Rowing Victoria - Mission, Vision, Values and Objectives

Vision

Our dream is: Victoria – A State of rowing excellence

Mission

We exist in order to: Develop, promote and manage rowing throughout Victoria

Values

Leadership
Respect
Collaboration
Transparency

In going about our business we will demonstrate:

Implementing best practice initiatives and continually assessing our performance
Recognising and facilitating the essential contribution of our volunteers
Working with and through our members
Consulting and communicating openly

Objectives

Grow our base
Strengthen our partnerships

Set high standards
Excel in management

In order to achieve our mission we will:

Increase membership and participation
Provide relevant support, advice and resources to our clubs/schools/members/
facilities/partners
Define and promote well-structured competition, development and education
Establish and implement best practice governance and management policies.

Board Members

President	Andrew Guerin	
Director of Finance	David Pincus	
Directors	Lance Deveson	Rene Klupacs
	Rod Florence	Eric Waller
	Felicity Nutter	Fiona Dickson (appointed July 2010)
	Steve Whittington	Denis Bourke (resigned June 2010)

Operations

CEO	Nick Gall
State Development Coordinator	Richard Bartlett
Regatta & Events Manager	Alice Evans
Development & Education Officer	Ross Paul
Finance	Jenny Schouten

Competition Commission

Chairperson	Felicity Nutter
	Chris Hammon, Rene Klupacs, Craig Adrians, Eric Waller, David Pincus

President's Report

President's Report

For your Association, this season was dominated by the conduct of the Australian Championships in March 2010. The organising committee headed by David Deeble produced a superb regatta. There were numerous significant innovations made to the usual organisation of the event which made it a superbly run event. We are justifiably proud of our work and great credit must be given to our organising committee comprising: David Deeble (Chairman), Alice Evans (Event Manager), Eric Waller (Field of Play), Andrew Guerin (Program), Rene Klupacs (IT), Nick Gall (Sponsorship & marketing), Lance Deveson (Volunteers), Denis Bourke (Medical), Matt Draper (RA), David Pincus (Finance), Chris Grummit (Programming) & Catherine McMillan (Shire & Venue).

The lesson learnt from organising the regatta this year was that the demands on your Association are now too high to undertake such an event more than our required rotation around the States. Also the financial rewards that were present in the past from running the event are now insufficiently high to justify the deferment of other programmes whilst we run the regatta.

Rowing

Let us celebrate our champions.

The 2009 World Championships produced two Victorian junior medallists with Daniel Brighthope and Michael Poulter. At the 2009 senior World Championships, James Marburg and Cam McKenzie-McHarg did well with a silver medal in the coxless four and David Crawshay a silver in the quad. We are expecting an even better result in 2010 at Lake Karapiro.

Back home at the Interstate Championships, Victoria was yet again the most successful State but missed out on the King's Cup to a determined NSW crew to whom we extend our congratulations. Congratulations to our Victorian team who performed so well and in particular to our winning women's eight, men's youth eight and men's sculler, David Crawshay who all won their races. We also congratulate our Head Coach Chris O'Brien.

These results would not be as good if it were not for our volunteer coaches and selectors. We are fortunate to have Paul McGann as our Chairman of Selectors and he has supporting him senior selectors Ion Popa and Peter Somerville, Youth selectors Annabelle Eaton and Dan Church and masters selectors Paul Guest and Jane Robinson.

Administration

As mentioned last year, the business plan of the Association is changing to reduce the direct financial burden on our clubs and competitive members. We are trying out ways of increasing the membership base of the Association beyond just competitors and also increasing revenue from non-regatta sources. This is a slow process and will take a number of years to bring to fruition.

We are also concerned about making our regattas far more enjoyable for all involved. It is our experience that many regatta committees work very hard getting the rowing side completed satisfactorily and so do not have sufficient other resources to attend to other aspects of the event. Rowing Victoria will discuss each event with our organising committees to see whether a different distribution of duties amongst RV and the organising committee can produce a better result for all. We are also looking at many other event management ideas to strengthen our competition program.

The Association has a clearly defined strategic plan and many work plans underlying the certainty of results. We seek your patience as we slowly make these changes.

Victorian Institute of Sport

As mentioned last year, we have entered into an agreement with the VIS for rowing to continue to be a VIS sport until 2014. I am pleased to add that the co-operation between RV and VIS is admirable and we look forward to this continuing and providing even more success to our athletes.

Volunteer Recognition

The Association could not operate without the support of volunteers, whether umpires, regatta volunteers, commission members, board members, club members and others.

Our RV Awards Committee under the chairmanship of past President Peter Fraser, continues to undertake great work. The other members of the committee are Roger Wilson OAM and the President for the time being of RV. They have recommended :

The William Waterfield Award for outstanding service to Victorian rowing. This award is named after life member William Waterfield who has been a fine example of a person who has provided outstanding service to the sport in Victoria. This year the award is going to be presented to Rod Florence for his magnificent and long contribution to the sport.

The Kath Bennett Award for outstanding service to a rowing community in the sport in Victoria. The award is planned to capture those people who have done outstanding work in a club, regatta committee or region. Kath Bennett is a fine example of such work with reinvigorating women's rowing prior to amalgamation with the men's association in 1979. This year the award is going to be presented to Rob Stewart, chairman of the MUBC 150th celebrations which were outstanding. The sport also has the legacy of their magnificent written history, *Well Rowed University*.

Special mention will be made at the AGM of Ron Mitchell who has provided a lifetime of service to the sport, particularly with umpiring. He is one of the umpires from our first umpires panel in 1960s. He has also served on many committees of the Association and vigorous debater of issues at our meetings.

These awards will be presented at the AGM.

The Victorian Rowing Hall of Fame will be inaugurated this year on 20th November. The inductees have been advised and a great evening is planned. This evening will be a sell out and anyone planning to attend needs to make a booking immediately.

The Board, on the recommendation of the RV Awards Committee, has recommended that David Deeble be elected a life member of the Association. This is a well deserved nomination and one which we are very pleased to put before the annual general meeting.

Mildura Rowing Club Centenary

We congratulate Mildura Rowing Club on their centenary and their continued good work developing the sport in their region. Due to distance, they are not able to regularly compete in regattas which makes their situation different from other clubs.

Commissions

The work of the Association is devolved to a large extent to the Commissions. They comprise, Competition, Development, Masters, Media, Medical, Umpires and Waterways and Courses. The Commissions enable the Association to harness the expertise of our members and provide opportunities for those wanting to assist our work. We recognise and thank all the Commission

members who have given so much time and effort to the work of the Association.

In particular, I would like to highlight the work of the umpires headed by Bill Webster and also the work of our field of play manager Eric Waller.

Staff

The staff of the Association undertake their duties with the enthusiasm of volunteers and work well beyond their responsibilities. We are extremely grateful for their continued excellent work.

Next Season

Our focus in the next season is split amongst a number of vital tasks, changes to business plan, improvements to the competition program, increasing participation at our regattas, embedding the safety management plan and taking our development activities to the next level. This is much to do and we look forward to the challenges that lie ahead.

Finally, on behalf of the board, I would like to thank the member clubs and schools for their continued support of the Association.

Andrew Guerin
President

Chief Executive Officer Report

Throughout the 2009/10 season Rowing Victoria has strengthened our understanding of our membership, and developed clearly articulated pathways to further build participation and retention in our sport. The development of our 2010-2012 Strategic Plan will underpin the way we perform our role as peak body of rowing in Victoria.

Our Vision – ‘*A State of Rowing Excellence*’, will be achieved through our values of leadership, respect, collaboration and transparency.

In order to achieve our mission we have developed key objectives to increase membership participation, whilst also providing relevant support and resources to our members or partners. We strive to promote well-structured competition and development of rowing in Victoria.

The Board of Rowing Victoria has overseen a strategic review of our environment resulting in a range of new initiatives to bolster the rowing community membership and support the progression of our sport. Assisting the Board are our Volunteers on Commissions and Committees that provide valuable insights and decisions on the day to day running of rowing in Victoria, and work tirelessly to deliver an efficient regatta calendar.

My thanks go to our Umpires who tirelessly give up their weekends for the good of the sport and continue to work in a professional manner, keeping safety at all times our number one priority. A special thanks also to all the fundraiser volunteers that drop everything to support the future champions and participants of rowing in Victoria

I would also like to acknowledge our partners that provide assistance in the delivery of programs and pathways for our members.

Our clubs are the heart of rowing and they continue to deliver success in grassroots through to elite competition. Rowing Victoria understands our role in providing support and resources to provide more sustainable outcomes to our clubs.

Public awareness of our sport has been a key focus through this 2009/10 year and will continue into 2010/11. I believe the concentrated efforts on media will create a greater following and participation in our sport. One example of this was the eight page liftout in *The Age* we produced in conjunction with The Australian Rowing Championships. This liftout was about increasing the awareness of the sport and profiling some of the current faces in the sport.

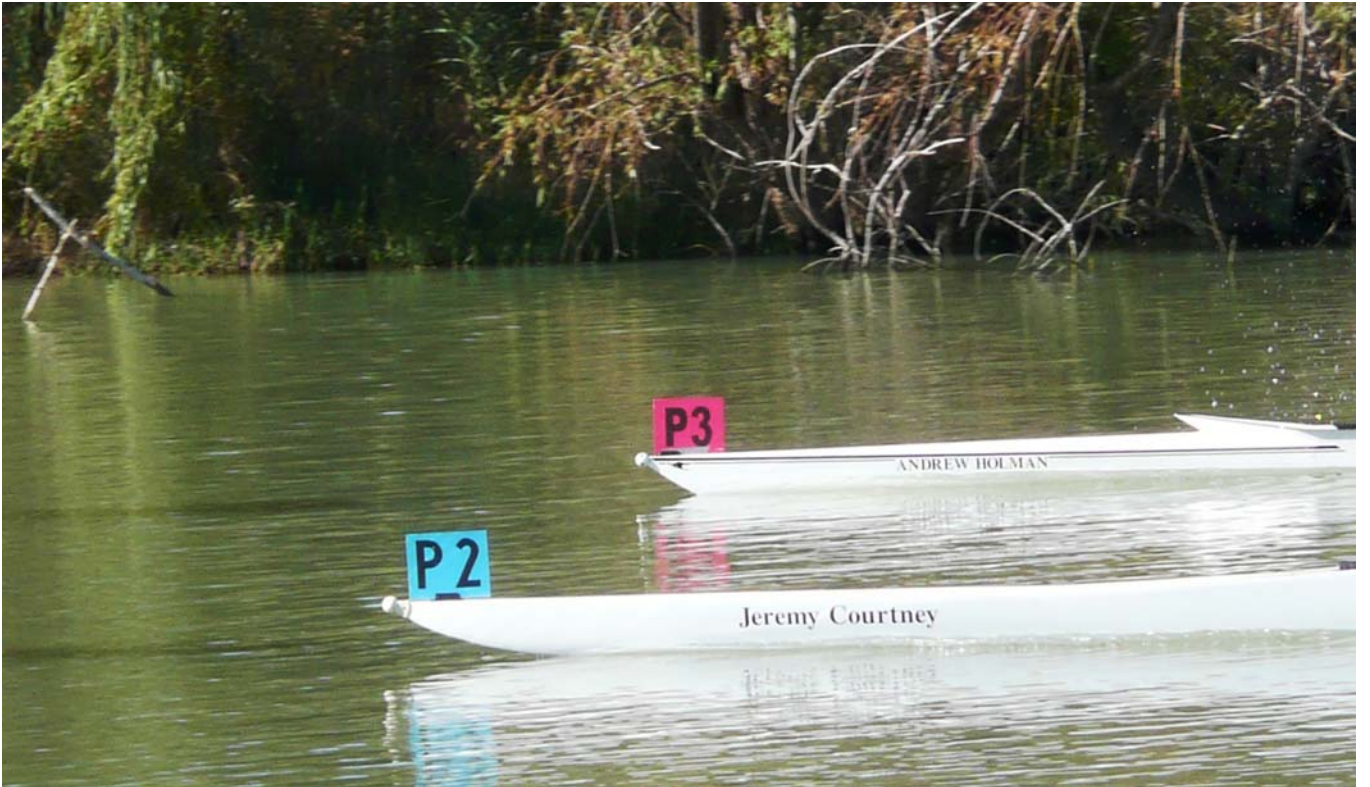

This could not have been achieved without the help of our major sponsors who we would like to give special mention. Thankyou to National Australia Bank, Regional Development Victoria, Sykes Racing, Wintech Racing, Goulburn Valley Fruit Company, Mineral Commerce Services, Mitchelton Winery, Sensory Lab, Designer Paint Works, Redhanded, WCSN and The Illicit Drugs Campaign.

I look forward to the year ahead and further development and participation in our member clubs and schools.

Nick Gall

Chief Executive Officer

A State of Rowing Excellence—Grow Our Base

Volunteers, coaches, officials and committee members are the life-blood of delivering our sport at the grass-roots level.

This has been demonstrated in 2009/10 via:

- Level 1 Boat Race Official Courses and bringing the system in line with the National Officiating Accreditation Scheme (NOAS)
- Over 10,000 crews and 34,000 seats were entered in various regattas throughout Victoria this year supported by the ROMS system.
- Over 6000 hours are provided by level 1 and 2 Boat Race Officials and Regatta Volunteers
- Development and implementation of the new Learn To Row Level 1 Coaches course in partnership with Rowing Australia
- Establishment of an online system for indoor rowing

Assisting clubs to build their capacity to recruit and retain new members is an essential part of Rowing Victoria programs.

Increase Competitors

- 2009-10 Season saw a 1% increase in competitive rowers from the previous season.
- More racing opportunities in a clear defined regatta calendar
- Greater adaptive racing opportunities

Increase Volunteers

- 200 new volunteers completed the level 1 BRO course
- 5 level 1 Boat Race Officials were upgraded to level 2 Boat Race Official. 15 Level 1 Boat Race Officials are in training to become Level 2 Boat Race Officials.

The most helpful aspect of the course was...

“The information and advice we were presented with - great course, taught me a lot.”

“Networking with other coaches and other clubs.”
Coaching course participants

Increase Coaches

- 7 % increase in accredited coaches within Victoria over the past 12 months
- 95 coaches sat the L1 (Learn to Row) Coaches' Course, and 8 coaches sat the L2 (Club/School) Coaches' Course

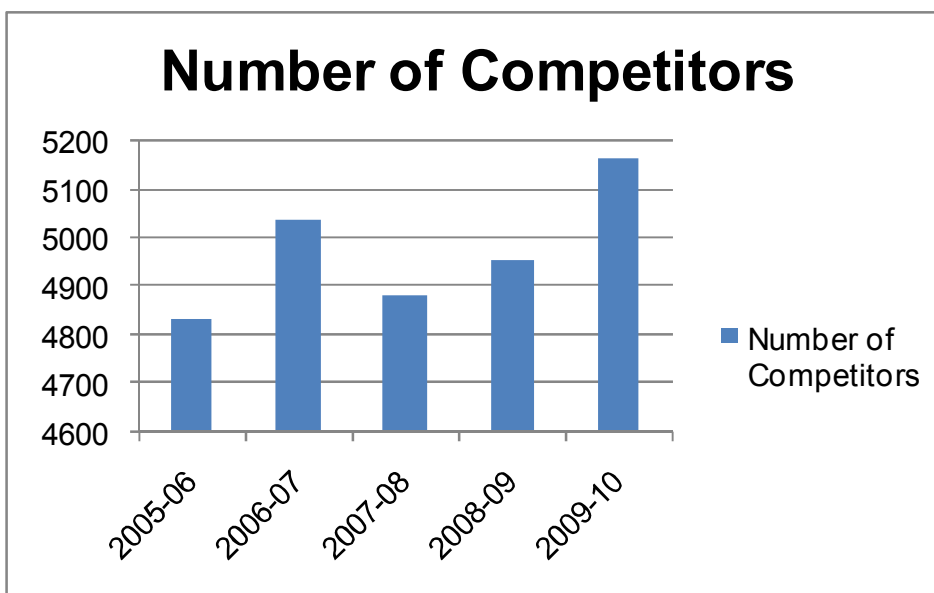

Increasing opportunities for participation, competition, volunteers and new forms of membership have been key initiatives in 2009/10. We aim to increase the number of boys, girls, men and women who 'find rowing' and then continue.

- The introduction of the Rowing Victoria 'Go Rowing' program linking non-rowing schools to local clubs.
- School leaver recruitment program
- Rowing Victoria and Concept 2 Indoor rowing tri-series
- Regional Sculling Camps in partnership with clubs
- Development of partnerships with Victorian Regional Academies of sport
- Rowing Victoria delivered VicHealth programs - 'Oars for All - Inclusive Rowing' developing opportunities and capacity for disabled and disadvantaged people
- Our membership packages now offer something for all recreational and competitive participants

A State of Rowing Excellence—Strengthen our Partnerships

Relationships with our external stakeholders have been continually expanded throughout the 2009/10 season

- The Victorian Institute of Sport (VIS) and Rowing Victoria partnered to deliver high performance athlete and development programs
- We delivered Rowing Australia education and participation programs including coaching courses and officiating courses
- Through a partnership with vicsport, we have furthered coach education
- We delivered a key VicHealth sport participation program
- 98% compliance was received from Rowing Victoria Clubs and Schools on the Safety Management Plan, which was implemented on the 1st of October 2009. Rowing Victoria has continued to work with Marine Safety to deliver a safer environment to row

Rowing Victoria connected with our clubs and schools this year in new and improved ways

- A new and updated website receiving almost 6,000 hits per month has been launched. Users can access information on competition, events, opportunities, news, policy and programs, and shop in the newly developed rowshop
- A new format newsletter is now delivered to 1600 members weekly offering the latest news and information
- Rowing Victoria stepped into social media to promote the sport and inform our members using Facebook, Youtube and Twitter
- Rowing Victoria hosted four General Meetings and a Competition Forum to provide clubs and schools with an opportunity to have input and provide feedback into the direction of rowing in

Victoria

Tailoring our support to improve regattas

- Rowing Victoria assisted 25 clubs and Regional Associations conduct 33 regattas throughout Victoria and managed 8 regattas including general regattas, the VSSSA Regatta and four days of State Championships

Leveraging ROMS

- Over 34,000 seats were entered through ROMS into Victorian Regattas
- Rowing Victoria's support of ROMS and the continued development and review of the system
- Continued work with other State Associations and Rowing Australia in Events and the online database / entry system
- 10 adaptive events offered throughout the season

"To my knowledge, it is the first time a project of this nature has been taken on by disability sport. We are breaking new ground." Maurice Gleeson, President of Blind Sports

Rowing Victoria joined forces with and accomplished common goals with organisations such as:

- Access All Abilities Providers
- Associated Public Schools of Victoria
- Australian Sports Commission
- Barwon Academy of Sport
- Barwon Water
- Blind Sports Victoria (BSV)
- City of Greater Geelong
- Concept-2
- Corangamite Catchment Management Authority
- Geelong Rowing Association
- Head of the Schoolgirls' Regatta Committee
- Life Saving Victoria
- Marsh Insurance
- Murray Rowing Association
- Parks Victoria
- Regional Sports Assemblies
- Rowing Australia
- Sport and Recreation Victoria
- Strathbogie Shire Council
- Other State Rowing Associations
- VICSRAPID
- VicHealth
- vicsport
- Victorian Institute of Sport
- Victorian Secondary Schools Sports Association
- Wheelchair Sports Victoria

Rowing Victoria would like to acknowledge the valuable contribution of regatta hosts from clubs, schools, regional associations and independent committees for their hard work and commitment in putting together a number of successful regattas. A variety of formats has offered suitable racing opportunities for all. Congratulations to these hosts for providing safe and fair environments and for their professional approach to the conduct of these regattas. Rowing Victoria could not deliver the extensive calendar we do, without the valuable hours provide by the many volunteers involved.

A State of Rowing Excellence—Set High Standards

A comprehensive development pathway enables Victorian Rowers to excel at the highest level on a State, National and International stage. The Rowing Victoria development program identifies talent at all ages and offers opportunities for athletes to take the next ‘stroke’ on their high performance pathway.

- Provided financial assistance to recognised clubs in partnership with Rowing Victoria in the delivery of the National Elite Development program
- Completed comprehensive Talent Identification in clubs and schools and within the general community
- Build stronger partnerships with rowing Australia and the National Rowing Centre of Excellence (NRCE)
- The management of the 2010 Australian Rowing Championships and continued work with Rowing Australia in the area of event management.
- Adopting people and friends associated with the sport to be involved with volunteering and support opportunities.
- Development of a more intuitive regatta timing system.

We strive to strengthen our partnership with Rowing Australia

- Rowing Victoria were instrumental in supporting Rowing Australia in their National Rowing Census and review of the Rowing Online Management System
- We supported the development of a unified umpire methodology, and a higher standard of coach education

Listen to our members needs and define clearly articulated processes, activities and information

- We received members’ feedback through a comprehensive survey of all clubs
- In reformatting our strategic plan, we aim to offer greater transparency and clarity

Victorian Development Activity	Number of Clubs	Number of Athletes	Number of Coaches
Rising Athletes Camp	24	52	8
Tomorrow’s Gold Camp	5	28	6
Regional Sculling Camp	9	14	12
Youth Cup	6	20	4
State Team	3	45	8
U 18 Tour	11	14	3

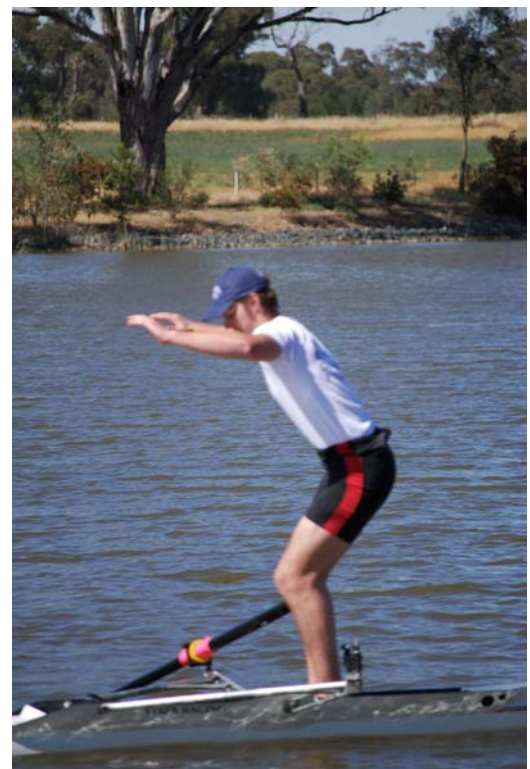

“I felt the camp was a great way to interact with rowers of the a similar age group . Find out about elite rowing and pick up new skills I enjoyed the camp immensely and felt it really helped my confidence and rowing technique. Thank you very much to everyone involved.” Tara Bowman, Essendon Rowing Club

A State of Rowing Excellence—Excel in Management

Rowing Victoria recognises the need to ‘Excel in Management’, in all aspects of operational activity. Our priority is to demonstrate ‘Best Practice’ in our delivery of rowing in Victoria and clarity around the decisions Rowing Victoria makes.

It is very important we display transparency in our activity and deliver effective communication to members.

- One of the key activities achieved this year by Rowing Victoria was a newly developed Strategic Plan that aligns with operational work-plans and is assessed against allocated staff KPI's
- All new activities aimed at our objective ‘grow our base’, are carefully assessed by way of cost analysis and budget forecasts before proceeding
- Regular workshops have been conducted with other State Rowing Associations to ensure consistency in the delivery of activities and events and to share best practice initiatives
- Rowing Victoria performs monthly monitoring of activity provided to members versus forecasts
- The Association also successfully managed the 2010 Sykes Racing Head of the Schoolgirls Regatta on the Barwon River in Geelong and the 2010 Australian Rowing Championships at Nagambie Lakes Regatta Centre, as well as assisting APS Sport with the conduct of the Heads of the River
- Rowing Victoria applied and successfully awarded a professional development grant for women in sport through Vic-Sport
- A focus has been the successful management of sponsorship relationships through this years events.
- Annual Member Survey was completed with 98% of clubs gauging the Satisfaction of all RV activity and feedback around improving our service
- During 2009/10, Rowing Victoria developed a clearly articulated media strategy to create a greater following and participation in our sport

Umpires Commission Report

2009/2010 was again a season that produced full coverage of regattas by our umpires. Our numbers continue to diminish and the workload is increasing. I thank all umpires for their dedication and willingness to take on an extra regatta when called upon. Unfortunately we are calling for help more often each season. We have identified recruitment as our most important development activity for the immediate future. We will be aggressive in our efforts to increase our numbers significantly over the 2010/2011 season and beyond. We ask that all clubs and schools make an effort to identify potential level 2 umpires and advise RV of any interest.

I would like to thank Rob Allan, Robin Burrows, David Grubits and Bill Webster for their efforts on the Umpires Commission. In a season where we had to revert to manual procedures while a new web-based system is developed the communication remained extremely professional and was always on time. The efforts of all on the Umpires Commission made this possible and their work is much appreciated. We were supported strongly by Terry Blyth, Greg Falk, Rob Kemp, Rene Klupacs Robin Murphy and John Nichols in various activities and Level One training in particular. We also thank all of the RV staff for their support over the course of the season and especially to Alice Evans for the enormous amount of work that she puts into umpiring in Victoria each year.

The Wentworth regatta was the venue that Ron Mitchell decided to hang up his flags and megaphone after a distinguished umpiring career dating back to 1968. Very few current umpires have progressed through their careers without valuable mentoring from Mitch at some point or another. The Umpires Commission warmly thanks Mitch for his efforts over the years and for his highly valued advice from time to time.

The 2010/2011 Umpires Commission has been appointed and consists of Bill Webster as Chairman, Robin Burrows as Secretary, Rob Allan, David Grubits and we welcome Greg Falk aboard. The commission is in excellent hands to progress into the next decade. We need the support of all clubs and schools to work with the Umpires Commission to recruit new umpires and develop the existing umpires to provide maximum safety, fairness and enjoyment for all participants in this great sport that we all love.

As part of the Nationals, Rowing Victoria Umpires allocated umpires to the Boat Park duties which improved all logistical aspects of the event.

Rod Florence
Chairman

Financial Report

I am pleased to present the financial statements with this report together with the auditor's report thereon.

Rowing Victoria continues to regard itself as being on a sound financial footing and in this respect, the premier state association in Australia. In terms of net assets this is true, however, Rowing Victoria has recorded a trading loss for the year of \$20,763 (compared to a trading loss for the prior year of \$18,754), and this is the third such trading loss in succession. While these losses are not currently having a material impact on our balance sheet it is a situation that we cannot allow to continue indefinitely. Due to the time required for effective implementation of reforms the outlook still remains difficult over the next 12 to 24 months.

Gross revenue increased by 21.4% over the previous period to \$1,214,219. This total includes the Australian Championships, \$310,836, meaning that gross revenue excluding this one off event fell by 9.6% compared to the previous period to \$ 904,600. General rowing activity remaining steady and this difference is explained by reductions in government grant income of \$ 46,920 and reduced seat fees for our Interstate team of \$ 48,634.

Net assets of the association have risen by \$ 29,905 to \$1,030,833. The increase is explained by the loss for the year of \$ 20,763 offset by an increase in the value of the investment portfolio of \$ 49,668. This gain in the market value of our portfolio to 30 June 2010 of 8.5% is a reflection of the more stable market conditions in this period.

Going forward your Board has reaffirmed its policy of budgeting for a better than breakeven position. The major challenge facing Rowing Victoria is that we are continually being squeezed as general rowing activity remains steady while costs are inexorably increasing. Your Board will need to work hard to grow and maintain external and alternative sources of income in order to maintain and improve the programs and services that Rowing Victoria offers its members so that Rowing Victoria can continue to grow and prosper.

Yours faithfully

David Pincus
Finance Director

**ROWING VICTORIA INCORPORATED
NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 JUNE 2010**

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers Rowing Victoria Inc. as an individual entity incorporated in Victoria under the Associations Incorporation Act (Victoria) 1981.

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (Victoria) 1981. The Board has determined that the association is not a reporting entity.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Revenue recognition

Sponsorship contributions are generally recognised as revenue on receipt except for specific sponsorships or donations for which the Association has received a commitment from the sponsor or donor.

Proceeds from additional activities are recognised on receipt. Interest revenue is recognised as it is earned. Donations and dividends are recognised when the Association receives control over the related funds.

(b) Plant and equipment

Each class of plant and equipment is carried at cost less, where applicable, any depreciation.

The depreciable amount of all fixed assets, is depreciated on the diminishing value basis over their useful lives to the association from the time the asset is held ready for use.

The depreciation rates used for each class of asset are:

Office equipment	7% to 40%
Regatta and rowing equipment	7% to 50%

The carrying amount of plant and equipment is reviewed annually by the association to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts.

(c) Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

(d) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(e) *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments.

(f) *Financial assets*

Investments held are originally recognised at cost which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at reporting date. Movements in fair value are recognised through an equity reserve.

(g) *Inventories*

Inventories are measured at cost, adjusted when applicable for any loss of service potential.

(h) *Goods and services tax (GST)*

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

(i) *Impairment of assets*

At the end of each reporting period, the association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expenses to the income statement.

(j) *Available for sale financial assets*

All investments are classified as available for sale financial assets. Available for sale financial assets are reflected at fair value unless the fair value cannot be reliably measured. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

(k) *Key estimates*

Impairment

The association assesses impairment at the end of each reporting date by evaluation of conditions and events specific to the association that may be an indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of assets.

(l) *Key judgements*

Provision for impairment of receivables

Included in accounts receivable at 30 June 2010 is an amount receivable from the rowing clubs which is material. The Directors believe that the debts will be recoverable and a doubtful debt provision has not been made at 30 June 2010.

(m) *Comparative figures*

Where necessary, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(n) *New accounting standards for application in future periods*

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates for future reporting periods. The association has been decided against each adoption of these standards. The association has determined that the impact for future reporting periods is considered insignificant.

Pahran VIC 3004

ROWING VICTORIA INCORPORATED

STATEMENT BY DIRECTORS

The board has determined the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board the financial report:

- (a) Presents a true and fair view of the financial position of Rowing Victoria Incorporated as at 30 June 2010 and its performance for the year ended on that date.
- (b) At the date of this statement, there are reasonable grounds to believe that Rowing Victoria Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Director

Director

Signed at Melbourne this day of 2010.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ROWING VICTORIA INCORPORATED

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Rowing Victoria Inc, which comprises the balance sheet as at 30 June 2010 for the year then ended, the income statement, statement of changes to equity, cash flow statement, a summary of significant accounting policies, other explanatory notes and the statement by directors of the board.

Board's Responsibility for the Financial Report

The board of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act (Vic) 1981 and are appropriate to meet the needs of the members. The board's responsibilities also include designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the board's financial reporting under the Associations Incorporation Act (Vic) 1981. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the financial report of Rowing Victoria Incorporated presents fairly, in all material respects the financial position of Rowing Victoria Incorporated as of 30 June 2010 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act (Vic) 1981.
