volunteers, families and supporters to the 2009 Hydro Tasmania Australian Rowing Championships & Interstate Regatta.

Lake Barrington is a major link in the power generating systems of Hydro Tasmania, a leading producer of Australia's renewable energy. The many Hydro developed lakes across Tasmania provide clean power to Tasmanians and to mainland Australia. These lakes also present a recreational resource for some of the world's finest wild trout fishing, recreation, boating and of course rowing. Lake Barrington and Hydro truly provide "The energy behind Tasmanian Rowing". We thank Hydro Tasmania who are once again the major naming rights sponsor for this regatta. Rowing Tasmania is also grateful for Hydro Tasmania's ongoing support of our junior development programs.

Rowing Tasmania would also like to acknowledge and thank the many sponsors who have contributed to ensuring Lake Barrington and all our facilities are in the best possible condition to ensure all those attending the regatta enjoy a safe, fair, and successful regatta.

The Tasmanian rowing community is extremely proud of our facilities at Lake Barrington.

Rowing Tasmania is fortunate to have a large band of willing volunteers all sourced from our own rowing community. Special mention must go to our very hard working organising committee. In particular I would like to thank Jim Gibson, in charge of the finances, Susan Stegmann for managing the administration and the extraordinary efforts of George Homer and Mick Goodger in course maintenance and improvements. These volunteers and their many helpers have devoted a huge amount of time and energy to ensure this regatta will be memorable for all who attend.

To the boat race officials, boat drivers, volunteers, and all support staff we thank you for your contribution to the event.

On behalf of all of us that will enjoy the 2009 Hydro Tasmania Australian Championships & Interstate regatta, I thank all these people for so generously giving their time.

We are excited to welcome many of our Olympians who provided so many memories through their successes at Beijing and in previous games. We look forward to seeing a new crop of athletes competing here, many of whom will be putting their case for selection in future Australian teams and who share the dream of London in 2012.

With over 1,200 entries, over 1,500 competitors and about 300 coaches this will be a fantastic experience for us all.

Whether this is your first visit to a national regatta or you are here to row for your state in the Interstate Regatta, we wish you all the best for success and the realisation of your personal goals. Congratulations to all the athletes and coaches for achieving the honour of representing your club, school or state teams.

Thank you for joining us at beautiful Lake Barrington. We are confident that you will enjoy strong competition at a magnificent venue and will return home with many happy memories of the 2009 Hydro Tasmania Australian Rowing Championships & Interstate Regatta.

Please enjoy our facilities and hospitality, compete with pride, enjoy the friendship of your fellow athletes and while you are here, take time to explore other parts of Tasmania.

We wish you a safe journey to and from the lake and on your return home.

Peter Wade  
President, Rowing Tasmania

## The National Rowing Brand

Rowing Australia's vision is to be the world's leading rowing nation and to develop rowing in Australia ensuring it is welcoming, inclusive and progressive.

In pursuit of this vision, Rowing Australia, in conjunction with the seven State Associations, has developed a common national brand for the sport of rowing in Australia. The rowing brand represents:

- Teamwork – all working towards a common goal
- Focus, Discipline and Determination – key characteristics of a demanding endurance sport
- Tradition – to reflect a sport of time honored values and history
- Environment – an appreciation and respect for the natural environment
- Culture – a welcoming, safe, ethical and inclusive environment

Rowing Australia is delighted to unveil its new logo below as the embodiment of the key messages of the national rowing brand. Logos are currently being developed for all seven State Associations which will complement the Rowing Australia logo whilst retaining the distinctive identity of each State.

This exciting new development will help ensure that rowing has a fully inclusive national brand which is able to accurately reflect the wonderful values and traditions of the sport.

# HISTORY OF CHAMPIONSHIPS

## HISTORY OF INTERSTATE AND NATIONAL ROWING CHAMPIONSHIPS

### Intercolonial Men's Four Racing

Interstate rowing competition in Australia originated in four-oared gigs, the earliest race being held in 1863 on the Parramatta River in NSW over a distance of 3 miles.

Crews from NSW and Victoria competed, with the crew from NSW being the victor in a time of 19min 25sec. In this race the crews represented their colonies and each bore the name of its colony. The Victorian crew was made up of oarsmen from the Elswick, Melbourne and Melbourne University Clubs. At this race, there were many disputes over the amateur status of crews between the colonies, which prevented true intercolonial races taking place on a regular basis. In particular, Victoria alleged that NSW crews included crew members who were watermen or oarsmen who had raced for prize money.

It was not until 1870 when another race was conducted of an intercolonial status, at the Balmain Regatta. This race included a Tasmanian crew and was won by Sydney Rowing Club.

The next race, in Hobart in 1872, was of particular interest due to the inclusion of crews from three colonies NSW, Victoria and Tasmania. The Parramatta crew which finished second included an oarsman who became Australia's First Prime Minister, Edmund Barton.

In 1873 and 1874 intercolonial races were again conducted. In 1874, both the Victorian and NSW crews represented their colonies.

The next intercolonial four oared race was conducted in 1888 when a New Zealand crew competed, and the last was in 1896.

### Intercolonial Men's Eights Championships

In October, 1877, the year in which eight-oared boats may be said to have first come into general use in many of the rowing centres in Australia. Following this, a challenge was sent by the Victorian Rowing Association to the Sydney and Mercantile (now Mosman) Clubs in NSW. This was taken up with spirit by the last named club, and the first eight oared race took place on the 6th March 1878, over four miles on the Lower Yarra. The NSW crew contained members from both the Sydney and Mercantile Clubs. Victoria was the victor in this contest. This was the first Intercolonial Men's Eight Championship.

This race has become one of the world's famous rowing championships, and had continued annually to this day, except for the two World Wars, one year in the Great Depression and one year where a cyclone disrupted the event.

Queensland and Tasmania joined the competition in 1885, followed by Western Australia and South Australia in 1897 and 1899 respectively. The records show that up until 1890, NSW and Victoria were the principle contestants, with NSW recording its first victory at the second meeting in 1879. Following their re-entry to the competition in 1890, Queensland recorded its first win in 1891, followed by Tasmania in 1906, South Australia in 1913 and Western Australia in 1921 in Launceston. The King's Cup trophy for this event was introduced in 1921.

### Intercolonial Men's Sculling Championships

The first intercolonial sculling race was between A Nicholls of Victoria and H Freeman of NSW in 1868 when Nicholls won the event. Whilst there was a further race in Melbourne in 1873, the first recognised intercolonial race was held in conjunction with the intercolonial eights in 1892 at the Brisbane regatta. The race was between M J Slack of Queensland and M Lambert of NSW with Slack taking the title.

### Interstate Women's Fours Championships

The Interstate Challenge race for women commenced in 1912 when a Brisbane Ladies' Rowing Club four representing Queensland defeated the Albert Park Ladies in Melbourne. A return visit by the Victorian representative in the following year resulted in a second Queensland victory in the Brisbane River by a mere two feet. Despite women's rowing being active well before this time, the first recognised start to interstate competition in fours was on 15th May 1920 on the Hamilton Reach of the Brisbane River following the resumption of competition after WW1. It saw the introduction of one of the most prestigious perpetual rowing trophies, the United Licensed Victuallers Association of Queensland Trophy for the women's Four. This regatta was also significant for women's rowing with the formation of the Australian Women's Amateur Rowing Council, some five years prior to the formation of the men's association.

### Development of the interstate Championships

Central control of rowing in Australia became necessary to arrange and coordinate Australian and International competition and assume responsibility for the now well established annual interstate Championships. Following the Interstate Regatta in Brisbane on 15th May 1920 the Australian Women's Amateur Rowing Council was formed. The 1st May 1925 heralded the formation of the Australian Amateur Council. The two Councils conducted their affairs independently until 1976, when the amalgamation of both into the now renamed Australian Rowing Council secured a continuity of control and of regulations, the benefits of which will ensure the future growth of which will ensure the future growth and success of the sport, both here and overseas.

The Second World War again interrupted the Interstate Rowing Championships. There was no men's competition between the years 1940 and 1945, and women's races were curtailed between 1942 and 1948. On resumption, the need for Australian representation at international meetings became more evident, and the addition of test races in other classes of boats became a regular feature at the interstate regattas.

The introduction of additional events to Interstate Championship status has provided annual competition for other classes of competitors, and we commend the foresight of the Rowing Councils in legislating for the inclusion of the Men's Lightweight Four in 1958, the Women's Single Scull in 1963, the Women's Lightweight Four in 1968, the Men's Youth Eight in 1974 and finally the Women's Youth Four in 1988. The addition of Championships for Pairs and Double Sculls in 1953 failed due to lack of interest, and in 1955 the events were withdrawn.

# HISTORY OF CHAMPIONSHIPS

In 1962 the Council made provisions for the National Regatta to be conducted bi-annually over 2000 metres to provide small boat competition regularly, thereby facilitating the selection of Australian representative crews for international competition and substantially reducing the need for test races. The first regatta program comprised National Championships events for four with cox, four without cox, pair with cox, pair without cox, double scull, lightweight eight, lightweight pair with cox and lightweight single scull. The development of the regatta witnessed the

inclusion of additional classes of oarsmen along with schoolboy representatives, and since 1974 has been held annually in conjunction with the Interstate Championships.

Resulting from the amalgamation of the National Councils in 1976, the combined National and Interstate Championships regatta now comprised a full program for both men's and women's sculling and rowing races in all classifications.

## NATIONAL CHAMPIONSHIPS TROPHIES' HISTORY

### Carlton & United Breweries Plate Women's Coxless Pair

The women's pair oared championship is raced for the Carlton & United Brewing Plate, which was first presented in 1968. The names of past winners are engraved on the reverse of the trophy.

### Ted Bromley Memorial Trophy Men's Coxless Pair

The Ted Bromley Memorial Trophy was first presented in 2006 in honour of the late Ted Bromley who pioneered men's coxless pair oared racing in Australia. He also did much to promote pair oared rowing in all divisions through the establishment of the E R Bromley Trust. The Trust provides substantial funds to Australian representative pair oared crews. Ted was a fine oarsman who represented Australia in the pair in the 1948 Olympic Games in London.

The Bromley trophy is a bronze statue of Australia's most successful pair oared rower, James Tomkins. James was of course Olympic Champion in the pair at the Athens Games in 2004. Prior to that, James was a World Champion in the coxless pair in both 1999 and 2003.

### Herald & Weekly Times Ltd Cup Women's Lightweight Single Scull

This trophy was presented by the Herald & Weekly Times Ltd to the Australian Women's Rowing Council in 1968.

### Thomas Keller Memorial Trophy Men's Under 19 Single Scull

Thomas Keller Memorial Trophy was presented by the Tasmanian Rowing Council to Australian Amateur Rowing Council in 1990 for the Men's Championships Junior Scull.

Thommi Keller had been instrumental in both the development of the Lake Barrington course in Tasmania and the granting of the 1990 World Championships to Australia and the Lake Barrington course.

The trophy is presented by the most senior FISA representative at the event.

### Tim Hawkins Memorial Trophy Men's Under 19 Double Scull

The Tim Hawkins Memorial Trophy was presented in 2003 by the family of Tim Hawkins in his memory. Tim tragically died at the age of 28 by a terrorist bomb in Bali on 12 October 2002.

Tim Hawkins represented Australia in the World under 19 and under 23 World Championships.

### Lucerne Cup Men's Lightweight Four

This trophy was presented to Rowing Australia by the first Australian Lightweight Four of:

|                        |                      |
|------------------------|----------------------|
| Str: Campbell Johnston | 3: Andrew Michelmore |
| 2: Geoff Rees          | Bow: Colin Smith     |
| Cch: Peter Philip      |                      |

This crew were the gold medallists at the first FISA Lightweight Four Championships at Lucerne Switzerland in 1974.

The trophy was first presented in 1975.

### Bob Aitken Memorial Trophy Men's Coxless Four

This trophy was first presented in 2006 to recognise Rowing Australia's first life member and inaugural elected President of Rowing Australia.

Bob Aitken had a distinguished and successful rowing career as an oarsman, coach, selector and administrator and made a significant contribution to the sport in all these areas.

### Australian Union of Old Oarsmen Trophy - Men's Under 23 Eight

This Trophy was first presented for under 23 men's eight crews in 1982 when this event commenced.

It is usually presented by a representative of the host state Old Oarsmen Association.

### Herald & Weekly Times Trophy Women's Coxless Four

This trophy was first presented in 1968 for the Women's Junior Four Championship. This was not an Under 19 event, but a non-senior event.

It then became the senior four event championship trophy in 1977. The women's four was raced as a coxed four until 1987.

### Florence Eaton Trophy Women's Eight

This trophy was first presented in 1978 by Florence Eaton, the then President of the Australian Amateur Women's Rowing Council.

# HISTORY OF CHAMPIONSHIPS

## INTERSTATE REGATTA TROPHIES' HISTORY

### Nell Slatter Trophy Interstate Women's Single Scull

Dating back to 1901 at the Great Federation Regatta staged on Albert Park Lake, Cassie Woolly McRitchie representing Victoria and using a skiff loaned to her by the then Governor of Victoria, Lord Brassey, defeated her challenger from Sydney, Elizabeth Messenger, and was presented with a magnificent pearl and ruby bracelet by the Duke of Gloucester. So great was the public interest in the female scullers that police were required to keep the inquisitive spectators at bay.

Despite this great start to women's interstate sculling, the first interstate championship did not commence until 1963 in Brisbane and has continued annually since that date.

The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the Championship as a tribute to the then Queensland President Nell Slatter.

### Presidents Cup Interstate Men's Single Scull

Following the formation of the Australian Amateur Rowing Council in 1925, the first President Mr Erskine C Watchorn TAS, a trustee of the Geo. Adams Estate controlling Tattersall's Sweep Consultations, donated the President's Cup as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

First competed for in 1926 and won by the Late A A Baynes of Queensland, many famous Australian Olympians have been the holders of this trophy.

### Victoria Cup Interstate Women's Lightweight Quad Scull

The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The victory was recorded by Victoria with a crew stroked by one of Australia's best known oarswomen, Margaret Agnew Mackenzie, whose efforts in negotiating with the Women's Rowing Council, secured lightweight rowing as an annual event on the women's Interstate rowing programme.

The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event.

Lightweight women have recorded many international victories, the first being at the inaugural competition between the United States of America, Canada and Australia at St. Catherines, Canada, in 1979, when Australia was successful in the two events for which crews were entered — Lightweight Four with Cox and Lightweight Pair.

From 1996, the event became coxless. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double sculling event.

### Penrith Cup Interstate Men's Lightweight Four

The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia.

The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted. The strength and depth of Australian lightweights was shown by a gold medal at the 1974 FISA Championships in the fours and the considerable success achieved by Australian lightweights ever since that time. The quality of winning crews of the Penrith Cup is consistently very high.

### Bicentenary Cup Interstate Women's Youth Eight

A women's youth event was commenced in 1988 in coxed fours. The event became an eight oared event in 1994 due to the continued growth in women's rowing and the need to provide more opportunities for these athletes.

The Cup was presented by the New South Wales Rowing Association and has the following words engraved on the Cup: For competition between Women's Interstate Women's Fours.

### Noel F. Wilkinson Trophy Interstate Men's Youth Eight

Recognising the necessity to introduce a class of rowing in which Australian youth oarsmen could compete, the Australian Rowing Council initiated the Interstate Youth Eight-Oared Championships at an age limit some 18 months older than the internationally accepted junior age limit.

The first Championship was conducted in Victoria in 1974, and in that same year, the Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and Australian Olympic teams. He was also treasurer of the Australian Rowing Council for many years.

The Youth Championships, combined with the junior events conducted in other boat classes at the National Championships, fulfils the original purpose of Council and the donor, namely to provide an incentive for young oarsmen to continue in the sport following completion of their secondary school education and a development step to higher classifications.

### Queen Elizabeth II Trophy, formerly known as the ULVA Trophy Interstate Women's Eight

The 1920 Interstate Women's Four Championship was won by South Australia represented by a Mannum Rowing Club crew stroked by Dorothy Arnold. The United Licensed Victuallers Association (ULVA) of Queensland presented to

# HISTORY OF CHAMPIONSHIPS

the Australian Women's Rowing Council this unique sterling silver trophy. The trophy was crafted by London silversmiths to depict Dorothy Arnold, the petite girl from Mannum who stroked the winning crew. She is holding her oar and dressed in the rowing garb of her time, namely a floppy hat, sailor top and billowing bloomers. The trophy is inscribed with the following words: Interstate Ladies Four-Oared Championship Trophy Presented by Queensland Licensed Victuallers Association E H Ruddle Esq. President 1920.

The trophy is affectionately known to Australian oarswomen as Bertha. However in 1941, on the motion of NSW, the Australian Women's Rowing Council resolved to drop the name Bertha and that it be officially known as the ULVA Trophy. This change occurred only officially with the name Bertha still used by oarswomen.

In 1958, there was a brief discussion at the Australian Women's Rowing Council about the outmoded appearance of the trophy. Fortunately the majority of members disapproved of any alteration to modernise the dress of the model of the trophy.

The Queen Elizabeth II Cup designation was sought and secured by the Brisbane Boys College to commemorate their success in the 1993 Henley Royal Regatta in the Schoolboys Eight race. The Queen originally supported the designation of the Cup for an International Schoolboys Eight Race to be conducted annually in Australia, however the Rowing Australia Board and Council, considered the best use of this type of 'designation' was to 'match' the Queen's Cup in status with the King's Cup.

In 2003, the trophy became officially known as the Queen Elizabeth II Trophy.

## The Kings Cup Interstate Men's Eight

First won in 1919 at the Henley-on-Thames Peace Regatta held on 2nd to 4th July of that year, this handsome trophy, a substitution for the Grand Challenge Cup race for that year, was presented by His Majesty King George V to the successful AIF No 1 crew which, along with seven others, contested the eight-oared race for competition between crews from the armies of the Allies in the 1914-18 War.

The successful crew comprising Sgt A A Robb, Derwent Rowing Club (Tas), 11 st 10 lb, Bow; Lieut F A House, Derwent Rowing Club (Tas), 11 st 12 lb, 2; Lieut T McGill, Leichhardt Rowing Club (NSW), 12 st 10 lb, 3; Gunner A V Scott, Murray Bridge Rowing Club (SA), 13 st, 4; Lieut H Hauenstein, MM Leichhardt & Balmain Rowing Clubs (NSW), 13 st 9 lb, 5; Major S A Middleton, DSO, Glebe & Sydney Rowing Clubs (NSW), 13 st 6 lb, 6; Gunner G W Nettam, West Australian Rowing Club (WA), 11 st 12 lb, 7; Captain H C Disher, Melbourne University Boat Club (Vic),

11 st 1 lb, Stroke; Sgt A E Smedley, Sydney Rowing Club (NSW), 8 st 1 lb, Cox; defeated the AIF No 2 crew in the first heat, Cambridge University in the semi-final and Oxford University in the final by a margin of one length in a time of 7 minutes 7 seconds, the other competitors being Canada, France, New Zealand and United States.

The famous trophy was left in the custody of the Australian Military Authorities, and was later handed over to the Australian War Memorial Council and placed in the Australian War Museum.

On 14th May, 1920, at a conference of delegates of the Australian Rowing Associations held in Brisbane, it was decided to ask the Australian War Memorial Council for the Cup as a perpetual trophy for the Australian Eight-Oared Championship. This request was refused, and on 12th October of the same year a further request was made by the Victorian Rowing Association for the Cup with the suggestion that it be kept in the Australian War Museum of the State which won the race each year. This request was also refused.

The second refusal precipitated further action by the Victorian Rowing Association, and a petition to the King prepared by it dated 30th October 1920, and signed by Captain H C Disher, was sent to his Majesty with the request that he make known his wishes with regard to the disposal of the trophy.

A reply dated 13th May 1921 received from the Secretary of State for the Colonies, Mr Winston Churchill, stated that, 'His Majesty commands me to inform you that it is his wish that the Cup should be used as a permanent trophy and be competed for annually in the Interstate Eight-oared Race of Australia'.

The first Interstate Men's Eights Championship raced for the King's Cup was in 1922. However for the record, the sport and the trophy itself have recorded that crews raced for the Cup from 1920.

## Rowing Australia Cup

Aggregate Points Scored by State in the Interstate Regatta

This trophy was presented to Rowing Australia in 1999 by its then principal sponsor Zurich Financial Services for presentation to the State with the highest points scored from racing in each Interstate Championship.

The Cup itself is one of only 500 in the world that was made from the sands collected by Olympians from every Olympic country in the world.

The Cup is presented after the last Interstate Championship each year to the Councillor of the winning State.

# NOTICE TO COMPETITORS

## Racing Code

The 2009 Australian Rowing Championships and Interstate Regatta is conducted under the Rules and Racing Code of Rowing Australia Inc. Managers, coaches and competitors should make themselves familiar with the Rules and Racing Code. A copy of the Rowing Australia Rules and Racing Code is held in the Information Van.

## Lightweight and Coxswain Weighing

Weighing will take place in southern end of the boatshed. Test scales will be available from 8.00am on Saturday the 28th of February.

Official weighing for lightweights will be conducted according to the rules of RA, viz lightweight rowers shall be weighed in racing uniform by a person duly appointed by the Organising Committee not less than 1 hour and not more than 2 hours before the advertised starting time for their first race on each day of racing.

If a rower has races in other events on a day of racing, the weight recorded for the first event may be applied to qualify for subsequent events. Rowers may re-weigh after their weigh-in for their first event on a day of racing within the time limits applicable to the event. This weight may also be carried forward for any other races in which the rower competes on that day of racing. Weigh in will be conducted in Boat Shed.

Official weighing for coxswains shall be conducted according to the rules of RA, viz coxswains shall be weighed not more than 24 hours and not less than 1 hour before the advertised starting of their first race of the regatta and shall be weighed in racing uniform.

Coxswains of men's crews will be a minimum weight of 55 kilograms. Coxswains on women's, schoolboys, schoolgirls and all Under 17 and Under 19 crews will be a minimum weight of 50 kilograms. Weigh in will be conducted in Boat Shed.

## Starting Times

Competitors are to be within the start zone five minutes before the time appointed for starting their race. Competitors must be held in their starting position for at least two minutes before the time laid down for the start of their race. The starter may warn or exclude from the race any crew/sculler arriving at the starting position less than two minutes before the scheduled starting time. A warning has the same effect as one given for a false start. Starting procedure will be in accordance with RA rules, i.e., using "traffic" lights.

## Racing Uniform

Competitors in Selection Events may race in their respective Institute/Academy racing uniform. FOR ALL OTHER NATIONAL CHAMPIONSHIP EVENTS all competitors must wear the registered colours/racing uniform of their club or school.

Athletes must comply with Rowing Australia Rule 42.3 - "... Except as provided for composite crews, members of the same crew shall compete in identical clothing." and Rowing Australia Rule 42.5 - "If any members of a crew wears headwear, then the headwear worn by those crew members shall be identical". The Boat Race Officials will issue appropriate penalties for crews that do not comply with the rules.

## Draw and Result Sheets

Draws and Results will be available on the Rowing Tasmania and Rowing Australia websites.

DRAW SHEETS will be available each day of racing at the Information Van located adjacent to the boat shed - free of charge upon presentation of this program or for sale at a cost of \$1.00. Draw sheets for Day 1 will be available after the draw is conducted on Sunday afternoon, 1 March, at approximately 5.30 pm.

RESULTS SHEETS for the previous day's racing will be available each day at the Information Van located adjacent to the boat shed - free of charge upon presentation of this program or for sale at a cost of \$1.00.

## Entry to the course and venue hours

Access to the venue will be from 6.00 am until 9.00pm each day from Friday the 27th of February. The course is locked and security staff will be in attendance outside these times. It is approximately 3.5 kms from the gate to the lakeside. Parking is free for the duration of the regatta and there is ample parking at the lakeside. There will be no entry fee for the first three days of the regatta. From Thursday to Sunday an entry fee of \$5 per person per day will apply (children under 12 free). Competitors, support staff and accredited officials will be issued with a pass to gain free entry to the course for the duration of the regatta.

## Trailers

Upon arrival at the course, boat trailers are required to be unloaded and parked at the direction of the Regatta Staff.

## Boat storage

Boat storage is provided by way of racks in the boat park located adjacent to the boatshed and launching pontoons.

## Changing rooms, showers & toilets

These facilities are provided in the facilities building located adjacent to the Judges tower at the finish line. Additional toilets and change rooms are available near the boatshed. Please see the facilities map on page 59.

## Course traffic rules & training restrictions

Competitors will have access to the course for training from 8.00am on Friday the 27th of February. You may train during periods of competition, PROVIDED you follow the traffic rules. Please see course map for traffic flow on page 58. No powerboats are allowed on the lake in the vicinity of the rowing course except umpire boats & work boats. Coaching boats are NOT allowed at any time on the course proper or within the restricted areas either north or south of the start & finish.

Maps relating to traffic rules during training and racing are located at various locations around the course, particularly at the boat sheds. Additional signage will be in place indicating pontoon usage.

## Competitor briefings

Competitor briefings will be conducted on the lawns in front of the Facilities Building adjacent to the finish line at the following times:

Sunday 1st March at 4.00pm

Friday 6th March at 1.00pm (school competitors only)

# NOTICE TO COMPETITORS

## Accreditation

Competitors, coaches and support staff passes are to be collected by the designated team manager from each club/school/association from the Information Van adjacent to the boat shed between 8.00am and 5.00pm each day from Monday the 2nd of March. You will be required to show these passes for free entry into the venue from Thursday the 5th of March.

## Boat weighing

Boat weighing will commence from 8.00am on Saturday the 28th of February. Boats not meeting the safety requirements, as set out in the RA rules WILL NOT be weighed. Please refer to RA Rules 31 & 32.

| Type of boat    | Minimum weight |
|-----------------|----------------|
| Arms Only 1x    | 22 kg          |
| Trunk & Arms 1x | 20 kg          |
| 1x              | 14 kg          |
| 2x              | 27 kg          |
| 2-              | 27 kg          |
| 4x              | 52 kg          |
| 4x+             | 54 kg          |
| 4-              | 50 kg          |
| 4+              | 51 kg          |
| 8+              | 96 kg          |

## Adaptive boats

All adaptive competitors should be aware of the boat requirements as outlined in Rowing Australian Rule 31, By-Law 1.13 which specified:

Width of Boats – Minimum width of Adaptive racing boats – The minimum width of an adaptive racing boat shall be 370 mm. This will be a horizontal measurement of the inside of the hull at the level of the rails. This restriction will only apply to the following adaptive boat classes:

- AM1x (including Div 2)
- AW1x (including Div 2)
- TAM1x
- TAW1x
- LTAM1x Div 2
- LTAW1x Div 2

## Adaptive training and facilities

Special arrangements have been made for adaptive competitor training. A tent and disabled toilet facilities will be located at the 1,500 metre mark.

Adaptive competitors should seek advice from Mr Bob Blake to determine precise arrangements for training.

## Adaptive classifications

All adaptive athletes racing at the 2009 Australian Rowing Championships will be required to hold a valid classification prior to the start of racing. A classification session will be conducted on Wednesday 4 March, 2009 between 14:00 and 17:00 in the medical room in the boatshed. Athletes requiring classification should contact Adam Horner (ahorner@rowingaustralia.com.au or 02 6256 5999) by Wednesday 25 February, 2008 to confirm a time.

Visit [http://www.rowingaustralia.com.au/docs/080315\\_adaptive-2008-athleteclassification-status.pdf](http://www.rowingaustralia.com.au/docs/080315_adaptive-2008-athleteclassification-status.pdf) to check your

classification status. If you are not listed on the Rowing Australia website or your status is International R or N, or National NR or NN, you will need to be classified at this session.

If you have an Intellectual Disability, you will be required to provide the classifiers with your INASPID or AUSRAPID classification documentation to be classified by Rowing Australia. If you have a Visual Impairment, you will be required to provide the classifiers with a completed FISA Adaptive Rowing Vision Qualification Form, which can be downloaded from the Rowing Australia website as an inclusion in the Rowing Australia Classification Policy, ensuring that it is signed and stamped by a qualified Ophthalmologist to certify your classification.

## Boat Numbers

Boat numbers will be available for collection from the boat numbers tent located in the centre of the boat park (see facility map on page 57). A \$10 deposit is payable on all numbers and refundable on their return. We ask that when paying your deposit you do so with \$20 notes or smaller, larger denominations may be retained and repaid on return of your number.

## Food outlets

Krambos Rowers Café will be operating from Saturday the 28th of February with a good variety of healthy hot and cold food & drinks available at excellent prices.

Discounts will be given for large groups and food will be available prior to the start of racing each day and also to takeaway for dinner. There will also be a bar operating from a marquee overlooking that last 500m of the course, for those who wish to indulge.

## Prizes for schoolboys and schoolgirls single scull

Continuing the exciting innovation, the schoolboys' and schoolgirls' single sculling events at the 2009 Australian Rowing Championships will be jointly sponsored by the Australian Institute of Sport (AIS), the National Talent Identification and Development (NTID) Program and Sykes Racing.

### THE PRIZE!!

An Elite Sykes Racing Single Scull will be presented to the schools represented by the winning scullers in the Schoolboy and Schoolgirl Single Scull events.

With the availability of such significant prizes, this sponsorship aims to continue the healthy participation levels in the respective Australian Championship sculling events, ultimately aiming to help identify young rowers who may go on to represent Australia to win Olympic and World Championship medals in the heavyweight single sculling events by 2016.

These boats, proudly displaying all sponsor logos, will not only add to the fleet of the successful schools, but also constitute impressive trophies. The boats will be officially presented to the successful schools following the 2009 Championship regatta at a nominated school presentation event.

## Code of conduct

Every competitor entering the 2009 Australian Rowing Championships and Interstate Regatta is bound to abide by the Rules and Laws of Boat Racing of Rowing Australia and in particular, it's Code of Conduct.

# NOTICE TO COMPETITORS

## Drug testing

The Australian Sports Anti Doping Agency (ASADA) is likely to conduct drug testing at the National Championship and Interstate Regatta. Competitors and coaches are urged to take note of the following requirements in respect of Banned Substances for Therapeutic Use and act accordingly in achieving exemptions for appropriate athletes.

### Banned Substances – Therapeutic Use Standard Therapeutic Use Exemption (TUE) process

If an athlete suffers a medical condition that a doctor can only treat with a therapeutic substance, he or she must check whether the legitimate therapeutic use of the prohibited substance is permitted under the Rowing Australia Anti-Doping Policy and with ASADA. Legitimate use of a prohibited substance may be granted what is known as a Therapeutic Use Exemption (TUE).

Athletes, coaches and parents should ensure that they are familiar with the Rowing Australia Anti Doping Policy, which can be found on the Rowing Australia Website: [http://www.rowingaustralia.com.au/docs/policy\\_anti-doping-081223.pdf](http://www.rowingaustralia.com.au/docs/policy_anti-doping-081223.pdf). Article 9 of the Policy refers to 'Therapeutic use'.

The ASADA Hotline 1800 020 506 or ASADA Website ([www.asada.gov.au](http://www.asada.gov.au)) will outline whether the medication is prohibited and whether a TUE is required. It is important that athletes also remember to check medications each year. The World Anti Doping Agency's (WADA) Prohibited List changes on the 1st of January each year, so a medication that was permitted last year, may not be next year. Visit [www.rowingaustralia.com.au/hp\\_anti-doping\\_wada.shtm](http://www.rowingaustralia.com.au/hp_anti-doping_wada.shtm) for full details of the World Anti-Doping Code 2009 Prohibited List.

NOTE: Any athlete may be Drug tested - whether on the FISA's or ASADA's Registered Testing Pool, Domestic Testing Pool - or not on any list. If an athlete needs to use a prohibited substance or a prohibited method for a medical purpose, to avoid an Anti Doping Rule Violation, the athlete needs to obtain a Therapeutic Use Exemption (TUE). These TUE forms are required to compete at events of significance 2009 within Australia such as State Championships, National Championships, Selection regattas/trials, Youth Olympics and Youth Cups.

Athletes and their Doctor are now required to complete an ASDMAC form (Australian Sports Drug Medical Advisory Committee). This form can only be approved by ASDMAC. The form, once approved is accepted by ASADA as a valid

TUE. The ASDMAC Forms can be found on the RA Website: [http://www.rowingaustralia.com.au/docs/asdmac\\_form\\_01\\_stue\\_0804.pdf](http://www.rowingaustralia.com.au/docs/asdmac_form_01_stue_0804.pdf)

### ASDMAC forms need to be returned to:

National Rowing Centre of Excellence, c/o AIS Rowing  
Attention: Matt Bialkowski  
PO Box 176, Belconnen, ACT 2617  
Fax: +61 2 6285 2813  
Email: [mbialkowski@rowingaustralia.com.au](mailto:mbialkowski@rowingaustralia.com.au)

If you are unsure of any matter related to Anti Doping, please call ASADA or, Matt Bialkowski from the National Rowing Centre of Excellence on: T: +61 2 6285 3613 (W) or (M): +61 412 167 574, or email above.

## Status of competitors: (Refer RA Rule 2.5)

### Under 17:

A rower ceases to be Under 17 on the 31st December of the year in which he/she reaches the age of 16. This definition also applies to the coxswain of an Under 17 crew.

### Under 19:

A rower ceases to be Under 19 on the 31st December of the year in which he/she reaches the age of 18. This definition also applies to the coxswain of an Under 19 crew.

### Under 21 (Youth):

A rower ceases to be Under 21 (Youth) on the 31st December of the year in which he/she reaches the age of 20. This definition also applies to the coxswain of an Under 21 (Youth) crew.

### Under 23:

A rower ceases to be Under 23 on the 31st December of the year in which he/she reaches the age of 22. After that date he/she shall be classified as Open.

### School:

A School competitor is one who -

- (1) Qualifies as Under 21 (Youth) under the provisions of these Rules: and
- (2) is attending a secondary school as a full time day student.

This definition also applies to the coxswain of a School crew. School events are restricted to crews consisting of representatives of one school only.

### Open:

All rowers are eligible to compete in the Open category in the appropriate weight division.

### Adaptive:

An adaptive competitor is a rower who meets the criteria set out in the RA Adaptive Rowing classification By Laws.

## Events

### National Championship Events:

- Racing will be conducted in a six-lane progression - heats, repechages, semifinals and finals.
- Progression will be determined according to the RA progression system based on the number of entries received into any event, culminating in one final only.
- Heats and straight finals will be randomly drawn.

### National School Championship Events:

- Racing will be conducted in a six-lane progression - heats, repechages, semifinals and exhaustive finals.
- Progression will be determined according to the RA exhaustive progression system provided there is a minimum of three starters in the most minor final.
- Heats and straight finals will be randomly drawn.

### Adaptive Events:

- Racing will be conducted in a six-lane progression - heats, repechages, semifinals and finals.
- Progression will be determined according to the RA progression system based on the number of entries received into any event, culminating in one final only.
- Heats and straight finals will be randomly drawn

### Interstate Championship Events:

- Will be raced as straight finals irrespective of the number of entries.

# NOTICE TO COMPETITORS

## The draw

- The draw for National Championship events heats will be conducted at a time and place nominated by the Competition Manager and made available to competitors no later than 60 minutes prior to each round of racing.
- Racing will be configured in a six-lane progression system according to RA rules of progression with one final only.
- The draw will be conducted electronically and will be random for heats and straight finals. The draw for subsequent progressions will remain as dictated by the RA system.
- School Championship events will commence on Friday the 6th of March and will be configured in a six-lane progression system according to RA rules of progression with exhaustive finals.

## Access to the draw and results

- The draw for each session's racing will be posted on noticeboards at the information Van (see facilities map on page 59) as soon as possible but no later than 60 minutes prior to the commencement of each session. It will also be available on the RA website.
- Results of each race will be available on the RA website as each race is completed.
- Hard copy of results will be posted on noticeboards at the secretary's office as soon as possible after official declaration of the race.
- Hard copy of results will be available for collection from the information van approximately 2 hours after the completion of each day.

## THE WAY TO THE FINALS - PROGRESSION SCHEDULE

### 6 entries

All crews go directly to final

### 7-8 entries

2 Heats - 1 Repechage - 1 Final  
Winner each heat to final, remainder to repechage. First four crews from repechage to final. Remainder eliminated.

### 9-12 entries

2 Heats - 2 Repechages - 1 Final  
Winner each heat to final, remainder to repechage.  
First two crews from each repechage to final.  
Remainder eliminated.

### 13-15 entries

3 Heats - 1 Repechage - 2 Semi Finals - 1 Final  
First three crews each heat to semi-final, remainder to repechage.  
First three crews repechage to semi-final, remainder eliminated. First three crews each semi-final to final.  
Remainder eliminated.

### 16-18 entries

3 Heats - 2 Repechages - 2 Semi Finals - 1 Final  
First two crews each heat to semi-final, remainder to repechage.  
First three crews each repechage to semi final, remainder eliminated. First three crews each semi-final to final.  
Remainder eliminated.

### 19-20 entries

4 Heats - 2 Repechages - 2 Semi Finals - 1 Final  
First two crews each heat to semi-final, remainder to repechage.  
First two crews each repechage to semi final, remainder eliminated. First three crews each semi final to final.  
Remainder eliminated.

### 21-24 entries

4 Heats - 4 Repechages - 2 Semi Finals - 1 Final  
Winner each heat to semi-final, remainder to repechage.  
First two crews each repechage to semi-final, remainder eliminated. First three crews each semi final to final.  
Remainder eliminated.

### 25-30 entries

6 Heats - 3 Repechages - 3 Semi Finals - 1 Final  
First two crews each heat to semi-final, remainder to repechage.  
First two crews each repechage to semi-final, remainder eliminated.  
First two crews each semi-final to final.  
Remainder eliminated.

### 31-36 entries

6 Heats - 6 Repechages - 3 Semi Finals - 1 Final.  
Winner each heat to semi final, remainder to repechage.  
First two crews each repechage to semi-final, remainder eliminated.  
First two crews each semi-final to final.  
Remainder eliminated.

### 37-54 entries

9 Heats - 9 Repechages - 3 Semi Finals - 1 Final  
Winner each heat to semi-final, remainder to repechage.  
Winner each repechage to semi-final, remainder eliminated.  
First two crews each semi-final to final.  
Remainder eliminated.

### 55 entries and over

Time Trials - 9 Repechages - 3 Semi Finals - 1 Final.  
Time Trial takes place over 2000 metres or over a lesser distance as close as practicable to 2000 metres.  
The crews start in the same lane. The first 63 crews go forward to the next round, remainder eliminated.  
First 9 crews go forward to semi final, remainder to repechage.  
Places in repechages allocated using Time Trial results.  
Winner each repechage to semi-final, remainder eliminated.  
First two crews each semi-final to final.  
Remainder eliminated.

# BOAT TRAFFIC RULES

## BOAT TRAFFIC RULES

1.1 Traffic flow generally will be in an anti-clockwise direction, i.e. Eastern shore while moving North. Western shore while moving South.

1.2 Lanes are marked 1 to 8 (8 lanes) from the Eastern shore.

1.3 Pontoons are numbered 1 to 4 from North to South.

Crews/scullers going out may only use pontoons 1 and 2 and shall proceed along the eastern shore toward the start.

Crews/scullers returning to shore may use only pontoons 3 and 4 which must be approached from the direction of the finish along the Eastern Shore.

1.4 Boats may only cross the course at one location - that is within the first 100 metres from the start, commonly called "the start zone".

1.5 Any boat crossing the course within the start zone must do so with the GREATEST OF CARE POSSIBLE. During periods of competition, permission must be obtained from the Starter before proceeding across the course.

1.6 Whether Racing or Training, crews and scullers should proceed at least 100 metres beyond the Finish Line before turning to the left and proceeding back along the Eastern shore (adjacent to the Judges Tower) towards the pontoons. All crews and scullers are only to turn around the yellow marker buoy beyond the Finish, anti-clockwise, before returning in front of the Finish Tower. At no time is any crew or sculler who has finished a race, or completed a training row, to return in front of the Judges Tower without turning around the yellow buoy, nor to cross any portion of the course.

1.7 At no time should crews/scullers proceed further than 500m in a Northerly direction behind the Start installations (i.e. not beyond sight of the Start). Beyond this point the lake is allocated for use of power boats and water skiers, and rowing crews/ scullers are NOT to interfere with other lake users.

There is no restriction on lake usage by rowers in a southerly direction beyond the Finish Line.

## TRAFFIC RULES - TRAINING

During periods other than those for competition, training may be undertaken provided all of the foregoing traffic rules are constantly obeyed and with the added provision for training on the buoyed course as follows:

2.1 Lanes 1,2 and 3 may be used only in a Northerly direction (finish to start). Crews/scullers rowing in this reverse direction should STOP at least 250 metres from the Start to avoid collision with crews crossing the course in the Start Zone.

2.2 Lanes 4 and 5 will be CLOSED at all times other than for competition.

2.3 Lanes 6,7 and 8 may be used only in a Southerly direction (start to finish). Crews must complete the full 2000 metre course at all times.

2.4 When training on the course as described in 2.1 & 2.3, any crew/sculler stopping must immediately look behind for other crews in the same lane. If a crew is coming up behind they must clear the lane or move on quickly.

## TRAFFIC RULES - COMPETITION

Traffic Rules for Competition periods shall take effect half an hour before the scheduled starting time of the first race on the programme and shall expire 10 minutes after the conclusion of the last race on the programme.

3.1 During competition periods crews/scullers should continue to observe the basic rules 1.1 to 1.7 above. However some crews will choose to move behind the Start for a warm-up and others will remain in the area to the East of the Start Zone prior to racing. Thus crews/scullers may be approaching their start position from either side of the course and the GREATEST CARE POSSIBLE must be taken.

3.2 The marshalling area adjacent to the Start Zone should not be used for warming up prior to competition due to the congestion of boats in this area. Warming up should whenever possible be undertaken while proceeding from the pontoons to the marshalling area adjacent to the start zone.

3.3 The area on the Eastern side of the start pontoon should not be used for warming up. It is within the Start Zone and boats should only be in this area awaiting permission from the Starter to enter their lane for the commencement of a race.

3.4 Crews/Scullers moving in the area north of the Start Line should always move in an anti-clockwise direction.

3.5 Once the previous race has cleared the 100 metre zone the crews for the next race may move with care into their lanes only when instructed to do so by the Starter.

3.6 Crews/Scullers may practice in their own lane before the start of their race between the start and the 500 metres, provided there is adequate time before the start and PROVIDED they obtain the specific approval of the Starter who shall first ascertain that the lane is clear of other boats.

3.7 Crews are reminded that "any competitor arriving at the starting position less than two minutes before the starting time may be awarded a false start". The starting position means having your boat held by the appropriate boat-holder.

3.8 During periods of competition, crews/scullers proceeding back to the pontoons from the finish MUST pass between the outer limits of lane 1 and the shoreline in front of the judges Tower. They must not row in a northerly direction onto any lane of the course.

## TRAINING DURING HOURS OF COMPETITION

On days of competition further special rules shall apply from half an hour before the scheduled start of the first race on the programme until 10 minutes after the conclusion of the last race on the programme.

4.1 Provided there is the utmost co-operation from crews and scullers, the Boat Race Officials will permit training during hours of competition. IF THERE IS ANY INTERFERENCE WITH CREWS COMPETING, THIS PERMISSION WILL BE WITHDRAWN IMMEDIATELY.

4.2 The course shall be CLOSED to all power boats, except official craft, from a point 250 metres north of the Start to a point 250 metres south of the Finish.

4.3 Crews/Scullers preparing for a race shall have

# BOAT TRAFFIC RULES

absolute priority of usage of launching pontoons over crew/scullers proceeding for a training row.

4.4 Crews/Scullers participating in training only shall proceed under the normal traffic rules as quickly as possible beyond the Start to avoid any interference with crews warming up for race preparation.

4.5 Crews/Scullers may return from the Start area along the Western side of the lake provided they do not move closer to the outer limits of lane 8 than 100 metres, save near the start and finish.

4.6 Crews training must not pace any race in progress.

4.7 Crews training must stop at least 250 metres from the finish (in either direction) if any race is within 500 metres of the finish.

4.8 Crews training are asked to display full consideration for the crews engaged in actual competition and must stop rowing well before a race overtakes them.

CREWS RACING OR ABOUT TO RACE MUST BE SHOWN THE ULTIMATE CONSIDERATION BY CREW/SCULLERS WHO ARE TRAINING ONLY.

## PENALTIES FOR BOAT TRAFFIC INFRINGEMENTS

5.1 All licensed Boat Race officials are authorised to award appropriate penalties against any crew or sculler who infringes these traffic rules whether they occur during a competition period or during training periods.

5.2 Such penalties may include exclusion from a regatta, or awarding a false start in the next event contested and/or a monetary fine.

## ADAPTIVE TRAINING

The Organising Committee requests that all Team Managers, Coaches and Athletes respect the principles of understanding, consideration and care with our Adaptive rowers during their training periods.

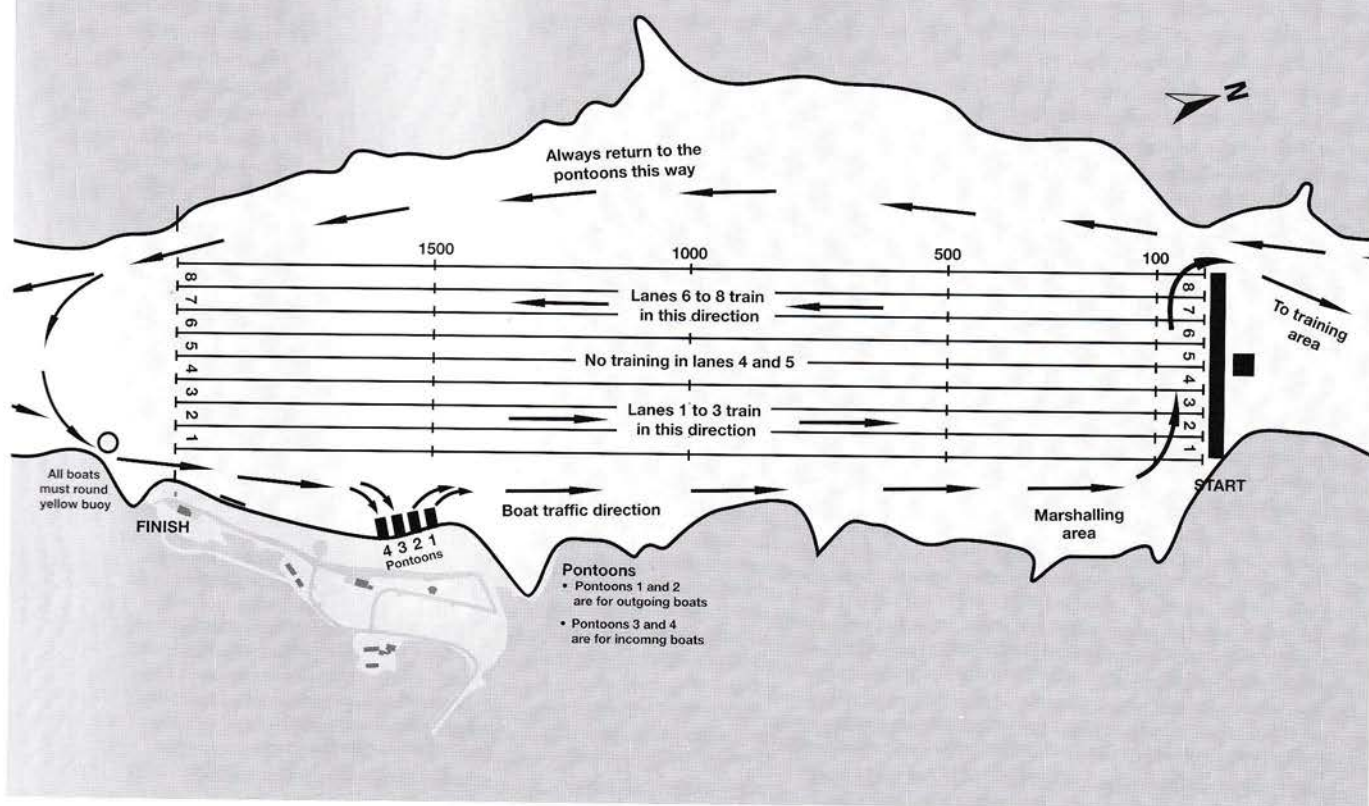

As in the previous Australian Championships our Adaptive athletes will participate, continuing our intergration programme.

Based near the 1,500 Metre mark (Murfett's Bay) adaptive rowers will be easily identified on the water due to the specialised rowing craft and will be supervised during their training periods.

We ask for your consideration and care when meeting the Adaptive rowers both on and off water.

# GET REVVED UP FOR *a real adventure* IN TASMANIA'S FORESTS

## TAHUNE FOREST AIRWALK

Take in the breathtaking views of Tasmania's southern forests from the spectacular elevated walkway, soar like a bird on an eagle glide hang-gliding adventure or witness the power of nature first hand with a rafting expedition down the mighty Picton River. Open 9am – 5pm November to March and 10am – 4pm April to October.

## HOLLYBANK TREETOPS ADVENTURE

Fly the wire through the canopy at picturesque Hollybank Forest Reserve accompanied by our friendly and knowledgeable guides and get a bird's-eye view of one of the state's most beautiful forests. Open 9am – 6pm November to March and 10am – 5pm April to October.

## TARKINE FOREST ADVENTURES

Slide into an ancient blackwood forest, hire a mountain bike and go riding along one of the many trails or venture out after dark on a night tour and discover a world rarely seen. Open 9am – 5pm November to March and 10am – 4pm April to October.

Adventure Forest sites are open seven days a week  
Bookings essential for Hollybank Treetops Adventure  
For information and bookings visit:  
[www.adventureforests.com.au](http://www.adventureforests.com.au) or phone 1300 720 507

Australian Government  
Australian Sports Commission

NATIONAL TALENT ID AND DEVELOPMENT

AUSTRALIAN  
INSTITUTE OF SPORT

Proud sponsors of the 2009  
Australian Championship  
Schoolboy and Schoolgirl  
Single Scull

Continuing the exciting innovation, the schoolboys' and schoolgirls' single sculling events at the 2009 Australian Rowing Championships will be jointly sponsored by the Australian Institute of Sport, the National Talent Identification and Development Program and Sykes Racing.

**THE PRIZE!**

An elite Sykes Racing Single Scull will be presented to the schools represented by the winning scullers in the Schoolboy and Schoolgirl Single Scull events.

This sponsorship aims to continue the healthy participation levels in the respective Australian Championship sculling events, to help identify young rowers who may go on to represent Australia to win Olympic and world championship medals in heavyweight single sculling events by 2016.

These boats, proudly displaying all sponsor logos, will not only add to the fleet of the successful schools, but also constitute impressive trophies.

# AUSTRALIAN INTERSTATE REGATTA MEDALLIONS

Rowing Australia is delighted to introduce an exciting evolution in the medallions which are presented at the Interstate Regatta.

For the first time, winners of the women's events of the Australian Interstate Regatta will be awarded with medallions individually casted for their specific event. In conjunction with the introduction of medallions for female winners, existing Interstate medallions have also been renewed and feature improved designs and quality.

## Mens Eight and Single Scull

The Kenny Medal is awarded to winners of the King's Cup which crews have competed for since 1921, as well as the Interstate Men's Single Scull which scullers have been competed for since 1926.

## Womens Eight

This medallion will be awarded for the first time to winners of the Queen's Cup. Queen Elizabeth II provided her consent for this trophy in 2003.

## Mens Youth Eight - Under 21

This medallion is awarded to winners of the Interstate Men's Youth Eight and carries the name of Noel F Wilkinson who provided the original trophy for the event in 1974.

## Womens Youth Eight - Under 21

This medallion will be awarded for the first time to winners of the Bicentennial Cup for racing between Interstate Women's Youth Eights. The Cup was first presented by NSWRA in 1988.

## Lightweight Men Coxless Four

The Penrith Cup was first presented by the Penrith City Council in 1958 and was the pinnacle of a lightweight oarsman's career until FISA introduced lightweight rowing in 1974.

## Women Single Scull

This medallion will be awarded for the first time to winners of the Nell Slatter Trophy for Women's Interstate Sculling which has been raced annually since 1963.

## Lightweight Women Coxless Quad Scull

This medallion will be presented for the first time to winners of the Interstate Women's Quad Scull. This race was first contested in 1968 with the perpetual trophy being presented by the Victorian Ladies' Rowing Association.

## Common Reverse

This common reverse will form the back of all medals presented and features the names of all seven States competing in the Interstate Championships. This design will feature for the first time during this years event.

## Working with Tasmanian Business

Veolia Environmental Services provides a full range of waste management, resource recovery, environmental and industrial services across Tasmania.

We work closely with Tasmanian businesses, small and large, and have assisted many to develop waste management solutions that meet their specific requirements.

Services include recycling of e-waste and fluorescent tubes, collection and disposal / treatment of waste oil, hazardous and medical wastes and soil remediation.

To talk to Veolia about your waste management solution, please contact

Australian Government  
Australian Sports Commission

# WINNING PARTNERSHIP

## The Australian Sports Commission proudly supports Rowing Australia

The Australian Sports Commission is the Australian Government agency that develops, supports and invests in sport at all levels in Australia. Rowing Australia has worked closely with the Australian Sports Commission to develop rowing from community participation to high-level performance.

**Rowing Australia is one of many national sporting organisations that has formed a winning partnership with the Australian Sports Commission to develop its sport in Australia.**
