WELCOME FROM THE TASMANIAN GOVERNMENT

Welcome to Lake Barrington, a picturesque location which hosts a variety of water-based activities and the fitting home of the 2021 Australian Rowing Championships.

We are excited to welcome the event back to Tasmania after over a decade, with the last Nationals event being held at Lake Barrington in 2009 - it really has been too long between visits.

This week-long event is a celebration of team work, athleticism and leadership, with rowers from all around the country taking part in a number of different events across the week. Comprising a full competition schedule, the Australian Rowing Championships will welcome athletes of all ages, from school rowers to Olympians and Paralympians.

The Championships is a significant event for Tasmania, with 4 500 anticipated attendees from across Australia, generating visitor expenditure and benefiting our local economy.

The Tasmanian Government, through Events Tasmania, is proud to support this much-loved event in 2021 which will comprise of the Australian Open Rowing Championships, Australian Open Schools Rowing Championships and the King's and Queen's Cups Interstate Regatta.

Notably, this event celebrates the Centenary of the Queen's Cup, which is awarded to the Interstate Women's Eight Champions. This year's regatta will also include a special exhibition, which celebrates the achievements of women in rowing over the last hundred years.

Just half an hour from Devonport and the scenic North West, and a gateway to the Cradle Mountain Wilderness World Heritage Area, Lake Barrington is the perfect place to begin exploring Tasmania.

Rowing Australia (RA) is the national governing body for the sport of rowing.

Rowing is one of the Australia's oldest and most successful sports, recognised as much for its tradition and appeal to athletes of all ages as for its fantastic health benefits. Rowing is a cornerstone Olympic sport and Australian rowing has a long and proud history of success, consistently returning multiple medals at major international competitions.

Rowing is a part of Australia's national sporting and cultural heritage, with international success dating back to 1867 when Edward "Ned" Trickett won Australia's first ever sporting World Championship. Rowing continues to play an important part in Australia's sporting culture, providing safe, fun and healthy opportunities for Australians of all ages and abilities to participate in a sport that provides unparalleled health benefits.

Rowing is a sport for life, accessible to people of all ages, genders, fitness and skill levels, and currently enjoyed by over 60,000 participants and 25,000 active members ranging from young rowers at school through to those at universities and in the wider community right through to masters rowing.

Rowing Australia member associations operate in seven states with over 185 schools and 156 clubs offering rowing programs.

MESSAGE FROM PRESIDENT OF ROWING AUSTRALIA

On behalf of the Board and Council of Rowing Australia, it is with great pleasure that I welcome athletes, coaches, sponsors, officials, guests and supporters to the 2021 Aon Australian Rowing Championships.

We are delighted to return to Tasmania for the first time since 2009, and to be able to host a National Championships after the cancellation of our 2020 event due to the COVID-19 pandemic.

As an organisation we are greatly honoured to once again be able to host this magnificent event, the pinnacle of the domestic rowing calendar in Australia.

This week's racing has been hotly anticipated by all the rowing community across the country after numerous cancelled and postponed regattas and I have no doubt everyone is eager to experience the 'Promised Land' that is the Lake Barrington International Rowing Course.

Joining our fantastic clubs and schools racing this week will be our elite and pathway athletes from across the country, including the Australian Rowing Team who will later this year will be vying for selection and competing in the rescheduled 2020 Tokyo Olympic and Paralympic Games.

The number of events, entries and competitors at this year's event is particularly pleasing, especially as this is our first year outside of Sydney, in seven years. When we first hosted Nationals in Sydney in 2013 we had 110 events, while this year we will have 129 events, with over 1500 competitors utilising over 3800 seats.

We're also excited to be able to welcome spectators to the event, in a COVID-safe manner, and we are grateful to the Tasmanian Government for allowing our event to go ahead. We ask that all our community follow the COVID-safe event requirements that come as norm now for hosting such a major event during a pandemic. While the event may look different to how it has in the past, we know the racing and support will continue to be spectacular.

I wish to extend my gratitude again to our presenting partner, Aon, for their ongoing support of rowing. This week will see us host a number of initiatives include our Drive Extended – Live with our Pathway Network and also the Centenary of Women's Rowing Exhibition that was postponed from 2020 after the cancellation of Nationals.

This week's regatta will culminate in the Interstate Regatta, with the Queen's Cup celebrating it's 100th birthday this year, which we will be presenting post the King's Cup – to give the trophy, affectionately known as 'Bertha', the recognition she so richly deserves.

We are extremely grateful to the Tasmanian Government, through Events Tasmania, for its support of the event, Hancock Prospecting and our Patron Mrs Gina Rinehart for her significant investment in our sport as well as our other partners including Croker Oars, Tempur and 776BC. Additionally, I would like to thank Coles, who this year have come on board as the official supporter of our volunteer workforce.

Sincere thanks must also be extended to the Rowing Australia and Rowing Tasmania staff for their expertise and professionalism in working tirelessly to organise what will no doubt be a highly successful and enjoyable event. The road to the event has not been simple, but the team at both organisations are dedicated to ensuring we put on the best possible regatta.

Finally, an event such as the Australian Rowing Championships would simply not be possible without the steadfast support of the army of volunteers whose enthusiasm and tireless efforts epitomise the great spirit of cooperation that exists within the Australian rowing community and beyond. We are delighted with the volunteer sign up for the Tasmanian community, and beyond, and I thank you all for your invaluable assistance for the pinnacle event in Australia's rowing calendar.

I would like to wish every participant the very best of luck for their races throughout the week and hope all the spectators have a wonderful week watching the competition. I look forward to witnessing some great racing and enjoying the spectacle of the 2021 Aon Australian Rowing Championships.

HISTORY OF THE KING'S AND QUEEN'S CUP REGATTAS

THE KING'S CUP (INTERSTATE MEN'S COXED EIGHT)

Inter-colonial racing in eight-oared boats commenced in 1878 when the Victorian Rowing Association invited New South Wales oarsmen from the Sydney and the Mercantile clubs to boat crews for a race on the lower Yarra River over about four miles. Since 1921 the crews have competed for the King's Cup. The trophy had been won by a First Australian Imperial Force crew at the Royal Peace Regatta held in London in 1919 and was provided by King George V and presented to Captain H. Disher on behalf of the victorious crew by Princess Arthur of Connaught. In time, and in against dogged resistance from the Australian War Memorial, the Victorian Rowing Association petitioned the King to express his intention for the Cup, and at his command it became the perennial trophy to be presented to the winning state representative men's eight at the annual Australian Rowing Championships.

THE QUEEN'S CUP (INTERSTATE WOMEN'S COXED EIGHT)

The premier interstate event for women was the ULVA trophy which from 1920 till 1998 was a fours event. The trophy had first been presented by the United Licensed Victuallers Association (ULVA) of Queensland, and is affectionately known as Bertha. In 1999 the women's interstate race was changed to an event for Vllls. In 2003, the trophy became officially known as the Queen Elizabeth II Trophy, or the Queens Cup. The original ULVA trophy remains the perpetual trophy.

THE PRESIDENT'S CUP (INTERSTATE MEN'S SINGLE SCULL)

An intercolonial sculling race between New South Wales and Victoria was first held in 1868 and then annually from 1895 with Queensland also racing. Tasmania has consistently been represented since 1903. South Australia and West Australia have entered scullers with some regularity but not consistently until the 1960s. The first President of the Australian Amateur Rowing Council, Mr E.C. Watchorn, donated the President's Cup in 1925 as the perpetual trophy for the annual Australian Interstate Single Sculling Championship.

THE NELL SLATTER TROPHY (INTERSTATE WOMEN'S SINGLE SCULL)

The first interstate championship for the Women's Single Scull was not conducted until 1963 in Brisbane and has continued annually since that date. The Nell Slatter Trophy was presented by the Queensland Women's Rowing Association in 1963 to be the perpetual trophy for the event as a tribute to the then Queensland President Nell Slatter.

THE PENRITH CUP (INTERSTATE MEN'S LIGHTWEIGHT FOUR)

The Interstate Lightweight Four Championship was introduced in 1958 after a long history of lightweight rowing within Australia. The Penrith Cup was presented to the Australian Amateur Rowing Council in 1958 by the Penrith City Council as the perpetual trophy for the event. The event was the pinnacle of a lightweight oarsman's career until 1974 when the first FISA Championships were conducted.

THE VICTORIA CUP (INTERSTATE WOMEN'S LIGHTWEIGHT QUAD)

The first Women's Interstate Lightweight Four-Oared Championship was contested on the Yarra River in Melbourne on 28th April, 1968. The Victoria Cup, presented by the Victorian Ladies' Rowing Association, is the perpetual trophy for this event. In 1999, the change was made from coxless four to quad scull as most lightweight women's rowing was in sculling boats due to the introduction of an Olympic women's lightweight double scull.

THE NOEL F WILKINSON TROPHY (INTERSTATE MEN'S YOUTH EIGHT)

The first Championship was conducted in Victoria in 1974, and in that same year, the Australian Rowing Council accepted an offer by Noel Wilkinson to provide a perpetual trophy for the event. Noel was a great fundraiser for both Australian rowing teams and Australian Olympic teams. He was also a long serving Treasurer of the Council.

THE BICENTENNIAL CUP (INTERSTATE WOMEN'S YOUTH EIGHT)

A women's youth event was commenced in 1988 (the year of Australia's Bicentenary) in coxed fours. The event became an eight oared event in 1994 due the continued growth in women's rowing. The Cup was presented by the NSW Rowing Association.

PR3 MEN'S SINGLE SCULL

The PR3 Men's Single Scull (formally the LTA Men's Single Scull) made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Kevin du Toit of New South Wales. The race results contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.

PR3 WOMEN'S SINGLE SCULL

The PR3 Women's Single Scull (formally the LTA Women's Single Scull) made its debut in the Interstate Regatta in 2016. In its inaugural year it was won by Paralympian Kate Murdoch of New South Wales. The race results will contribute to the overall States' point scores and help to decide who may win the Rowing Australia Cup at the conclusion of the Regatta.
