1. COXSWAINS — Weight Check.

Friday. 1st, 2nd and 3rd Crews must weigh in at 9.15 a.m. Fourth and Fifth Crews must weigh in between 10.30 and 11.00 a.m.

4. **THE STARTER MUST DISQUALIFY ANY CREW NOT AT THE STARTING LINE AT THE ADVERTISED STARTING TIME**, unless he has been officially informed that for some good reason the starting time of the race has been delayed. Any such delay will not affect the starting time of the remainder of the programme.

5. **STATIONS** — No. 1 is on the North side of the river, No. 2 is the North Centre, No. 3 is the South Centre, and No. 4 is the South side of the river.

6. If any **breakage** of material occurs within the first half-minute of any race, that race will be re-started.

8. The course is marked by buoys and all crews shall steer a course as indicated. In the event of a crew failing to keep to its course throughout the race and interfering with the true course of another competitor or obtaining an unfair advantage it could be subject to disqualification at the discretion of the umpire.

9. During the progress of each race, broadcast descriptions will be given over the Public Address System.

10. **The result** will be announced over the Public Address System after each race.

11. In the event of a dead heat in any final, the race will not be re-rowed.

12. Crews returning to the sheds after each race, must row beyond the sheds and turn before rowing to the staging.

13. **1st and 2nd Eights.** The winners of the heats will row in the semi-finals on Saturday morning. The second placegetters and the fourth crew from Heat 1 will row in the first repechage later on Friday, while all the crews placed third in the heats will row in the second repechage. The third and fourth placed crews from the semi-finals will row in the Division B final, while the first and second crews will contest the Head of the River (1st eights) or Division A Final (2nd eights).

The station draw for subsequent races will be announced at appropriate intervals.

The Associated Public Schools express their thanks to the Victorian Rowing Association, Geelong Rowing Association and Clubs, G. & D. W. B., R.C.A., Geelong and Melbourne Police, South Barwon City Council, and the Geelong City Council for their assistance in this Regatta.

A BRIEF HISTORY OF THE RACE

In 1868, John C. Field, on behalf of the Scotch College Rowing Club, challenged Melbourne Grammar School to a "friendly four oar gig race to be rowed from the Botanical Bridge to Edwards Boathouse (Princes Bridge)". The Scotch Crew — stroked by John Field — won the race and since then the "Head of the River" races, as they are now known, have been contested every year. Gradually other schools joined in, until now 10 schools boat crews for these races.

Scotch College has been represented every year, and over the years has had 30 victories, Geelong Grammar School 28 wins, Melbourne Grammar 24, Wesley 24, Geelong College 8, Xavier 4, Brighton Grammar 1, Carey Grammar 1.

During World War 2, the Geelong Schools rowed a heat on the Barwon, and the 4 Melbourne Schools rowed heats on the Yarra. These races were held after school. Except in 1943, the winners met on the Yarra to decide the title.

The Head of the River races have weathered such difficulties as flooded streams, disputes over ages, dead heats, disqualifications, the accidental drowning of a crew member during training, and even the inability of a school to round up enough rowers to boat a crew.

Before World War 2, only the first crew of each school took part in the Head of the River Regatta, but there was a race for second crews, and sometimes third crews raced on the Saturday prior to the Head of the River race.

In the early part of the century, the race was held in October, but later it was moved to May, and after World War 2 to April. When the race was in October it was possible for a boy to represent his school in Football, Cricket, Rowing and Athletics in the one year, as the latter were held in May after the Cricket season had ended.

The Schools also now take part in a number of V.R.A. Regattas during Term 1, including those at Ballarat, Geelong, Footscray and Henley while the Junior Crews compete in the A.P.S. Junior Regatta or Novice and Beginners Regatta.

Repechages are used in the 1st and 2nd VIII's to give losing crews in the heats a chance to row in the Division A final. Too often, two of the best crews have been drawn in the same heat.

This year the 3rd VIII and the Girls 1st and 2nd Fours will row over 1500 metres.

Each year the A.P.S. Delegates' Committee invites winning 1st crews of 40 and 50 years ago to the Regatta. This year representatives of the winning 1947 Wesley College Crew and 1937 Xavier College crews are here as guests.

PLEASE NOTE:—

The finish area of the South Bank, upstream from the Moorabool Bridge will be closed to vehicles. This is a dry area and no alcohol will be allowed. This has been decided so that the great majority of spectators may enjoy the Regatta. The car parking area is on the Belmont Common. There is no parking along the South side of the River.
