Rowing Victoria - Mission, Objectives, Values

This annual report provides an update on the 2014-2017 Strategic Plan of Rowing Victoria for the period 201-2017, including key programs and initiatives delivered or developed during the first year of the plan.

Rowing Victoria is a not-for-profit, peak state body responsible for the management and development of the sport of rowing throughout Victoria.

Mission

To create opportunities for rowers in Victoria to participate in rowing for life

Objectives (Pillars)

To fulfil our purpose we will realise the following objectives (Pillars) by June 2017

1. To make it easier and more enjoyable to go rowing
2. To build the profile of rowing in Victoria
3. To support our clubs, schools and associations to help them serve the needs of their members and rowing in Victoria

Values

In going about the above business objectives (Pillars), we will demonstrate:

1. *One team, more fun*: Rowing Victoria will build regatta calendars meeting the needs of all stakeholders, member clubs, schools and associations. Further to this, Rowing Victoria will make volunteering easier and more enjoyable through greater respect, recognition and reward systems
2. *Constant, positive growth*: Rowing Victoria will implement internal and external communication plans to engage the community and enhance relationships with all stakeholders, member clubs, schools and associations. This includes direct engagement with Rowing Victoria's key stakeholders of VicSport, Sport & Rec Victoria, Transport Safety, Rowing Australia and the VIS to better deliver rowing opportunities in Victoria
3. *Develop, serve and support*: Rowing Victoria will utilise all available resources to develop their own resources, provide insights, feedback, and access to facilities, equipment and deliver ample educational opportunities to support all stakeholders, member clubs,

President's Report: Fiona Dickson

On behalf of the Board of Rowing Victoria, I am pleased to present this Annual Report to our members, friends, supporters and sponsors.

From the first time that a person picks up an oar, whether at school or at a club, rowing has a way of becoming a part of that person's life....for the rest of their life. While rowing might be seen as a niche sport by some, the formative experiences of rowing are powerful and contribute to the identity we each have as members of this wonderful rowing community.

With our constant desire to achieve more, refine our technique and find just a little more fun from our craft, our efforts on the water are not dissimilar to those in stewarding rowing in this State. The strategic plan, developed with significant input from the rowing community, is simply to continue to make rowing a sport for life.

Making it easier to go rowing

The regatta program is the hub around which significant activity occurs each year across our State. The continued renewal of our regattas has provided opportunity for innovation by the many regatta committees who host events each year and this, in turn, has supported the increases in participation which are vital for Rowing Australia's whole-of-sport strategy for rowing. Feedback from rowers, clubs and schools has indicated that these efforts have contributed to making competitive participation easier and more accessible.

Recognition of the many volunteers across our sport is also critically important to the operations of our clubs, schools, regattas and our engagement. The awards which recognise our volunteers are listed at the end of this section and we commend the long hours and effort of these worthy award recipients.

Of course rowing would be nothing without waterways and, over the last year, the staff of RV and a number of club and school representatives have collaborated to make submissions on behalf of rowing to maintain and improve access for rowing in Victoria.

Raising the profile of Victorian rowing

While rowing is an Olympic sport, its profile is not that of sports which enjoy far broader media coverage. As a result, raising the profile of rowing relies on the advocacy of the rowing community and purposeful communications to key stakeholder audiences. Success on the international stage makes a significant contribution to this objective and Victorian rowers have achieved exceptional results. So too, at the National Championships, our crews returned the 'Big V' to its previous glory and we pay tribute to their hard work and preparation. Mention should also be made of representative crews at the Junior and Masters levels for their successful campaigns, and to those Victorian athletes, coaches and officials who represented our State in all Australian teams.

The profile of rowing differs across the State and we acknowledge the very significant role that community rowing clubs play in regional areas and in metropolitan areas where access and diversity are paramount. We celebrate the rowing community in its many forms and thank contributors for the role that they play in advancing our sport.

The profile of rowing is also to be celebrated at this year's Victorian Rowing Hall of Fame on Saturday 28th November 2015 at the Boykett Room Scotch College. As a wonderful celebration of success across the whole of our sport, we warmly invite all members of the Victorian rowing community to join this important and incredibly enjoyable event. Details can be found on the RV web site.

Supporting the clubs, schools and associations within Victorian rowing

In developing the role of Club Development, RV has developed numerous programs which have been well subscribed and utilised the Club Health Check resources available through the Australian Sports Commission. However the most important aspect of development support is through pathways to develop skills and to retain those people and their skills. From transition programs toward sub-elite rowing to pathways for Umpires, support has been designed through deep engagement with members of the rowing community and their specific needs.

Together with Rowing Australia, there are also a number of programs which will be developed on a whole-of-sport basis over the coming years. Victoria embraces these opportunities to reduce duplication and costs, improve coordination and prioritise those programs which will have the most significant impact on the sport overall.

At its heart, rowing is about communities and individuals who continue to make rowing the dynamic sport that we love. We applaud the many individual volunteers and long-serving supporters of rowing in Victoria and acknowledge those who have made extraordinary contributions through the Awards of the Association.

Recognising our Volunteers in 2014

Victorian Rowing relies on the contribution and support of volunteers, whether umpires, regatta volunteers, commission and committee members, board members or the many other roles which contribute to the success of rowing in Victoria. We thank them all for their commitment of time and energy and acknowledge the role that they have played in the past year.

The **William Waterfield Award** for Outstanding Service to Victorian rowing. Named after life member William Waterfield, who exemplifies long and outstanding service to the sport in Victoria, we are pleased to present this year's award to Andrew Guerin. *Your service to Rowing Victoria as President of the Board and of several organising committees, and your work as a Victorian, Australian and FISA Umpire has been superb. You have created enduring policies and rules for racing and governance which have ensured the safety and wellbeing of participants at Association regattas. You are a devoted and outstanding servant of the sport. The sport has also benefited tremendously from your dedication to the History of the Sport.*

The **Kath Bennett Award** for Outstanding Service to a Rowing Community in Victoria. The award is planned to capture those people who have done outstanding work in a club, regatta committee or region. Kath Bennett is a fine example of such work with reinvigorating women's rowing prior to amalgamation with the men's association in 1979. This year the award is being presented to Eric Waller. *You have been instrumental in the resurgence of Lake Wendouree and to the success of the Ballarat Rowing Association. During your Presidency of the Ballarat Rowing Association, rowing has expanded enormously. Your 30 years as President of Wendouree Ballarat Rowing Club underpins your commitment to the club, the region and the sport. Your role of Field of Play Manager for Rowing Victoria is a huge commitment that you have taken on for many years. You are a great volunteer.*

The **Bob Duncan Award** for Outstanding Services to Umpiring. Bob Duncan is an Olympian but more importantly, a dedicated, long serving and excellent umpire. He led the improvement in umpiring stand-

President's Report: Fiona Dickson

ards and broke new ground in many aspects of umpiring. This years award goes to Bill Webster. *You have provided long and superb service to the Association's Umpires Panel and particularly in your recent role as chair. You have provided great leadership in a challenging year of dwindling umpire numbers. You epitomise the qualities of excellence, leadership and service embraced by this award.*

The **Susie Palfreyman Award** for contribution to school rowing. Susie Palfreyman continues to play a significant role in Victorian rowing, having developed a world-class program at MLC, founding the Head of the Schoolgirls regatta and continuing to support initiatives such as the Hall of Fame event. Susie continues to be a wonderful role model for Women in Rowing. The award this year goes to Jossie Millard. *You have provided excellent leadership to schoolgirl rowing and enabled far more girls the opportunity to participate in the Head of School Girls Regatta. Your work in encouraging schoolgirls to participate at the highest levels is underpinned by your leadership on the Head of School Girls Committee. Your contribution has been distinguished and significant to the younger rowers in our sport*

Recognising our Volunteers in 2015

I am also delighted to commend to **Andrew Guerin** for **Life Membership of Rowing Victoria**. The quality of Andrew's work as demonstrated through the list of service below, together with his role as President of Rowing Victoria, more than 20 years of service as an Umpire of Rowing Victoria, the significant changes he has made to the nature and operations of Rowing Victoria, and the strengthening of the business of the Association. Andrew has also provided significant leadership and mentoring to other members of our sport in administration, governance, umpiring and coaching. He has been a great supporter of women and a true champion of service in our sport.

Andrew's contribution to the sport over a significant period of time is also evident from the description below.

Umpire (36 years)

Active senior State, national and international umpire

Years of Service

FISA Umpire since 1995

Rowing Australia Umpire since 1985

Rowing Victoria Umpire since 1978

Domestic Highlights

Andrew has participated in every Victorian State Championships since 1978

Andrew has very successfully implemented strategies for Umpire recruitment, retention & recognition in his time as a leading Umpire in Victoria

President Rowing Victoria Inc.

September 2005 – December 2013 (8 years 4 months)

Changed the Governance of the organisation

Councillor of Rowing Australia

Guided the Board from a Board of Management to a Board of Directors

President's Report: Fiona Dickson

Volunteer Recognition establishing the Awards Committee

Established the Victorian Hall of Fame

Team Manager

1986-88 Victorian team manager

1988 Under 23 National team manager

1989-1992 senior National team manager

1992 Olympic team manager – 2 gold medals

1996 Olympic team manager (most successful nation at regatta)

As this is the highest honour of the Association, the contribution to the Association must also be significant and meritorious. The Association's Awards & Remuneration Committee and the Board have considered that Andrew's service meets the exacting standards and have both unanimously recommended it to members. Andrew's work for the Association has been outstanding.

Finally, on behalf of the Board, I would like to thank the staff of Rowing Victoria for their diligence and commitment to supporting our member Clubs and Schools and to the Clubs and Schools for their continued support of their Association.

Fiona Dickson

President and Chair

Rowing Victoria

Chief Executive Officer Report: Nick Gall

Rowing Victoria has recently concluded the first full year of our new Strategic Plan. The plan was completed in May 2014 for a 3 year term (2015-2017) following a new round of funding from Sport & Recreation Victoria and a Good Governance review conducted through VicSport. All Board and Management considerations are now made based on the Strategic Plan Pillars (see page 4).

National Alignment – Our focus this year has been to support cohesive growth for the sport of rowing;

Whole of Sport National Participation Database:

Rowing Victoria has worked with Rowing Australia to introduce a new National Participation Database that is to be hosted by RevolutioniseSPORT. RV has been using RevolutioniseSPORT for the past 9 months to host our website and which will in the future provide a database to improve communication with all members and stakeholders.

Adopt a School Wrap-Up:

RV has worked closely with RA to ensure that the final year of the “Adopt a School Program” will lead into the new programs with the “Sporting Schools Project”.

Sporting Schools Project:

RV submitted various proposals to RA for the Australian Sports Commission’s new “Sporting School Project” to attract school athletes in year 5 and 6 to the sport. The concept trialled smaller, lighter and shorter equipment that would be considered more suitable for primary school aged children.

Coach Education Review:

RA has conducted a review of the Coach Education program that is currently in place. RV has had considerable input into the style, content and delivery mechanism that RA will consider for the re-write of this coach education delivery process.

National Policies:

- * Privacy Policy - RV worked with RA over the past 12 months to introduce a privacy policy that will ensure that our members personal information is collected and held in a professional manner and keeping communication channels specific to the sport of rowing
- * Standardised Membership Form - RV has worked with Rowing Australia to implement a Standardised Membership Form that will be implemented through the new National Database platform *Revolutionise*
- * Cardiac Screening Guidelines - RV has adopted Cardiac Screening Guidelines into all selection policies for State and National selection.

Maximising Funding - State and National Government Opportunities;

Through application to Sport & Recreation Victoria, RV was successful in achieving Travel Grant Funding for Underage athletes in excess of \$20,000. We continue to remain active in engaging the Minister for Sport on getting greater funding in this area.

Rowing Victoria was successful in obtaining \$5000 through the State Government as part of developing a toolkit for recruitment of volunteers at all levels of the sport.

Chief Executive Officer Report: Nick Gall

RV was also successful in obtaining \$10,000 to subsidise regional Level 1 Coaching courses with the aim of getting more coaches accredited. Courses were delivered for \$50; less than a quarter of the standard costing of \$220. 83 Coaches took up this offer.

RV has come to the end of the “Future Directions Projects” and “Organisational Support Grants” from Sport & Recreation Victoria that supported Rowing Victoria for the past 3 years. Interim funding at an equivalent rate has been distributed to RV for the next 6 months while a funding review is undertaken.

We thank the Victorian Government for all their support and we look forward to working with them over the next three years to achieve in greater outcomes for both our members and stakeholders.

Facilities & Infrastructure – Lobbying Councils and Waterway Managers;

Rowing Victoria continues to work with the Department of Environment and Primary Industry and Parks Victoria on improving the facilities at the National Water Sports Centre. The surrounding land will now be considered for the development of a cable park skiing centre which will have a positive impact on the amenities at the course.

RV continues to lobby Strathbogie Shire on the proposal to extend the peninsula, the dredging and new amenities that are required to host a national championship at Nagambie Lakes.

RV has entered into a financial agreement with the City of Ballarat, committing the State Championships to be held at Lake Wendouree in 2016 and 2018.

RV has begun working on a state-wide facilities plan that will see RV staff visit every rowing waterway for facility, infrastructure and operational reviews with a view to working with the land managers to propose improvement plans.

Relationships – RA, VIS, Regatta Hosts;

RV would like to thank Rowing Australia for their support to our elite and underage athletes. Their Winning Edge Program clearly articulates a performance driven culture that underpins High Performance and the professionalism the sport stands for.

RV continues to work closely with the VIS to support High Performance outcomes for our Victorian athletes. We thank them for all their work and in particular their efforts in supporting our Victorian State Team. We look forward to continuing to work with them in the future.

A special thanks to all our regatta hosts. RV realise the challenges we face in running quality regattas and the efforts required to adhering to safety protocols. We hope we are easing the administrative burden for you through our support. RV looks forward to working with you 2015-16 season.

We also thank our member Clubs and Schools, and in turn their members and students, for your support of our programs and regattas in 2014 - 15.

Our Team Appreciation

I would like to thank the staff at Rowing Victoria including: Alice Evans, James Scott, Bron Humphrys, Andrew O'Brien and Lynne Charge, for their hard work and difficult hours the sport presents.

Chief Executive Officer Report: Nick Gall

The Board of Rowing Victoria, led by Chair - Fiona Dickson, Vice Chair - Pat McNamara and Directors- James Hatherley, Tom Wood, Rene Klupacs, Bill Webster & Caitlin Ripper have been instrumental in supporting the delivery of the Strategic Plan and the financial stability of the association.

I would also like to thank all the Boat Race Officials led by Chair of the Umpires Panel – Tony Lawless.

The consultation that has been delivered through the Sport Development, Members and Officials Commissions provided us with the opportunity to make evidence based decisions and we thank them for their work.

Last of all I would like to thank Selectors and in particular Andrew Cleary as Chair of Selectors, Team Director Alastair Isherwood and all state team coaches for delivering very successful Interstate events. Our on-water performance demonstrates the culture that Victoria has within the Big White V.

This year was much improved for engagement with our membership through commissions, committees and forums. This engagement has allowed us to try new and innovative ideas that we have implemented into our regatta calendar with mixed success. We look forward to working with our members during the 2015 - 16 season to make rowing more enjoyable for all.

Nick Gall

CEO

Rowing Victoria

Umpires Panel Report: Tony Lawless

This year saw the formation of the new Rowing Victoria Umpires Panel. The current panel consists of Tony Lawless, Paul Hargreaves, David Grubits and Ben Ratcliffe. The main role for this panel was to support umpires in providing safety and fairness at all regattas for competitors under the guidelines of Rowing Victoria rules. To achieve this the panel has worked in the areas of training, recruitment and regatta management.

The following facts regarding the state of play for Victorian umpires gives an overview of both the tremendous work achieved and the challenges that lie ahead.

During the 2014-2015 season the hours volunteered was in excess of 3200 hours. The total pool of umpires was 49 with 3 of those unable to commit to and work at, at least one regatta. Club rowing numbers show a total of 2012 with 41 umpires coming from their ranks. School competition show numbers of 4122 with schools supplying 4 umpires. Four independent umpires with no allegiance to either club or school were also involved.

The male / female ratio of umpires has remained fairly static over a five year period with 88% male and the remaining 12% female. While we have had a cluster of 46 active umpires this season, the reality is that a small percentage have been responsible for 50% of volunteered hours.

The ages of umpires working sees the category of 55 and over contributing to 75% of all hours worked and this has increased over the last 5 years. In a break down of officials supplied by clubs, we have a total of 23 clubs (4 of which are schools) supplying the pool of umpires. It should be noted that *Corio Bay RC, Wendouree-Ballarat RC, Footscray City RC* and *Independents* supplied 20 of these umpires.

As far as hours contributed by individual clubs it should be noted that *Mercantile RC, Independents, Essendon RC, Wendouree-Ballarat RC, Corio Bay RC* and *Footscray City RC* volunteered more than 200 hours each with *Corio* and *Footscray* supplying in excess of 350 hours per club.

It would be an understatement to point out the fact that from these statistics we find we have a group of people who are extremely generous with their time. To sustain our umpire ranks we need to see an even spread of Level 2 Umpires supplied by *all* clubs and schools, in particular the schools. We need to address the ratio of male / female umpires and further to this we need to focus on attracting a different age group demographic.

This year was particularly pleasing to see our higher-ranked umpire numbers increase with five people passing their level 2 exam and a handful of others wishing to advance and progress to Level 2 status next year.

The umpires would like to thank the Rowing Victoria Board for sponsoring their conference this year at Nagambie, with Nick Hunter, Australia's FISA umpires commission member being our key note speaker. A post-conference note from Nick; "The workshop was a great initiative. I believe that RV leads the way in Australia for this type of professional development for umpires."

The umpires panel would like to thank every umpire for their continued support of rowing in Victoria at both the club and school level. We will continue to work with our members and stakeholders to provide the highest level of safety and fairness for athletes at every regatta.

Tony Lawless

Chairman

RV Umpire's Panel

Notes to the Financial Statements

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The Association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Association.

The following Accounting Standards and Interpretations are most relevant to the Association:

- AASB 2012-3 *Amendments to Australian Accounting Standards – Offsetting Financial Assets and Liabilities*;
- AASB 2012 – 3 *Amendments to AASB 136- Recoverable Amount Disclosures for non-financial assets*; and
- AASB 2014-1 *Amendments to Australian Accounting Standards (Part A to C)*.

The following Accounting Standards have been issued but are not yet effective:

- AASB 9 *Financial Instruments*; and
- AASB 15 *Revenue from Contracts with Customers*.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The expected impact on the financial statements of the Accounting Standards that have been issued but are not yet effective is detailed below:

AASB 9 Financial Instruments:

AASB 9 replaces the existing guidance in AASB 139 Financial Instruments: Recognition and Measurement. AASB 9 includes revised guidance on the classification and measurement of financial instruments, including a new expected credit loss model for calculating impairment on financial assets, and the new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition on financial instruments from AASB 139.

AASB 9 is effective for annual reporting periods beginning on or after 1 January 2018, with early adoption permitted.

The Association anticipates that the application of AASB 9 in the future may have an impact on the amounts reported in respect to the Association's financial assets and financial liabilities. However, it is not practicable to provide a reasonable estimate of the effect of AASB 9 until the Association undertakes a detailed review.

AASB 15 Revenue from Contracts with Customers:

AASB 15 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The core principle of AASB 15 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Association anticipates that the application of AASB 15 in the future may have an impact on the amounts reported and disclosures made in the Association's financial statements. However, it is not practicable to provide a reasonable estimate of the effect of AASB 15 until the Association undertakes a detailed review.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Associations Incorporation Reform Act 2012*. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial report covers Rowing Victoria Inc. as an individual entity incorporated in Victoria under the *Associations Incorporation Reform Act 2012 (Victoria)*.

These general purpose financial statements have been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012 (Victoria)*. The Board has determined that the Association is a reporting entity.

The financial statements have been prepared on an accrual basis and are based on historical costs and do not take account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of these financial statements.

(a) Revenue recognition

Sponsorship contributions are generally recognised as revenue on receipt except for specific sponsorships or donations for which the Association has received a binding commitment from the sponsor or donor.

Grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. The grants are recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Association obtains control of the revenue, it is probable that the economic benefits gained from the contract will flow to the Association and the amount of the revenue can be measured reliably.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the revenue is recognised in the Statement of Financial Position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Proceeds from additional activities are recognised on receipt. Interest revenue is recognised as it is earned, using the effective interest method. Donations and dividends are recognised when the Association receives control over the related funds.

(b) *Plant and equipment*

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets, is depreciated on the diminishing value basis over their useful lives to the Association from the time the asset is held ready for use.

The depreciation rates used for each class of asset are:

| | |
|------------------------------|--------------|
| Office equipment | 20% to 50% |
| Regatta and rowing equipment | 12.5% to 50% |

The carrying amount of plant and equipment is reviewed annually by the Association to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts.

(c) *Employee benefits*

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the net present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on corporate bonds with terms to maturity that match the expected timing of cash flows

Contributions are made by the entity to employee superannuation funds and are charged as expenses when incurred. Annual leave that is not expected to be wholly settled within 12 months is discounted allowing for expected salary levels in the future period when the leave is expected to be taken.

(d) *Trade and other payables*

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(e) *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments. The term deposits, which short term in nature and are available as cash on call, have been included as cash and cash equivalents.

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) *Financial assets*

Investments held are originally recognised at cost which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at reporting date. Movements in fair value are recognised through the asset revaluation reserve.

(g) *Inventories*

Inventories are measured at lower of cost and net realisable value, adjusted when applicable for any loss of service potential.

(h) *Goods and services tax (GST)*

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of the GST recoverable from, or payable to, the ATO is included with other receivables and payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, tax authority.

(i) *Impairment of assets*

At the end of each reporting period, the board reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, impairment is carried out on the asset, being the higher of the asset's fair value less costs to sell and value-in-use, to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Profit or Loss and Other Comprehensive Income.

(j) *Available for sale financial assets*

All investments are classified as available for sale financial assets. Available for sale financial assets are reflected at fair value unless the fair value cannot be reliably measured. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

(k) *Critical accounting judgements, estimates and assumptions*

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events; management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Key estimates

Useful lives and depreciation

The Association has assessed the useful lives of assets and to recognise these assets over their useful lives using an appropriate depreciation method and rate. Refer to Note 1(b).

Impairment

The Association assesses impairment at the end of each reporting date by evaluation of conditions and events specific to the Association that may be an indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of assets.

Provision for Employee benefits

The Association has determined the liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Refer to Note 1(c).

Key judgements

Provision for impairment of receivables

Included in accounts receivable at 30 June 2015 is an amount receivable from the rowing clubs which is material. The directors believe that some debts will not be recoverable and a doubtful debt provision has been made at 30 June 2015 as disclosed in Note 5.

(l) Comparative figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) *Fair Value Measurement*

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principle market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(n) *Income tax*

The Association is exempt from paying income tax under Section 50-45 of the Income Tax Assessment Act 1997.

(o) *Current and non-current classification*

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

South Melbourne VIC 3205

Statement by Board Members

ROWING VICTORIA INCORPORATED

ABN 95 878 063 094

ROWING VICTORIA INCORPORATED

STATEMENT BY BOARD MEMBERS

The Board has determined the Association is a reporting entity and that this general purpose financial report should be in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board:

- (a) The financial statements and notes comply with the *Associations Incorporation Reform Act 2012*, the Australian Accounting Standards – Reduced Disclosure Requirements and other mandatory professional reporting requirements;
- (b) The financial statements present a true and fair view of the financial position of Rowing Victoria Incorporated as at 30 June 2015 and its performance for the year ended on that date; and
- (c) At the date of this statement, there are reasonable grounds to believe that Rowing Victoria Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Director

Director

Signed at Melbourne this 26th day of August 2015.

Independent Auditor's Report to the Members of Rowing Victoria Incorporated

Report on the financial report

We have audited the accompanying financial report of Rowing Victoria Incorporated (the Association), which comprises the Statement of Financial Position as at 30 June 2015, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by Directors of the Board.

Director's responsibility for the financial report

The Directors of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – *Reduced Disclosure Requirements* and the *Associations Incorporation Reform Act 2012* and for such internal control as the Directors determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's opinion

In our opinion the financial report of Rowing Victoria Incorporated is in accordance with the *Associations Incorporation Reform Act 2012*, including

- a) giving a true and fair view of the Association's financial position as at 30 June 2015 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards – *Reduced Disclosure Requirements*.

Regatta Calendar

Rowing Victoria (RV) embarked on a more demand driven approach to developing the regatta calendar this year by analysing and benchmarking the key features of the most successful regattas.

RV sought feedback from key stakeholders at a range of workshops on the regatta calendar at large and certain segments to evolve and improve the calendar.

Based on member insights, RV ran financial modelling on the revenue impacts to the changes in the calendar and delivered changes such as Irish League, Score Freeze and a number of other initiatives.

RV delivered a draft calendar in April 2015 engaging incumbent regatta hosts and potential new hosts to apply for their preferred regatta dates with the 2015-16 season calendar finalised in June.

Facilities

RV commenced a Facilities Audit of all rowing waterway venues in order to set evidence based priorities to focus on;

- * Developing criteria for facilities
- * Identifying facilities with gaps compared to criteria and prioritise facility improvements
- * Writing Course Facilities Requirements Plan in conjunction with relevant committees
- * Working with clubs to lobby government to fund and implement improvements.

Recreational Rowing

Rowing Victoria has recognised the focus needed in recreational rowing beyond competition.

RV will introduce a rewards card that is delivered to all RV members through Sport-Saver.

RV also recognises the need to align ourselves with quality charities to run recreational based events.

Recognise and Reward Volunteers

Rowing Victoria recognises the investment our members make in volunteering at regattas. In particular;

- * Launch and promote schemes to target existing and potential volunteers
- * Developing a reward and recognition program for volunteers
- * Streamline accreditation for qualified umpires to gain and maintain a qualified status
- * Identify and nominate volunteers for outstanding achievement awards.

Communications

Rowing Victoria (RV) developed a communications plan that gave consideration to the segments of all engaging members. It was important to articulate the content, reach and frequency to be communicated to groups that aligns with, and supports the effectiveness of, all of our strategies. This includes;

- * All face to face meetings
- * Resource requirements for implementation
- * Implementation of plan.

External Stakeholder Engagement

Rowing Victoria worked with stakeholder groups including VicSport to lobby 3 tiers of government, Culturally and Linguistically Diverse (CALD) communities and disability groups for necessary support to our strategic objectives.

The second area of stakeholder engagement is to support regatta committees in improving their external communications and promotion, ultimately ensuring greater success at all regattas.

RV continues to work with both the VIS and RA to underpin an updated, unified coaching methodology which is currently under construction.

RV continues to consider the RA commissioned Gemba Survey outcomes and assess the benefits for Nationally aligned programs to strengthen the value of all current and future delivered programs.

RV is working cohesively with RA to align our grassroots programs to obtain Australian Sports Commission participation funding for the Victorian Rowing Community.

RV has been lobbying Transport Safety Victoria around access to waterways, legislation and affordability to participate.

In 2014 RV completed a Good Governance project together with VicSport to build and review the skills of administration at Rowing Victoria.

RV participated but were unsuccessful in two new funding opportunities with VicHealth through promotion and publication of inclusive participation. RV's focus on large participation numbers with innovative ideas for current as well as a new demographic—the focus of the funding—did not meet the proposed benchmarks that VicHealth had set.

RV has engaged with the Victorian Government on our opportunities for rowing in Plan Melbourne

RV continues to explore funding scope with Sport & Recreation Victoria around community participation venues.

Report to the 2015 - 2017 Strategic Plan: Strengthen our Partnerships

Rowing Victoria joined forces with and accomplished common goals with organisations such as:

Facilities and Waterways Improvements;

- Barwon Water
- Corangamite Catchment Management Authority
- City of Ballarat
- City of Greater Geelong
- Parks Victoria
- Strathbogie Shire Council

School to Club Transition;

- Associated Public Schools of Victoria
- Head of the Schoolgirls' Regatta Committee
- School Sport Victoria

Increase participation and retention;

- Australian Sports Commission
- Barwon Academy of Sport
- Sport and Recreation Victoria
- VicSport

Provide Support to Regatta Committees;

- Ballarat Rowing Association
- Geelong Rowing Association
- Murray Rowing Association
- Head of the Schoolgirls Committee
- APS Sport
- Albert Park Lake Clubs
- Ballarat Rowing Association
- Banks Rowing Club
- Bairnsdale Rowing Club
- Bendigo Rowing Club
- Carey Grammar School
- Carrum Rowing Club
- Dimboola Rowing Club
- Genazzano FCJ College
- Essendon Rowing Club
- Firbank Grammar School
- Footscray City Rowing Club
- Hamilton Rowing Club

- Hawthorn Rowing Club
- Lake Colac Rowing Club
- Loreto Toorak
- Melbourne Amateur Regatta Association
- Melbourne Girls Grammar School
- Mercantile RC & Scotch College
- Mildura Rowing Club
- Nagambie Rowing Club
- Nestles Rowing Club
- Sacred Heart College
- St Patricks College
- Upper Yarra Rowing Club
- Wendouree Ballarat RC
- Wentworth Rowing Club

Support Inclusive Participation;

- Blind Sports Victoria (BSV)
- Deaf Sport and Recreation
- Disability Sports Victoria

Increase the profile of the Sport;

- Designer Paintworks
- ROMS
- Wintech Racing
- Victorian Major Event Company
- Winning Edge
- State Government Victoria
- La Trobe University

Support High Performance;

- National Rowing Centre of Excellence
- Rowing Australia
- Victorian Institute of Sport

Sport Safety;

- Life Saving Victoria
- Transport Safety Victoria
- Willis Insurance

Report to the 2015 - 2017 Strategic Plan: Support clubs to serve their members

Rowing Victoria (RV) delivered its first year of Club Development through the recruitment of Andrew O'Brien.

Andrew has been active in accessing and evaluating the needs of clubs throughout Victoria. Utilising a Club Good Health Check and regular consultation opportunities, Andrew has already begun to implement strategies and create shared resources for the benefit of the wider membership. These are instrumental in promoting effective and sustainable community integration. The following initiatives have been integral:

- Improved accessibility to resources (for both metro and regional clubs) through regular seminars, course delivery, webpage information and networking.
- Raising awareness and improving access to specialised personnel in areas of coaching, marketing, administration, special needs and general quality control.
- Creating and piloting a Regional Pathway Program for talent identified athletes to transition into sub-elite programs.
- Fostering network opportunities between clubs, sports and government.
- Introduction of a club 'best practice' framework to raise delivery standards.

Further to this, RV have:

- ⇒ been successful in obtaining \$5000 from the State Government to build a volunteer recruitment toolkit to help support clubs in their recruitment process. This toolkit now sits on the RV website under Development / Volunteer Recruitment.
- ⇒ through the Umpires Panel developed a clearly articulated pathway published on the RV website with facilitated opportunities for earlier engagement with volunteers to progress their career qualifications and skills to suit the ambitions of the individual.
- ⇒ been working with Transport Safety Victoria to assist our members in conducting a simple annual review of all Safety Management Plans at their respective clubs and schools.
- ⇒ been acutely aware of the geographical challenges of regional regattas and is actively engaging regatta committees to share insights with successful regatta committees to provide support to each of them to improve their regatta offer.

RV continues to review rules to align with the RA and FISA and to adapt them to meet the needs of our membership and our events. We host a biennial Umpire's Conference to discuss revised, updated and ambiguous rules that need to be enforced at regattas. RV will promote the of the roles and contribution of volunteers and officials to all members and engage them on why they need to enforce rules. This in turn aims to build mutual respect and ensure greater success at regattas.
