I am pleased to provide this message for the 2014 Sydney International Rowing Regatta.

The Sydney International Rowing Regatta draws together the highest calibre of athletes from Australia and around the world.

It is Australia's largest rowing event as well as the only World Rowing Cup held in the Southern Hemisphere.

This competition will test their mettle.

This year's regatta will build on the success of last, which attracted over 2,000 domestic and international athletes and over 41,000 spectators.

It is also an opportunity to cheer on our Australian champions, including Kim Crow, Josh Dunkley-Smith, Will Lockwood and Kathryn Ross. They have added to our proud history of achievement at Olympic and Paralympic Games.

I congratulate Rowing Australia for making this event possible and I wish all athletes and spectators an enjoyable week.

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with the greatest pleasure that I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2014 Sydney International Rowing Regatta (SIRR).

The inaugural SIRR, conducted from 18-24 March 2013, was a truly fabulous occasion for Australian rowing – a week long festival of rowing that incorporated the Australian Open Rowing Championships, Australian Schools Rowing Championships, King's and Queen's Cups Interstate Regatta and the first round of the World Rowing Cup. The event marked the first time a World Rowing Cup had been conducted in the southern hemisphere and attracted more than 250 international athletes from 18 countries. In addition to these international competitors the SIRR attracted a record number of seat entries for the Australian Rowing Championship events, attracted ticket sales of 9,113 and recorded an overall attendance of 41,541 making the regatta the biggest rowing spectacle in the Asia Pacific region since the 2000 Sydney Olympic Games.

It is a great honour for Rowing Australia to again host this magnificent event and for the Australian Rowing Community to demonstrate the strength of the sport in our country. We are proud to have overseen the event from its initial planning stages through to the overwhelmingly successful execution in its inaugural year and are confident that the 2014 event will be an even greater showcase for Australian rowing.

Following the great success of the SIRR event, Rowing Australia is very honoured to have entered into a partnership with the NSW Government, through its major events arm Destination NSW, to host the Australian Rowing Championships incorporating the Australian Open Rowing Championships, Australian Schools Rowing Championships and King's and Queen's Cups Interstate Regatta at the Sydney International Regatta from 2015 to 2017. We thank the NSW Government for its continued support and look forward to developing the Australian Rowing Championships into a significant and successful event within the Australian sporting calendar.

In addition to this year's SIRR event, Rowing Australia has also been awarded the rights to host the 2014 World Rowing Masters Regatta at Lake Wendouree, Ballarat, home of the rowing regatta for the 1956 Olympic Games. We are very excited at what lies ahead and we look forward to delivering these wonderful events to both the Australian and international rowing community.

The SIRR event would not be possible without the generous and unwavering support of our partners and sponsors and, in addition to the significant support of the NSW Government through Destination NSW, would like to thank and acknowledge all of our event partners headlined by Singapore Airlines, World Rowing, Audi Centre Canberra and Rowing NSW.

Sincere thanks must also be extended to the SIRR Project Board, led by Mr John Boulton, for its expertise and professionalism in working tirelessly to organise this highly successful and enjoyable event. In addition, staff of both the Rowing Australia and Rowing NSW offices have contributed a tremendous amount to the organisation of the SIRR and I extend my thanks to you also.

Furthermore, an event such as the SIRR would simply not be possible without the steadfast support of the army of volunteers whose enthusiasm and tireless efforts epitomise the great spirit of cooperation that exists within the Australian rowing community. I thank you all for your invaluable assistance.

I would like to wish every participant the very best of luck for their races throughout the week. I look forward to witnessing some great racing and enjoying the spectacle of the 2014 Sydney International Rowing Regatta.

COLIN SMITH

President – Rowing Australia.

WELCOME MESSAGE FROM THE NSW PREMIER

On behalf of the NSW Government I am pleased to welcome you to the 2014 Sydney International Rowing Regatta, Australia's largest rowing event.

This is the second time this prestigious rowing event, incorporating the World Rowing Cup, has been held here in Sydney, Australia - a significant coup by our tourism and major events agency, Destination NSW, and for the people of NSW.

The Sydney International Rowing Regatta comprises of four signature events:

Australian Open Rowing and Open Schools Rowing Championships
Kings & Queen's Cup Interstate Regatta
World Rowing Cup round 1

From 23 - 30 March, close to 250 of the world's best rowers from more than 20 countries will compete here in Sydney. We look forward to welcoming all competitors including the best of Australia's School Teams, as well as world rowing's elite to the Sydney International Rowing Centre, site of the Sydney 2000 Olympic Games.

Major events such as the Sydney International Rowing Regatta play an important role in providing job opportunities, economic growth and contributing to the NSW Government's target of doubling overnight visitor expenditure by 2020. I extend my best wishes to all involved in the Sydney International Rowing Regatta and I look forward to a thrilling week of world-class competition in Sydney, Australia's major sporting events capital.

A STAR ALLIANCE MEMBER

KING'S AND QUEEN'S CUPS INTERSTATE REGATTA EVENT HISTORIES

THE KING'S CUP (INTERSTATE MEN'S COXED EIGHT) Inter-colonial racing in eight-oared boats commenced in 1878 when the Victorian Rowing Association invited New South Wales oarsmen from the Sydney and the Mercantile clubs to boat crews for a race on the lower Yarra River over about four miles. Since 1921 the crews have competed for the King's Cup. The trophy had been won by a First Australian Imperial Force crew at the Royal Peace Regatta held in London in 1919 and was presented to the victorious eight-oared boat by King George V. In time, and in against dogged resistance from the Australian War Memorial, the Victorian Rowing Association petitioned the King to express his intention for the Cup, and at his command it became the perennial trophy to be presented to the winning state representative men's eight at the annual Australian Rowing Championships.

THE QUEEN'S CUP (INTERSTATE WOMEN'S COXED EIGHT) The premier interstate event for women was the ULVA trophy which from 1920 till 1998 was a fours event. The trophy had first been presented by the United Licensed Victuallers Association (ULVA) of Queensland, and is affectionately known as Bertha. In 1999 the women's interstate race was changed to an event for Vllls. In 2003, the trophy became officially known as the Queen Elizabeth II Trophy, or the Queens Cup. The original ULVA trophy remains the perpetual trophy.

THE PRESIDENT'S CUP (INTERSTATE MEN'S SINGLE SCULL) An intercolonial sculling race between New South Wales and Victoria was first held in 1868 and then annually from 1895 with Queensland also racing. Tasmania has consistently been represented since 1903. South Australia and West Australia have entered scullers with some regularity but not consistently until the 1960s. The first President of the Australian Amateur Rowing Council, Mr E.C. Watchorn, donated the President's Cup in 1925 as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

THE NELL SLATTER TROPHY (INTERSTATE WOMEN'S SINGLE SCULL) The first interstate championship for the Women's Single Scull was not conducted until 1963 in Brisbane and has continued annually since that date. The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the event as a tribute to the then Queensland President Nell Slatter.

THE PENRITH CUP (INTERSTATE MEN'S LIGHTWEIGHT FOUR) The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia. The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted.

THE VICTORIA CUP (INTERSTATE WOMEN'S LIGHTWEIGHT QUAD) The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double scull.

THE NOEL F WILKINSON TROPHY (INTERSTATE MEN'S YOUTH EIGHT) The first Championship was conducted in Victoria in 1974, and in that same year, the Australian Rowing Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and Australian Olympic teams. He was also a long serving Treasurer of the Council.

THE BICENTENNIAL CUP (INTERSTATE WOMEN'S YOUTH EIGHT) A women's youth event was commenced in 1988 (the year of Australia's Bicentenary) in coxed fours. The event became an eight oared event in 1994 due the continued growth in women's rowing. The Cup was presented by the NSW Rowing Association.

KING'S & QUEEN'S CUPS INTERSTATE REGATTA FORM GUIDE

THE KING'S CUP (INTERSTATE MEN'S EIGHT)

2013 Winner - New South Wales

Always one of the high points of the Australian Rowing Championships, the King's Cup should again come down to the two usual suspects, Victoria and NSW. NSW will be looking to extend their state record winning streak to 7 in a row stretching back to 2008, also held at the Sydney International Regatta Centre. Both crews will field world-class crews, both will be packed with World and Olympic medallists, and their battle should be one of the better of the week. South Australia have been quietly building over a few years and should again look to take the bronze, but Western Australia also looks quality and won't let them have it all their own way.

Editors Tip: Victoria to break the NSW streak by a canvas in a race for the ages

THE QUEEN'S CUP (INTERSTATE WOMEN'S EIGHT)

2013 Winner - Victoria

Another event with a long winning streak, Victoria will be looking for their 10th straight victory, and certainly have the crew to do so with World Champion Kim Crow, Olympians Phoebe Stanley and Lizzie Patrick and world medallists Lucy Stephan and Charlotte Sutherland forming the backbone. Queensland have been the perennial bridesmaid, placing 2nd for 5 years straight, and will be looking to push Victoria hard again however expect South Australia to feature prominently in the medals as well.

Editors Tip: Victoria to win 10 straight

THE PRESIDENT'S CUP (INTERSTATE MEN'S SINGLE)

2013 Winner - Western Australia (Rhys Grant)

Amazingly, the same sculler for every state from 2013 have been named again in 2014, plus the addition of Chris Morgan from South Australia. Should we expect the same results again? Probably not! Rhys Grant shocked the field in 2013 by blasting out of the start and holding on, so don't expect the others to be surprised again. Sasha Belonogoff for NSW shall come in as reigning Australian Champion from 2013 and will be in the thick of it; but with a 2012 Olympic medal Chris Morgan should also be watched, as should Max McQueeney of Tasmania who will be looking at improving on his 2013 bronze following a year in the Australian Under 23 team.

Editors Tip: NSW to win for the first time since 2008

THE NELL SLATTER TROPHY (INTERSTATE WOMEN'S SINGLE)

2013 Winner - Queensland (Sally Kehoe)

With Victoria's World Champion in the Women's Single Scull Kim Crow looking likely to compete in the Queen's Cup over the single, the field is opened up significantly. However, the smart money would be on Queensland's Sally Kehoe to back up from 2013 and claim her 5th Nell Slatter Trophy since she first won it in 2005, equalling the record for most individual wins in the event. However, she'll certainly have tough opposition from 2011 and 2012 runner-up Kerry Hore of Tasmania, with the dark horse being Victoria's Jen Cleary, having just been named in her first Australian Senior A team.

Editors Tip: Queensland to go two in a row and 8 in the last 10 years

KING'S & QUEEN'S CUPS INTERSTATE REGATTA FORM GUIDE

THE PENRITH CUP (INTERSTATE MEN'S LIGHTWEIGHT FOUR) 2013 Winner - Queensland

2013 saw Queensland win the Penrith Cup for the first time ever in emotional scenes, and with an unchanged line-up that all featured at the 2013 World Championships, they will be in the box seat again. However, expect this race to be one of the closest across the field of the regatta, with Tasmania (Sam Beltz, Ali Foot), Western Australia (Tim Widdicombe, Perry Ward, Cameron Fowler), Victoria (James Wilson, Red Matthews, Will Day) and New South Wales (Ed de Carvahlo, Simon Nola, Richard Coakley) all featuring past and/or present Australian reps. Should be a cracker!

Editors Tip: Queensland to just win from a tight field

THE VICTORIA CUP (INTERSTATE WOMEN'S LIGHTWEIGHT QUAD) 2013 Winner - Western Australia

Western Australia made it two in a row in 2013 after winning at home in 2012, and with three of the same athletes in the boat will again be favourites. However, as per the Penrith Cup this could well be a fantastic race across the board, with the quality in several boats impressing. Queensland will be improved by Olympian Hannah Every-Hall coming back in after a year off, Victorian will be strong with Alice McNamara in the stroke seat, however it will be Tasmania who be pushing the hardest to knock WA off - with three current Australian reps in Ella Flecker, Annabelle Gibson and Georgia Nesbitt they will be strong indeed.

Editors Tip: Tasmania to reassert their lightweight authority just over Western Australia

THE NOEL F WILKINSON TROPHY (INTERSTATE MEN'S YOUTH EIGHT) 2013 Winner - New South Wales

Three in a row it was for New South Wales in 2013, and along with Victoria will always be strong in Men's sweep rowing. South Australia will again be strong and look to push from a 2013 silver to 2014 gold, however the Queenslanders will be most desperate to shrug off their poor 2013 result and with a crew that includes all athletes having represented Australia at Junior and/or Under 21 level they have the ability to do so.

Editors Tip: Queensland to win for the first time since 2004

THE BICENTENNIAL CUP (INTERSTATE WOMEN'S YOUTH EIGHT) 2013 Winner - New South Wales

The 2013 New South Wales crew was one of the strongest in years, and any boat featuring World Junior Champions Jessie Allen and Genevieve Horton will be hard to beat. Victoria will be strong as always and Queensland kept and developed on the backbone of the bronze medal winning 2013 crew.

Editors Tip: New South Wales to make it three in a row over Queensland

THE ROWING AUSTRALIA CUP 2013 Winner - New South Wales

Awarded to the State with the highest points scored from racing in each Interstate event.

MESSAGE FROM THE FISA PRESIDENT

The first leg of the 2014 World Rowing Cup series returns to Sydney for a second time and FISA is looking forward to Rowing Australia delivering another wonderful event. Moving the World Cup out of Europe and to the Southern Hemisphere is an important part of FISA's strategy to make rowing a truly global event. Sydney proved that it could be done and combining the World Cup with a week-long rowing festival not only allowed Australia to showcase their best rowers but also showed top rowing to Australia and the world. Again this year the festival will include the Australian Open Rowing Championships, the Australian Schools Championships and the King's & Queen's Cups and, judging by 2013, we welcome back the large and enthusiastic crowds. With Australia showing their strength on the international stage these crowds will no doubt revel in the racing.

As we move into the middle of the Olympic cycle crews are establishing themselves and some new faces have been coming through. Australia can be proud to have one of the shining lights as their own. Recently crowned World Champion, Kim Crow is an outstanding ambassador for the sport and for Australia and this World Cup will give Crow a chance to show her talents in front of a home crowd.

Racing on the 2000 Sydney Olympic regatta course in Penrith is an honour and a treat for every rower who has the opportunity to do so and it also allows rowing to make the most of this Olympic class facility. The facility proved its merit at last year's World Cup and we are looking forward to the same this year.

On behalf of FISA I would like to acknowledge and applaud the huge amount of effort that Rowing Australia has put in to staging this world class event and I would like to thank Rowing Australia's partners, the NSW Government, Destination NSW and Penrith City Council for helping bring together what is going to be a fantastic week of rowing.

Denis Oswald
President, FISA

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

Rowing in Australia is delighted to again host the first round of the 2013 World Rowing Cup series. We are honoured by the presence of the best rowers in the world and thank FISA for both providing Rowing Australia with the opportunity to host the World Rowing Cup and for its assistance in supporting the leading rowing nations to attend the event.

We are pleased that this unique format, which will again provide many young school and club rowers with the incredible experience of competing on the same water as World and Olympic Champions. We were greatly encouraged by the interest in the 2013 SIRR, in particular the large number of viewers that tuned into the broadcast of the event. We are confident that the numbers of viewers and spectators will continue to grow for this year's event and look forward to enjoying the wonderful atmosphere which will complement the spectacular racing that will take place. This 2013 SIRR demonstrated the strength of the Australian rowing community and of the sport in our country and we look forward with great enthusiasm to delivering another fantastic event for the international rowing community.

Our sincere thanks are extended to our partners and sponsors Singapore Airlines, Destination NSW, World Rowing, the Worldwide Fund for Nature, Vnesheconombank and Samsung.

I would like to make particular mention of the significant contribution from the NSW Government, through Destination NSW. We are also pleased to announce that Destination NSW has agreed to provide further support to enable RA to continue to host the SIRR at the Sydney International Regatta Centre in an altered format Regatta from 2015 to 2017 which will showcase the Australian Open Rowing Championships, Australian Schools Rowing Championships and King's and Queen's Cups Interstate Regattas. Right from its conception, the SIRR has had the full support of the team at Destination NSW and without their considerable financial input this event would not have been possible. We sincerely thank the NSW Government for its ongoing support.

We hope that our international visitors take the opportunity to make the most of your time in Sydney and everything the region has to offer during your stay. On behalf of Rowing Australia, I extend a warm welcome to you all and wish you the best of luck for a successful and enjoyable regatta.

MESSAGE FROM EVENT PROJECT BOARD CHAIRMAN

We welcome the Rowing World as well as the cream of Australia's rowers to the Second Edition of the Sydney International Rowing Regatta. Along with the athletes, we are delighted also to have the support staff, supporters and spectators joining us at the Sydney International Rowing Centre. I would also like to take this chance to welcome and thank the volunteers who are putting in hours of voluntary help again this year. We appreciate your efforts, but hope that you find the whole experience rewarding and enjoyable.

For the athletes, it's a once in the year opportunity for the best rowers in the world to enjoy the course at Penrith Lakes, which we Australians enjoy throughout the year. But also for our visitors, you give the opportunity to the Australian rowers - national team, club rowers and school rowers - to see international rowers in action here at home. We love having you here, and thank you for being here so early in your season.

Thanks also to our sponsors and supporters, particularly the NSW Government (Destination NSW), Singapore Airlines, and Penrith City Council. We hope that more and more rowers and their many supporters will continue to fly Singapore Airlines to NSW in order to visit and race in Penrith - we all benefit jointly from this partnership.

Sit back and enjoy some fantastic rowing.

Chairman, Sydney International Rowing Regatta Project Board

WORLD ROWING CUP

The World Rowing Cup is an annual team competition created in 1997, comprising three international regattas per year.

At each regatta, in each event of the World Rowing Cup, the highest placing boat from a National Federation in each boat class is awarded the following points:

1st	8 points
2nd	6 points
3rd	5 points
4th	4 points
5th	3 points
6th	2 points
7th	1 point

At the first two regattas, the crew with the most points in that event is declared the World Rowing Cup Leader and receives the 'World Rowing Cup Leader Bib'. After the third World Rowing Cup regatta the crew with the most points in each boat class is declared the World Cup winner and receives the World Rowing Cup for the boat class. The nation with the most points overall from all boat classes is declared winner of the Overall World Rowing Cup.

WORLD ROWING CUP CREWS TO WATCH

Kim Crow (AUS), Emma Twigg (NZL), Mirka Knapkova (CZE) - Women's Single Scull

It's hard to not put these three exceptional athletes together. Their battles over the past two years in Women's Single Scull are fairly legendary, having placed 1st, 2nd and 4th at the 2012 London Olympics, and 1st (Crow), 2nd (Twigg) and 3rd (Knapkova) at the 2013 World Rowing Championships. Crow will come into the event as favourite after her stellar year and on home water, however you would not count out any of them. Let's be clear, with these three ladies involved the A-Final of the Women's Single will be one of the races of the regatta!

Donata Vistartaite/Milda Valciukaite (LTU) - Women's Double Scull

One of the surprise packets of the 2013 season, the young Lithuanian combination started how the meant to go on by winning the European Championships, World Rowing Cup 3 at Lucerne and then the big one at the Chungju World Rowing Championships, just pipping out New Zealand in the last two regattas. With age certainly on their side they can get better again. Interesting fact - a minor scandal was caused in Lithuania when the World Champion Women's Double were named ahead of the Lithuanian Men's Basketball team as Lithuanian Sports Team of the Year!

Australia, Netherlands - Men's Coxless Four

Which would you rather have - the Australian's speed out of the start and rhythm through the middle, or the incredible explosive sprint to the line of the Dutch? The finish from the Netherlands crew in Chungju to mow down the Australian's on the line was something to behold, and if we see it again in Sydney you can be sure they'll hear the roar of the crowd all the way in Newcastle! There are likely to be changes to both crews with Australia entering 4 crews into World Rowing Cup 1, however this will still be a mighty battle and the Dutch will be hoping that their extended training camp in Penrith will pay off on race day.

Winning partnership Proudly supporting Rowing Australia

The Australian Sports Commission (ASC) invests in sport at all levels in Australia. We work with Rowing Australia to ensure Australian rowing athletes excel in the international sporting arena whilst increasing participation in rowing.

Rowing Australia is one of many national sporting organisations partnering with us to develop sport in Australia.

Turtles, like rowers, rely on clean water. Their survival depends on it. The Great Barrier Reef and the turtles that inhabit it are under serious threat from increasing water pollution and rapid industrialisation.
