A.M. Ramsay Rowing Course, West Lakes
Saturday, April 4, 2009

Hosted by

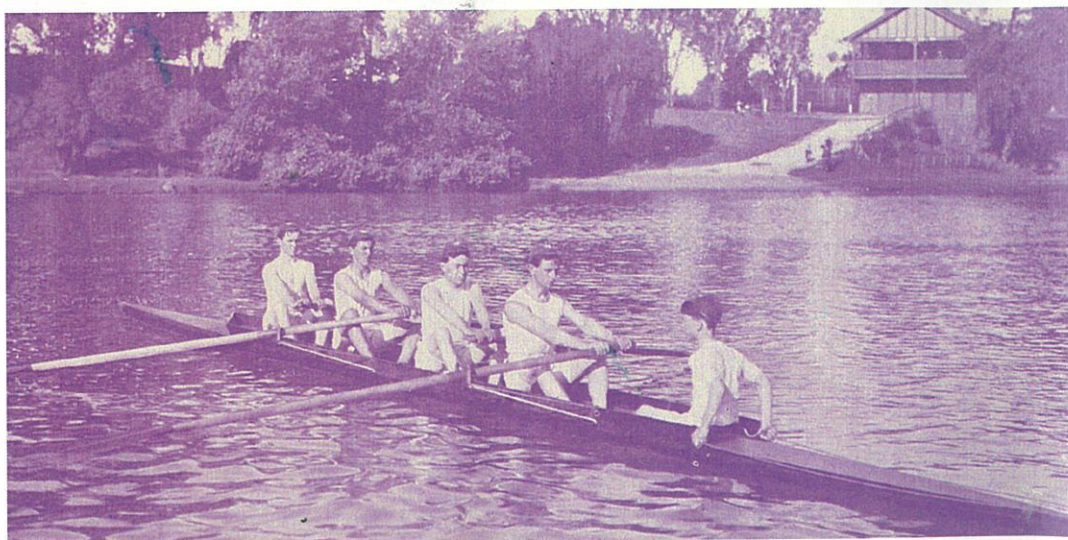

CHRISTIAN
BROTHERS
COLLEGE

In 2009 Christian Brothers College in its 131st Year is celebrating 100 Years since the introduction of competitive rowing in the purple and white!

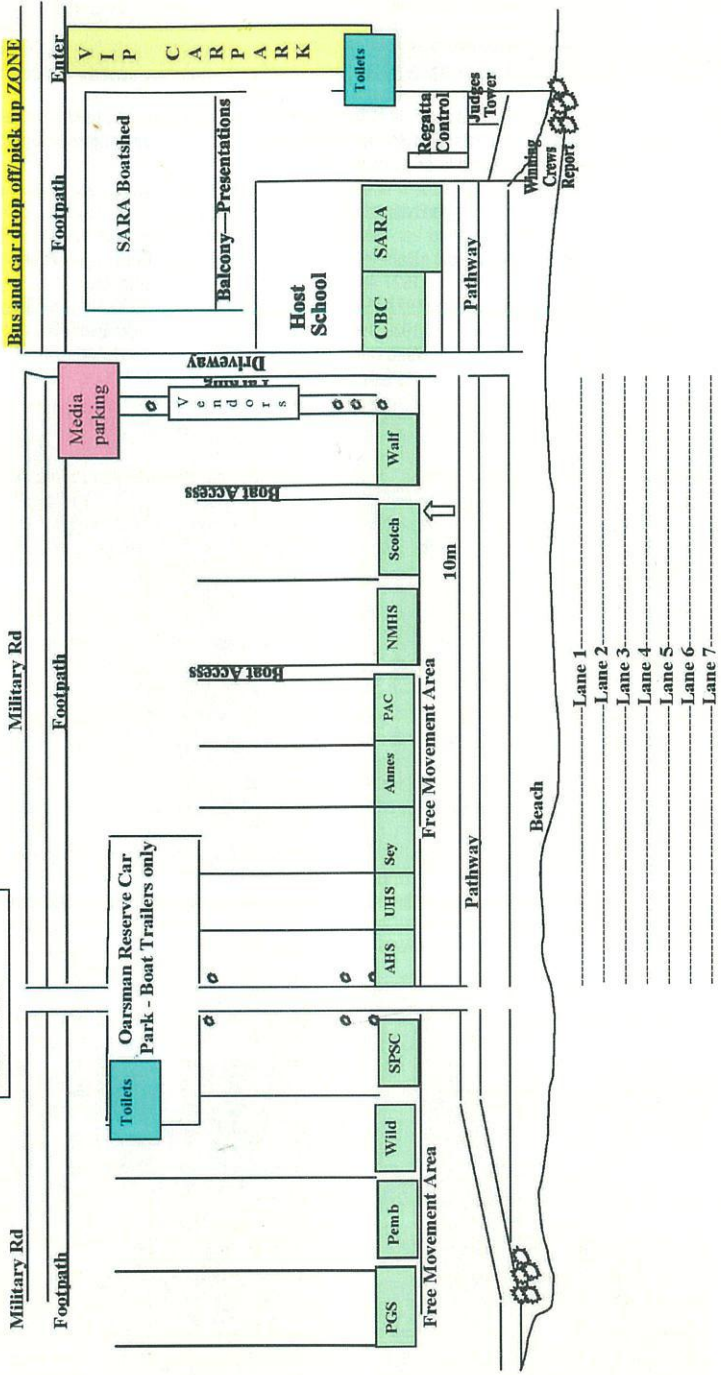

Initially CBC boats were borrowed from the Mercantile Rowing Club but by 1911 the first boat had been purchased. The best crew was chosen, training was under the guidance of one of Australia's best oarsmen, old boy Mr. W. Kennedy and the school entered the inter-collegiate event. CBC enjoyed its first victory in what was then known as the School's Championship on the Torrens in 1912.

The HEAD OF THE RIVER Regatta

In 1922 the public schools regatta "Head of the River" had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

The record of Eights to 1931 are:

Date	Winner	Date	Winner	Date	Winner
1922	AHS	1927 Apr	SPSC	1929 Dec	SC
1923	SPSC	1927 Dec	SPSC	1930 Apr	SPSC
1924	SPSC	1928 Apr	SPSC	1930 Dec	SC
1925	SPSC	1928 Dec	SC	1931 Apr	SPSC
1926	AHS	1929 Apr	SPSC	1931 Dec	SPSC

General

Poliomyelitis Epidemics cancelled the 1948 and 1950 Regattas. PGS, KC and CBC entered the Regatta in 1961, SHC in 1963 and then withdrew in 1967. In 1967 the Regatta was conducted at Port Adelaide. WEST LAKES – Celebrating 30 years

SARA West Lakes Aquatic Centre

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Rd to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, success State Government grants, and the City of Charles Sturt.

The minor works carried out in 2006/2007 (landscaping, irrigation, maintenance) cost a further \$200,000, with the northern washdown area still to be completed.

A. M. Ramsay Regatta Course

The late 1970's saw the design and construction of a course buoying system that, along pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

The course subsequently lost its accreditation due to increasing Occupation, Health and Safety standards, the increasing sophistication of FISA requirements and because equipment has outlived its life expectancy.

Since 1999, when the National Championships were last held at West Lakes, SARA has been working with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4million was allocated for the course upgrade in June 2007 by Minister Michael Wright. The construction has now commenced and is due for completion in May 2009. The construction will comprise;

- On water — provide fixed start pontoons and easily erected / moved buoy lines for the sports of Rowing, Canoeing and Dragon Boats
- Off water— provide finish pontoons

Tenders have been called for the upgrade of the finishing tower which is closing at end of March 2009 with construction expected to commence shortly after.

Further plans are being made for the safe access for all users including people with disability via ramps and lift access which will involve a major renovation of the clubrooms.

QUALIFICATION SYSTEM

As the number of rowing lanes is limited to 7 it was necessary to conduct qualifying heats and repechages prior to the Head of the River Regatta and these were rowed on Saturday 28th March. Each event could have a maximum of 10 girls' schools and 9 boys' schools competing.

Where events did not require heats / repechages the results of the Head of the River Qualifying races have determined the lane draw with fastest qualifiers placed in centre lanes. The regatta program reflects this draw and would only be changed on the day if the Referee determined that the weather conditions were unfair – in this case the fastest qualifiers would be placed in the most favoured lanes.

Qualification system: in events with

- 2 – 7 crews All crews proceed directly to the Final
- 8 – 9 crews Two Heats – first to A Final, rest to repechage
One repechage, first three places to A Final, rest to B Final
- 10-13 crews Two Heats – first to A Final, rest to one or two repechages
One or Two repechages – first two to A Final, rest to B Final
