## Welcome to the 2022 Head of the Schoolgirls' Regatta

On behalf of the Head of the Schoolgirls Regatta Committee I would like to welcome you to the 2022 Head of the Schoolgirls' Regatta.

I am so pleased to see the regatta return to the Barwon River at full spectator capacity for this year. While the impact of COVID-19 in schools and community sport has lingered over the past 12 months, it has been uplifting to see the positive spirit of the rowing community working together to provide opportunities for school students to participate in this fantastic sport.

The Head of the Schoolgirls' Regatta, since its inception in 1985, has been an inclusive event that aims to provide opportunities for schoolgirls in rowing, within Victoria. The relevance and need for inclusivity and connection with others has become particularly apparent throughout the global pandemic. I would like to acknowledge the work of those running school rowing programs for their effort to maintain engagement in our sport, with huge limitations placed upon them. The high numbers of competitors and quality of crew performance at the regatta this weekend is the product of this effort from all coaches.

None of us would be here this weekend if not for the vision and work of Susie Palfreyman. A highly accomplished rower, her career has included national and Olympic representation, competing at the 1980 Olympic Games, in the Women's Coxed Four. Susie paved the way for the future of schoolgirl rowing in Victoria, starting the rowing program at Methodist Ladies' College (MLC) in 1980, she built participation numbers in the sport and developed a highly competitive squad. Following the success of MLC at the 1984 APS Head of the River, Susie envisaged a regatta at which, if you were a schoolgirl in Victoria, you were able to compete. In 1985 the first Head of the Schoolgirls' Regatta was run on Lake Wendouree, Ballarat. To this day this inclusive approach, with the girls that compete at the heart of the regatta, continues, and HOSG has grown to be the pinnacle event of the schoolgirl regatta season. It is fitting, that on this weekend, at the 38th Head of the Schoolgirls' Regatta, Susie will be presented with her Rowing Victoria Life Membership.

As was the vision when the regatta was first run, this weekend is about those who compete. I hope you enjoy the opportunity this sport, and this weekend of racing, presents you with. The opportunity to connect with your peers, coaches and those who have supported you on your rowing journey. The opportunity to be on the water, to put all the months of training together as you put your best effort into each race.

I look forward to this year's Regatta and wish all competing, be it in their first or final HOSG, a rewarding and enjoyable experience.

## History of the Head of Schoolgirls' Regatta

MLC hosted the first HOSG Regatta in 1985. The Regatta consisted of the Heats and Finals for 7 events in which 16 schools and 240 girls competed during a single day. There is no record of the number of spectators who attended. A strong cross wind at Ballarat made conditions very interesting for crews and officials.

**1984** Last year of schoolgirl participation in APS Head-of the River. Principal of Morongo initiates meeting that establishes the HOSG Regatta.

**1985** MLC Hosts the first HOSG Regatta in Ballarat – there were 7 events, 16 schools and 240 competitors.

**1991** The HOSG Regatta Committee incorporates as an Association.

**1992** The HOSG regatta is run over 2 days for the first time and has 18 events

**2002** The HOSG Regatta Committee hosts the regatta replacing the host school arrangement. There are 24 events and 1640 competitors. A long term agreement entered into between Head of the Schoolgirls Regatta Committee, the City of Greater Geelong and the Corangamite Catchment Management Authority to retain the regatta at Geelong.

**2003** The Regatta reaches the largest ever number of competitors with 2151 schoolgirls competing in 322 races across 35 events.

**2005** The committee continued to host the regatta and appointed Rowing Victoria to carry out the dual role of providing officials for the regatta and acting as event manager. There were 2009 competitors from 41 schools.

**2014** The HOSG regatta celebrates 30 years of the event and announces a new 5 year commitment to hold the regatta in Geelong until 2019. The Mayor Darren Lyons 'inks' the deal at a gathering of Principal's and work on maintaining the river to ensure fairness of racing begins.

## Supporters

The Head of the Schoolgirls committee acknowledges the valued support The City of Greater Geelong and the Corangamite Catchment Management Authority.

### Corangamite Catchment Management Authority Protecting and enhancing the Barwon River

Corangamite CMA manages the Barwon River, balancing the need to protect the natural environment with providing an enjoyable recreation precinct. To achieve this balance the Corangamite CMA:

- maintains and upgrades riverside facilities e.g. paths, seating and shelters
- works with volunteers monitoring water quality and planting native trees
- manages pest plants and animals.

This work is part of delivering the Barwon through Geelong Management Plan.

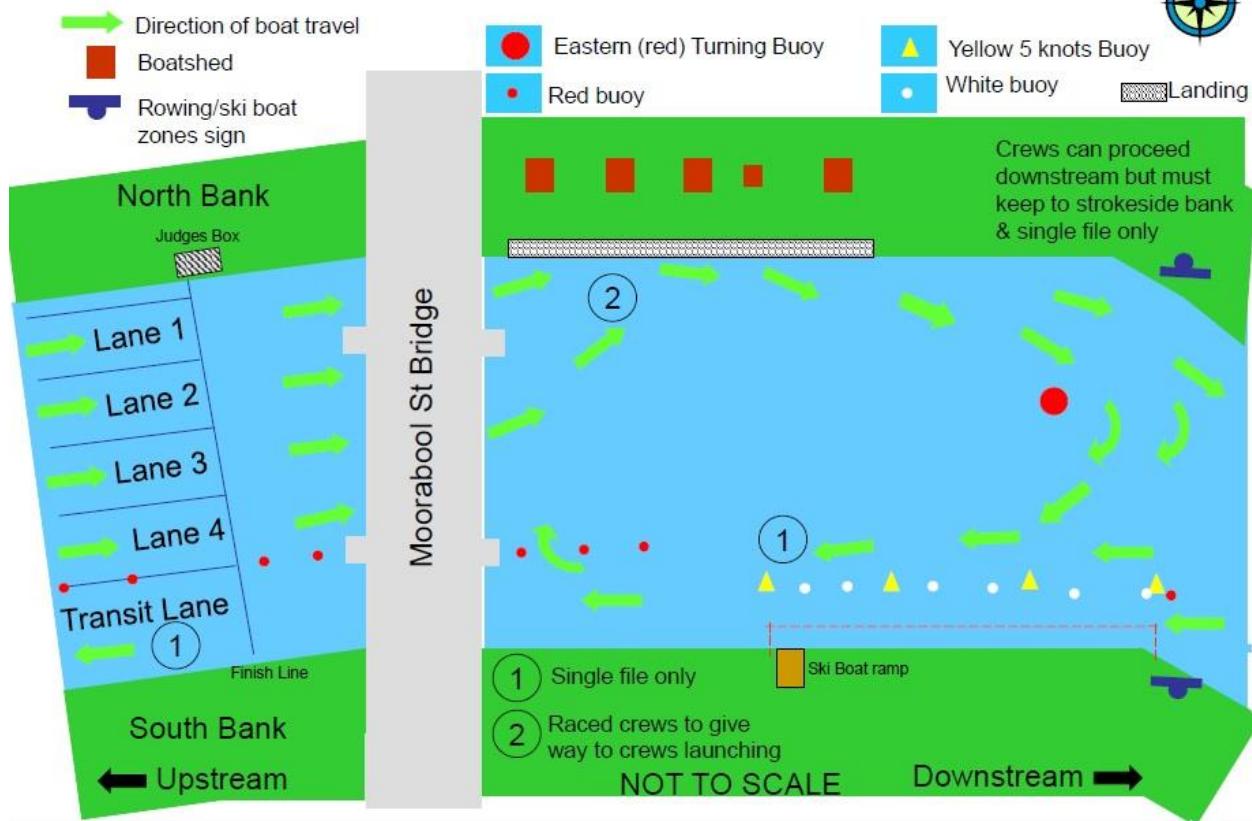

A recent major project was the refurbishment of the Rowing Precinct Landing supported by Rowing Geelong and the City of Greater Geelong. This project added to the excellent facilities that the rowers of Geelong enjoy on the Barwon River. These projects are supported by the Barwon River Parklands Group.

## 2022 Morongo Medallists

### *"Sint lucernae ardentes"*

Those girls who have competed in the Head of the Schoolgirls Regatta for three or more years, and are in year 12, are eligible to receive a Morongo Medal. These medals have been struck to commemorate Morongo Girls' College's contribution to the HOSG as a competitor before closing and to recognize its supporters' club, the Chirnside Club, as a valued contributor to the Schoolgirls. The medal's inscription is translated as "Keep the Lamp burning". The medals are available from the Judges Tower, during the regatta. They are presented to each student by their school at a time of their choice. The eligible medalists are listed and we congratulate them for their long standing participation.
