

SA SCHOOLS' HEAD OF THE RIVER

2021

Saturday 20 March 2021

Sponsored by UniSA / Hosted by Pulteney Grammar School

Government of South Australia
Office for Recreation and Sport

University of
South Australia

‘Believe me, my young friend, there is simply nothing – absolutely nothing – half so much worth doing as simply messing about in boats’.

It is my pleasure on behalf of Pulteney Grammar School to welcome you to Head of the River for 2021. In doing so, I wish to acknowledge the Kurna people as the traditional owners and custodians of the banks and waters upon which we will row and cheer today; I pay respect to their elders past, present and emerging.

The Head of the River regatta is a fixture of the Adelaide amateur sporting calendar; in its 99th year, the event is counted amongst the great annual traditions of the city. Indeed, this year’s regatta marks the 61st anniversary for rowing at Pulteney Grammar School; indeed, 61 years since our first victory in a First VIII event.

Following the challenges of 2020 there is something wonderful to return to the river once more; Head of the River offering a celebration of the qualities that sports such as rowing nurture: cooperation, perseverance, leadership, and dedication. These qualities are, stroke by stroke, developed throughout the season’s regattas, the early morning sessions during the week, and the camps throughout both winter and summer. Rowing shares its rewards with the committed.

I congratulate all crews for their endeavours throughout the season that have brought them to the water today and wish to acknowledge the time and effort invested by competitors, parents, coaches and members of each school’s community who through their collective toil, realise such achievements as today’s regatta. To all of you, I say thank you. I wish to also offer my thanks on behalf of all schools to Rowing South Australia for their support and assistance.

Whether you are competing or supporting I hope you enjoy the occasion that is Head of the River, and, like Rat from Wind in the Willows, can find great pleasure today in the joy that is ‘simply messing about in boats.’
