The HEAD OF THE RIVER Regatta

In 1922 the public schools regatta "Head of the River" had its inception on the Torrens Lake as a result of a challenge between Saint Peters College and Adelaide High School. These two schools were later joined by Scotch College in 1927 and Prince Alfred College in 1931 and later by other schools.

The records of Eights to 1931 are:

Date	Winner	Date	Winner	Date	Winner
1922	AHS	1927 Apr	SPSC	1929 Dec	SC
1923	SPSC	1927 Dec	SPSC	1930 Apr	SPSC
1924	SPSC	1928 Apr	SPSC	1930 Dec	SC
1925	SPSC	1928 Dec	SC	1931 Apr	SPSC
1926	AHS	1929 Apr	SPSC	1931 Dec	SPSC

Letter from the Host Principal

Dear Rowing Families and Friends,

As the host school for Head of the River 2011, I would like to congratulate all rowers on making it to the finals and wish them the best of luck for today.

The Head of the River is the culmination of many months of hard training, family sacrifice and huge commitment. I trust all rowers will look back on the 2010/2011 season with a sense of fulfilment and satisfaction. Not everyone can win today, but the fact that you have made it through to the climax of our season is reason enough to feel proud of your efforts.

I know that the schools appreciate the enormous support offered by the parents to our rowing programs and the skill and dedication of all the coaches involved.

I hope you have an enjoyable day and thank you for keeping the profile of school rowing in South Australia so positive.

Tim Oughton

WEST LAKES

Rowing SA West Lakes Facility

With great vision, the SA Rowing Association and Foundation Life Members as well as other supporters (Union of Old Oarsmen & Resting Rowers Consortium) purchased land in 1972 at 100 Military Rd to start the West Lakes Aquatic Centre.

The first stage of the centre was constructed in 1978 and consisted of a social facility, kiosk, male and female change rooms, and a boat storage area. Various stages of building have taken place with Stage 5 of the building completed in 2003 at a cost of nearly \$1million. Funding for the construction of the centre to date has been provided by the SA Rowing Association, the occupying clubs/schools, Foundation Life Members, sponsors, success State Government grants, and the City of Charles Sturt.

A M. Ramsay Regatta Course

The late 1970's saw the design and construction of a course buoying system that, along pontoons for a held start, and a stretch of water eight lanes wide, 2400m long and at least 3.5m deep enabled the course to gain FISA accreditation. This qualified the course and on shore facilities to be considered for national and international events such as the World Masters Rowing Championships held on the course in 1997.

Rowing SA hosted the Australian Rowing Championships in 2011 which was the first National event since 1999, when the National Championships were last held at West Lakes.

Rowing SA worked with the State Government to complete an upgrade of the regatta course facilities. A Feasibility Study was completed in 2005 and \$2.4million was allocated for the course upgrade in June 2007 by Minister Michael Wright. The construction is now completed and includes a fully buoyed/lane course including a start and finish pontoon.

Upgrade of the finishing tower has now been completed, along with a redevelopment of the Northern Reserve to include the Northern wash down area. Most recently an upgrade of the Clubrooms and kiosk has been completed culminating in the opening of The Lakes Boatshed Café & Function Room which is open to the public Tuesday to Sundays and available for function hire.

one crew

Over 80 years ago Scotch College launched its first rowing crew. In 1978, Scotch was one of the first schools to enter girls crews into the Head of the River.

But school glory is not the reason Scotch dips its oars. Scotch rows because rowing teaches beyond the classroom. Each crew member learns they have an equal part to play in the race. And an equal share in the success... rowing crews are not overshadowed by a few high-flying heroes. Students also learn that this sport pays no regard to gender or year level.

We row, like all things we do, to provide an environment of total camaraderie and 100% community in which the resilience of the individual is stimulated.
