Head of the River 2024

PSA Rowing / Champion Lakes Regatta Centre / Saturday 23 March

Seven schools, One community.

Aquinas College is proud to host the
2024 PSA Head of the River Regatta

Dear PSA Community

On behalf of all PSA Heads of Schools, I am delighted to welcome you to the 2024 Head of the River.

The PSA was established in 1905 and is an association of seven independent schools.

Competing in the PSA continues to promote the formation of respectful relations and has fostered lifelong connections and friendships amongst our alumni. I am very proud to be a former student of a PSA school.

People associated the PSA solely with sport, however it is about so much more than the thrill of competition. It teaches determination, mateship, discipline, humility, leadership, and dedication. No matter the outcome of the competition today, we will all leave having drawn on those values and participated in events that push us to achieve our best.

Throughout the day, I encourage you to take your victories and defeats with grace and humility.

Today is the culmination of a lot of hard work from a large group of people. I would like to acknowledge the ceaseless efforts of the coaches, teachers and parents who give so much to help our rowers fulfil their potential. The support and encouragement you offer shapes these young people in positive ways that will live on long after they leave school.

I would also like to thank the officials, whose tireless efforts help the PSA Carnivals run so efficiently.

Best wishes to all students participating in this classic event.
