# THE ONE HUNDRED AND SIXTEENTH ANNUAL REPORT AND STATEMENT OF ACCOUNTS OF THE VICTORIAN ROWING ASSOCIATION INCORPORATED

To the Members, Victorian Rowing Association,  
Ladies and Gentlemen,

Your Committee has pleasure in presenting the One Hundred and Sixteenth Annual Report for the 1991-92 rowing season, together with the audited Balance Sheet and Statement of Accounts for the year ended 30th June, 1992.

The season could again be described as one of many highlights which were distributed through most sectors of the Association's activities from the development of rowing in Victoria to the achievements of Victorian oarspeople in elite competition.

Some of the highlights were, the success of the Australian crews at the World Championships in Vienna, the World Junior Championships in Banyoles and in the Trans-Tasman series, the Australian Championships conducted by your Association and the successes of Victorian Club and State crews thereat.

We congratulate the all Victorian Men's Coxswainless Four and the Men's Lightweight Quadruple Scull on their Gold Medal wins at the World Championships, the Men's Coxswainless Four (Silver Medal) and the Men's Single Scull (Silver Medal) on their performances at the World Junior Championships. Congratulations go also to the Trans-Tasman team members, both Under 23 and Junior, for their domination in these events and to all other Australian Team members on their great performances.

We believe the Association has set the highest standards in its conduct of Australian Championships in the past and believe this high standard was maintained at the National Water Sports Centre, Carrum, in March this year. Despite a wide range of weather conditions and lack lustre spectator support the Championship Regattas were most successful and pleasing in respect of the performance of Victorian competitors.

Victoria retained both the King's Cup and Victoria Cup to continue their succession of wins and also won the Bicentennial Trophy for Women's Youth Fours. Victorian Club and School crews also had success in the National Championships winning fourteen of the forty-nine events contested and we congratulate the winning crews and individuals. We were also pleased to welcome competitors from Brentwood College School, Canada, at the National Championships.

The Association is most grateful for the continued support received from the Department of Sport and Recreation in both financial assistance and guidance. A subsidy towards the salary of the Administration Officer was received and grants are also provided for individual oarspersons from the V/Line Sports Training Scheme which are greatly appreciated by the recipients of these grants.

The Department of Sport and Recreation and the Commonwealth Bank of Australia jointly sponsor the funding assistance provided to conduct Coaching Courses and Seminars in country areas and we are grateful to both for their support of rowing.

The Association greatly appreciates the support and encouragement of our members and the sport of rowing by the Victorian Institute of Sport Rowing Program now entering its third year under the direction of Head Coach Mr. B. Richardson.

Through the benefit of priority funding from the Australian Sports Commission and the Intensive Training Centre program conducted by Coaching Director Mr. B. Richardson and Coaching Development Co-ordinator Mr. P. McGann, another highlight of the season has been the success of the Ballarat Talent Identification Program hosted by Ballarat City Rowing Club with the support of Ballarat University College. Your congratulations are extended to Mr. & Mrs. Elliott and Dr. Payne for their work on the program and to Mrs. K. Elliott on receiving a Prime Ministerial Women & Sport Awards Merit Certificate in recognition of her efforts.

As this report is being written Victorian members of Australian Rowing Teams are preparing to compete in the Barcelona Olympic Games and the World Lightweight and Junior Championships in Montreal, Canada, and we wish all team members every success.

Your congratulations are extended to Mr. R. B. Wilson on being selected to call the rowing events at the Barcelona Olympics for ABC Radio and we look forward to hearing his familiar commentary of the events.

The Australian Rowing Council Inc. has been busily engaged in the management of Australian rowing and we extend our thanks to both the Victorian and Interstate members and officials of Council for their time and effort devoted to our sport.

Congratulations are extended to Mr. G. H. Nicholson who was appointed a Life Member of the Association in recognition of his many years service to rowing.

Congratulations are also extended to Mr. P. Antonie on being appointed as a member of the F.I.S.A. Athletes Commission.

It is pleasing to record the further development of rowing in the Gippsland area and the affiliation of Sale Old Collegians Rowing Club, Nagle College and Sale High School.

A new innovation introduced during the season which caused some controversy was aimed at encouraging club crews in regattas up to and including the Victorian Championships Regatta prior to Christmas by restricting composite crews except in exceptional circumstances and was deemed a success despite some usual Interstate crews not competing at the Championships.

The Junior regattas conducted by the Association to provide racing experience without the pressures of a major regatta were fully supported with as many as 170 crews participating in a regatta and your thanks are extended to Mr. M. Brown for his assistance with these regattas.

An Awards Sub-Committee of Messrs. R. R. Aitken, J. L. Hardie, N. F. Wilkinson, R. B. Wilson and E. Woolcock was appointed to consider and promote nominations for various awards both within and outside the Association.

During the season a number of Victorian crews were acknowledged by their peers and we extend congratulations to the Men's Coxswainless Four on winning the Herald-Sun Caltex 1991 Sports Star of the Year Award and the Victorian Eight on winning the 1992 Vicsport Team of the Year Award.

Late in the season members were saddened by the loss of Mr. N. F. Wilkinson AM, BEM, a Life Member of the Association who was tireless in his dedication to the welfare and advancement of rowing and the Olympic movement.

Your congratulations are extended to members of the Old Xaverians, Hawthorn and Richmond Rowing Clubs who combined on the Australia Day weekend to break the world record for the longest distance rowed in 24 hours.

The general development of our fine sport, in fact its very existence, is dependent on You, the members and the clubs, for You are the Association and we can't depend on Someone Else! So, when requests are made for people to serve on committees, assist at regattas or with the many other facets of Association activity, remember that the continuation of Victorian rowing is dependent on a great deal of hard work by many individuals at both the grassroots and elite levels of our sport.

Set out hereunder is a more detailed account of events which occurred during the season:

## **AUSTRALIAN INTERSTATE AND NATIONAL CHAMPIONSHIPS**

After seven years since the previous Championship Regatta was conducted in Victoria, the 1992 Australian Interstate and National Championships were conducted for the first time at the National Water Sports Centre, Carrum, Victoria's own world class rowing facility.

The Organising Committee appointed to arrange and conduct this first major regatta at the venue comprised Mr. J. Harry (Chairman), Mrs. S. Palfreyman, Miss M. Saville and Messrs C. D. Bartlett, D. H. Boykett, C. Dane, R. B. Duncan, J. Fazio, H. J. M. Lowe, J. H. Nickson, A. J. Oakley, S. G. Pennicott, D. A. Pincus, F. Rickards, W. J. Waterfield.

The Association is deeply indebted to a number of public bodies and organisations which contributed greatly to the staging of the regatta. The Dandenong Valley and Westernport Authority, now Melbourne Water, for the development of the Centre over the years and the improvements carried out especially for these Championships. The Centre Manager, Mrs. M. McLean, Mr. R. Goodings and their staff and the Friends of the Centre for their co-operation and assistance in the preparation for and the conduct of the regatta.

A number of race sponsors for their financial assistance and the many service providers for their valued contribution.

Members of the Organising Committee who, with many others, gave their time and effort to make the Regatta a success.

The Championships were conducted from March 11th to 15th and were also part of the selection process for Olympic and other Australian representative teams. The full range of weather conditions were experienced during the five days and it is to the credit of both officials and competitors that the Championships were eventually completed on schedule.

A Gold Pass Enclosure featuring excellent facilities in a prime viewing area was greatly appreciated by those spectators who took advantage of a most comfortable way to enjoy a regatta.

The Association was honoured by the presence of His Excellency The Governor General Bill Hayden and Mrs. Hayden on the final day and to have His Excellency present the King's Cup to the winning Victorian crew before a somewhat disappointing crowd which had not been deterred by the inclement weather and appreciated the high level of competition.

## **PREMIERSHIPS**

During the season the majority of regattas were well supported but many felt the effects of the current economic climate and the costs associated with attending regattas. Competition for the Victorian Premierships was strong in most categories and the results of some were only decided at the final regatta of the season. Cash prizes were again awarded for the winners of each summer premiership and the highest scoring country club in the champion club premiership.

The Winter Premiership events were well supported and once again were conducted on a round robin basis with an appropriate point scoring system.

Your congratulations are extended to the successful premiership winners as shown in the following tables.

## DONATIONS

The sincere thanks of the Association are extended to the following supporters of Victorian rowing for their generous donations during the year, either directly or from interest received from bequests held by the Association.

Mr H H Yoffa AM, Marcus Burke Trust Fund, Dr H C Disher Trust Fund, R W Thursfield Trust Fund, N F Wilkinson AM, BEM Trust Fund, Lodge Henley Trust Fund, M S Williams Trust Fund and the Victorian Institute of Sport.

## FINANCE

The result for the year ended 30 June, 1992 was a surplus of \$41,101 (1991 — \$30,586).

As shown in the attached accounts the main reasons for the result are the surpluses in the Interstate and the International funds as a result of the relevant capitalisation and expenditure policies; due this year to the holding of the 1992 Interstate Championships at Carrum and the international teams being fully funded.

A major impact on the result was the loss incurred in holding the 1992 Interstate and National Championships Regatta at Carrum. As disclosed in Note 13 the loss was \$14,883 and this was after taking into account VRA sponsorship of \$6745 in entertaining official guests in the Gold Pass Enclosure. Accordingly the total loss to the VRA was \$21,628. The receipt of outstanding sponsorship monies and cost recoveries amounting to \$9000 is still being pursued and these have not been reflected in the accounts.

The main reason for the loss was the very disappointing spectator attendance. Only 2370 spectators attended over the five days. Unfortunately the tremendous success of our international crews has failed to generate increased spectator interest and this matter should be addressed at all levels of rowing in Australia as a matter of urgency, for the future of the sport.

As in 1991 the Department of Sport and Recreation has contributed significantly to the funding requirements of the Association.

The Victorian Institute of Sport and the Australian Sports Commission also assisted in continuing to provide significant benefits to the Association in supporting competitors and contributing to various development programs.

Interest on investments continues to be a major source of income. The falling interest rate market will impact on the Association in the medium term as the higher yielding debentures roll out of the portfolio. The policy of investing in predominantly bank-backed and government authority securities has continued throughout the financial year.

It was with much sadness that the Association recorded the passing of one of the mainstays of Victorian and Australian Rowing and the Olympic movement, Mr. Noel Wilkinson AM, BEM during the year. Noel was a past Treasurer of the Association for a period of 18 years in which time Association funds increased from \$5443 to \$127,494, a truly remarkable achievement. Largely through his efforts the Association is in a position of financial strength with regard to supporting rowers in Victoria. We pass on our deepest sympathy to Mrs Wilkinson and the family.

Finally, I would like to thank Bill Waterfield and Melvina Harvey for their efforts and support in management of the Association's finances in what has been a very busy year.

H. J. M. LOWE ACA, Honorary Treasurer

## **ADMINISTRATION OFFICER**

The Association is extremely grateful for the continuing financial assistance and support from the Department of Sport and Recreation which, together with a specific part of the members' affiliation fees, has funded your full-time Administration Officer, Mr. Bill Waterfield, in carrying out the secretarial duties and general administration work of the Association.

The Olympic Park Headquarters of the Association is a much appreciated point of contact and information source for numerous clubs, schools, oarspeople, other rowing Associations, Government departments and other organisations, various media outlets and the general public, including a regular flow of prospective oarspeople, on all aspects of rowing.

The Administrative Assistant, Mrs. M. L. Harvey, who is often the first contact for callers to the Office, provides valuable assistance which is greatly appreciated by the Association.

Mr. Waterfield has ably represented the Association during the season at meetings of the State Directors of Sport and the Sports Federation of Victoria as well as at other official functions and meetings. He has attended most regattas during the season in his dual role of Administration Officer and Official's Panel Secretary and helped establish greater contact with Association members and clubs, especially in the country areas.

## **COACHING DIRECTOR**

The Association is most grateful for the priority funding from the Australian Sports Commission which has enabled the Coaching Director, Mr. Brian Richardson, and the Coaching Development Co-ordinator, Mr. Paul McGann, to continue the Victorian Intensive Training Centre program and to conduct Talent Identification Programs, accredited coaching courses and coaching education seminars.

The Ballarat Talent Identification Program, the first conducted in an Australian regional area, is hosted by Ballarat City Rowing Club with support and testing facilities provided by Dr. Warren Payne of Ballarat University College.

Aimed at taking students without any rowing background through an intensive program to reach Australian Junior representation in a few years, the program initially assessed 200 students from which twenty participated in a second round of testing and evaluation for the final selection of a squad of six boys and eight girls.

After five months of tuition and training the squad members competed successfully in Under 16, Novice and Junior events during the season and are looking forward to the second year of the program.

Your congratulations are extended to Kate and Dan Elliott and Warren Payne for their success with the program.

After some initial problems, it is planned to have a second Victorian Talent Identification Program underway during the coming season.

During the season Mr. McGann has conducted a number of Level I Courses in Melbourne and country areas and a Level II Course, all of which have been well attended. Mr. McGann also organised a number of informative coaching workshops on various subjects presented by qualified and interesting speakers, all of whom were well received by the large numbers in attendance.

Level I Courses at Geelong and Mildura and a coaches seminar at Sale were held with the benefit of funding from the Commonwealth Bank Sports Scheme for which the Association is most grateful.

The established annual Youth Sculling Camp was again successfully conducted in January at the Wesley College Boatshed, Toorak, when 14 boys and girls from many parts of Victoria received instruction and practical tuition in sculling at the three day camp. Mr. McGann was ably assisted by a number of leading Victorian oarspeople who combined to make the Camp another success despite the smaller numbers.

A number of clubs and schools have widely used the fleet of sculling boats for the promotion and development of rowing and the boats were also used at a State Secondary Schools sculling regatta conducted by Bendigo Rowing Club.

Your thanks are extended to Brian Richardson and Paul McGann for their efforts on our behalf.

## **VICTORIAN INSTITUTE OF SPORT**

The Victorian Institute of Sport Rowing Program, now entering its third year, aims to harness and further develop the energies and skills that exist within the state so as to increase the number, quality and skills of talented athletes and coaches as well as simultaneously improving the level of preparation and degree of support available to high performance competitors and is conducted by Head Rowing Coach, Mr. Brian Richardson.

A number of rowing camps were conducted to aid development and selection, including one held at Falls Creek with rowing on Rocky Valley Dam.

During November, Brian Richardson and Noel Donaldson attended the FISA Coaches Congress in Barcelona, Spain, and inspected the facilities prepared for the Olympic Games at Banyoles.

1992 scholarships were awarded to 21 men and 8 women comprising both open weight and lightweight oarspersons.

The Institute assisted an Under 23 Women's Four to compete at Lake Wivenhoe, Queensland, in the Trans-Tasman series and a Men's Development Eight which competed at Amsterdam and Royal Henley Regattas with mixed success.

In conjunction with Mr. Richardson's dual positions of Institute Head Coach and Association Coaching Director the Intensive Training Centre program has been organised through the Institute and for this we are most grateful.

We extend our thanks to members of the Institute Board and Chief Executive Officer — Dr. Frank Pyke, and his staff for their support and encouragement of our members and the sport of rowing.

Your thanks are also extended to Mr. David Pincus for his liaison work with the Institute and to Mr. Brian Richardson for his efforts on our behalf.

### **OFFICIAL'S PANEL**

This season, with the support and participation of many officials, both long serving and newly licenced, the Panel were able to provide a complement of competent officials for all 27 days of regatta racing, even if on occasions the numbers were a little sparse, and also assist with the conduct of the Australian Interstate and National Championships.

The Panel thanks these officials for their contribution to the successful conduct of regattas throughout Victoria, including a number of Junior regattas, especially those who cheerfully undertook long shifts at several regattas.

With the passage of time, the development of rowing and increased regatta participation it is essential that new officials are recruited and the assistance of clubs and schools is sought in this regard lest the standard of regattas decline. The Panel are ever ready to conduct tests for prospective officials and extend a welcome to Miss Leanne Pickford (Wendouree-Ballararat) and Messrs. Bernie Crimmin and David O'Grady (City of Warrnambool) who were successful in obtaining their licences this season.

Thanks are again expressed to Messrs Jim Skidmore and Ron Richardson for their assistance with equipment and to Mercantile Rowing Club for the use of their facilities.

For their efforts in maintaining our high standard of regattas during the season we express special thanks to the members of the Panel, Messrs Bruce Adam, Bob Duncan, Ralph Murphy, Ron Podbury and Martin Tomanovits.

W. J. WATERFIELD, Panel Honorary Secretary
