Welcome From the Host Principal

It is a pleasure to welcome you all to the Head of the River, 2019.

I welcome you on behalf of all the competing schools. It is Pembroke School's turn to host the event this year and we are delighted and honoured to do so.

The Head of the River is a significant regatta in the South Australian Rowing Association Schools' calendar and one whose origins are steeped in history. It is also the end of a long season for our rowers. Sometimes we can be lured into a false understanding that the Head of the River is the only regatta on our students' rowing schedule. This is not the case. Our rowing students, their crews, coaches and parents have been engaged in myriad competitions, regattas and events that span a full summer season and for some of the elite rowers, winter commitments as well.

All our schools offer rowing because it encourages the best of individual and team sport. Students who row are fit and healthy, they develop character strengths such as resilience and perseverance and they learn to work as a part of teams that require leadership, cooperation and sacrifice to perform well. These are all excellent traits.

The setting of the Head of the River is wonderful. Many thousands of people gather on the shores of West Lakes to witness the spectacle of competing crews vying for trophies and awards or just to soak up the atmosphere generated by healthy inter school competition. To all in attendance, I welcome you.

I acknowledge that all crews in all schools are supported by teachers, coaches, volunteers and parents. To all those who contribute to the collective experience of rowing I extend thanks. To sponsors, associations, committees and local councils I also extend thanks for your support of this wonderful event.

Enjoy the day!
