

UNIVERSITY OF QUEENSLAND BOAT CLUB

Sixty-seventh Annual Australian Universities'

BOAT RACE

FOR

OXFORD AND CAMBRIDGE CUP

AND

INTER-VARSITIES' SCULLS

MILTON REACH, BRISBANE RIVER

27th MAY, 1961

Official Souvenir Programme

NOTICE TO COMPETITORS

Competitors must be at their stations FIVE minutes before the appointed time of starting.

Signals to Start and Finish will be by GUNFIRE.

If the Starter considers the start unsatisfactory, he may, within TEN seconds, recall the competitors to their stations and any competitor refusing to start again shall be disqualified. The signal recalling competitors will be one gunshot.

In the event of a breakage of an oar or boat fitting during the first half minute's rowing, the race shall

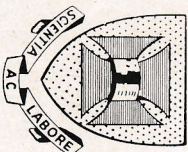

be stopped and restarted from the ORIGINAL starting point.

Any crew leaving its true course during the race, and thereby impeding by its wash or otherwise any other competing crew shall be liable for disqualification.

Two shots from the Umpire's gun will be the signal to stop rowing should the Umpire wish to stop the race.

STARTING STATIONS are numbered from the NORTH bank.

HISTORY OF RACE

The Inter-Varsity Boat Race is one of the oldest-established races in this country, and is certainly one of the largest of its kind in the world.

The first Inter-Varsity race was rowed on December 20, 1870, between fours representing Sydney and Melbourne over a three-and-a-half mile course on the Yarra. There is record of a boat race between representatives of the States of Victoria and New South Wales contested on the Parramatta River in 1863, but there does not seem to have been any other race of an interstate or international character prior to the Inter-Varsity race of 1870. This race was won by Melbourne in 31 mins. 4 secs.

In the next year a Melbourne four again defeated Sydney, this time on the Parramatta course.

START OF THE EIGHTS

The race was then abandoned until 1888, when eights representing Sydney, Melbourne, and Adelaide Universities met on the Victorian Hamboing Reach course. Melbourne with first, with Adelaide second, and Sydney third. Sydney, stroked by W. A. Conlon, recorded its first win in 1890, when it won from Melbourne on the Yarra River course. Adelaide, stroked by W. H. Gosse, won for the first time in 1896, when it defeated Sydney and Melbourne on the Yarra River course. The race has been rowed every year since 1888 except during the War years, 1915-1918 and 1941-1945.

THE OXFORD AND CAMBRIDGE CUP

In 1896 a most appropriate trophy was provided for the race, when Oxford and Cambridge "Blues" presented a cup as a perpetual trophy for the race. The historic value

of such a trophy makes it unique in Inter-Varsity, if not Australian contests.

QUEENSLAND

Until 1920, only Sydney, Melbourne, and Adelaide contested the race, but in this year Queensland sent to Melbourne a crew which finished third. In 1921, they came second, and won in 1922 and 1923. E. B. Freeman stroked both winning crews.

TASMANIA

In 1924 Tasmania entered a crew, and in 1925 won the race from Sydney at Brisbane. R. A. Scott stroked the winning crew.

WESTERN AUSTRALIA

In 1927 Western Australia competed for the first time, when a crew stroked by F. A. Williams won on the Nepean River course in New South Wales. This was the first occasion on which a crew had won on its first start since the original race in 1870, and it was also the first occasion on which all six Australian Universities were represented in the race. In 1928 Western Australia again won, this time on the Murray River at Mannum, South Australia.

UNIVERSITY OF N.S.W. (TECHNOLOGY)

In 1956 the University of N.S.W. competed for the first time, this race being held on the Yarra River course. This was the first time that seven crews competed, thus making the Australian Universities' Boat Race one of the finest events in Australian rowing.
