REGATTA 1991**

PROGRAMME

COURSE INSTRUCTIONS

PUNCTUAL STARTING - it is the responsibility of all crews and scullers to be at the start **FIVE (5) MINUTES** before the advertised starting time of their event.

Please allow at least **25 MINUTES** from staging to 1500m start.

NON STARTERS AND SUBSTITUTES - must be notified to the Regatta Secretary located in the caravan at the Judges Box before the race.

COXSWAINS - of first, second and third crews shall weigh in at the Clerk of Scales located in the **BARWON ROWING CLUB**.

LANE MARKING - the outside extremities are marked by **ORANGE** buoys.

LANE 1 between ORANGE and BLUE buoys.	[NORTH]
LANE 2 between BLUE and WHITE buoys.	[NORTH - CENTRE]
LANE 3 between WHITE and GREEN buoys.	[SOUTH - CENTRE]
LANE 4 between GREEN and ORANGE buoys.	[SOUTH]

PROCEEDING TO START - all crews are to proceed to the start on the **NORTH BANK** keeping as close as possible to the bank.

RETURNING TO STAGING - crews must continue on down stream from completion of their race to a point past the **CORIO BAY BOAT SHED** before turning and then proceed to the staging area.

Non-competing crews are not permitted on the course or to row downstream past the **LANDY FIELD RUNNING TRACK**.

CREW PROGRESSION

1. Progression to semis and petite finals are indicated beneath each heat. It has been decided **not** to hold petite finals of two crews, so in a very few cases crews may not have a second row if they do not qualify for semi finals.
2. Four crews will progress from each group of semi finals to the final.
3. Draw for semi finals, petite finals and finals will be posted on the notice boards outside the caravan at the finish and at Barown Rowing Club as soon as possible after each block of events. **PLEASE INSPECT THE BOARDS REGULARLY.**

ANZ gives you access to more ATMs in Australia than any other bank in the world.

If you're too busy to get to a bank, you'll know all about the inconvenience of not having an ATM close by. And being stuck for cash is no fun, on or off campus.

That's why ANZ linked its ATMs to the Cashcard network, giving you access to over 2,600 ATM's around Australia. So there's bound to be one close to the university.

All in all, if you have an Access account, it's always easy to get to your cash. And with ANZ Night & Day banks you can deposit and transfer funds as well.

And because everything works off one account, with one card and a simple monthly statement, it's easy to keep tabs on your finances. So you don't waste time.

So drop into any ANZ branch. After all, the easiest way to access the largest ATM network in Australia, is simply to open an ANZ Access account.

ANZ will help you get there.
