WELCOME.

HEAD OF THE RIVER IS THE ULTIMATE TEST, THE PINNACLE OF OUR ROWERS' EFFORTS OVER AN ENTIRE SEASON OF ROWING IN 2021, AND WE WISH YOU ALL A DAY OF INSPIRING PERFORMANCE.

Head of the River is the ultimate test, the pinnacle of our Rowers' efforts over an entire, if somewhat disrupted, Season of Rowing in 2021, and we wish you all a day of inspiring performance.

It is no surprise that Rowing has grown in both popularity and sophistication through the years, providing moments of both glory and defeat, developing the skill and confidence of the girls and young women of our BSRA schools and building a strong rowing community amongst us all.

Schoolgirl rowing in Brisbane has existed in one form or another for nearly a century, but until the 1980s this was largely recreational. On 13 October

1990 the Inaugural Schoolgirls' Head of the River was held on the Milton reach of the Brisbane River. 31 years later, nearly 1000 rowers representing ten different schools will compete today in the Brisbane Schoolgirls' Rowing Association most important event – Head of the River – at the Queensland State Rowing Centre at Wyaralong Dam.

It has been a truncated season but still successful, not only for the wins and places attained but because of the spirit you have shown when required to be flexible. You have given determined effort within your teams and schools, forged firm friendships, developed your skills and hopefully strengthened your character through your commitment to Rowing.

For all girls here today I commend you for choosing Rowing, for your dedication to training, turning up, doing your best and always putting in the extra effort required. Many of you have trained during holidays and risen early on cold mornings, just as parents have supported you with many working tirelessly throughout the season. Today we celebrate the dedication of the many Rowers, their families, coaches and staff in all of our BSRA schools.

Good luck and fair racing.

MESSAGE. ROWING COORDINATOR FOR ALL HALLOWS' SCHOOL.

"FROM LITTLE THINGS BIG THINGS GROW"

IS AHS "THE" NURSERY
FOR AUSTRALIAN WOMEN'S
ROWING?

Rowing Australia in Year 2021 announced the athletes to represent Australia in the 32nd Olympic Games held in Tokyo in 2021. Amongst this select group of women to represent Australia was AHS former rower/student - Caitlin Cronin (Class of 2012).

Caitlin's rowing journey began as a novice in Grade 8 at AHS just like this year's cohort of young enthusiastic rowers. Caitlin was in the 3rd year 8 quad in 2008.

Caitlin rowed in the 2nd VIII in year 11, before rowing in the 1st VIII in year 12.

With a dose of hard work and teaspoon of perseverance Caitlin was able to reach the pinnacle of AHS rowing. From humble beginnings Caitlin pursued her talent and love of rowing to the Olympic stage.

Last year, Caitlin was the first AHS rower/student since Marguerite Houston to win a medal at a rowing world championship.

On Wednesday 28th July this year Caitlin finished in third place in the final of the Women's Quad Event at The Olympic Games in Tokyo in doing so received a Bronze Medal. All Hallows' is very proud of the result Caitlin has been able to achieve at this Years Olympic Games in Tokyo.

Who knows where our current AHS rowers will end up - Paris 2024? Los Angeles 2028? Brisbane 2032? Dream big, work hard and the world will be your oyster.

Where will the next crop of Australian oarswomen emanate from? The AHS rowing "nursery" is a good place to start looking!

THE ALL HALLOWS' PSG

BACKGROUND AND MAIN ACTIVITIES

The AHS PSG is the parent support organisation for the successful AHS Rowing Program. The AHS rowing program is affiliated with the BSRA in Qld. Its primary objective is to support the rowers, coaches & parents of the AHS Rowing Club, which it does in a number of ways:

- connecting parents during the season on the riverbank, spectator headland, organising social events and keeping parents informed about rowing activities

- organising breakfasts for AHS rowers each weekday throughout the rowing season
- providing a range of spectator merchandise
- providing Boat Race Officials at BSRA regattas throughout the season
- raising funds to contribute to rowing facilities/training equipment

EVENTS

On the spectator Headland:
The AHS PSG provides a tent for parents and other spectators to meet at the regattas each week and also provides Boat Race Officials to help run the regattas.

The Head of the River:
The AHS PSG this year will provide all catering on both headlands for the Head of The River in 2021.

On behalf of all the AHS rowers & coaches I would like to thank all parents and supporters of the AHS PSG for the amount of work that has gone into making today a very special day for all rowers and families at Wyaralong Dam in season 2021.

Regards

THANK YOU TO THE BROS

The BSRA pays enormous tribute to the Boat Race officials (BROs) that ensure the highest standard of safety and officiating at our regattas. These wonderful individuals work on a volunteer basis and are incredibly invested in ensuring that our fledgling rowers graduate with confidence and competence to conduct themselves beyond the BSRA. Thank you to you all.

VALE STEPHEN HINCHY: 21 MAY 1940 – 8 JULY 2020

The BSRA honours Stephen Hinchy who has been a Boat Race Official for the BSRA since its inception in 1990, along with his brother Roy (who is thankfully still with us and a legend also). Steve commenced rowing with State High in 1957 out of Commercial Rowing Club and was known as the "Ironman of Rowing". He had tremendous success representing his school, club and Queensland. In 1962 he retired from rowing to concentrate on his family, his career as a pharmacist, then doctor and his other love, umpiring. Steve was an accredited Rowing Australia (RA) Boat Race Official for 50 years and 59 years accredited by Rowing Queensland (RQ).

Steve was appointed Treasurer of RQ in 1965. He was involved in all facets of rowing in Australia and internationally. He worked as Team Doctor, and Team Manager for Australia at many international competitions including the 1988 Seoul Olympics. He held most officer positions in RQ and RA and navigated many financial and political situations in those roles to ensure that rowing remained strong.

Steve is a Life member at Commercial Rowing Club, Rowing Queensland and Rowing Australia. He was awarded the Order of Australia medal in 1994. He was the epitome of a gentleman and his wife Barbara is our special guest today at the regatta. Thank you Steve for your selfless contribution.

ROWING UNITES PEOPLE FROM ALL BACKGROUNDS WHO SHARE THE SAME PASSION AND GOAL, CREATING AN INCREDIBLE COMMUNITY AND SENSE OF CAMARADERIE. THE SETBACKS AND CONSTANT CHALLENGES TEACH RESILIENCE AND PERSEVERANCE. HARD WORK AND DISCIPLINE IS REWARDED WITH RESULTS.
