AUSTRALIAN UNIVERSITIES ROWING CONTEST

Page 1—

The first Inter-Varsity race was rowed on December 20, 1870, between fours representing Sydney and Melbourne over a three-and-a-half-mile course on the Yarra. There is record of a boat race between representatives of the States of Victoria and New South Wales contested on the Parramatta River in 1863, but there does not seem to have been any other race of an interstate or international character prior to the Inter-Varsity race of 1870. This race was won by Melbourne in 31 mins. 4 secs. In the next year a Melbourne four again defeated Sydney, this time on the Parramatta course.

The race was then abandoned until 1888, when eights representing Sydney, Melbourne and Adelaide Universities met on the Victorian Hambourg Reach course. Melbourne was first, with Adelaide second and Sydney third. Sydney, Stoked by W.A. Conlon, recorded its first win in 1890, when it won from Melbourne on the Yarra River course. Adelaide, stoked by W. H. Gosse, won for the first time in 1896, when it defeated Sydney and Melbourne on the Yarra River course. The race has been rowed every year since 1888 except during the war years, 1915-1918 and 1941-1945. There was no race in 1965.

In 1896 a most appropriate trophy was provided for the race, when Oxford and Cambridge "Blues" presented a cup as a perpetual trophy for the race. The historic value of such a trophy makes it unique in Inter-Varsity, if not Australian.

Until 1920, only Sydney, Melbourne and Adelaide contested the race, but in this year Queensland sent to Melbourne a crew which finished third. In 1921 they came second, and won in 1922 and 1923. E. B. Freeman stoked both winning crews.

In 1924 Tasmania entered a crew, and in 1925 won the race from Sydney at Brisbane. R. A. Scott stoked the winning crew.

Western Australia competed for the first time in 1927, when a crew stoked by F. A. Williams won on the Nepean River course in New South Wales. This was the first occasion on which a crew had won on its first start since the original race in 1870, and it was also the first occasion on which all six Australian Universities were represented in the race. In 1928 Western Australia again won, this time on the Murray River at Mannum, South Australia.

In 1956 the University of N.S.W. competed for the first time, this race being held on the Yarra River course. This was the first time that seven crews competed. Monash, Australian National University and Newcastle bring the total of competing Universities to ten.

The Sculling Championship was held for the first time at Penrith in 1927, and the Lightweight Fours Championship over 2,000 metres was included for the first time in 1963. Both races are now of considerable importance.
