WELCOME MESSAGE FROM THE FISA PRESIDENT

It is with great pleasure that we launch the Samsung World Rowing Cup series in Sydney this year, and bring a World Rowing event back to the site of the memorable 2000 Olympic regatta. One of FISA's objectives is to increase the global footprint of our sport, and taking the World Cup out of Europe is an important step towards achieving this goal.

The post-Olympic year brings with it fresh athletes filled with dreams and aspirations for the next Olympic cycle. FISA and Rowing Australia, along with Samsung and Destination New South Wales, are proud to have supported the participation of medallists and finalists from the London Olympic Games who are no doubt looking to repeat and build on their achievements. We will enjoy watching them race with and against new faces and look forward to exciting racing this weekend.

We are also delighted to see the World Cup combined with the Australian Open Rowing Championships, the Australian Schools Championships and the King's & Queen's Cups Interstate Regatta, and believe that what we will see this week is a true festival of rowing.

I would like to thank Rowing Australia and its Organising Committee for their excellent organisation of this event and wish the competitors and spectators a fantastic week.

Denis Oswald
President, FISA

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

Rowing in Australia is entering a new and exciting chapter and we are delighted to be hosting the first round of the 2013 Samsung World Rowing Cup series, conducted at the Sydney International Regatta Centre, site of the Sydney Olympic Regatta. It is an honour to be able to bring the best rowers in the world back to compete at this first-class rowing facility for the first time since the Games in 2000.

This event will be the first time a Samsung World Rowing Cup has been held in the Southern Hemisphere. It will also be the first time in the history of world rowing a Samsung World Rowing Cup round will be incorporated into a combined program which also features the Australian Open Rowing Championships, Australian Schools Rowing Championships, the prestigious King's and Queen's Cup events, as well as the Samsung World Rowing Cup.

We are pleased that this unique format will provide many young school and club rowers with an incredible experience of competing on the same water as many London 2012 Olympic Champions. It will also ensure significant spectator numbers and create a wonderful atmosphere to complement the spectacular racing that will take place.

This regatta represents a significant opportunity for the Australian rowing community to demonstrate the strength of the sport in our country. We look forward with great enthusiasm to making the most of this wonderful opportunity and delivering this exciting event to the international rowing community.

Our sincere thanks are extended to our partners and sponsors Singapore Airlines, Destination NSW, World Rowing, Samsung, the World Wildlife Foundation, Gazprombank and Vnesheconombank. I would like to make particular mention of the significant contribution from the NSW Government, through Destination NSW – right from its conception this event has had the full support of the team at Destination NSW and without their considerable financial input this event would not have been possible.

We hope you take the opportunity to make the most of your time in Sydney and everything the region has to offer during your stay. On behalf of Rowing Australia, I extend a warm welcome to you all and wish you the best of luck for a successful and enjoyable regatta.

MESSAGE FROM ORGANISING COMMITTEE CHAIRMAN

I am thrilled to be welcoming competitors, coaches, sponsors, officials and spectators to Penrith for the 2013 Sydney International Rowing Regatta.

The 2013 Sydney International Rowing Regatta is a very special event in a number of ways and promises to deliver seven days of fabulous racing. In particular, it provides a wonderful opportunity for our school and club athletes to compete in the same arena as their Olympic heroes – a unique experience that we hope will enthuse a new breed of young rowers. Rowing Australia must be congratulated for their foresight and commitment to such an exciting endeavour in offering this unique concept to the rowing world. The ability of RA to deliver this wonderful event demonstrates the professionalism and capacity of our sport in Australia and I am excited at what lies ahead for us.

We have faced some challenges in delivering an event of this scale, but the one factor that has remained constant throughout is the professionalism and dedication of the individuals that form the Organising Committee. The Committee is formed of a diverse group, each offering specialist knowledge and skills, and all contributing above and beyond expectations. Too many to name personally, I thank you all for your tremendous contribution, particularly those that have provided their expertise and services in a voluntary capacity.

We have received incredible support from many sponsors and partners along the way, but I would like to make particular note of the assistance we have received from the local Penrith community through the Mayor Councillor Mark Davies, the Communications and Marketing team at Penrith City Council, led by Barbara Magee, and the Penrith City Chamber of Commerce, led by Jill Woods. Penrith has been wonderful in providing support in all areas and embracing rowing and the SIRR event. They have prepared their city beautifully and we are proud to again be bringing the international rowing world to such an accommodating community.

To the boat race officials, boat drivers, volunteers and all support staff – we thank you for your significant and vital contribution to the event. We are so grateful to be surrounded by such a wonderful group of people who give so generously of their time and expertise. Without you, events such as these would not be possible.

We hope you enjoy your experience at the regatta – an event that will truly be a 'festival of rowing'. To our international guests especially, welcome and please come back again.

WORLD ROWING CUP

The World Rowing Cup is an annual team competition, created in 1997, comprising three international regattas per year.

At each regatta, in each event of the Samsung World Rowing Cup, the highest placing boat from a National Federation in each boat class is awarded the following points:

1st	8 points
2nd	6 points
3rd	5 points
4th	4 points
5th	3 points
6th	2 points
7th	1 point

At the first two regattas, the crew with the most points in that event is declared the Samsung World Rowing Cup Leader and receives the 'World Rowing Cup Leader Bib'. After the third Samsung World Rowing Cup regatta, the crew with the most points in each boat class is declared the World Cup winner and receives the World Rowing Cup for that boat class. The nation with the most points overall from all boat classes is declared winner of the Overall Samsung World Rowing Cup.

It is empowered by its 137 member National Rowing Federations, the National Olympic Committees and the International Olympic Committee to govern the sport of rowing.

FISA sets the rules and regulations for the practice of the sport, in all its forms (elite, adaptive, and soon coastal and indoor), and organises sanctioned World Rowing events. MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with the greatest pleasure I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2013 Sydney International Rowing Regatta (SIRR).

I am truly thrilled and honoured to be part of such an exciting time for rowing in Australia. This 2013 event will pioneer a unique format, combining for the first time a national championship regatta together with a round of the Samsung World Rowing Cup. This week-long 'festival of rowing' will also be the first time a Samsung World Rowing Cup has been held in the Southern Hemisphere. Securing the rights to host this regatta represents a significant opportunity for the Australian rowing community to demonstrate the strength of the sport in our country.

The SIRR follows a promising quadrennium for Australian rowing, both on and off the water, and it has been a great pleasure to oversee the success of all areas of Rowing Australia's operation. The performances of our athletes at the London Olympic Games made 2012 Australia's second most successful Olympic regatta in terms of total medals achieved, highlighted by the wonderful silver medal performances of the Men's Four, Women's Pair and Women's Double Scull, and the bronze medals won in the Men's Quad Scull and Women's Single. Kim Crow's performances to win medals in both the Women's Double and Single Scull events, despite being the only athlete to double up at the regatta is particularly noteworthy and should be celebrated by the Australian rowing community. Furthermore, Erik Horrie's performance to secure a Paralympic Silver medal, despite numerous setbacks both in the lead up and during the regatta, is also a truly wonderful achievement.

The results of our senior athletes were underpinned by the success of our U23 team who also enjoyed a triumphant international season, delivering one gold, two silver and two bronze medals at the U23 World Rowing Championships.

The Australian Sports Commission (ASC) recently released Australia's Winning Edge, the strategy for high performance sport in Australia over the next decade. Australia's Winning Edge provides high performance sports with clear performance targets and a framework for collaboration. Rowing Australia has presented a submission outlining its strategies for the delivery of Australia's Winning Edge and the challenge for the National Rowing Centre of Excellence (NRCE) over the coming quadrennium is to capitalize on the existing performance framework which has produced the results we celebrated throughout the year, maximize the development of our emerging athletes and coaches, and refine the programs and systems that are in place to ensure we are able to achieve our gold medal objectives in Rio. RA is also committed to developing the community and grassroots aspects of our sport through such initiatives as the Adopt a School Program, the Illicit Drugs in Sport Program and ongoing coach education sessions around the country.

In addition to this year's SIRR event, Rowing Australia has also been awarded the rights to host the first round of the 2014 Samsung World Cup, presented in the same format as the 2013 SIRR, and the 2014 FISA World Masters Regatta at Lake Wendouree, Ballarat, home of the rowing regatta for the 1956 Olympic Games. We are very excited at what lies ahead and we look forward to delivering these wonderful events to both the Australian and international rowing community.

The SIRR event could not have been possible without the generous and unwavering support of our partners and sponsors –Singapore Airlines, Destination NSW, World Rowing, Audi Centre Canberra, Hopkinsons and Rowing NSW. I would like to make particular mention of the significant contribution from the NSW Government, through Destination NSW – right from its conception this event has had the full support of the team at Destination NSW and without their considerable financial input this event would not have been possible.

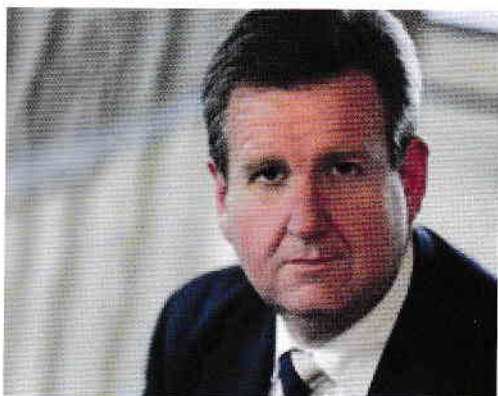

Thanks must also be extended to the Organising Committee, led by Mr John Boulton, for their expertise and professionalism in working tirelessly to pull together what promises to be a highly successful and enjoyable event. In addition, staff of both the Rowing Australia and Rowing NSW offices have contributed a tremendous amount to the organization of the SIRR and I extend my thanks to them also.

I would like to wish every participant the very best of luck for their races throughout the week. I look forward to witnessing some great racing and enjoying the spectacle of the Sydney International Rowing Regatta.

COLIN SMITH

President – Rowing Australia.

WELCOME MESSAGE FROM THE NSW PREMIER

On behalf of the NSW Government I am pleased to welcome you to the inaugural Sydney International Rowing Regatta.

This is the first time since 2000 that such a prestigious rowing event has been held in Australia and it's fitting that we welcome the world rowing's elite back to the Sydney International Rowing Centre, site of the Sydney Olympics.

The Sydney International Rowing Regatta is comprised of four signature events:

- Australian Open Rowing Championships
- Australian Open Schools Rowing Championships
- Kings & Queen's Cup Interstate Regatta
- World Rowing Cup

This is the first time the World Rowing Cup has been held in the southern hemisphere - a significant coup for the event and for NSW. Over 300 of the world's best rowers from over 20 countries are confirmed to compete in Sydney from 18-24 March and we also look forward to welcoming the cream of Australia's School Teams to the competition.

Major Events such as the Sydney International Rowing Regatta play an important role providing job opportunities, economic growth and contributing to the NSW Government's target of doubling overnight visitor expenditure by 2020.

My best wishes to all involved in the Sydney International Rowing Regatta and I look forward to a thrilling week of world-class competition in Sydney, Australia's global festival and events city.

Message from Her Excellency, Professor Marie Bashir AC CVO

2013 Sydney International Rowing Regatta

I am indeed delighted to affirm my strong support for the 2013 Sydney International Rowing Regatta. I regret very much that, this year, I am unable to attend to share the spectacle and excitement with you.

The national rowing championships have long been a showcase of sporting prowess and also outstanding organisation, and I am confident that these championships will prove to be no different. This year is a particularly special event as, for the very first time in world rowing history, the regatta is combined with a round of the Samsung World Rowing Cup. I congratulate Rowing Australia and Rowing New South Wales on securing such a special event for the people of New South Wales to witness.

I send warm regards to those athletes vying for the prestigious King's Cup, and certainly also, to the women's eight crews competing for the Queen's Cup.

I wish all competitors and coaches the very best of luck for the Regatta – you all deserve our congratulations for your commitment and personal sacrifices. I also commend the many hundreds of staff, officials and volunteers whose contribution will ensure a successful and enjoyable regatta for all involved.

INTERSTATE MEN'S EIGHT OARED CHAMPIONSHIP FOR THE KING'S CUP

First won in 1919 at the Henley-on-Thames Regatta held on 2nd to 4th July of that year, this handsome trophy, a substitution for the Grand Challenge Cup race for that year, was presented by His Majesty King George V to the successful AIF No 1 crew which, along with seven others, contested the eight-oared race for competition between crews from the armies of the Allies in the 1914-18 War.

"The successful crew defeated the AIF No 2 crew in the first heat, Cambridge University in the semi-final and Oxford University in the final by a margin of one length in a time of 7 minutes 7 seconds, the other competitors being Canada, France, New Zealand and United States

"The famous trophy was left in the custody of the Australian Military Authorities, and was later handed over to the Australian War Memorial Council and placed in the Australian War Museum.

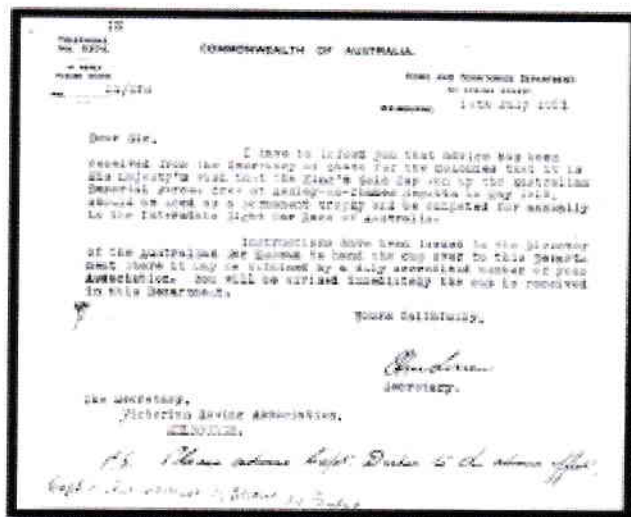

"On 14th May, 1920, at a conference of delegates of the Australian Rowing Associations held in Brisbane, it was decided to ask the Australian War Memorial Council for the Cup as a perpetual trophy for the Australian Eight-Oared Championship. This request was refused, and on

12th October of the same year a further request was made by the Victorian Rowing Association for the Cup with the suggestion that it be kept in the Australian War Museum of the State which won the race each year. This request was also refused.

"The second refusal precipitated further action by the Victorian Rowing Association, and a petition to the King prepared by it dated 30th October 1920, and signed by Captain H C Disher, was sent to his Majesty with the request that he make known his wishes with regard to the disposal of the trophy.

"A reply dated 13th May 1921 received from the Secretary of State for the Colonies, Mr Winston Churchill, stated that, 'His Majesty commands me to inform you that it is his wish that the Cup should be used as a permanent trophy and be competed for annually in the Interstate Eight-oared Race of Australia'."

The letter below formalized the transfer in July 1921,

The first Interstate Men's Eights Championship raced for the King's Cup was in 1922. However for the record, the sport and the trophy itself have recorded that crews raced for the Cup from 1920.

INTERSTATE WOMEN'S EIGHT OARED CHAMPIONSHIP FOR THE QUEENS CUP

The first recognized championship occurred in 1920 when the Interstate Women's Four Championship was conducted in conjunction with the Interstate Men's Championships. The Australian Women's Rowing Council was also established at these Championships. It is worth noting that the Australian Amateur Rowing Council was not formed until 1927.

ULVA Trophy

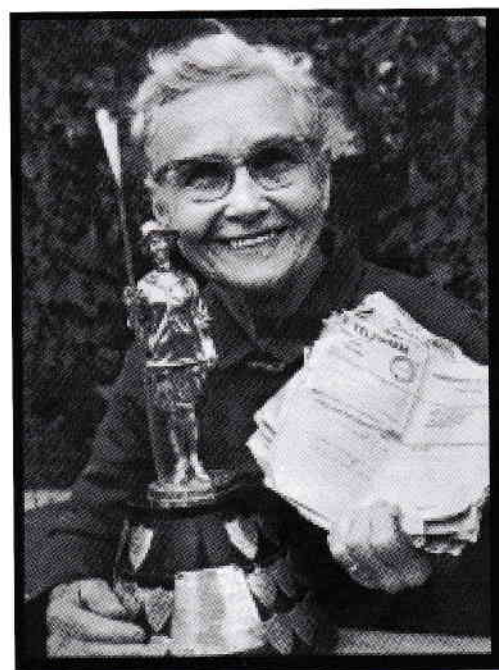

The 1920 Interstate Women's Four Championship was won by South Australia represented by a Mannum Rowing Club crew stroked by Dorothy Arnold. The United Licensed Victuallers Association (ULVA) of Queensland presented to the Australian Women's Rowing Council this unique sterling silver trophy.

The trophy was crafted by London silversmiths to depict Dorothy Arnold, the petite girl from Mannum who stroked the winning crew. She is holding her oar and dressed in the rowing garb of her time, namely a floppy hat, sailor top and billowing bloomers. The trophy is inscribed with the following words: Interstate Ladies Four-Oared Championship Trophy Presented by Queensland Licensed Victuallers Association E H Ruddle Esq. President 1920.

The trophy is affectionately known to Australian oarswomen as Bertha. However in 1941, on the motion of NSW, the Australian Womens Rowing Council resolved to drop the name Bertha and that it be officially known as the ULVA Trophy. This change occurred only officially with the name Bertha still used by oarswomen.

In 1958, there was a brief discussion at the Australian Womens Rowing Council about the outmoded appearance of the trophy. Fortunately the majority of members disapproved of any alteration to modernise the dress of the model of the trophy.

In 2003, the trophy became officially known as the Queen Elizabeth II Trophy, or the Queens Cup. The original ULVA trophy remains the perpetual trophy.

INTERSTATE MEN'S SCULLING CHAMPIONSHIP FOR THE PRESIDENT'S CUP

Following the formation of the Australian Amateur Rowing Council in 1925, the first President Mr EC Watchorn, a trustee of the Geo. Adams Estate controlling Tattersall's Sweep Consultations, donated the President's Cup as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

First competed for in 1926 and won by the Late A A Baynes of Queensland, some famous Australian Olympians have been the holders of this trophy. The records of these, all representing NSW, are well known:

- Henry (Bobby) Pearce, holder of the Cup on three occasions and Olympic Gold Medallist in 1928 and 1932,
- His cousin C A (Cecil) Pearce four times holder,
- Duncan Free six times holder and Olympic medallist in the quad scull, and
- M T (Mervyn) Wood, holder on eight occasions and Olympic gold, silver and bronze medallist in 1948, 1952 and 1956 respectively.

Perhaps the most unlucky sculler was G Squires from Tasmania who was placed second on seven occasions, third on another and won the race only once in 1963.

The President's Cup

INTERSTATE WOMEN'S SCULLING CHAMPIONSHIP FOR THE NELL SLATTER TROPHY

Nell Slatter Trophy

The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the Championship as a tribute to the then Queensland President Nell Slatter.

INTERSTATE MEN'S LIGHTWEIGHT FOUR CHAMPIONSHIP FOR THE PENRITH CUP

The Penrith Cup

The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia.

The original weight restriction was for athletes who weighed no less than 140 lbs (63.6 kg). The weight limits have changed over time but since 1974 have mirrored those of FISA namely 72.5 kg maximum and 70 kg crew average.

The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted. The strength and depth of Australian lightweights was shown by a gold medal at the 1974 FISA Championships in the fours and the considerable success achieved by Australian lightweights ever since that time. The quality of winning crews of the Penrith Cup is consistently very high.

INTERSTATE WOMEN'S LIGHTWEIGHT QUAD SCULL FOR THE VICTORIA CUP

The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The victory was recorded by Victoria with a crew stroked by one of Australia's best known oarswomen, Margaret Agnew Mackenzie, whose efforts in negotiating with the Women's Rowing Council, secured lightweight rowing as an annual event on the women's Interstate rowing programme.

The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event.

Lightweight women have recorded many international victories, the first being at the inaugural competition between the United States of America, Canada and Australia at St. Catherines, Canada, in 1979, when Australia was successful in the two events for which crews were entered — Lightweight Four with Cox and Lightweight Pair.

From 1996, the event became coxless. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double sculling event.

The Victoria Cup

INTERSTATE MEN'S YOUTH EIGHT CHAMPIONSHIP FOR THE NOEL WILKINSON TROPHY

Recognising the necessity to introduce a class of rowing in which Australian youth oarsmen could compete, the Australian Rowing Council initiated the Interstate Youth Eight-Oared Championships at an age limit some 18 months older than the internationally accepted junior age limit.

The first Championship was conducted in Victoria in 1974, and in that same year, the Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and also for Australian Olympic teams. He was also a long serving Treasurer of the Australian Rowing Council.

The Youth Championships, combined with the junior events conducted in other boat classes at the National Championships, 26 fulfills the original purpose of Council and the donor, namely to provide an incentive for young oarsmen to continue in the sport following completion of their secondary school education and a development step to higher classifications.

The trophy is inscribed as follows:

Australian Amateur Rowing Council Noel F Wilkinson
Trophy Youth Eight Oared Championships of Australia

Wilkinson Trophy

INTERSTATE WOMEN'S YOUTH EIGHT OARED CHAMPIONSHIPS FOR THE BICENTENNIAL CUP

A women's youth event was commenced in 1988 in coxed fours. The event became an eight oared event in 1994 due the continued growth in women's rowing and the need to provide more opportunities for these athletes.

The Cup was presented by the New South Wales Rowing Association and has the following words engraved on the Cup:

For competition between Women's Interstate Women's
Fours.

The Bicentennial Cup

ROWING AUSTRALIA CUP

This trophy was presented to Rowing Australia in 1999 by its then principal sponsor Zurich Financial Services for presentation to the State with the highest points scored from racing in each Interstate Championship.

Rowing Australia Cup

States are awarded points in each Interstate event on the following basis:

- First place: 8 points
- Second place: 6 points
- Third place: 5 points
- Fourth place: 4 points
- Fifth place: 3 points
- Sixth place: 2 points
- Seventh place: 1 point

The cup itself is one of only 500 in the world that was made from the sands collected by Olympians from every Olympic country in the world.

Naturally the cup is presented after the last Interstate Championship each year to the Councillor of the winning State.

RegattaCentral Online Rowing System

Why is the SIRR using RegattaCentral?

At the request of all State Associations, Rowing Australia appointed independent consultants and experienced individuals to conduct a thorough review of the Australian rowing community's online system requirements, including the ROMS system. The review found that a high level of dissatisfaction existed among users of ROMS. A further analysis of available global systems recommended that Rowing Australia adopt RegattaCentral for all of its future event and membership management services.

What is RegattaCentral?

RegattaCentral (www.regattacentral.com) is the largest specialised rowing systems provider in the world, and is currently utilised in the USA, Canada, Australia, Germany and Italy. It has delivered over 485,000 boat entries, 140,000 memberships and transacted over \$42 million of services to the global rowing community. On an annual basis Regatta Central delivers 350 regattas to 2,400 clubs, including the FISA World Masters, Head of the Charles, Royal Canadian Henley, San Diego Crew Classic, and the Melbourne Head. The RegattaCentral model has been developed in a market where individual regatta organiser and club officials support the best value for money system. This means that RegattaCentral has delivered a system that provides value, responsive service and support, and ease of use.

What does RegattaCentral provide?

RegattaCentral offers a number of tools to help people get their jobs done quickly and easily, including:

- World leading regatta management, registration and entry systems
- Wide-ranging regatta management tools
- Quick, secure and easy to use online payment for entry fees and membership subscriptions
- Comprehensive club management tools including payments for membership and other activities
- Efficient and accurate accounting tools to assist clubs
- Live results tracking and displays via both mobile app and website

Why don't we use RegattaCentral for more events?

Rowing Australia will use RegattaCentral for all national events. State Associations are continuing to use existing online systems at the moment and will each shortly make a decision about their preferred future online system. If you have enjoyed using RegattaCentral for the SIRR and would like to use it for more events then please contact your State Association.

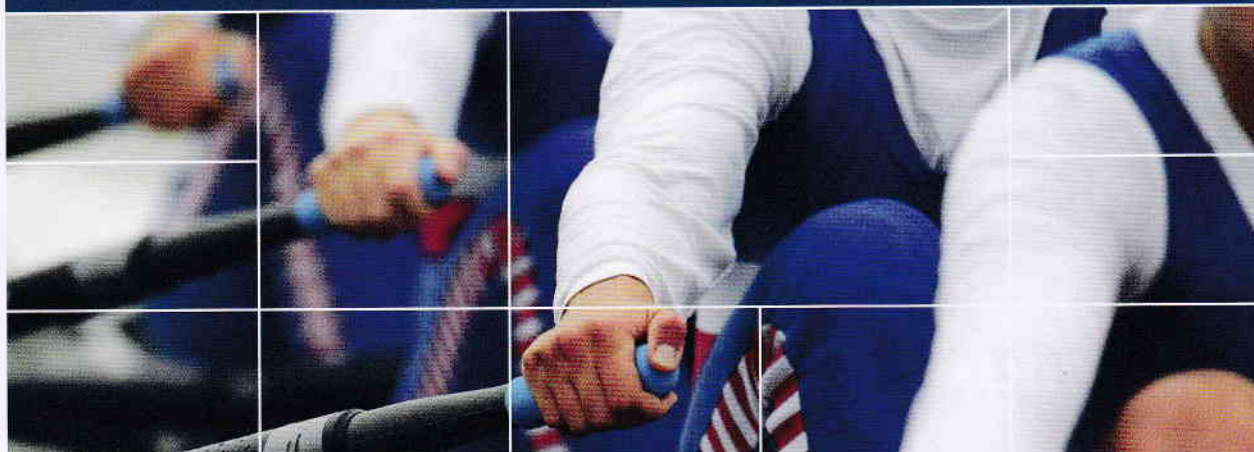

Want to Know More?

The RegattaCentral team can help you set up regattas or club management features to assist your club.
