**1988 Cadbury International Senior B Series**  
August 21st-27th.  
Adelaide, South Australia.

**Proud Sponsor of Australian Rowing**

## WELCOME TO COMPETITORS

I extend a warm welcome to all participants in the 1988 Cadbury Senior B Series at West Lakes.

Crews from New Zealand and Australia have, ofcourse, been meeting for this Series for many years now, but, on this occasion, we are honoured by the presence of national teams from Canada and the United States of America.

The Australian Rowing Council is particularly keen to increase competition between rowing nations bordering the Pacific Ocean. This contest between crews from our four countries is one modest step forward in this direction.

I look forward to seeing you in Adelaide.

John D Coates  
President  
Australian Rowing Council Inc.

The South Australian Rowing Association welcomes all participants in the 1988 Senior B Series to Adelaide and West Lakes.

Since its inception the Senior B Series between Australia and New Zealand has fostered a close relationship between the rowing communities of the two nations.

No doubt this year's involvement of crews from Canada and the United States of America will continue to enlarge the goodwill created by the Series.

We wish all crews good luck and good rowing and hope that the time spent South Australia will be enjoyable and rewarding.

Dean E Clayton  
President  
South Australian Rowing Association Inc.
