SCOTCH COLLEGE ADELAIDE

Welcome from the Host Principal

I welcome you to the 2024 Head of the River

It is my pleasure, on behalf of Scotch College Adelaide to welcome you to the South Australian Head of the River for 2024. The event will take place on Kaurna land, and I acknowledge the owners and custodians of that land on which we compete, paying my respects on all of our behalf to their elders past, present and emerging.

The 2024 regatta is the 102nd edition of this prestigious event, bringing diverse schools and students together to West Lakes. The Head of the River is one of the great traditions of school sport, but is a significant part of Adelaide life, bringing a community together.

We live in times where the media seemingly enjoys stereotyping young people as a disengaged generation, insular and social-media obsessed. It is an easy characterisation, but one that those of us who work and live with them daily know holds little water. Every day we see passionate, inspired, curious and individual adolescents making their own steps in the world and it is a real joy.

Today we will watch students from Adelaide schools who have made a commitment to be part of something bigger than themselves. They have risen before the sun to be at training on the water or in anonymous gyms. While peers were on holidays, they were at pre-season camps or helping rig boats. They have pushed themselves physically and mentally, finding their own limits. They haven't been comfortable, they haven't had the chance to take the easy option, it hasn't been done quickly or for them by someone else. It has often been done away from the eyes of others, at venues far removed from their schools, without a spotlight to be seen.

Irrespective of how the result sheets read at the end of today, it is all of these things for all who compete that we celebrate.

This event is only possible because of countless hours of service and dedication of rowing communities in school. The collaboration of families, coaches, teachers and support staff provides the opportunity for students to row and compete on days such as today, and my thanks go to all who have been a part of that.

I also offer my gratitude to those who have supported the Head of the River as an event. My appreciation goes to Rowing South Australia for their continued support of school rowing and their assistance in running the regatta. I thank our sponsor, UniSA, for their commitment to the event and continued engagement with schools, and to the City of Charles Sturt. I am grateful for the organisational leadership of Bec Francis, Sarah Freeman, and the teams of volunteers who have brought this event to fruition.

Today's event will be a tremendous spectacle, celebrating competition and camaraderie. I hope you enjoy the 2024 Head of the River.
