# ROWING VICTORIA - MISSION, OBJECTIVES, VALUES

---

Rowing Victoria is a not-for-profit, peak state body responsible for the management and development of the sport of rowing throughout Victoria.

## **Mission**

To create opportunities for rowers in Victoria to participate in rowing for life

## **Objectives (Pillars)**

Rowing Victoria will deliver this strategic plan through four key pillars:

### **Pillar 1: Event management**

We will deliver and facilitate positive experiences for all RV-sanctioned events in Victoria.

### **Pillar 2: Regatta operations and services**

We will deliver high-quality service and strengthen our relationships with regatta stakeholders.

### **Pillar 3: Member engagement and development**

We will increase the number of people who participate in rowing.

### **Pillar 4: Advocacy and stakeholder engagement**

We will facilitate stakeholder engagement in order to create a safer and more inclusive culture in Victorian rowing

## **Values**

In going about the above business objectives (Pillars), we will demonstrate:

1. **One team, more fun:** Rowing Victoria will build regatta calendars meeting the needs of all stakeholders, member clubs, schools and associations. Further to this, Rowing Victoria will make volunteering easier and more enjoyable through greater respect, recognition and reward systems.
2. **Constant, positive growth:** Rowing Victoria will implement internal and external communication plans to engage the community and enhance relationships with all stakeholders, member clubs, schools and associations. This includes direct engagement with Rowing Victoria's key stakeholders of Vic Sport, Sport & Rec Victoria, Transport Safety, Rowing Australia and the VIS to better deliver rowing opportunities in Victoria.
3. **Develop, serve and support:** Rowing Victoria will utilise all available resources to develop their own resources, provide insights, feedback, and access to facilities, equipment and deliver ample educational opportunities to support all stakeholders, member clubs, schools and associations in their developmental pursuits.

# ROWING VICTORIA - BOARD & OPERATIONS

---

## Board Members

President & Chair	Joseph Joyce
Vice President	Josie Millard
Director / RA Councillor	Pat McNamara
Director	Leeanne Ambrose
Director	Caitlin Ripper
Director	Richard Bartlett

## Audit Risk Finance Sub-Committee

Joseph Joyce, Caitlin Ripper,

## Strategy & Review Sub-Committee

Josie Millard, Dick Bartlett

## Awards & Remuneration Sub-Committee

Patrick McNamara, Leeanne Ambrose

## RV Office

CEO	Nick Gall
Events Manager & Volunteer workforce	Adam Harrison (from Feb 2018)
Membership services	Adam Harrison (from Feb 2018)
Regatta & Events Manager	Bron Humphrys (until Mar 2018)
Regatta operations	Laura Schouten (from Mar 2018)
Club & School Development	Andrew O'Brien
Finance Officer	James Scott

## Selectors

Chairperson	David Yates
Senior Selector	Thomas Courtney, Phoebe Stanley
Youth Selectors	David Pincus, Martin Francis
Masters Selector	Meredith Williams, Stephen Mollard

## Umpires Commission

Tony Lawless (Chair), Benjamin Ratcliffe, David Grubits, Michael Eastaughffe, Lesley Skevington, Rod Florence, Josie Millard. RV office conduit Adam Harrison

## Field of Play Manager

Eric Waller

## Competition Commission

Richard Bartlett, David Pincus, Mark Dwyer, Glenn Bottrell, Brigette Carlile, Katelyn Johnson. RV office conduit Adam Harrison, Laura Schouten

## Development Commission

Caitlin Ripper, Jane Robinson, Nicholas Andreou, Will Beedham, Martin Francis, Nick Mitchell. RV office conduit Andrew O'Brien

## Life Members

Peter Antonie, Kath Bennett, Peter Fraser, Andrew Guerin, Caroline Judd, James Lowe, Mike McKay, David Pincus, James Tomkins, Eric Waller, Roger Wilson

## Past Life Members

Robert Aitken, Bill Bradshaw, David Boykett, Norman Cairnes, Jim Hardie, Harvey Nicholson, Brian Vear, Noel Wilkinson, Hubert Frederico, David Deeble, Bill Waterfield, Ray Todd, Jess Stockman, May Laird, Jess Pinkerton, Bob Morell, Ted Woolcock

## ROWING VICTORIA CONDOLENCES

---

Over the last year we lost a number of our community and this reminds us of the great contributions individuals make to their clubs and to the sport. Rowing Victoria would like to register their sincere condolences on the passing of the following rowing community members.

### **Jane Clarke**

Life member of “Corio Bay Rowing Club” and “The Y Rowing Club”. Jane is great volunteer who will be sadly missed.

### **Dushan Stankovich**

Dushan was a life member of Footscray City Rowing Club and a member of the winning 1962 Empire Games Eight

### **Kristine Gall (nee Jacobsen)**

Mother of Nick Gall – RV CEO and daughter of Alan Jacobsen.

### **Mary-Jane Fernandez**

Wife of the Deputy High Performance Director of Rowing Australia Jaime Fernandez.

### **Vale John Marshall**

John, whose sons Sandy and Tim are long standing members of MUBC, was a highly regarded rowing coach at school, club and interstate level in both South Australia and Victoria where he coached at both Monash University and MUBC.

## PRESIDENT'S REPORT: JOSEPH JOYCE

---

On behalf of the Rowing Victoria (RV) Board I am pleased to present the Board report on Rowing Victoria's 2017/18 season.

Rowing Victoria exists to represent our members, facilitate safe and fair racing for all athletes and provide a unified voice to protect and grow the sport in Victoria and Australia. The demands on the sport have never been greater and we have a responsibility to recognise these challenges and build better processes and systems to support all member and volunteers. RV's strategic plan has provided a clear direction for the organisation and the changes are becoming evident.

We remain the fastest growing rowing community in Australia servicing the largest memberships and running the most regattas. Membership growth in individual members and seats raced provides visible signs of the change. In the last seven years our registered competitors have grown from 4,800 to 8,500, and the number of regatta seats has increased from 21,000 to just over 40,000.

The sport of rowing in Victoria continues to grow with membership expected to reach 9000 by 2020.

Rowing Victoria has released a 5 year strategic plan to respond to the sports current and emerging needs. We will deliver this strategic plan through four key pillars:

**Pillar 1: Event management**

**Pillar 2: Regatta operations and services**

**Pillar 3: Member engagement and development**

**Pillar 4: Advocacy and stakeholder engagement**

As the peak body for the management of rowing in Victoria, our success is underpinned by a firm commitment to represent the best interests of our 45 member clubs, 47 member schools, volunteers and supporters, in order to provide rowing for all ages and abilities in an engaging, welcoming and safe manner.

This strategy is delivered by our small but dedicated office who have harnessed the support from our community to participate on commissions and committees. To reflect our strategic direction, Nick Gall, CEO, has redefined roles to deliver better regatta day experience, closer relationships with clubs and stronger guidance and support for our athletes.

## Presidents Report: Joe Joyce (cont.)

To ensure broader involvement from within the sport, we have aligned our commission charters and encouraged broad community representation across the three key areas of Umpires, Competition and Development. Each commission includes an RV Staff and Board member, to ensure consistency of process and ease of implementation.

The growing demand for racing has created a greater demand for umpires and infrastructure to ensure safety and fairness for all athletes. We are incredibly fortunate to have such a large number of passionate volunteers to undertake roles as boat race officials and umpires. Managed by RV and under the guidance from the Umpires Commission led by Tony Lawless, we utilise over xxx trained boat race officials. RV is committed to the ongoing recruitment and training of umpires and this year we will launch an online level 1 BRO course to ensure ease of access and support for volunteers who would like to umpire. Our aim is to mentor these volunteers to gain the experience and skills required for level 2 accreditation.

RV is acutely aware of the challenges to develop pathways for athletes to move from school programs into a club system and elite programs. We are currently working with schools, clubs, coaches and athletes to better understand the issues and how best to support continued involvement in the sport. Our success in identifying and developing elite rowers is achieved through the partnership with the VIS, Mercantile and Melbourne University boat clubs.

Our involvement in elite rowing is predominately focussed around the selection and coaching of crews to represent Victoria in the Interstate and Kings Cup regatta. It is important for our sport to provide aspirational opportunities for our emerging athletes. To be a member of a team that has included Olympic gold medalists, diamond skull winners and world champions is an honour that all elite Victorian rowers strive towards. Success in this arena can only be achieved through the service of our volunteer selector and coaches.

We will continue to look for appropriate opportunity to reward talented athletes with Victorian crew representation outside that of the Interstate and Kings Cup regatta. This will include participation in Pathway regattas and other suitable events.

This continued growth has created greater pressure on the sport to provide volunteers, venues and governance. RV continues to lead the discussions with the Victorian government departments of Maritime Safety, Vic Roads and Parks Victoria to ensure access to the main waterways and promote safety for all waterway users. Our focus on safety is highlighted with RV stipulating compulsory training and accreditation for all coxswains and coaches.

## Presidents Report: Joe Joyce (cont.)

Rowing Victoria works closely with RA and other State Associations to develop sport wide initiatives and ensure consistency of operations. Our involvement in the national rowing participation and development plan will ensure our efforts are aligned with the national approach. Operational efficiencies have been achieved with a common chart of accounts and accounting platform, aligned membership categories and a national insurance approach with our partnership with AON.

In October 2017 Leeanne Ambrose and Dick Bartlett were elected to the Board to join Pat McNamarra, Caitlin Ripper, Josie Millard and myself. As a Board we are fully committed to the needs of the sport and have become a more visible feature of Rowing Victoria. We are proud to reflect gender equity and believe the group fairly represents each segment of our community.

RV remains in a sound financial position and I would like to thank the work of James Scott RV Finance Officer and the Finance Sub-committee for their diligence. To ensure we retain a professional oversight of our financial position the Board has appointed Nikki McAllen as a Director of RV and Chair of the Finance Audit and Risk subcommittee. Nikki is a Management Consulting Partner at KPMG and has specialised in working with CFOs to shape their future intelligent and integrated finance and back office functions by improving processes, systems and tools.

The Victorian rowing community would like to congratulate David Ochert, who was awarded an OAM for services to rowing, after decades of dedicated service as a rower, coach and mentor. David, like so many other volunteers are the backbone of our sport and RV will continue to work with these members and volunteers to ensure our sport remains accessible and enjoyable.

Building on our successes, we are now looking forward to aiming for higher levels of achievement. This strategic plan will serve as a guide for Rowing Victoria as we strive to become a world-leading rowing organisation. We have a passionate membership, who are well served by the staff and Board of Rowing Victoria.

# CHIEF EXECUTIVE OFFICER REPORT: NICK GALL

---

## **Overview**

In 2017-18 season, Rowing Victoria (RV) has seen the completion of its first full year of the 2017 – 2020 Strategic Plan and there has been significant change.

The staff and Board of RV has undertaken deliberate culture change to become a service focussed business while working collaboratively with our 45 member clubs and 49 member schools to represent their interests as the peak body for management of rowing in Victoria.

## **People**

Under the banner of Regattas and Event Management, we were very lucky to find Adam Harrison to take on the role of Event Manager. Adam has hit the ground running and I believe Adam has engaged really well with all Event stakeholders. Laura Schouten has also filled in the role of Regatta Operations and has teamed up with Adam to provide a far greater level of service to the membership.

On a not so positive note, we were unfortunate to lose Bronwyn Humphrys from the Regatta Operations role who will be sadly missed. We also lost Andrew O'Brien from the role of Club Development when the scope of this role changed. We wish them both the best of luck in there new roles.

I would like to thank the RV staff for the work they have put into achieving 8 years of consecutive profits, through tight control of the day to day running of the business. There has

been significant staff changeover in the office and it has been a priority to try to make this transition seamless to our members.

## **Policy**

This year we would like to congratulate the membership on their whole of sport policy adoption. This year we have asked the membership to adopt a: code of behaviour, RA terms and conditions, child safe policy, child safe code of conduct, a volunteer agreement and an umpire agreement. All these policies will assist the sport in providing preventative measures for unwelcome incidents.

## **Cooperation**

2017-18 season, saw the appointment of really effective commissions from members of the Victorian Rowing Community who rolled up their sleeves and got the job done. A good cross-section of expertise and experience and gender balance were elected.

The role of the commissions are to assist RV with their specialist expertise and make qualified and quantified recommendations to RV on improvement of our services.

## Chief Executive Officer Report: Nick Gall (cont.)

RV has recognised the need to engage with segmented membership groups more regularly. Our recent engagement with Presidents and Captains provided a great start to our ongoing commitment in listening to our members.

### ***Stakeholder Engagement***

Rowing Australia's (RA) pathway program has required RV to rethink the way we assist the pathway program. A co-investment role has been established with the VIS and RV that will work closely with schools and clubs in providing clarity, education and recruitment into rowing after school.

RV has managed to secure a 9 year / \$400k commitment from City of Ballarat to continue to support Lake Wendouree for championship events. This exciting agreement will underpin the City of Ballarat commitment to Lake Wendouree and provide our state championships with positive athlete and spectator experiences.

RV continues to work with DELWIP and Parks Victoria on securing funding for improvements at the National Water Sports Centre. A initial state government of \$3 million has been secured for building and access infrastructure. A committee of management has been established to assist in the investment of this grant.

RV recently conducted an audit of all regatta venues in order to assist committees and clubs in gaining infrastructure improvements to their venues through endorsement of local, state and national grants.

RV obtained \$40k of base funding from the Victorian Government again this year, unfortunately this has remained stagnant for the past 10 years due to so many new sports coming in under this funding. On top of this RV were successful in receiving \$13k of Women Leadership in Sport funding, \$6k of Pathway Athlete Travel grants and endorsement of \$45k of club support funding for our members.

### ***International & Interstate Funds***

RV maintains investment portfolios whose income is used to support the Interstate Team and unfunded International Team members. During the 2017-18 year, the Interstate Fund earned

\$22,323 with \$22,470 spent on the team. Including fundraising and donations, the International Fund earned \$9,247 and \$8,850 disbursed to, or spent on, athletes and coaches.

We were pleased to provide \$1875 to each of the junior and U23 team members to assist in defraying the costs of their \$8k RA team seat fees. We were also pleased to provide the U21 team with \$937.50 to assist in defraying the cost of their \$3.5k RA team seat fee.

## Chief Executive Officer Report: Nick Gall (cont.)

### ***Volunteers***

The Board of RV under the Chair Joseph Joyce, has again offered great support to the office through their contacts, engagement, knowledge and insights of the sport. I greatly appreciate all their efforts.

I would like to thank all our volunteers and in particular, our committed umpires who have again put in significant hours due to the limited numbers currently accredited. We will continue to identify potential candidates and strive to improve numbers of umpires this year. Our target Level 2 number is still 100.

### ***Partners***

Thank you to our partners this year in: Regatta Shop, Victorian Government, City of Ballarat,

Strathbogie Shire, Cash's and Coxmate. You have all been very supportive of our events and we look forward to leveraging your brand through our events and promotion.

### ***Looking forward***

The key focus for the office this year will be to work on providing quality service. As part of this delivery it will be essential that we provide strong and engaging communication with our clubs and schools and continue with our online education tools to deliver at a greater capacity. We look forward to working with our member clubs and schools on our focus.

## UMPIRES PANEL REPORT: TONY LAWLESS

The Umpires Commission consisted of Michael Eastaughffe, David Grubits, Ben Ratcliffe, Lesley Skevington, Rod Florence and myself Tony Lawless. Throughout the season we met on a regular basis to coordinate umpire duties, educate current umpires and Level 1 BRO's and transition people to level 2 and 3 positions. With support from Bron and Adam we were able to achieve some great results and complete a great season of work. In Victoria we have 51 umpires registered and during the season 44 of these worked at regattas. The volunteer hours of these 44 vary with the greatest being 230 hours down to 2.5 hours. It is then obvious there is a great difference in the hours worked by officials. The umpires worked a total of 2970 hours this season with 12 umpires completing 61% (1829 hours) volunteer hours.

The bulk of umpires come from a club background, but work all types of regattas, club, school and masters. We have several umpires associated with boys schools and one who represents a co-ed school. The great percentage of our time is spent umpiring school girl regattas but we have very little interest from those involved in volunteering to help. In the near future we need to attract level 2 umpires from the schoolgirl sector to reduce the workload on the small group of volunteers that do an enormous amount of work. During the season we welcomed two new umpires in Lisa Letic and Shane Wood. Both completed their trainee period and successfully completed their exams. Their future contribution will be appreciated.

This year we made great inroads into the process of advancement to Level 3 Australian Umpire. Previously there was no written or transparent policy at state or national level. This created confusion to everyone involved. The commission constructed a working policy that gave clear direction to all involved, outlining procedures, qualifications and mentoring. This was further adapted by Rowing Australia. At the end of the process Paul Diggerson obtained his level 3 Licence with a pathway being paved for future candidates. The commission in partnership with RV have worked towards supplying an on line level 1 BRO course which will allow us to streamline the process doing away with late night meetings and kilometres travelled throughout the state. We hope to have this finalised in late 2018.

Rowing Victoria also sponsored our conference which was held in Geelong. All umpires participated in workshops and discussions aimed at improving the already high quality of umpiring in this state. As a result of this conference the using of electronic tablets I be made available this year. This will reduce the need for printing programs, receiving hard copy updates and make regattas more efficient.

The commission would like to welcome board member Josie Millard as a new member. This provides a great conduit between the two parties and can only further enhance the effectiveness of all those who volunteer their time.

The commission looks forward to the 2018-19 season. We look forward to providing quality competition for all involved that is both safe and fair.

Tony Lawless

2018 Victorian Rowing State Championships

# FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 30 JUNE 2018

---

### **Financial Statements**

Officers report  
Statement of Profit or Loss and Other Comprehensive Income  
Statement of Financial Position  
Statement of Changes in Equity  
Statement of Cash Flows  
Notes to the Financial Statements  
Directors' declaration  
Independent Audit Report

### **General Information**

The financial statements cover Rowing Victoria Incorporated as an individual entity. The financial statements are presented

in Australian dollars, which is Rowing Victoria Incorporated's functional and presentation currency.

Rowing Victoria Incorporated is a not-for-profit entity limited by guarantee.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 13 September 2018. The

directors have the power to amend and reissue the financial statements.

## OFFICES REPORT

---

The officers present their report, together with the financial statements, on the incorporated association for the year ended 30 June 2018.

### Officers

The following persons were officers of the Incorporated Association during the whole of the financial year and up to the date of this report, unless otherwise stated:

Nick Gall

### Board members

The following persons were Board members of the incorporated association during the whole of the financial year and up to the date of this report, unless otherwise stated:

President & Chair	Joseph Joyce
Vice President	Josie Millard
Director / RA Councillor	Pat McNamara
Director	Leeanne Ambrose
Director	Caitlin Ripper
Director	Richard Bartlett

### Principal activities

Rowing Victoria Inc. is the peak body for management of Rowing in Victoria. Rowing Victoria has over 8470 athletes (as of the 2017-18 season) within 46 clubs and 49 school members.

Rowing Victoria Inc. exists to create opportunities for current and future rowers in Victoria to participate in rowing for life.

On behalf of the officers

Nick Gall  
CEO

Melbourne

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

---

The financial statements cover Rowing Victoria Inc. as an individual entity. Rowing Victoria Inc. is a not-for-profit Association incorporated in Victoria under the *Associations Incorporation Reform Act 2012* ('the Act').

The principal activity of the Association for the year ended 30 June 2018 was management of rowing in Victoria. The functional and presentation currency of Rowing Victoria Inc. is Australian dollars.

The financial report was authorised for issue by the Committee of Management on 13 September 2018. Comparatives are consistent with prior years, unless otherwise stated.

## 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Associations Incorporation Reform Act 2012*. The Association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial report covers Rowing Victoria Inc. as an individual entity incorporated in Victoria under the *Associations Incorporation Reform Act 2012* (Victoria).

These general purpose financial statements have been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012* (Victoria). The Board has determined that the Association is a reporting entity.

The financial statements have been prepared on an accrual basis and are based on historical costs and do not take account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period, unless otherwise stated, have been adopted in the preparation of these financial statements.

## 2 Summary of Significant Accounting Policies

### (a) Revenue recognition

Sponsorship contributions are generally recognised as revenue on receipt except for specific sponsorships or donations for which the Association has received a binding commitment from the sponsor or donor.

Grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. The grants are recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Association obtains control of the revenue, it is probable that the economic benefits gained from the contract will flow to the Association and the amount of the revenue can be measured reliably.

When grant revenue is received whereby the Association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the revenue is recognised in the Statement of Financial Position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Proceeds from additional activities are recognised on receipt. Interest revenue is recognised as it is earned,

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

---

### 2 Summary of Significant Accounting Policies

**(a) Revenue recognition**

using the effective interest method. Donations and dividends are recognised when the Association receives control over the related funds.

**(b) Plant and equipment**

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets, is depreciated on the diminishing value basis over their useful lives to the Association from the time the asset is held ready for use.

The depreciation rates used for each class of asset are:

Office equipment	20% to 50%
Regatta and rowing equipment	12.5% to 50%

The carrying amount of plant and equipment is reviewed annually by the Association to ensure it is not in excess of the recoverable amount of those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts.

**(c) Employee Benefits**

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the net present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on corporate bonds with terms to maturity that match the expected timing of cash flows.

Contributions are made by the entity to employee superannuation funds and are charged as expenses when incurred. Annual leave that is not expected to be wholly settled within 12 months is discounted allowing for expected salary levels in the future period when the leave is expected to be taken.

**(d) Trade and other payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**(e) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments. The term deposits, which short term in nature and are available as cash on call, have been included as cash and cash equivalents.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

---

### 2 Summary of Significant Accounting Policies

**(f) Financial assets**

Investments held are originally recognised at cost which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at reporting date. Movements in fair value are recognised through the asset revaluation reserve.

**(g) Inventories**

Inventories are measured at lower of cost and net realisable value, adjusted when applicable for any loss of service potential.

**(h) Goods and services tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of the GST recoverable from, or payable to, the ATO is included with other receivables and payables in the Statement of Financial Position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, tax authority.

**(i) Impairment of assets**

At the end of each reporting period, the board reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, impairment is carried out on the asset, being the higher of the asset's fair value less costs to sell and value-in-use, to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Profit or Loss and Other Comprehensive Income.

**(j) Available for sale financial assets**

All investments are classified as available for sale financial assets. Available for sale financial assets are reflected at fair value unless the fair value cannot be reliably measured. Unrealised gains and losses arising from changes in fair value are taken directly to equity.

**(k) Comparative figures**

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

---

### 2 Summary of Significant Accounting Policies

#### (l) Fair Value Measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principle market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

#### (m) Income tax

The Association is exempt from paying income tax under Section 50-45 of the Income Tax Assessment Act 1997.

#### (n) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

#### (o) New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Association has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the Association where the standard is relevant:

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

## 2 Summary of Significant Accounting Policies

Standard Name	Effective date for entity	Requirements	Impact
AASB 9 Financial Instruments	1 January 2018	AASB 9 replaces the existing guidance in AASB 139 Financial Instruments: Recognition and Measurement. AASB 9 includes revised guidance on the classification and measurement of financial instruments, including a new expected credit loss model for calculating impairment on financial assets, and the new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition on financial instruments from AASB 139.	The Association anticipates that the application of AASB 9 will not have a material impact on adoption.
AASB 15 Revenue from Contracts with Customers	1 January 2018	AASB 15 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. The core principle of AASB 15 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.	The Association anticipates that the application of AASB 15 in the future may have an impact on the amounts reported and disclosures made in the Association's financial statements. However, it is not practicable to provide a reasonable estimate of the effect of AASB 15 until the Association undertakes a detailed review.
AASB 16 Leases	1 January 2018	AASB 16 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligations to make lease pay-	The Association anticipates that the application of AASB 16 will not have significant impact on the financial statement as current property lease is expiring on 1 February 2019. The Association will reassess the requirement once new lease arrangements are agreed.

### 3 Critical Accounting Estimates and Judgments

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events; management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

#### Key estimates - Useful lives and depreciation

The Association has assessed the useful lives of assets and to recognise these assets over their useful lives using an appropriate depreciation method and rate. Refer to Note 2(b).

#### Key estimates - Impairment

The Association assesses impairment at the end of each reporting date by evaluation of conditions and events specific to the Association that may be an indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

No impairment has been recognised in respect of assets.

#### Key estimates - Provision for Employee benefits

The Association has determined the liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Refer to Note 2(c).

### 4 Revenue and Other Income

	2018	2017
	\$	\$

	\$	\$
Opening balance	(13,438)	45,087
Write back for shares disposed of	-	(56,597)
Change in market value of shares held	<b>58,315</b>	(1,928)
	<b>44,877</b>	(13,438)

### 15 Capital and Leasing Commitments

#### (a) Operating Leases`

	2018	2017
	\$	\$
Minimum lease payments under non-cancellable operating leases:		
- not later than one year	11,667	19,383
- between one year and five years	-	11,307
	<b>11,667</b>	30,690

The operating lease is in place for Suite 4, 162 Albert Road, South Melbourne.

### 16 Key Management Personnel Remuneration

The totals of remuneration paid to the key management personnel of Rowing Victoria Inc. during the year are as follows:

	2018	2017
	\$	\$
Key management personnel compensation	96,853	96,853

### 17 Contingencies

Litigation has commenced against Rowing Victoria in the County Court of Victoria by an individual member seeking damages from Rowing Victoria and other defendants. This litigation follows previously unsuccessful complaints made to the fair work commission and complaints that have been heard by Rowing Victoria and Rowing Australia tribunals.

Whilst Rowing Victoria continues to vigorously defend these claims, the outcome of such proceedings at this stage cannot be predicted with certainty. An adverse decision could result in additional costs that could significantly impact the entity.

Liability for costs and potential awarded damages arising from these claims cannot be ascertained at this stage and therefore has not been recorded on the basis of legal advice that the claim can be defended and liability is not probable. At this time management is not able to reliably quantify the potential impact of this matter.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

---

### 18 Related Parties

Disclosures relating to key management personnel are set out in note 16 above. There were no other transactions with related parties during the current year and previous financial year.

### 19 Cash Flow Information

#### (a) Reconciliation of result for the year to cashflows from operating activities

Reconciliation of net income to net cash provided by operating activities:

	2018	2017
	\$	\$
Profit for the year	39,269	41,509
Cash flows excluded from profit attributable to operating activities		
Non-cash flows in profit:

- net (gain)/loss on disposal of investments	-	(56,597)
Changes in assets and liabilities:		
- (increase)/decrease in trade and other receivables	<b>28,852</b>	(24,335)
- (increase)/decrease in prepayments	<b>(6,713)</b>	4,404
- (increase)/decrease in inventories	<b>2,322</b>	(4,764)
- increase/(decrease) in trade and other payables	<b>(125,709)</b>	166,592
- increase/(decrease) in provisions	<b>(7,638)</b>	3,137
Cashflows from operations	<b>(39,025)</b>	159,463

### 20 Events after the end of the Reporting Period

The financial report was authorised for issue on 13 September 2018 by the Committee of Management.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

### 21 Statutory Information

The registered office of the association is: Rowing Victoria Inc.

Suite 4, 162 Albert  
Street South Mel-  
bourne VIC 3205

## STATEMENT BY THE MEMBERS OF THE BOARD

---

The Board has determined the Association is a reporting entity and that this general purpose financial report should be in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the board:

- The financial statements and notes comply with the *Associations Incorporation Reform Act 2012*, the Australian Accounting Standards - *Reduced Disclosure Requirements* and other mandatory professional reporting requirements;
- The financial statements present a true and fair view of the financial position of Rowing Victoria Incorporated as at 30 June 2018 and its performance for the year ended on that date; and
- At the date of this statement, there are reasonable grounds to believe that Rowing Victoria Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and signed for and on behalf of the Board by:

  
.....  
Joe Joyce (Director)

.....  
Nikki McAllen (Director)

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

---

### Opinion

We have audited the financial report of Rowing Victoria Incorporated (the association), which comprises the statement of financial position as at 30 June 2018, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the association gives a true and fair view of the association's financial position as at 30 June 2018 and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Reform Act 2012*.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the auditor independence requirements of the *Associations Incorporation Reform Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The directors are responsible for the other information. The other information comprises the information included in the association's annual report for the year ended 30 June 2018, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Crowe Horwath Melbourne is a member of Crowe Horwath International, a Swiss Verein. Each member of Crowe Horwath is a separate and independent legal entity. Liability limited by a scheme approved under Professional Standards Legislation. Liability limited other than for the acts or omissions of financial services licensees.

The title 'Partner' conveys that the person is a senior member within their respective division, and is among the group of persons who hold an equity interest (shareholder) in its parent entity, Findex Group Limited. The only professional service offering which is conducted by a partnership is the Crowe Horwath external audit division. All other professional services offered by Findex Group Limited are conducted by a privately owned organisation and/or its subsidiaries.

## **Responsibilities of the Directors for the Financial Report**

The directors of the association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Reform Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the association or to cease operations, or have no realistic alternative but to do so.

## **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.

Club Person of the Year	Donald Cochrane
Coach of the Year	Hannah Every-Hall
School Person of the Year	Virginia Lee

## ***Recognising our Volunteers in 2017-2018***

Without the contribution and support of volunteers, successful club / school management, training, development and rowing competition in Victoria would simply not be possible. Rowing Victoria would like to thank all umpires, regattas volunteers, commission and committee members, board members and many other contributors for their time, energy and outstanding passion for the role/s they have played in the past year. While RV would love to be able to acknowledge everyone, the following awards recognise a number of those who have provided outstanding services to rowing in Victoria.

### **The William Waterfield Award for Outstanding Service to Victorian rowing.**

Named after life member William Waterfield, who exemplifies a long and outstanding service to the sport in Victoria, we are pleased to present this year's award to **David Yates**

David has a long and distinguished service to the sport. He is a large contributor to the success of Victorian and Australian crews over many years.

David's coaching career was highlighted by running a sculling squad in the 1980's which introduced squad training into Melbourne and overcame some of the traditional disorganization associated with scullers training. He introduced a far higher proportion of aerobic distance training gained from his experience in Europe before it became common place in Australia. Introducing systematic and innovative training methods. It was a forerunner of the AIS and other sculling squads in Australia. The squad developed considerable success and scullers eights started defeating State crews.

David's achievements include the well-known success of Peter Antonie and also Hamish McGlashan winning the Diamond Sculls in 1988. The latter being a result beyond expectation defeating the highly favoured American Andrew Sudduth. David then made the successful transition to selector and has been the mainstay of selection since. He has overseen the growth in Australia's success during this period and his work is a significant

factor in this success.

**The Kath Bennett Award for Outstanding Service to a Rowing Community in Victoria.** The award is planned to capture those people who have done outstanding work in a club, regatta committee or region. Kath Bennett is a fine example of such work with reinvigorating women's rowing prior to amalgamation with the men's association in 1979. This year the award goes to **Beth Walter**.

Joining Nagambie in early 2000's from Melbourne Beth immediately involved herself in both rowing and local community groups.

Prior to 2006 Beth drove the regatta known today as the Head of the Goulburn. Initially known as the Tahbilk "Bridge to Vines" regatta, as she wanted to make sure the local community benefited as much as possible from the hosting of such a regatta. For the first 8 years she grew this regatta, always encouraging new events, new sponsorships and showcasing the local area's delights and attractions for rowers travelling to Nagambie. Beth is very active within Nagambie Rowing Club, assisting the Board with concepts and initiatives such as weekly Learn to Row sessions which she has run for many years- always there for any locals interested in learning to row.

Identifying Nagambie had an issue with recruiting young rowers she leapt on the Adopt-a-school program. This involved identifying and making contact with a school in a town 45 minutes away (Euroa Secondary College) as Nagambie does not have its own high school. She drove this program within NRC for 3-4 years, which resulted in several young people who still today are rowing, either at NRC or city clubs as they have left school and attend university.

Beth is also an active rower herself, having even competed at international regattas, including World FISA Masters, and the Champion of Champion event at the Australian Masters regatta, after winning her age group in the single scull.

## VICTORIAN ANNUAL AWARDS 2017-2018

---

### The **Bob Duncan Award for Outstanding Services to Umpiring.**

Bob Duncan is an Olympian but more importantly, a dedicated, long serving and excellent umpire. He led the improvement in umpiring standards and broke new ground in many aspects of umpiring. This years award goes to **David Grubits.**

David consistently performs his duties at the very highest standard and is always leading by example. Going above and beyond David takes on most of the refereeing duties at the more difficult regattas and performs excellently.

David also maintains all of the NROAS re-accreditation data for all of the Victorian umpires as well as providing excellent support to the Umpire Commission and mentoring new RV umpires. David has proudly represented Victorian umpires exceptionally well at both the Australian Rowing Championships and international FISA regattas abroad.

### The **Susie Palfreyman Award for contribution to school rowing.**

Susie Palfreyman continues to play a significant role in Victorian rowing, having developed a world-class program at MLC, founding the Head of the Schoolgirls regatta and continuing to support initiatives such as the Hall of Fame event. Susie continues to be a wonderful role model for Women in Rowing. The award this year goes to **Tim Dolphin**

Tim is a longstanding member of the Head of the Schoolgirl's Committee, an experienced Director of Rowing and has mentored many young Victorian coaches. During the 2018 season Tim wrote all the progressions for 4-24 entries for a 4 lane course for the HOSG and has provided significant support in the development of the Tender considerations and other significant decisions. Tim will continue to provide expert advice on the impact of scheduling on schoolgirl rowers. Tim has been recognized for his unwavering advocacy for schoolgirl rowers regardless of their capacity as he believes in rowing for all girls.

## ***Recognising our Members in 2017-2018***

In addition to the Volunteer Recognition Awards, Rowing Victoria would also like to acknowledge the following who have been nominated by RV affiliated members, clubs and associations for their outstanding efforts to rowing over the 2016-17 Rowing Victoria Season.

### **School Person of the Year**

The School Person of the Year award is presented to a school member who, over the season demonstrated respect, initiative and personal commitment to the sport of rowing and to their school; demonstrated their ability to work as part of a team and is well respected amongst peers / colleagues / club mates; and has achieved success in their position. This year, the School Person of the Year has been awarded to **Virginia Lee.**

Virginia has built the Albert Park College from scratch into a growing Rowing program by encouraging and giving the opportunity to kids from a non-private school to be involved in Rowing. During her time Virginia has managed to obtain a boat shed for the Albert Park College program as well as building a fleet of boats, all with limited funding.

participation in sport.

## **Regatta of the Year**

The Regatta of the Year award is presented to a regatta which has a strong volunteer base; is strongly supported by external stakeholders; has great atmosphere, the regatta committee thinks outside the square and non rowing activities provided; in addition to the regatta considering it's 5 and 10 year regatta plans. This year, the regatta of the Year has been awarded to **MRA**

## **Rutherglen Regatta**

The MRA Rutherglen, two day regatta on Lake Moodemere in Mid-January is conducted by the Murray Rowing Association and has continued to prove itself as an incredibly very successful regatta attracting over 700 Rowers from all over Victoria and all ages.

The MRA Rutherglen Regatta is held in high esteem for its friendly atmosphere, inclusiveness and professional organisation.

## **Club Person of the Year**

The Club Person of the Year award is presented to a club member who has demonstrated respect, initiative and personal commitment to the sport of rowing and to their club; demonstrated their ability to work as part of a team and is well respected amongst their peers / club mates; in addition to having achieved success in their position. This year, the Club Person of the Year has been awarded to **Donald Cochrane**.

Don has been a member of Essendon Rowing Club since 1988 & has served on committee as well as being a coach & great club person contributing wherever he can. He was a former member of Bendigo, Albert Park & Footscray Clubs & recognized by all.

Don was in charge of the Essendon male junior & youth rowing programs for the 2017-18 season which he carried out in a very organized and successful manner and recruited three other coaches to assist him with the growing squad as well as arranging other guest coaches and rowers to assist in developing his squad members whenever he felt it appropriate. His squad has grown during the season with between 20 and 30 members at various times and has had great success on the water considering most started as new beginners from scratch.

Don always attends club functions and can always be relied on to assist organizers either with preparations or cleaning up afterwards. He works regularly on repairing or adjusting boats to help his squad. Don also volunteers to tow boat trailers to regattas and also to take or collect equipment from suppliers/repairers. He meticulously records results and technical details for his squad and to assist the

captains team in keeping records of his rowers performances.

# VICTORIAN ANNUAL AWARDS 2017-2018

## Coach of the Year

The Coach of the Year award is presented to a currently accredited coach who has included a broad range of rowers in their program and has modified and individualised techniques, equipment and coaching methods to cater for all; implemented a system which deals with any issues that may arise such as harassment, conflict and other ethical issues; encouraged their rowers to participate in a range of regattas and other programs to improve their development; been willing to volunteer their time to the development of the sport and contributed to the wider rowing community; and has been involved in working with less experienced coaches to assist with the development and growth of the next generation of coaches. This year, the Coach of the Year has been jointly awarded to **Hannah Every-Hall**

During Hannah's time at Power House Rowing club she has revolutionised the club. Managing to increase membership by 50%, whilst also greatly improving club engagement.

Hannah oversees all facets of the rowing program from coaching, training schedules, selection, rowing camps, expansion of coaching resources & developing a standardised approach to skills development.

ROWING

2018 Rowing Victoria Annual Awards

## 2018 VICTORIAN ROWING HALL OF FAME DINNER

### VICTORIAN ROWING

People inducted into the Victorian Hall of Fame include rowers, administrators, coaches and those who have contributed to the fame of rowing in Victoria and on behalf of Victoria throughout Australia and the world wide rowing community.

Inductions are held not fewer than 10 years after an athlete has had international success and after an official has retired from active service. This year those who served and represented with distinction in 2006 and 2007 are to be inducted and re-inducted as Members of the Victorian Rowing Hall of Fame

### 2018 Hall of fame inductees:

- Kathryn Ross
- Catriona Sens
- Leisa Wilson
- Kim Brennan
- Alice McNamara
- Phoebe Stanley
- John Cumper

### 1966 Mens 4-

- George Xouris
- Peter Philp
- Richard Garrard
- David Palfreyman

### 1980 Mens 4+

- Anne Chirnside
- Verna Westwood
- Pam Westendorf
- Sally Harding str
- Susie Palfreyman cox
- David Palfreyman coach

# REPORT TO THE 2017 - 2020 STRATEGIC PLAN :

Rowing Victoria (RV) has completed the first year of this four-year strategic plan that will guide and support Victorian rowing clubs in building and retaining membership.

As the peak body for the management of rowing in Victoria, Rowing Victoria's success will be underpinned by a firm commitment to representing the best interests of and working collaboratively with our 45 member clubs and 47 member schools in order to provide rowing for all ages and abilities in an engaging, welcoming and safe manner.

Rowing Victoria will deliver strong engagement with our members through our commissions and committees, whose feedback will inform processes and drive improvements to the membership experience.

Rowing Victoria is ensuring that our individual members are well informed and satisfied with the service provided by Rowing Victoria.

## **Pillar 1: Event management**

We will deliver and facilitate positive experiences for all RV-sanctioned events in Victoria.

One of the key focuses for this year was to work closely with the Competition Commission to make regatta days not so onerous on volunteers, coaches and athletes by ensuring we have appropriate and equitable opportunities to race for each boat class. Some of the areas include split shifts for umpires and a maximum of ten hour regatta days.

The other key focus for Event Management has been recognising achievements through the Hall of Fame Dinner and the dedicated Annual Awards function. These were both a huge success this year.

## **Pillar 2: Regatta operations and services**

We will deliver high-quality service and strengthen our relationships with regatta stakeholders.

The focus on assisting regatta committees in making their regattas more enjoyable and viable is where RV works as a natural extension to the committee by way of identifying regatta needs and deficiencies and applying for appropriate grants and funds that will assist in making regattas more sustainable.

RV has been working closely with the Umpires Commission in order to provide a Rowing Manager Rostering system that will not only provide rostering for regattas but accumulate proficiency points in order to continue in up-skilling our umpires.

## REPORT TO THE 2017 - 2020 STRATEGIC PLAN :

---

A significant amount of work has been undertaken by the Competition and Umpires Commission in reviewing regatta policies. This will smooth out grey areas and provide clear policy around communication. We thank the Competition and Umpires Commission for all their work.

Timing at regattas this year has been a game changer for spectators, parents and other interested parties who wish to access results. This coupled with our live streaming of major events and sparked the interest in rowing locally all over the world. We will aim to gradually improve this service to our membership.

### **Pillar 3: Member engagement and development**

We will increase the number of people who participate in rowing.

RV has started on its journey of articulating the pathway for school age rowers as they leave school and wish to continue in the sport. A database of school age members has been established that allows RV to communicate to individuals on all the opportunities associated with rowing in Victoria.

RV promoted through the website and social channels 9 club open days in the 2017-18 season. One of the challenges we will be working on this year is ensuring that the clubs can articulate and guarantee their offer. This will be achieved with further development and simplification of the OARS program that is published on the RV website.

This year, RV have invested significantly in the recruitment space. While we are targeting recruitment of twenty-two junior age athletes in the pathway system we are focussed on recruiting as many junior age athletes and volunteers into the club system. We will continue to work with clubs and schools to ensure their athletes are aware of the pathway for rowing.

RV's inaugural SSV Indoor Rowing Championships this year will provide rowing with an opportunity to engage with schools without dedicated rowing programs. RV aims to partner with clubs to provide an experience and a strong understanding of what a wonderful sport rowing is.

RV has had a pathway tent at some of the championship regattas this year where we provide underage athletes with information on the pathway. This year we will have a dedicated employee in this space that is co-funded under the Victorian Pathway Program.

### **Pillar 4: Advocacy and stakeholder engagement**

We will facilitate stakeholder engagement in order to create a safer and more inclusive culture in Victorian rowing.

This years Swan St Bridge upgrade has caused headaches. There has been numerous times where RV has been required to intervene for the safety and accessibility of our sport. Although inconvenient for everyone, we hope that you recognise the efforts of RV in this space.

That National Water Sports Centre has seen a proposed change to overall management structure due to the need for investment in the dilapidated venue. RV has been working with all the waterway users to ensure rowing gets equitable usage and improvements to safety and access to the water. We will continue to work with DELWIP, Parks Victoria, Dandenong Council and Melbourne Water to ensure rowing is well represented.

## REPORT TO THE 2017 - 2020 STRATEGIC PLAN :

---

RV conducted a club safety audit this year that outlined how well the clubs were going with their safety compliance. RV provided Maritime Safety with some high level trends that they were very pleased with. RV will now work with Maritime Safety to develop clearer waterway rules for all stakeholders, clearer signage for traffic and stronger understanding of local waterway knowledge.

RV will continue to work with Parks Victoria and Melbourne City Council on equitable access and usage for the Princes Bridge Precinct. We recognise the need to lobby strongly on the Domain Master Plan with City of Melbourne, the dredging around the staging with Parks Victoria and the bridge works with VicRoads.

RV is excited about our compliance in meeting Board Quota for Gender Diversity. We will continue to identify and recruit passionate and highly skilled women who can assist RV on Boards, Committees and Commissions.

Policy for Member Protection and Child Safety has provided significant changes to the way our sport conducts their business. Our focus is to ensure our clubs and schools adopt these policies and ensure that they understand their obligations.

This years focus will be to ensure we improve on our service provision and improve the culture of the organisation to put the member first.

Building on our successes, we are now looking forward to aiming for higher levels of achievement. This strategic plan will serve as a guide for Rowing Victoria as we strive to become a world-leading rowing organisation. We have a passionate membership and will continue to move forward, develop and build on our momentum.
